

# House Concurrent Resolution No. 52

## 95TH GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVES LOW (Sponsor), OXFORD, BURNETT, NASHEED, KANDER,  
COLONA, HUMMEL, ZIMMERMAN, MORRIS AND TALBOY (Co-sponsors).

2531L.011

1 **Whereas**, lesbian, gay, and bisexual Americans have served honorably in the  
2 Armed Forces throughout United States history and continue to serve with distinction on active  
3 duty, including in the wars in Iraq and Afghanistan; and  
4

5 **Whereas**, the "Don't Ask, Don't Tell" policy currently does not allow openly  
6 lesbian, gay, or bisexual Americans to serve in the military only because of their sexual  
7 orientation; and  
8

9 **Whereas**, more than 12,000 service members have been discharged under the  
10 "Don't Ask, Don't Tell" policy since the policy was enacted in 1993, including approximately 800  
11 service members who performed heavily specialized jobs, such as Arabic translators, medical  
12 specialists, pilots, and intelligence personnel; and  
13

14 **Whereas**, American taxpayers have spent more then \$250 million to carry out the  
15 "Don't Ask, Don't Tell" policy by removing and replacing qualified and honorable service  
16 members because of their sexual orientation; and  
17

18 **Whereas**, the United States military's readiness to protect and defend our nation  
19 is severely compromised by spending taxpayer money to discharge honorable service members  
20 who are satisfactorily carrying out all required tasks, many of which are highly specialized,  
21 making it difficult to find qualified replacement personnel; and  
22

23 **Whereas**, America's allies in the war on terror, including the United Kingdom,  
24 Australia, Canada, and Israel, allow lesbian and gay service members to serve openly; and

25       **Whereas**, every Department of Defense authorized study has shown that there is  
26 no correlation between sexual orientation and unit cohesion in the Armed Forces; and  
27

28       **Whereas**, there are more than 20,000 military and civilian personnel stationed in  
29 Missouri, and an estimated 9,000 lesbian, gay, or bisexual veterans currently reside in Missouri:  
30

31       **Now, therefore, be it resolved** that the members of the Missouri House  
32 of Representatives, Ninety-fifth General Assembly, First Regular Session, the Senate concurring  
33 therein, hereby support the Military Readiness Enhancement Act that would replace the current  
34 "Don't Ask, Don't Tell" policy with a policy of nondiscrimination based on sexual orientation,  
35 and respectfully urge the Congress to pass and the President to sign the Military Readiness  
36 Enhancement Act so that lesbian, gay, and bisexual Americans are able to serve their country as  
37 any other American would be allowed to serve; and  
38

39       **Be it further resolved** that the Chief Clerk of the Missouri House of  
40 Representatives be instructed to prepare properly inscribed copies of this resolution for each  
41 member of Missouri's congressional delegation.
