

HB 397 -- Police Retirement System of Kansas City

Sponsor: Flook

This bill changes the retirement benefits of any member of the Police Retirement System of Kansas City who retired due to being permanently disabled or any eligible surviving spouse of a member who died in service on or before August 28, 2009. If the member's or surviving spouse's current retirement benefit is less than \$600 per month, excluding supplemental retirement benefits, the benefit will increase to \$600 per month until the member's or surviving spouse's current total base pension and cost-of-living adjustments exceed \$600 per month.
