

HB 427 -- Missouri Veterans' Commission and Education Grants

Sponsor: Largent

This bill requires all persons appointed to the Missouri Veterans' Commission to be a member of a statewide veterans' organization for at least two consecutive years prior to their appointment and authorizes the commission to establish rules and regulations necessary for the management and administration of its veteran service programs and cemeteries.

The bill revises the educational grant program for survivors of war veterans by specifying who is a qualifying military member and who is a combat veteran.
