

HB 874 -- Public Attorney Technology Fund

Sponsor: Calloway

This bill authorizes an additional \$1 fee in all civil cases with the funds to be deposited into the newly created Public Attorney Technology Fund. The fund will be administered by the Attorney General and used by prosecuting and circuit attorneys and public defenders who request money for the sole purpose of acquiring or improving technology in their respective offices. The Attorney General must establish rules and regulations to govern the process for requesting funds and determining fund awards.
