

HB 948 -- Motor Vehicle Windshield Stickers

Sponsor: Denison

This bill requires a window sticker instead of a license plate tab to be placed on the inside front windshield of a motor vehicle to show the current registration. A window sticker will not be issued for a motorcycle or trailer registration.

The Director of the Department of Revenue is allowed, beginning January 1, 2012, to prescribe additional information to be recorded on the window sticker to ensure that it positively correlates with the license plate or plates issued for the vehicle.

The bill becomes effective January 1, 2011.
