### AN ACT

To repeal section 349.010, RSMo, and to enact in lieu thereof one new section relating to projects by industrial development corporations.

---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 349.010, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 349.010, to read as follows:

349.010. As used in sections 349.010 to 349.100, unless the context otherwise requires, the following words and terms shall have the meanings indicated:

(1) "Corporations" means any authority organized pursuant to the provisions of sections 349.010 to 349.100.

(2) "County and municipality". "County" means any county in the state. "Municipality" means any city, incorporated town or village in the state.

(3) "Governing body" shall mean the board or body in which the general legislative powers of the county or municipality are vested.

(4) "Project" means the **construction, extension, and improvement of public roads** or the purchase, construction, extension and improvement of plants, buildings, structures, or facilities, whether or not now in existence, including the real estate, used or to be used as a factory, assembly plant, manufacturing plant, processing plant, fabricating plant, distribution center, warehouse building, public facility, waterborne vessels excepting commercial passenger vessels for hire in a city not within a county built prior to 1950, office building, for-profit or not-for-profit hospital, not-for-profit nursing or retirement facility or combination thereof,

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

16 physical fitness, recreational, indoor and resident outdoor facilities operated by not-for-profit  
17 organizations, commercial or agricultural facility, or facilities for the prevention, reduction or  
18 control of pollution. Included in all of the above shall be any required fixtures, equipment and  
19 machinery. Excluded are facilities designed for the sale or distribution to the public of  
20 electricity, gas, water or telephone, together with any other facilities for cable television and  
21 those commonly classified as public utilities. Projects of a municipal authority must be located  
22 wholly within the incorporated limits of the municipality except that such projects may be  
23 located outside the corporate limits of such municipality and within the county in which the  
24 municipality is located with permission of the governing body of the county. Projects of a  
25 county authority must be located within an unincorporated area of such county except that such  
26 projects may be located within the incorporated limits of a municipality within such county,  
27 when approved by the governing body of the municipality.
