

# JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

---

THIRTY-FOURTH DAY, MONDAY, MARCH 15, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Reverend James Earl Jackson.

You, O Lord, frustrate the plans of the nations and thwart all their schemes. But, Your plans stand firm forever; Your intentions can never be shaken.

We thank You, Lord God, that You know our limitations and in stressful moments, when all seem to crash around us, may we recognize them also. We are grateful for our weaknesses; for then we must look to You for strength.

As we return from spring break, refreshed and rested, we want to acknowledge and give thanks, to You, for the mentors and teachers You placed in our lives and their words of wisdom that still speak today. May You use us, in like manner, as positive mentors, role models and instructors to the next generation of legislators.

Lord, we chose today, to pay close attention to wisdom and listen intently to understanding. By doing so, we exercise discretion and what we do and say will be by wisdom and good instruction. Guide us throughout this week. May we accomplish what is good in Your sight and beneficial for all concerned.

Now, may You, Heavenly Father, who has loved us and given us eternal encouragement and good hope by grace, encourage our hearts and strengthen us in every good work and word.

In the name of Your Son, I pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-third day was approved as printed.

**"195.600. 1. A qualifying patient who has in his or her possession written certification shall not be subject to arrest, prosecution, or penalty in any manner for the medical use of marijuana, provided the quantity of marijuana does not exceed an adequate supply.**

**2. As used in this section "written certification" means the qualifying patient's medical records or a statement signed by a physician stating that in the physician's professional opinion, after having completed a full assessment of the qualifying patient's medical history and current medical condition made in the course of a bona fide physician-patient relationship, the qualifying patient has a debilitating medical condition and the potential benefits of the medical use of marijuana would likely outweigh the health risks for the qualifying patient.**

**195.602. 1. The authorization for the medical use of marijuana in sections 195.600 to 195.604 shall not apply to:**

**(1) The medical use of marijuana that compromises the health or well-being of another person, such as:**

**2. Notwithstanding any law to the contrary, fraudulent representation to a law enforcement official of any fact or circumstance relating to the medical use of marijuana to avoid arrest or prosecution shall be a petty misdemeanor and subject to a fine of five hundred dollars. Such penalty shall be in addition to any other penalties that may apply for the nonmedical use of marijuana.**

**195.604. A person and a person's primary caregivers may assert the medical use of marijuana as a defense to any prosecution involving marijuana, and such defense shall be presumed valid where the evidence shows that:**

**(1) The person's medical records indicate or a physician has stated that, in the physician's professional opinion after having completed a full assessment of the person's medical history and current medical condition made in the course of a bona fide physician-patient relationship, the potential benefits of the medical use of marijuana would likely outweigh the health risks for the person; and**
