

HB 1269 -- Criminal Background Checks

Sponsor: Meiners

This bill requires any person, business, or organization that holds camps which provide activities for children younger than 18 years of age to submit two sets of fingerprints to the State Highway Patrol from any person who will be working at the camp whether on a paid or voluntary basis. The fingerprint sets are to be used to search the Missouri Criminal Records Repository and by the Federal Bureau of Investigation to search federal criminal history files if necessary.
