

HB 241 -- Public School Retirement Systems

Sponsor: Fallert

This bill allows a person employed by a public school for 17 hours or less per week to also be eligible to work at another public school if the total hours do not exceed 17 hours per week. The hours cannot be combined for the purpose of establishing eligibility for creditable service in the Public School Retirement System or the Public Education Employee Retirement System unless specifically approved by the board of trustees of the appropriate system.
