

HB 410 -- School Expulsion

Sponsor: Loehner

Currently, when a student has been convicted of committing or adjudicated to have committed an act of violence from a list of specified offenses, he or she may not be re-admitted to school, except in an alternative education program. This bill allows the principal or superintendent of the student's school to make a re-admittance decision on a case-by-case basis.

The bill contains an emergency clause.
