

HB 578 -- Disposal of Used Tires

Sponsor: Thomson

This bill allows the state or any political subdivision or agency of the state to transfer possession and ownership of used tires, scrap tires, or tire shred to any in-state private entity to be lawfully disposed of or recycled if the tires or shred are not burned as fuel or disposed of in a landfill. The cost of transferring the tires or shred must be less than the cost the state, political subdivision, or agency would have otherwise incurred had it disposed of the tires or shred.
