

HB 617 -- School District Calendars

Sponsor: Holsman

This bill requires any school district designated as unaccredited or provisionally accredited by the State Board of Education within the Department of Elementary and Secondary Education to ensure that its calendar for the school year following the announcement of the designation has no more than six consecutive weeks without class attendance, no more than three consecutive weeks off between grading periods, and no more than five consecutive days off in any one grading period. These requirements will not apply to any district in the school year after it receives a designation of accreditation with no provisions.
