

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SEVENTY-FIRST DAY, THURSDAY, MAY 10, 2012

The House met pursuant to adjournment.

Representative Diehl in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

He leadeth me in the paths of righteousness for His name's sake. (Psalm 23:3)

Eternal God, Whose love never lets us go, Whose patience never lets us down, and Whose justice never lets us off, hear us again as we offer unto You our morning prayer. We come out of a sense of need, out of a conviction that You are with us, and we would find our confidence and our courage in the support of Your sustaining strength.

We pray for light upon our way, love along our path, and speed amid the daily duties of our demanding day. Center our lives and the lives of our citizens around faith rather than fear, around justice rather than injustice, and around high principles rather than low prejudices. Strengthen us where we are weak, hold us firm when we would fall, steady us when we start to slip, and lift us up when down we go.

Remind us of the integrity which has strengthened our state, the freedom which is our rich heritage, and of our faith in You which has made and still makes Missouri great and strong. Lead us in the paths of righteousness.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Grace Talboy.

The Journal of the seventieth day was approved as printed.

Senate Amendment No. 2

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1402, Page 100, Section 301.580, Line 20 of said page, by inserting after all of said line the following:

"301.600. 1. Unless excepted by section 301.650, a lien or encumbrance on a motor vehicle or trailer, as defined by section 301.010, is not valid against subsequent transferees or lienholders of the motor vehicle or trailer who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 301.600 to 301.660.

2. Subject to the provisions of section 301.620, a lien or encumbrance on a motor vehicle or trailer is perfected by the delivery to the director of revenue of a notice of a lien in a format as prescribed by the director of revenue. The notice of lien is perfected as of the time of its creation if the delivery of such notice to the director of revenue is completed within thirty days thereafter, otherwise as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the motor vehicle or trailer and the secured party, a description of the motor vehicle or trailer, including the vehicle identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of such notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

3. Notwithstanding the provisions of section 301.620, on a refinance **by a different lender** of a **prior** loan secured by a motor vehicle or trailer a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

4. To perfect a subordinate lien, the notice of lien must be accompanied by the documents required to be delivered to the director pursuant to subdivision (3) of section 301.620.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" on the notice of lien and noted on the certificate of ownership if the motor vehicle or trailer is subject to only one notice of lien. To secure future advances when an existing lien on a motor vehicle or trailer does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows: proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is received for by the department of revenue, and returned to the lienholder.

6. If a motor vehicle or trailer is subject to a lien or encumbrance when brought into this state, the validity and effect of the lien or encumbrance is determined by the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrance attached that the motor vehicle or trailer would be kept in this state and it was brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state is determined by the law of this state;

(2) If the lien or encumbrance was perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by that jurisdiction, the lien or encumbrance continues perfected in this state three months after a first certificate of ownership of the motor vehicle or trailer is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period; in that case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the law of the jurisdiction where the motor vehicle or trailer was when the lien or encumbrance attached, it may be perfected in this state; in that case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection either as provided in subsection 2 or 4 of this section or by the lienholder delivering to the director of revenue a notice of lien or encumbrance in the form the director of revenue prescribes and the required fee.

7. By rules and regulations, the director of revenue shall establish a security procedure for the purpose of verifying that an electronic notice of lien or notice of satisfaction of a lien on a motor vehicle or trailer given as permitted in sections 301.600 to 301.640 is that of the lienholder, verifying that an electronic notice of confirmation of ownership and perfection of a lien given as required in section 301.610 is that of the director of revenue, and detecting error in the transmission or the content of any such notice. A security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself be a security procedure."; and

Further amend said bill, Page 153, Section 306.127, Line 10 of said page, by inserting after all of said line the following:

"306.400. 1. As used in sections 306.400 to 306.440, the terms motorboat, vessel, and watercraft shall have the same meanings given them in section 306.010, and the term outboard motor shall include outboard motors governed by section 306.530.

2. Unless excepted by section 306.425, a lien or encumbrance on an outboard motor, motorboat, vessel, or watercraft shall not be valid against subsequent transferees or lienholders of the outboard motor, motorboat, vessel or watercraft, who took without knowledge of the lien or encumbrance unless the lien or encumbrance is perfected as provided in sections 306.400 to 306.430.

3. A lien or encumbrance on an outboard motor, motorboat, vessel or watercraft is perfected by the delivery to the director of revenue of a notice of lien in a format as prescribed by the director. Such lien or encumbrance shall be perfected as of the time of its creation if the delivery of the items required in this subsection to the director of revenue is completed within thirty days thereafter, otherwise such lien or encumbrance shall be perfected as of the time of the delivery. A notice of lien shall contain the name and address of the owner of the outboard motor, motorboat, vessel or watercraft and the secured party, a description of the outboard motor, motorboat, vessel or watercraft motor, including any identification number, and such other information as the department of revenue may prescribe. A notice of lien substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. Provided the lienholder submits complete and legible documents, the director of revenue shall mail confirmation or electronically confirm receipt of each notice of lien to the lienholder as soon as possible, but no later than fifteen business days after the filing of the notice of lien.

4. Notwithstanding the provisions of section 306.410, on a refinance **by a different lender** of a **prior** loan secured by an outboard motor, motorboat, vessel or watercraft, a lien is perfected by the delivery to the director of revenue of a notice of lien completed by the refinancing lender in a format prescribed by the director of revenue.

5. Liens may secure future advances. The future advances may be evidenced by one or more notes or other documents evidencing indebtedness and shall not be required to be executed or delivered prior to the date of the future advance lien securing them. The fact that a lien may secure future advances shall be clearly stated on the security agreement and noted as "subject to future advances" in the second lienholder's portion of the notice of lien. To secure future advances when an existing lien on an outboard motor, motorboat, vessel or watercraft does not secure future advances, the lienholder shall file a notice of lien reflecting the lien to secure future advances. A lien to secure future advances is perfected in the same time and manner as any other lien, except as follows. Proof of the lien for future advances is maintained by the department of revenue; however, there shall be additional proof of such lien when the notice of lien reflects such lien for future advances, is received for by the department of revenue, and returned to the lienholder.

6. Whether an outboard motor, motorboat, vessel, or watercraft is subject to a lien or encumbrance shall be determined by the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, subject to the following:

(1) If the parties understood at the time the lien or encumbrances attached that the outboard motor, motorboat, vessel, or watercraft would be kept in this state and it is brought into this state within thirty days thereafter for purposes other than transportation through this state, the validity and effect of the lien or encumbrance in this state shall be determined by the laws of this state;

(2) If the lien or encumbrance was perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, the following rules apply:

(a) If the name of the lienholder is shown on an existing certificate of title or ownership issued by that jurisdiction, his or her lien or encumbrance continues perfected in this state;

(b) If the name of the lienholder is not shown on an existing certificate of title or ownership issued by the jurisdiction, the lien or encumbrance continues perfected in this state for three months after the first certificate of title of the outboard motor, motorboat, vessel, or watercraft is issued in this state, and also thereafter if, within the three-month period, it is perfected in this state. The lien or encumbrance may also be perfected in this state after the expiration of the three-month period, in which case perfection dates from the time of perfection in this state;

(3) If the lien or encumbrance was not perfected pursuant to the laws of the jurisdiction where the outboard motor, motorboat, vessel, or watercraft was when the lien or encumbrance attached, it may be perfected in this state, in which case perfection dates from the time of perfection in this state;

(4) A lien or encumbrance may be perfected pursuant to paragraph (b) of subdivision (2) or subdivision (3) of this subsection in the same manner as provided in subsection 3 of this section.

7. The director of revenue shall by rules and regulations establish a security procedure to verify that an electronic notice or lien or notice of satisfaction of a lien on an outboard motor, motorboat, vessel or watercraft given pursuant to sections 306.400 to 306.440 is that of the lienholder, to verify that an electronic notice of confirmation of ownership and perfection of a lien given pursuant to section 306.410 is that of the director of revenue and to detect error in the transmission or the content of any such notice. Such a security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures or similar security devices. Comparison of a signature on a communication with an authorized specimen signature shall not by itself constitute a security procedure."; and

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1402, Page 65, Section 301.069, Line 3, by inserting after all of said line the following:

"301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days. As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, applicant shall pay a transfer fee of two dollars and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, applicant shall not be entitled to a refund.

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

4. Upon the sale of a motor vehicle or trailer by a dealer, a buyer who has made application for registration, by mail or otherwise, may operate the same for a period of thirty days after taking possession thereof, if during such period the motor vehicle or trailer shall have attached thereto, in the manner required by section 301.130, number plates issued to the dealer. Upon application and presentation of proof of financial responsibility as required under subsection 5 of this section and satisfactory evidence that the buyer has applied for registration, a dealer may furnish such number plates to the buyer for such temporary use. In such event, the dealer shall require the buyer to deposit the sum of ten dollars and fifty cents to be returned to the buyer upon return of the number plates as a guarantee that said buyer will return to the dealer such number plates within thirty days. The director shall issue a temporary permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty days of the date of purchase.

5. The temporary permit shall be made available by the director of revenue and may be purchased from the department of revenue upon proof of purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof of financial responsibility, or from a dealer upon purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer. The director shall make temporary permits available to registered dealers in this state or authorized agents of the department of revenue in sets of ten permits. The fee for the temporary permit shall be seven dollars and fifty cents for each permit or plate issued. No dealer or authorized agent shall charge more than seven dollars and fifty cents for each permit issued. The permit shall be valid for a period of thirty days from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor

vehicle or trailer by a dealer for which the purchaser obtains a permit as set out above. No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility.

6. The permit shall be issued on a form prescribed by the director and issued only for the applicant's use in the operation of the motor vehicle or trailer purchased to enable the applicant to legally operate the vehicle while proper title and registration plate are being obtained, and shall be displayed on no other vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable and shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer. The director shall determine the size and numbering configuration, construction, and color of the permit.

7. The dealer or authorized agent shall insert the date of issuance and expiration date, year, make, and manufacturer's number of vehicle on the permit when issued to the buyer. The dealer shall also insert such dealer's number on the permit. Every dealer that issues a temporary permit shall keep, for inspection of proper officers, a correct record of each permit issued by recording the permit or plate number, buyer's name and address, year, make, manufacturer's vehicle identification number on which the permit is to be used, and the date of issuance.

8. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

9. An additional temporary license plate produced in a manner and of materials determined by the director to be the most cost effective means of production with a configuration that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the interior of the vehicle's rear window such that the driver's view out of the rear window is not obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate shall be equal to the fee charged for a temporary permit issued under subsection 5 of this section. Replacement temporary plates authorized in this subsection may be issued as needed upon the payment of a fee equal to the fee charged for a temporary permit under subsection 5 of this section. The newly produced third plate may only be used on the vehicle with the matching plate, and the additional plate shall be clearly recognizable as a third plate and only used for the purpose specified in this subsection.

10. The director may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void."; and

Further amend the title and enacting clause accordingly.
