

HB 1619 -- Members of State Boards, Commissions, Committees, and Councils

Sponsor: McNeil

This bill requires the Governor to maintain and regularly update a listing of the member's name, city or county of residence, race, gender, and term expiration date for each state board, commission, committee, and council with a Governor-appointed member. The information must be submitted to the Governor by the head of each state, commission, committee, and council by May 31, 2013, and annually thereafter, and will be maintained as public records. All information received except information relating to race and gender must be posted on the Governor's web site. The Governor must maintain and provide the information to the public upon request no later than May 31, 2014, but the information cannot include the name or other personal identifying information of any member. The bill does not create any private right of action or prohibit an individual from completing his or her term of office.
