

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

THIRTY-SECOND DAY, WEDNESDAY, MARCH 6, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

For you were called to freedom. Brethren; only do not use your freedom as an opportunity for the flesh, but through love be servants of one another. (Galatians 5:13)

Almighty and Everlasting God, in our hearts we bow before You in all reverence and humility, confessing our need of Your forgiving grace and our desire for Your directing guidance. Help us to lift our spirits to You in prayer and praise and give us grace to dedicate our lives anew to You, to our state, and to the welfare of our Missouri citizens.

We pray for the captive peoples of the world - for the oppressed, the downtrodden, the persecuted - those who live in the darkness of fear and death. Grant that they may keep aglow in their hearts the desire for freedom. May they have the courage to endure their trials with faith, the strength to resist temptation with honor, and the spirit that continues to dream of a day when justice and mercy shall rule the hearts of all.

During these days that test our patience may the awareness of Your presence give us steady faith and steadfast love enabling us to assist those in need.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-first day was approved as corrected.

Representative Zerr offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Bill No. 201, Page 1, Section A, Line 2, by inserting immediately after said line the following:

"135.1550. 1. Sections 135.1550 to 135.1575 shall be known and may be cited as the "Missouri Export Incentive Act".

2. As used in sections 135.1550 to 135.1575, unless the context clearly requires otherwise, the following terms shall mean:

(1) "Air export tax credit", the tax credit against the taxes imposed under chapters 143, 147, and 148, except for those in sections 143.191 to 143.265, to be issued by the department to a claiming freight forwarder for the shipment of air cargo on a qualifying outbound flight;

(2) "Airport", any international airport located within the state;

(3) "Chargeable kilo", the shipment of a kilo of freight, as measured by the greater of:

(a) Actual weight; or

(b) A dimensional weight, as determined by the conversion factors promulgated by the International Air Transport Association, on a qualifying outbound flight;

(4) "Claiming freight forwarder", the freight forwarder designated as the "agent" on the airway bill for the qualifying outbound flight for which such air export tax credit is sought;

(5) "Department", the Missouri department of economic development;

(6) "Direct international aircraft flight", a single aircraft transoceanic flight that operates to an international destination in accordance with the operators bilateral route authority;

(7) "Freight forwarder", a person who assumes responsibility in the ordinary course of business for the transportation of cargo from the place of receipt to the place of destination, including the utilization of a qualifying outbound flight;

(8) "Qualifying outbound flight", a direct international aircraft flight that carries either all cargo or a mix of passengers and cargo from the airport to an international destination.

135.1555. 1. For all fiscal years beginning on or after July 1, 2013, a claiming freight forwarder shall be entitled to an air export tax credit for the shipment of cargo on a qualifying outbound flight in an amount equal to forty cents per chargeable kilo.

2. The department shall index, and the secretary of state shall publish in the Missouri Register, the amount of the air export tax credits to adjust each year depending upon fluctuations in the cost of fuel for over-the-road transportation.

135.1560. 1. To receive benefits provided under section 135.1555, a claiming freight forwarder shall file an application with the department within one hundred twenty calendar days of the date of shipment. The documentation to be presented by the claiming freight forwarder in such an application shall consist of the master airway bill for the shipment on the qualifying outbound flight for which the claiming freight forwarder is seeking air export tax credits. The department shall establish procedures to allow claiming freight forwarders that file applications for air export tax credits to receive such tax credits within twenty business days of the filing of the application.

2. If the fiscal year cap on the issuance of air export tax credits provided under section 135.1565 is met in a given fiscal year, then the amount of such tax credits that have been authorized, but remain unissued, shall be carried forward and issued in the subsequent fiscal year.

3. No tax credits provided under this section shall be authorized after June 30, 2021. Any tax credits authorized on or before June 30, 2021, but not issued, may be issued until all such authorized tax credits have been issued.

135.1565. The total aggregate amount for air export tax credits authorized under section 135.1555 shall not exceed sixty million dollars. The amount of the air export tax credits issued under section 135.1555 shall not exceed seven million five hundred thousand dollars for each fiscal year beginning on or after July 1, 2013, unless authorized by the department. Any amount issued exceeding seven million five hundred thousand dollars in a fiscal year shall be reduced first from the authorized amount for the fiscal year ending June 30, 2021, and then the preceding fiscal years, until all such authorized credits have been issued.

135.1570. If the amount of any tax credit authorized under sections 135.1550 to 135.1575 exceeds the total tax liability for the year in which the applicant is entitled to receive a tax credit, the amount that exceeds the state tax liability may be carried forward for credit against the taxes imposed under chapters 143, 147, and 148, except those in sections 143.191 to 143.265, for the succeeding six years, or until the full credit is used, whichever occurs first. Tax credits authorized under the provisions of sections 135.1550 to 135.1575 may be transferred, sold, or otherwise assigned. Tax credits granted to a partnership, a limited liability company taxed as a partnership, or multiple owners of property shall be passed through to the partners, members, or owners respectively pro rata or pursuant to an executed agreement among the partners, members, or owners documenting an alternate distribution method.

135.1575. 1. The department may promulgate rules to implement the provisions of sections 135.1550 to 135.1575. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this act, shall be invalid and void.

2. The provisions of section 23.253 of the Missouri sunset act notwithstanding:

(1) The provisions of the new programs authorized under sections 135.1550 to 135.1575 shall automatically sunset eight years after the effective date of this act, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset eight years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the programs authorized under sections 135.1550 to 135.1575 sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
