

HB 588 -- Primary Election Date

Sponsor: Diehl

This bill changes the day of the primary election and the public elections based on the primary election day from the first Tuesday after the first Monday in August to the first Tuesday after the third Monday in June.

The meeting dates for political party committees are changed in order to accommodate this primary election date change. Each Congressional district committee must meet on the last Tuesday of June after each primary election instead of the last Tuesday in August; each legislative district committee must meet on the third Wednesday after the June primary election instead of after the August primary election; each senatorial district committee must meet on the third Saturday after the June primary election instead of after the August primary election; and members of each judicial district must meet on the third Tuesday in July after the primary election instead of the first Tuesday in September unless the chairman of the committee or the chair of the Congressional district committee designates another time.
