

HB 875 -- County Public Health Center Sales Tax

Sponsor: Wieland

This bill authorizes the board of trustees of the county public health center in Jefferson County to impose, upon voter approval, a local sales tax of up to 1% in lieu of a property tax to fund the county public health center. The Department of Revenue will deposit the sales tax into the newly created County Public Health Center Sales Tax Fund, and the department will deduct 1% for the cost of collection to be deposited into the General Revenue Fund.
