

HOUSE**AMENDMENT NO. _____****Offered by _____****of _____**

1 AMEND House Committee Substitute for House Bill No. 1192, Page 1,
 2 Section A, Line 2, by inserting after all of said line the
 3 following:

4 "170.015. 1. Any course materials and instruction relating
 5 to human sexuality and sexually transmitted diseases shall be
 6 medically and factually accurate, be based on peer reviewed
 7 projects that have been demonstrated to influence healthy
 8 behavior, be age appropriate, and shall:

9 (1) Present abstinence from sexual activity as the
 10 preferred choice of behavior in relation to all sexual activity
 11 [for unmarried pupils because it is the only method that is one
 12 hundred percent effective in preventing pregnancy, sexually
 13 transmitted diseases and the emotional trauma associated with
 14 adolescent sexual activity, and advise students that teenage
 15 sexual activity places them at a higher risk of dropping out of
 16 school because of the consequences of sexually transmitted
 17 diseases and unplanned pregnancy] as the only sure way to avoid
 18 pregnancy or sexually transmitted infection;

19 (2) Stress that sexually transmitted [diseases] infections
 20 are serious, possible, health hazards of sexual activity. Pupils
 21 shall be provided with the latest medical information regarding
 22 exposure to human immunodeficiency virus (HIV), acquired immune
 23 deficiency syndrome (AIDS), human papilloma virus, hepatitis and
 24 other sexually transmitted diseases;

25 (3) Present students with the latest medically factual
 26 information [regarding both the possible side effects and health
 27 benefits of all forms of contraception, including the success and
 28 failure rates for the prevention of pregnancy and sexually

Action Taken _____ Date _____

transmitted diseases; or shall present students with information on contraceptives and pregnancy in a manner consistent with the provisions of the federal abstinence education law, 42 U.S.C. Section 710] about the health benefits and side effects of all contraceptives and barrier methods as a means to prevent pregnancy and to reduce the risk of contracting sexually transmitted infections, HIV/AIDS, and other diseases;

(4) [Include a discussion of the possible emotional and psychological consequences of preadolescent and adolescent sexual activity and the consequences of adolescent pregnancy, as well as the advantages of adoption, including the adoption of special needs children, and the processes involved in making an adoption plan] Provide information about the vaccine for human papilloma virus, which may prevent cervical cancer, genital warts, infertility, and other reproductive health problems, when administered prior to becoming sexually active;

(5) Encourage family communication between parents and children about sexuality;

(6) Help young people gain knowledge about the physical, biological, and hormonal changes of adolescence and subsequent states of human maturation and the skills to make responsible decisions about sexuality, including how alcohol and drug use can affect that decision making;

[(5)] (7) Teach skills of conflict management, personal responsibility and positive self-esteem through discussion and role-playing at appropriate grade levels to emphasize that the pupil has the power to control personal behavior. Pupils shall be encouraged to base their actions on reasoning, self-discipline, sense of responsibility, self-control, and ethical considerations, such as respect for one's self and others. Pupils shall be taught not to make unwanted physical and verbal sexual advances or otherwise exploit another person. Pupils shall be taught to resist unwanted sexual advances and other negative peer pressure;

[(6)] (8) Advise pupils of the laws pertaining to their financial responsibility to children born in and out of wedlock and advise pupils of the provisions of chapter 566 pertaining to

1 statutory rape;

2 (9) Help pupils develop skills in critical thinking,
3 problem solving, decision making, and stress management in order
4 to make healthy decisions about sexuality and relationships;

5 (10) Teach pupils about the dangers of sexual predators,
6 including online predators when using electronic communication
7 methods such as the internet, cell phones, text messages, chat
8 rooms, email, and instant messaging programs. Pupils shall be
9 taught how to behave responsibly and remain safe on the internet
10 and the importance of having open communication with responsible
11 adults and reporting any inappropriate situation, activity, or
12 abuse to a responsible adult, and depending on intent and
13 content, to local law enforcement, the FBI, or the CyberTipLine;

14 (11) Teach pupils about the consequences, both personal and
15 legal, of inappropriate text messaging among friends.

16 2. Policies concerning referrals and parental notification
17 regarding contraception shall be determined by local school
18 boards or charter schools, consistent with the provisions of
19 section 167.611.

20 3. A school district or charter school which provides human
21 sexuality instruction may separate students according to gender
22 for instructional purposes.

23 4. The board of a school district or charter school shall
24 determine the specific content of the district's or school's
25 instruction in human sexuality, in accordance with subsections 1
26 to 3 of this section, and shall ensure that all instruction in
27 human sexuality is appropriate to the age of the students
28 receiving such instruction.

29 5. A school district or charter school shall notify the
30 parent or legal guardian of each student enrolled in the district
31 or school of:

32 (1) The basic content of the district's or school's human
33 sexuality instruction to be provided to the student; and

34 (2) The parent's right to remove the student from any part
35 of the district's or school's human sexuality instruction.

36 6. A school district or charter school shall make all
37 curriculum materials and names and affiliations of presenters

1 used in the district's or school's human sexuality instruction
2 available for public inspection pursuant to chapter 610 prior to
3 the use of such materials in actual instruction.

4 [7. No school district or charter school, or its personnel
5 or agents, shall provide abortion services, or permit a person or
6 entity to offer, sponsor, or furnish in any manner any course
7 materials or instruction relating to human sexuality or sexually
8 transmitted diseases to its students if such person or entity is
9 a provider of abortion services.

10 8. As used in this section, the following terms mean:

11 (1) "Abortion", the same meaning as such term is defined in
12 section 188.015;

13 (2) "Abortion services":

14 (a) Performing, inducing, or assisting in the performance
15 or inducing of an abortion which is not necessary to save the
16 life of the mother;

17 (b) Encouraging a patient to have an abortion or referring
18 a patient for an abortion, which is not necessary to save the
19 life of the mother; or

20 (c) Developing or dispensing drugs, chemicals, or devices
21 intended to be used to induce an abortion which is not necessary
22 to save the life of the mother.]" ; and

23
24 Further amend said title, enacting clause and intersectional
25 references accordingly.
