

HB 1927 -- MISSOURI BOARD ON GEOGRAPHIC NAMES AND LOCAL RECORDS
BOARD

SPONSOR: Ross

This bill increases the number of members of the Missouri Board on Geographic Names from 19 to 21 by authorizing the Secretary of State to appoint 10 members, instead of nine members, and adding the Director of the Department of Agriculture or his or her designee.

The membership of the Local Records Board is revised by removing the member representing higher education and the members currently representing a village, a township, and counties and adding two members representing villages from counties of the first or second classification and two members representing villages from counties of the third or fourth classification.
