1 number of voice capable grade channels or their equivalent that allow simultaneously contacting the  
2 public safety answering point regardless of use. Only one fee may be assessed per active telephone  
3 number or its functional equivalent or successor used to provide a communications service. No fee  
4 imposed under this section shall be imposed on more than one hundred voice grade channels or their  
5 equivalent per person per location. Notwithstanding anything to the contrary in this section, the  
6 monthly fee shall not be assessed on the provision of broadband internet access service. The fee  
7 shall be imposed solely for the purpose of funding 911 service in such county or city. The monthly  
8 fee authorized in this section shall be limited to one fee per device. The fee authorized in this section  
9 shall be in addition to all other taxes and fees imposed by law and may be stated separately from all  
10 other charges and taxes. The fee shall be the liability of the subscriber, not the provider, except that  
11 the provider shall be liable to remit all fees that the provider collects pursuant to this section."; and
