

# JOURNAL OF THE HOUSE

First Regular Session, 98th GENERAL ASSEMBLY

TWENTY-SEVENTH DAY, TUESDAY, FEBRUARY 24, 2015

The House met pursuant to adjournment.

Speaker Diehl in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

*It is God who is at work within you, giving you the will and the power to achieve His purpose. (Philippians 2:13)*

O Powerful God in Heaven, we thank You for these sacred minutes when we unite our hearts in prayer to You, when for a few moments we pause in Your presence seeking guidance and strength from Your loving hands.

Let not the beauty of the earth, nor the glory of the skies, nor the love which surrounds us daily blind us to the needs of the lonely and the poverty of the poor. Make us so dissatisfied with fine words and feeble deeds, with smiling faces and sour faiths that we will pray earnestly for the renewal of a good conscience within us.

Speak to us, O Lord, and may we hear Your voice, and hearing it listen to it, and listening to it obey it, for the glory of Your name, the good of our State, and the greatness of this House of Representatives.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Tyson Grayson Parks, Gabriel Corlew, Amaya Corlew, Eliana Corlew, and Eli Nadler.

The Journal of the twenty-sixth day was approved as printed by the following vote:

*House Committee Amendment No. 1*

AMEND House Bill No. 380, Pages 1 and 2, Section 170.029, Lines 1-18, by deleting all of said lines and inserting in lieu thereof the following:

**"170.029. 1. The state board of education shall establish minimum requirements for a career and technical education (CTE) certificate that a student can earn in addition to his or her high school graduation diploma. Students entering high school in school year 2016-2017 and thereafter shall be eligible to earn a CTE certificate.**

**2. The state board of education shall establish CTE requirements intended to provide students with the necessary technical employability skills to be prepared for an entry-level career in a technical field or additional training in a technical field. The provisions of this section shall not be considered a means for tracking students in order to impel students to particular vocational, career, or college paths. The state board of education shall work with local school districts to ensure that tracking does not occur. For**

purposes of this section, "tracking" shall mean separating pupils by academic ability into groups for all subjects or certain classes and curriculum.

3. Each local school district shall determine the curriculum, programs of study, and course offerings based on the needs and interests of the students in the district. As required by Missouri's state plan for career education and the Missouri school improvement program, the state board of education shall work in cooperation with individual school districts to stipulate the minimum number of CTE offerings. Each local school district shall strive to offer programs of study that are economically feasible for students in the district. In establishing CTE offerings, the district may rely on standards for industry-recognized certificates or credentials.

4. No later than January 1, 2016, the department of elementary and secondary education shall revise its scoring guide under the Missouri school improvement program to include a component of credit for a district's curriculum, programs of study, and course offerings as determined by the local school district based on the needs and interests of the students in the district and to provide significant weight to that component for the purposes of determining a district's accreditation. Beginning with the 2016-17 school year, the credit component for a district's curriculum, programs of study, and course offerings as determined by the local school district based on the needs and interests of the students in the district shall be a part of the district's accreditation."; and

Further amend said bill and section by renumbering the subsections accordingly; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
