

JOURNAL OF THE HOUSE

First Regular Session, 98th GENERAL ASSEMBLY

FIFTY-THIRD DAY, THURSDAY, APRIL 16, 2015

The House met pursuant to adjournment.

Speaker Diehl in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you; yea, I will help you. (Isaiah 41:10)

O Almighty God, source of all wisdom, power, and love, help us with increasing fidelity to come to You for light upon our way, for strength that sustains us in our way, and for love which brightens our hearts along our way that we may now, and always, do justly, love mercy, and walk humbly with You.

Praying under the glorious flags of our Nation and State may we make sure that our citizens shall continue to see Missouri with the light of liberty held high and with the flag of freedom flying from the heights.

As we face the unfinished tasks before us may it be with courage and faith that we may make decisions wisely, plan our procedures skillfully, and develop our policies soundly for the good of all. In our work keep our minds clear, our hearts confident, our spirits courageous, and our hands clean that together we may move forward to a stronger state and a better nation.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Casey Payne, Haley Hogan, Hallie Hogan, Kayci Payne, and Jennifer Payne.

The Journal of the fifty-second day was approved as printed.

"160.671. 1. A school board member of any urban school district located in a county of the first classification with more than eighty-three thousand but fewer than ninety-two thousand inhabitants and with a home rule city with more than seventy-six thousand but fewer than ninety-one thousand inhabitants as the county seat may be removed by the voters in a recall election. Proceedings may be commenced for the recall of any such member by the filing of a notice of intention to circulate a recall petition under this section.

2. The notice of intention to circulate a recall petition shall be served personally, or by certified mail, on the board member sought to be recalled. A copy thereof shall be filed, along with an affidavit of the time and manner of service, with the election authority, as defined in chapter 115 and with the secretary of the school board. A separate notice shall be filed for each board member sought to be recalled and shall contain all of the following:

(1) The name of the board member sought to be recalled;
(2) A statement, not exceeding two hundred words in length, of the reasons for the proposed recall; and
(3) The names and business or residential addresses of at least one but not more than five proponents of the recall who are registered voters in the district.

3. Within seven days after the filing of the notice of intention, the board member may file with the election authority and the secretary of the school board a statement, not exceeding two hundred words in length, which may include an answer to the statement of the proponents. If a statement is filed, the board member shall also serve a copy of it, personally or by certified mail, on one of the proponents named in the notice of intention. The statement is intended solely to be used for the information of the voters. No insufficiency in form or substance of such statements shall affect the validity of the election proceedings.

4. Before any signature may be affixed to a recall petition, the petition is required to bear all of the following:

(1) A request that an election be called to elect a successor to the board member at the next school board election;

(2) A copy of the notice of intention, including a general statement of the grounds for which removal is sought;

(3) The statement of the board member sought to be recalled, if any exists. If the board member has not filed a statement, the petition shall so state; and

(4) A place for each signer to affix his or her signature, printed name, and residential address, including any address in a city, town, village, or unincorporated community.

5. Each section of the petition, when submitted to the election authority, shall have attached to it an affidavit signed by the person circulating such section of the petition, setting forth all of the following:

- (1) The printed name of the affiant;
- (2) The residential address of the affiant;
- (3) That the affiant circulated that section of the petition and saw the appended signatures be written;
- (4) That according to the best information and belief of the affiant, each signature is the genuine signature of the person whose name it purports to be;
- (5) That the affiant is a registered voter in the school district; and
- (6) The dates between which all of the signatures to the petition were obtained.

6. A recall petition shall be filed with the election authority and secretary of the school board not more than one hundred eighty days after the filing of the notice of intention.

7. The qualified signatures of at least three hundred registered voters shall be required for the submission of a petition.

8. Within thirty days after the date of filing the petition, the election authority shall examine and ascertain whether the petition is signed by the requisite number of voters. The election authority shall file with the petition a certificate showing the results of the examination. The election authority shall give the proponents a copy of the certificate upon their request.

9. If the election authority certifies the petition to be insufficient, it may be supplemented within ten days of the date of certification by filing additional petition sections containing all of the information required by this section. Within ten days after the supplemental copies are filed, the election authority shall file with them a certificate stating whether or not the petition as supplemented is sufficient.

10. If the election authority finds the signatures on the petition, together with the supplementary petition sections, if any, to be sufficient, it shall submit its certificate as to the sufficiency of the petition to the school board prior to its next meeting. The certificate shall contain the following:

- (1) The name of the member whose recall is sought;
- (2) A copy of the petition with at least three hundred signatures;
- (3) The total number of signatures on the petition; and
- (4) The number of valid signatures on the petition.

11. Following the school board's receipt of the certificate, the election authority shall order an election to be held on the next election day as specified in section 115.123 but the election shall be held not less than forty-five days from the date the school board receives the petition.

12. At any time prior to fifty days before the election, the member sought to be recalled may offer his or her resignation. If his or her resignation is offered, the recall question shall be removed from the ballot and the office declared vacant. At such time, the vacancy shall be filled as provided in section 162.471, except that the member who resigned shall not fill the vacancy.

13. If a majority of the voters vote in favor of retaining the member, the member shall remain in office and shall not be subject to another recall election during his or her term of office. If a majority of voters vote to remove the member, his or her successor shall be chosen by the county commission of any county of the first classification with more than eighty-three thousand but fewer than ninety-two thousand inhabitants and with a home rule city with more than seventy-six thousand but fewer than ninety-one thousand inhabitants as the county seat as provided in section 162.471.

14. The provisions of this section shall expire on December 31, 2021."; and

Further amend said bill, Page 42, Section 162.081, Line 148, by inserting immediately after said line the following:

"162.471. 1. The government and control of an urban school district is vested in a board of seven directors. Each director shall be a voter of the district who has resided within this state for one year next preceding his election or appointment and who is at least twenty-four years of age. All directors, except as otherwise provided in section 162.481 and section 162.492, hold their offices for six years and until their successors are duly elected and qualified. All vacancies occurring in the board, except as provided in section 162.492 **and in subsection 2 of this section**, shall be filled by appointment by the board as soon as practicable, and the person appointed shall hold his office until the next school board election, when his successor shall be elected for the remainder of the unexpired term. The power of the board to perform any official duty during the existence of a vacancy continues unimpaired thereby.

2. All vacancies occurring in the school board of any urban school district located in a county of the first classification with more than eighty-three thousand but fewer than ninety-two thousand inhabitants and with a

home rule city with more than seventy-six thousand but fewer than ninety-one thousand inhabitants as the county seat shall be filled by appointment of the county commission of a county of the first classification with more than eighty-three thousand but fewer than ninety-two thousand inhabitants and with a home rule city with more than seventy-six thousand but fewer than ninety-one thousand inhabitants as the county seat. If the vacancy occurred because of a recall under section 160.671, the member who was recalled shall not fill the vacancy. The person appointed by the county commission shall hold office until the next school board election, when his or her successor shall be elected for the remainder of the unexpired term.

162.481. 1. Except as otherwise provided in this section **and in section 162.492**, all elections of school directors in urban **school** districts shall be held biennially at the same times and places as municipal elections.

2. [In any urban district which includes all or the major part of a city which first obtained a population of more than seventy-five thousand inhabitants by reason of the 1960 federal decennial census, elections of directors shall be held on municipal election days of even-numbered years. The directors of the prior district shall continue as directors of the urban district until their successors are elected as herein provided. On the first Tuesday in April, 1964, four directors shall be elected, two for terms of two years to succeed the two directors of the prior district who were elected in 1960 and two for terms of six years to succeed the two directors of the prior district who were elected in 1961. The successors of these directors shall be elected for terms of six years. On the first Tuesday in April, 1968, two directors shall be elected for terms to commence on November 5, 1968, and to terminate on the first Tuesday in April, 1974, when their successors shall be elected for terms of six years. No director shall serve more than two consecutive six-year terms after October 13, 1963.

3.] Except as otherwise provided in subsections 3, 4, and 5 of this section, hereafter when a seven-director district becomes an urban **school** district, the directors of the prior seven-director district shall continue as directors of the urban **school** district until the expiration of the terms for which they were elected and until their successors are elected as provided in this subsection. The first biennial school election for directors shall be held in the urban **school** district at the time provided in subsection 1 which is on the date of or subsequent to the expiration of the terms of the directors of the prior district which are first to expire, and directors shall be elected to succeed the directors of the prior district whose terms have expired. Senate Amendment No. 5

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 42, Page 49, Section 162.1313, Line 7, by inserting after all of said line the following:

"163.011. As used in this chapter unless the context requires otherwise:

(1) “Adjusted operating levy”, the sum of tax rates for the current year for teachers' and incidental funds for a school district as reported to the proper officer of each county pursuant to section 164.011;

(2) “Average daily attendance”, the quotient or the sum of the quotients obtained by dividing the total number of hours attended in a term by resident pupils between the ages of five and twenty-one by the actual number of hours school was in session in that term. To the average daily attendance of the following school term shall be added the full-time equivalent average daily attendance of summer school students. “Full-time equivalent average daily attendance of summer school students” shall be computed by dividing the total number of hours, except for physical education hours that do not count as credit toward graduation for students in grades nine, ten, eleven, and twelve, attended by all summer school pupils by the number of hours required in section 160.011 in the school term. For purposes of determining average daily attendance under this subdivision, the term “resident pupil” shall include all children between the ages of five and twenty-one who are residents of the school district and who are attending kindergarten through grade twelve in such district. If a child is attending school in a district other than the district of residence and the child's parent is teaching in the school district or is a regular employee of the school district which the child is attending, then such child shall be considered a resident pupil of the school district which the child is attending for such period of time when the district of residence is not otherwise liable for tuition. Average daily attendance for students below the age of five years for which a school district may receive state aid based on such attendance shall be computed as regular school term attendance unless otherwise provided by law;

(3) “Current operating expenditures”:

(a) For the fiscal year 2007 calculation, “current operating expenditures” shall be calculated using data from fiscal year 2004 and shall be calculated as all expenditures for instruction and support services except capital outlay and debt service expenditures minus the revenue from federal categorical sources; food service; student activities; categorical payments for transportation costs pursuant to section 163.161; state reimbursements for early childhood special education; the career ladder entitlement for the district, as provided for in sections 168.500 to 168.515; the vocational education entitlement for the district, as provided for in section 167.332; and payments from other districts;

(b) In every fiscal year subsequent to fiscal year 2007, current operating expenditures shall be the amount in paragraph (a) of this subdivision plus any increases in state funding pursuant to sections 163.031 and 163.043 subsequent to fiscal year 2005, not to exceed five percent, per recalculation, of the state revenue received by a district in the 2004-05 school year from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payments for any district from the first preceding calculation of the state adequacy target. Beginning on July 1, 2010, current operating expenditures shall be the amount in paragraph (a) of this subdivision plus any increases in state funding pursuant to sections 163.031 and 163.043 subsequent to fiscal year 2005 received by a district in the 2004-05 school year from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payments for any district from the first preceding calculation of the state adequacy target; **provided that, when used to recalculate the state adequacy target as provided in subdivision (18) of this section, any increase in state funding attributable to an individual district shall be limited to two hundred percent of the aggregate percentage increase in state funding for all of the performance districts used in the same recalculation;**

(4) “District's tax rate ceiling”, the highest tax rate ceiling in effect subsequent to the 1980 tax year or any subsequent year. Such tax rate ceiling shall not contain any tax levy for debt service;

(5) “Dollar-value modifier”, an index of the relative purchasing power of a dollar, calculated as one plus fifteen percent of the difference of the regional wage ratio minus one, provided that the dollar value modifier shall not be applied at a rate less than 1.0:

(a) “County wage per job”, the total county wage and salary disbursements divided by the total county wage and salary employment for each county and the City of St. Louis as reported by the Bureau of Economic Analysis of the United States Department of Commerce for the fourth year preceding the payment year;

(b) “Regional wage per job”:

a. The total Missouri wage and salary disbursements of the metropolitan area as defined by the Office of Management and Budget divided by the total Missouri metropolitan wage and salary employment for the metropolitan area for the county signified in the school district number or the City of St. Louis, as reported by the Bureau of Economic Analysis of the United States Department of Commerce for the fourth year preceding the payment year and recalculated upon every decennial census to incorporate counties that are newly added to the description of metropolitan areas; or if no such metropolitan area is established, then:

b. The total Missouri wage and salary disbursements of the micropolitan area as defined by the Office of Management and Budget divided by the total Missouri micropolitan wage and salary employment for the micropolitan area for the county signified in the school district number, as reported by the Bureau of Economic Analysis of the United States Department of Commerce for the fourth year preceding the payment year, if a micropolitan area for such county

has been established and recalculated upon every decennial census to incorporate counties that are newly added to the description of micropolitan areas; or

c. If a county is not part of a metropolitan or micropolitan area as established by the Office of Management and Budget, then the county wage per job, as defined in paragraph (a) of this subdivision, shall be used for the school district, as signified by the school district number;

(c) "Regional wage ratio", the ratio of the regional wage per job divided by the state median wage per job;

(d) "State median wage per job", the fifty-eighth highest county wage per job;

(6) "Free and reduced lunch pupil count", for school districts not eligible for and those that do not choose the USDA Community Eligibility Option, the number of pupils eligible for free and reduced lunch on the last Wednesday in January for the preceding school year who were enrolled as students of the district, as approved by the department in accordance with applicable federal regulations. For eligible school districts that choose the USDA Community Eligibility Option, the free and reduced lunch pupil count shall be the percentage of free and reduced lunch students calculated as eligible on the last Wednesday in January of the most recent school year that included household applications to determine free and reduced lunch count multiplied by the district's average daily attendance figure;

(7) "Free and reduced lunch threshold" shall be calculated by dividing the total free and reduced lunch pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(8) "Limited English proficiency pupil count", the number in the preceding school year of pupils aged three through twenty-one enrolled or preparing to enroll in an elementary school or secondary school who were not born in the United States or whose native language is a language other than English or are Native American or Alaskan native, or a native resident of the outlying areas, and come from an environment where a language other than English has had a significant impact on such individuals' level of English language proficiency, or are migratory, whose native language is a language other than English, and who come from an environment where a language other than English is dominant; and have difficulties in speaking, reading, writing, or understanding the English language sufficient to deny such individuals the ability to meet the state's proficient level of achievement on state assessments described in Public Law 107-10, the ability to achieve successfully in classrooms where the language of instruction is English, or the opportunity to participate fully in society;

(9) "Limited English proficiency threshold" shall be calculated by dividing the total limited English proficiency pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(10) "Local effort":

(a) For the fiscal year 2007 calculation, "local effort" shall be computed as the equalized assessed valuation of the property of a school district in calendar year 2004 divided by one hundred and multiplied by the performance levy less the percentage retained by the county assessor and collector plus one hundred percent of the amount received in fiscal year 2005 for school purposes from intangible taxes, fines, escheats, payments in lieu of taxes and receipts from state-assessed railroad and utility tax, one hundred percent of the amount received for school purposes pursuant to the merchants' and manufacturers' taxes under sections 150.010 to 150.370, one hundred percent of the amounts received for school purposes from federal properties under sections 12.070 and 12.080 except when such amounts are used in the calculation of federal impact aid pursuant to P.L. 81-874, fifty percent of Proposition C revenues received for school purposes from the school district trust fund under section 163.087, and one hundred percent of any local earnings or income taxes received by the district for school purposes. Under this paragraph, for a special district established under sections 162.815 to 162.940 in a county with a charter form of government and with more than one million inhabitants, a tax levy of zero shall be utilized in lieu of the performance levy for the special school district;

(b) In every year subsequent to fiscal year 2007, "local effort" shall be the amount calculated under paragraph (a) of this subdivision plus any increase in the amount received for school purposes from fines. If a district's assessed valuation has decreased subsequent to the calculation outlined in paragraph (a) of this subdivision, the district's local effort shall be calculated using the district's current assessed valuation in lieu of the assessed valuation utilized in the calculation outlined in paragraph (a) of this subdivision. When a change in a school district's boundary lines occurs because of a boundary line change, annexation, attachment, consolidation, reorganization, or dissolution under section 162.071, 162.081, sections 162.171 to 162.201, section 162.221, 162.223, 162.431, 162.441, or 162.451, or in the event that a school district assumes any territory from a district that ceases to exist for any reason, the department of elementary and secondary education shall make a proper adjustment to each affected district's local effort, so that each district's local effort figure conforms to the new boundary lines of the district. The department shall compute the local effort figure by applying the calendar year 2004 assessed valuation data to the new land areas resulting from the

boundary line change, annexation, attachment, consolidation, reorganization, or dissolution and otherwise follow the procedures described in this subdivision;

(11) “Membership” shall be the average of:

(a) The number of resident full-time students and the full-time equivalent number of part-time students who were enrolled in the public schools of the district on the last Wednesday in September of the previous year and who were in attendance one day or more during the preceding ten school days; and

(b) The number of resident full-time students and the full-time equivalent number of part-time students who were enrolled in the public schools of the district on the last Wednesday in January of the previous year and who were in attendance one day or more during the preceding ten school days, plus the full-time equivalent number of summer school pupils. “Full-time equivalent number of part-time students” is determined by dividing the total number of hours for which all part-time students are enrolled by the number of hours in the school term. “Full-time equivalent number of summer school pupils” is determined by dividing the total number of hours for which all summer school pupils were enrolled by the number of hours required pursuant to section 160.011 in the school term. Only students eligible to be counted for average daily attendance shall be counted for membership;

(12) “Operating levy for school purposes”, the sum of tax rates levied for teachers' and incidental funds plus the operating levy or sales tax equivalent pursuant to section 162.1100 of any transitional school district containing the school district, in the payment year, not including any equalized operating levy for school purposes levied by a special school district in which the district is located;

(13) “Performance district”, any district that has met performance standards and indicators as established by the department of elementary and secondary education for purposes of accreditation under section 161.092 and as reported on the final annual performance report for that district each year; for calculations to be utilized for payments in fiscal years subsequent to fiscal year 2018, the number of performance districts shall not exceed twenty-five percent of all public school districts;

(14) “Performance levy”, three dollars and forty-three cents;

(15) “School purposes” pertains to teachers' and incidental funds;

(16) “Special education pupil count”, the number of public school students with a current individualized education program or services plan and receiving services from the resident district as of December first of the preceding school year, except for special education services provided through a school district established under sections 162.815 to 162.940 in a county with a charter form of government and with more than one million inhabitants, in which case the sum of the students in each district within the county exceeding the special education threshold of each respective district within the county shall be counted within the special district and not in the district of residence for purposes of distributing the state aid derived from the special education pupil count;

(17) “Special education threshold” shall be calculated by dividing the total special education pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(18) “State adequacy target”, the sum of the current operating expenditures of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, divided by the total average daily attendance of all included performance districts. The department of elementary and secondary education shall first calculate the state adequacy target for fiscal year 2007 and recalculate the state adequacy target every two years using the most current available data. The recalculation shall never result in a decrease from the previous state adequacy target amount. Should a recalculation result in an increase in the state adequacy target amount, fifty percent of that increase shall be included in the state adequacy target amount in the year of recalculation, and fifty percent of that increase shall be included in the state adequacy target amount in the subsequent year. The state adequacy target may be adjusted to accommodate available appropriations as provided in subsection 8 of section 163.031;

(19) “Teacher”, any teacher, teacher-secretary, substitute teacher, supervisor, principal, supervising principal, superintendent or assistant superintendent, school nurse, social worker, counselor or librarian who shall, regularly, teach or be employed for no higher than grade twelve more than one-half time in the public schools and who is certified under the laws governing the certification of teachers in Missouri;

(20) “Weighted average daily attendance”, the average daily attendance plus the product of twenty-five hundredths multiplied by the free and reduced lunch pupil count that exceeds the free and reduced lunch threshold, plus the product of seventy-five hundredths multiplied by the number of special education pupil count that exceeds the special education threshold, plus the product of six-tenths multiplied by the number of limited English proficiency pupil count that exceeds the limited English proficiency threshold. For special districts established under sections 162.815 to 162.940 in a county with a charter form of government and with more than one million inhabitants, weighted average

daily attendance shall be the average daily attendance plus the product of twenty-five hundredths multiplied by the free and reduced lunch pupil count that exceeds the free and reduced lunch threshold, plus the product of seventy-five hundredths multiplied by the sum of the special education pupil count that exceeds the threshold for each county district, plus the product of six-tenths multiplied by the limited English proficiency pupil count that exceeds the limited English proficiency threshold. None of the districts comprising a special district established under sections 162.815 to 162.940 in a county with a charter form of government and with more than one million inhabitants, shall use any special education pupil count in calculating their weighted average daily attendance.

163.018. 1. Notwithstanding the definition of average daily attendance in subdivision (2) of section 163.011 to the contrary, pupils between the ages of three and five who are eligible for free and reduced lunch and attend an early childhood education program that is operated by and in a district or by a charter school that has declared itself as a local educational agency providing full-day kindergarten and that meets standards established by the state board of education shall be included in the district's or charter school's calculation of average daily attendance. The total number of such pupils included in the district's or charter school's calculation of average daily attendance shall not exceed four percent of the total number of pupils who are eligible for free and reduced lunch between the ages of [three] **five** and eighteen who are included in the district's or charter school's calculation of average daily attendance.

2. (1) For any district that has been declared unaccredited by the state board of education and remains unaccredited as of July 1, 2015, **and for any charter school located in said district**, the provisions of subsection 1 of this section shall become applicable during the 2015-16 school year.

(2) For any district that is declared unaccredited by the state board of education after July 1, 2015, **and for any charter school located in said district**, the provisions of subsection 1 of this section shall become applicable immediately upon such declaration.

(3) For any district that has been declared provisionally accredited by the state board of education and remains provisionally accredited as of July 1, 2016, **and for any charter school located in said district**, the provisions of subsection 1 of this section shall become applicable beginning in the 2016-17 school year.

(4) For any district that is declared provisionally accredited by the state board of education after July 1, 2016, **and for any charter school located in said district**, the provisions of this section shall become applicable beginning in the 2016-17 school year or immediately upon such declaration, whichever is later.

(5) For all other districts **and charter schools**, the provisions of subsection 1 of this section shall become effective in any school year subsequent to a school year in which the amount appropriated for subsections 1 and 2 of section 163.031 is equal to or exceeds the amount necessary to fund the entire entitlement calculation determined by subsections 1 and 2 of section 163.031, and shall remain effective in all school years thereafter, irrespective of the amount appropriated for subsections 1 and 2 of section 163.031 in any succeeding year.

3. This section shall not require school attendance beyond that mandated under section 167.031 and shall not change or amend the provisions of sections 160.051, 160.053, 160.054, and 160.055 relating to kindergarten attendance.

163.031. 1. The department of elementary and secondary education shall calculate and distribute to each school district qualified to receive state aid under section 163.021 an amount determined by multiplying the district's weighted average daily attendance by the state adequacy target, multiplying this product by the dollar value modifier for the district, and subtracting from this product the district's local effort and, in years not governed under subsection 4 of this section, subtracting payments from the classroom trust fund under section 163.043.

2. Other provisions of law to the contrary notwithstanding:

(1) For districts with an average daily attendance of more than three hundred fifty in the school year preceding the payment year:

(a) For the 2006-07 school year, the state revenue per weighted average daily attendance received by a district from the state aid calculation under subsections 1 and 4 of this section, as applicable, and the classroom trust fund under section 163.043 shall not be less than the state revenue received by a district in the 2005-06 school year from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payment amounts multiplied by the sum of one plus the product of one-third multiplied by the remainder of the dollar value modifier minus one, and dividing this product by the weighted average daily attendance computed for the 2005-06 school year;

(c) For the 2008-09 school year, the state revenue per weighted average daily attendance received by a district from the state aid calculation under subsections 1 and 4 of this section, as applicable, and the classroom trust fund under section 163.043 shall not be less than the state revenue received by a district in the 2005-06 school year from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payment amounts multiplied by the dollar value modifier, and dividing this product by the weighted average daily attendance computed for the 2005-06 school year;

(d) For each year subsequent to the 2008-09 school year, the amount shall be no less than that computed in paragraph (c) of this subdivision, multiplied by the weighted average daily attendance pursuant to section 163.036, less any increase in revenue received from the classroom trust fund under section 163.043;

(2) For districts with an average daily attendance of three hundred fifty or less in the school year preceding the payment year:

(1) The amount of any payment made (including any amount paid by an employing unit for insurance or annuities, or into a fund, to provide for any such payment) to, or on behalf of, an individual under a plan or system established by an employing unit which makes provision generally for individuals performing services for it or for a class or classes of such individuals, on account of:

(a) Sickness or accident disability, but in case of payments made to an employee or any of the employee's dependents this paragraph shall exclude from the term wages only payments which are received pursuant to a workers' compensation law; or

(b) Medical and hospitalization expenses in connection with sickness or accident disability; or

(c) Death;

(2) The amount of any payment on account of sickness or accident disability, or medical or hospitalization expenses in connection with sickness or accident disability, made by an employing unit to, or on behalf of, an individual performing services for it after the expiration of six calendar months following the last calendar month in which the individual performed services for such employing unit;

(3) The amount of any payment made by an employing unit to, or on behalf of, an individual performing services for it or his or her beneficiary:

(a) From or to a trust described in 26 U.S.C. 401(a) which is exempt from tax pursuant to 26 U.S.C. 501(a) at the time of such payment unless such payment is made to an employee of the trust as remuneration for services rendered as such an employee and not as a beneficiary of the trust; or

(b) Under or to an annuity plan which, at the time of such payments, meets the requirements of Section 404(a)(2) of the Federal Internal Revenue Code (26 U.S.C.A. Sec. 404);

(4) The amount of any payment made by an employing unit (without deduction from the remuneration of the individual in employment) of the tax imposed pursuant to Section 3101 of the Federal Internal Revenue Code (26 U.S.C.A. Sec. 3101) upon an individual with respect to remuneration paid to an employee for domestic service in a private home or for agricultural labor;

(5) Remuneration paid in any medium other than cash to an individual for services not in the course of the employing unit's trade or business;

(6) Remuneration paid in the form of meals provided to an individual in the service of an employing unit where such remuneration is furnished on the employer's premises and at the employer's convenience, except that remuneration in the form of meals that is considered wages and required to be reported as wages pursuant to the Federal Unemployment Tax Act, 26 U.S.C. Sec. 3306 shall be reported as wages as required thereunder;

(7) For the purpose of determining wages paid for agricultural labor as defined in paragraph (b) of subdivision (1) of subsection 12 of section 288.034 and for domestic service as defined in subsection 13 of section 288.034, only cash wages paid shall be considered;

(8) Beginning on October 1, 1996, any payment to, or on behalf of, an employee or the employee's beneficiary under a cafeteria plan, if such payment would not be treated as wages pursuant to the Federal Unemployment Tax Act.

2. The increases or decreases to the state taxable wage base for the remainder of calendar year 2004 shall be eight thousand dollars, and the state taxable wage base in calendar year 2005, and each calendar year thereafter, shall be determined by the provisions within this subsection. On January 1, 2005, the state taxable wage base for calendar year 2005, 2006, and 2007 shall be eleven thousand dollars. The taxable wage base for calendar year 2008 shall be twelve thousand dollars. The state taxable wage base for each calendar year thereafter shall be determined by the average balance of the unemployment compensation trust fund of the four preceding calendar quarters (September thirtieth, June thirtieth, March thirty-first, and December thirty-first of the preceding calendar year), less any outstanding federal Title XII advances received pursuant to section 288.330, less the principal, interest, and administrative expenses related to any credit instrument issued under section 288.030, and less the principal, interest, and administrative expenses related to any financial agreements under subdivision (17) of subsection 2 of section 288.330. When the average balance of the unemployment compensation trust fund of the four preceding quarters (September thirtieth, June thirtieth, March thirty-first, and December thirty-first of the preceding calendar year), as so determined is:

(1) Less than, or equal to, three hundred fifty million dollars, then the wage base shall increase by one thousand dollars; or

(2) Six hundred fifty million or more, then the state taxable wage base for the subsequent calendar year shall be decreased by five hundred dollars. In no event, however, shall the state taxable wage base increase beyond twelve thousand five hundred dollars, or decrease to less than seven thousand dollars. For calendar year 2009, the tax wage base shall be twelve thousand five hundred dollars. For calendar year 2010 and each calendar year thereafter, in no event shall the state taxable wage base increase beyond thirteen thousand dollars, or decrease to less than seven thousand dollars.

For any calendar year, the state taxable wage base shall not be reduced to less than that part of the remuneration which is subject to a tax under a federal law imposing a tax against which credit may be taken for contributions required to be paid into a state unemployment compensation trust fund. Nothing in this section shall be construed to prevent the wage base from increasing or decreasing by increments of five hundred dollars.”; and

Further amend said bill and page, Section 288.060, Line 14, by inserting an opening bracket “[” immediately before the word “Termination”; and

Further amend said line by inserting a closing bracket “]” immediately after the word “or”; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

House Committee Amendment No. 2

AMEND House Bill No. 1199, Page 1, Section 479.155, Line 9, by inserting after all of said line the following:

"479.400. 1. Sections 479.400 to 479.490 shall be known and may be cited as the "Municipal Courts Bill of Rights".

2. Sections 479.400 to 479.490 shall govern the procedure in all courts of this state having original jurisdiction of ordinance violations.

3. Sections 479.400 to 479.490 shall be construed to secure the just, speedy, and inexpensive determination of ordinance violations.

479.402. As used in sections 479.400 to 479.490, the following terms shall mean:

- (1) "Clerk", any duly appointed court clerk or court administrator or any deputy or division court clerk serving courts to which sections 479.400 to 479.490 applies;
- (2) "Corrections official", a person in control of a detention facility;

- (13) "Violation", any ordinance violation within the jurisdiction of any court to which sections 479.400 to 479.490 applies.

479.404. 1. In computing any period of time prescribed or allowed by sections 479.400 to 479.490, by order of court, or by any applicable statute, the day of the act, event, or default after which the designated period of time begins to run is not to be included. The last day of the period so computed is to be included, unless it is a Saturday, Sunday, or a legal holiday, in which event the period runs until the end of the next day that is neither a Saturday, Sunday nor a legal holiday. When the period of time prescribed or allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays shall be excluded in the computation.

2. When by sections 479.400 to 479.490 or by a notice given thereunder or by order of court an act is required or allowed to be done at or within a specified time, the court for cause shown may at any time in its discretion:

- (1) With or without motion or notice order the period enlarged if request therefor is made before the expiration of the period originally prescribed or as extended by a previous order; or
- (2) Upon notice and motion made after the expiration of the specified period permit the act to be done where the failure to act was the result of excusable neglect;

but the court shall not enlarge the period for filing an application for trial de novo.

3. When a party has the right or is required to do some act or take some action within a prescribed period after the service of a notice or other paper upon the party and the notice or paper is served by mail, three days shall be added to the prescribed period.

479.406. 1. The court shall be deemed always open for the purpose of filing proper papers, the issuance and return of process, and for the making of motions, applications, and orders.

2. All motions and applications filed in the clerk's office for issuing process, for issuing final process to enforce judgments, and for other proceedings that do not require an order of the court are grantable by the clerk, but such action by the clerk may be suspended, altered or rescinded by the judge upon cause shown.

479.408. Every officer to whom any writ of process or order shall be directed and delivered for service under sections 479.400 to 479.490 shall make return thereof in writing, showing the time, place, and manner of service thereof, and shall sign such return and file the same with the clerk.

479.410. Every person arrested and held in custody by any peace officer in any detention facility, police station, or any other place, upon or without a warrant or other process for the alleged commission of an ordinance violation, or upon suspicion thereof, shall promptly, upon request, be permitted to consult with counsel or other persons and, for such purpose, to use a telephone.

479.412. Proceedings under sections 479.412 to 479.432 shall be informal, and technical rules of evidence need not apply.

479.414. 1. Any person arrested for an ordinance violation shall be entitled to be released from custody pending trial. The person is also entitled to be released pending trial de novo, review, and appeal. As each court enters a judgment, it shall review the conditions of release and may modify them as provided in section 479.422.

2. If an arresting officer has not released a person, the court shall order the person released upon the person's written promise to appear unless the court finds:

- (1) The promise alone is not sufficient reasonably to assure the appearance of the person; or
- (2) The person poses a danger to a crime victim, the community, or any other person.

3. If the court determines that the imposition of conditions assures that the defendant is reasonably likely to appear and does not pose a danger to a crime victim, the community or any other person, the court shall impose conditions for the release of the person. The appropriate conditions shall include one or more of the following:

- (1) Place the person in the custody of a designated person or organization agreeing to supervise the person;
- (2) Place restrictions on the travel, association, or place of abode of the person during the period of release;
- (3) Require the execution of a bond in a stated amount with sufficient solvent sureties, or the deposit in the registry of the court of the sum in cash or negotiable bonds of the United States or the state of Missouri or any political subdivision thereof;
- (4) Require the person to report regularly to some officer of the court or peace officer in such manner as the court directs;

(5) Require the execution of a bond in a stated amount and the deposit in the registry of the court of ten percent, or such lesser sum as the court directs, of such sum in cash or negotiable bonds of the United States or the state of Missouri or any political subdivision thereof;

(6) Impose any other conditions deemed reasonably necessary, including but not limited to a condition requiring that the person return to custody after specified hours.

4. In determining which conditions of release will reasonably assure appearance, the court shall, on the basis of available information, take into account the nature and circumstances of the violation, the weight of the evidence against the person, the person's family ties, employment, financial resources, character, mental condition, the length of the person's residence in the community, the person's record of convictions, and record of appearance at court proceedings or flight to avoid prosecution or failure to appear at court proceedings.

5. A court releasing a person under this section shall enter an order stating the conditions imposed. The court shall inform such person of the conditions imposed and of the penalties applicable to violations of the conditions of release and shall advise that a warrant for arrest shall be issued immediately upon any such violation.

479.416. 1. The court issuing a warrant for the arrest of any accused shall set the conditions for release of the accused. The conditions of release shall be stated on the warrant of arrest. The court shall impose one of the following conditions:

- (1) The written promise of the accused to appear; or
- (2) The execution of a bond in a stated amount under subdivision (3) of subsection 3 of section 479.414;

or

- (3) The execution of a bond in a stated amount under subdivision (5) of subsection 3 of section 479.414.

The court may impose additional conditions for release as provided in subsection 3 of section 479.414.

2. If the arrest of the accused upon warrant occurs in a county other than that in which the ordinance violation occurred, the peace officer making the arrest shall promptly release the accused in accordance with the release conditions or bail prescribed on the warrant; but if none, the peace officer shall take the accused before the court in such county having jurisdiction of ordinance violations, to admit the accused to bail in such sum as the court may determine will likely ensure appearance of the accused. Bail, if taken by the peace officer making the arrest or if taken by a judge in such county, shall be promptly forwarded to the court from which the warrant was issued.

479.418. When an arrest is made without a warrant, the peace officer may accept bond in accordance with a bail schedule furnished by the court having jurisdiction.

479.420. The court that sets the conditions for release, or clerk or peace officer when authorized, may accept the conditions for release and release the accused.

479.422. 1. Upon motion by the prosecutor or by the accused, or upon the court's own motion, the court in which the proceeding is pending may modify the requirements for release after notice to the parties and hearing when the court finds that:

- (1) New, different, or additional requirements for release are necessary;
- (2) The conditions for release that have been set are excessive;
- (3) The accused has failed to comply with or has violated the conditions for the accused's release; or

(4) The accused has been convicted of the ordinance violation charged.

2. When the court increases the requirements for release or new requirements are set, the accused shall be remanded to the custody of the corrections official until compliance with the modified conditions. If the accused is not in custody, the court may order that a warrant for the arrest of the accused be issued.

479.424. An accused for whom conditions for release are imposed and who after twenty-four hours from the time of the release hearing continues to be detained on charges as a result of the accused's inability to meet the conditions for release shall, upon application, be entitled to have the conditions reviewed by the court that imposed them. The application shall be determined promptly.

479.426. The court may order the arrest of an accused who has been released if it shall appear to the court that:

- (1) There has been a breach of any condition for the release; or
- (2) The bail shall be increased or new or additional security be required or new conditions for release be imposed.

The accused, upon application, shall be entitled to a hearing concerning the reasons for the issuance of the order.

479.428. 1. If a court shall fail to set conditions for release or shall set inadequate or excessive conditions, an application may be filed in a higher court by the accused or by the prosecutor stating the grounds for the application and the relief sought. A copy of the application and the notice of the time when it will be presented to the court shall be served on all parties.

2. If the higher court finds that the accused is entitled to be released and no conditions therefor have been set or that the conditions are excessive or inadequate, the court shall make an order setting or modifying conditions for the release of the accused.

3. At the time of complying with the conditions of release set by the higher court, the accused shall file with the clerk a signed and acknowledged written instrument in which the accused shall specify the post office address to which all notices in connection with the case thereafter may be mailed. Proof of mailing notice to the accused at that address shall constitute sufficient notice to the accused in all cases where notice is required under sections 479.400 to 479.490.

479.430. When any person is released by a court other than the court in which the person is to appear, the clerk of the releasing court shall transmit a record of the release, together with any conditions imposed, to the clerk of the court in which the person released is required to appear.

479.432. 1. The clerk of the court in which the accused is required to appear shall file all bonds. All bonds taken by a peace officer shall be certified by such officer and transmitted forthwith to the clerk of the court in which the accused is required to appear. When cash or securities specified in sections 479.400 to 479.490 are taken they shall be delivered forthwith to the clerk of the court in which the accused is required to appear and deposited in the registry of the court.

2. Whenever the surety upon any bond shall desire to surrender the principal, the surety may procure from the clerk a certified copy of said bond, by virtue of which such surety, or any person authorized by the surety, may take the principal into custody. If a bond is forfeited for the failure of the principal to appear as required by the bond and the surety produces the principal prior to the rendition of judgment upon the forfeiture and the surety pays all costs and expenses caused by the principal's failure to appear, the surety is discharged from further liability. When surrendering the principal to the peace officer, the surety shall deliver a certified copy of the bond and the peace officer shall take the principal into custody and acknowledge acceptance of the principal in writing. Any principal so surrendered may be conditionally released under sections 479.400 to 479.490.

3. (1) If there is a breach of a condition of a bond, the court in which the case is pending may declare a forfeiture of the bond. The court may direct that a forfeiture be set aside upon such conditions as the court may impose, if it appears that justice does not require the enforcement of the forfeiture. When a forfeiture has not been set aside, the court on the prosecutor's motion may enter a judgment of default and execution may issue thereon.

(2) By entering into a bond the obligors submit to the jurisdiction of the court in which the defendant is required to appear and irrevocably appoint the clerk as their agent upon whom any papers affecting their liability may be served. Their liability may be enforced on the prosecutor's motion without the necessity of an independent action. The motion and notice of the hearing as the court prescribes may be served on the clerk, who shall forthwith mail a copy to each of the obligors.

4. When the conditions of the bond have been satisfied the court shall release the obligors. When a forfeiture of the bond is set aside, the court may release the obligors. Any surety may be released upon depositing cash in the amount of the bond or by a timely surrender of the defendant.

5. Any defendant who has been released pending further proceedings and any surety for such defendant shall give written notice to the clerk of the court in which the case is pending of any change of address.

6. A person shall not be accepted as a surety on any bail bond unless the person:

(1) Is reputable, at least twenty-one years of age and a resident of the state of Missouri;

(2) Has net assets with a value in excess of exemptions at least equal to the amount of the bond that are subject to execution in the state of Missouri;

(3) Has not, within the past fifteen years, been found guilty of or pleaded guilty or nolo contendere to:

(a) Any felony of this state or the United States; or

(b) Any other crime of this state or the United States involving moral turpitude, whether or not a sentence was imposed;

(4) Has no outstanding forfeiture or unsatisfied judgment thereon entered upon any bail bond in any court of this state or of the United States.

A lawyer, or an elected or appointed official or employee of the state of Missouri or any county or other political subdivision thereof shall not be accepted as a surety on any bail bond; except that, such disqualification shall not apply if the principal is the spouse, child or family member of the surety. If there is more than one surety, the aggregate net worth of the sureties in excess of exemptions shall be at least equal to the amount of the bond.

7. (1) If the surety has on file an affidavit relating to all bonds in force on the first day of the then current calendar month, the separate affidavit as to other bonds executed during such calendar month may be limited to the requirements of paragraph (e) this subdivision and appropriate reference shall be made therein to the separate affidavit of qualification currently relied upon to establish the surety's qualifications. The judge, clerk or officer who is authorized to take and approve the bond shall administer the oath to such affidavit. The affidavit shall be on a suitable form, which shall be provided. In addition to the matters specified in subsection 6 of this section, it shall contain:

(a) An accurate legal description of the real estate that the surety proposes to justify as to the surety's sufficiency, together with a description of the improvements located thereon, and the location of the property by street address if it is located in a city or town;

(b) The latest assessed value of such property;

(c) An accurate description of the personal property that the surety proposes to justify as to the surety's sufficiency and a statement of its reasonable market value;

(d) A list of all bail bonds upon which the surety is surety and upon which the surety's obligation remains undischarged, the amount of each bond, the name of the principal or defendant, the ordinance violation charged, and the court in which such bond is pending; and

(e) A statement whether or not the surety or anyone for the surety's use has been promised or has received any consideration or security for suretyship, and if so, the nature and amount thereof, and the name of the person by whom such promise was made or from whom such security or consideration was received.

(2) The judge, clerk, or officer to whom such affidavit of justification is submitted may make such additional investigation concerning the qualifications of the surety as thought to be necessary and, for such purpose, shall have authority to administer all necessary oaths.

(3) No bond shall be approved unless the surety thereon appears to be qualified under the requirements of sections 479.412 to 479.432.

8. When a surety is accepted upon a bond, the surety shall execute an affidavit of justification that shall be attached to the bond and filed therewith by the clerk of the court in accordance with the provisions of subsection 1 of this section. A duplicate copy of such affidavit shall be preserved in a separate file in the office of the clerk of the court in which such bond is first filed, indexed alphabetically by the names of the sureties. Such file shall be open to the inspection of any interested person.

9. (1) Any corporation qualified under the provisions of section 379.010, including the requirement that it produce evidence of its solvency satisfactory to the court, shall be qualified to act as a surety upon any bail bond taken under the provisions of sections 479.400 to 479.490. Any such bond shall be executed by a surety company in the manner provided by law.

(2) An agent acting on behalf of such a corporation shall be subject to the qualifications set forth in Supreme Court Rule 37.29(a), (c) and (d) and, in addition, shall be licensed as a bail bond agent as required by law.

479.434. A violation notice shall be in writing and shall:

- (1) State the name and address of the court;**
- (2) State the name of the prosecuting county or municipality;**
- (3) State the name of the accused or, if not known, designate the accused by any name or description by which the accused can be identified with reasonable certainty;**
- (4) State the date and place of the ordinance violation as definitely as can be done;**
- (5) State the facts that support a finding of probable cause to believe the ordinance violation was committed and that the accused committed it;**
- (6) State that the facts contained therein are true;**
- (7) Be signed and on a form bearing notice that false statements made therein are punishable by law;**
- (8) Cite the chapter and section of the ordinance alleged to have been violated and the chapter and section that fixes the penalty or punishment; and**
- (9) State other legal penalties prescribed by law may be imposed for failure to appear and dispose of the violation.**

479.436. All ordinance violations shall be prosecuted by information. An information charging the commission of an ordinance violation may be based on the prosecutor's information and belief that the ordinance violation was committed. The information shall be supported by a violation notice as prescribed by section 479.434.

479.438. 1. The information shall be in writing, signed by the prosecutor and filed in the court having jurisdiction of the ordinance violation.

2. The information shall:

- (1) State the name of the defendant or, if not known, designate the defendant by any name or description by which the defendant can be identified with reasonable certainty;**
- (2) State plainly, concisely, and definitely the essential facts constituting the ordinance violation charged, including facts necessary for any enhanced punishment;**
- (3) State the date and place of the ordinance violation charged as definitely as can be done;**
- (4) Cite the chapter and section of the ordinance alleged to have been violated and the chapter and section providing the penalty or punishment.**

3. All ordinance violations that are of the same or similar character or based on the same act or on two or more acts that are part of the same transaction or on two or more acts or transactions that are connected or that constitute parts of a common scheme or plan may be charged in the same information in separate counts.

4. Two or more defendants may be charged in the same information if they are alleged to have participated in the same act or transaction or in the same series of acts or transactions constituting an ordinance violation or violations. Such defendants may be charged in one or more counts together or separately, and all of the defendants need not be charged in each count.

5. Any defendant charged in an information under an incorrect name may furnish the defendant's correct name, and the correct name shall be substituted in the information. The defendant's failure to furnish the correct name shall not invalidate the proceedings.

6. Any information charging an ordinance violation may be amended at any time before verdict or finding if:

- (1) No additional or different ordinance violation is charged; and**
- (2) A defendant's substantial rights are not thereby prejudiced.**

No such amendment shall cause delay of a trial unless the court finds that a defendant needs further time to prepare a defense by reason of such amendment.

7. If the original information is unavailable for any reason, a copy, certified by the clerk or by the prosecutor, may be substituted.

8. An information shall not be invalid, nor shall the trial, judgment, or other proceedings on the information be stayed, because of any defect that does not prejudice the substantial rights of the defendant.

479.440. The summons shall:

- (1) Be in writing and in the name of the prosecuting county or municipality;**
- (2) State the name of the person summoned and the address, if known;**
- (3) Describe the ordinance violation charged;**
- (4) Be signed by a judge or by a clerk of the court when directed by a judge; and**
- (5) Command the person to appear before the court at a stated time and place in response thereto.**

479.442. When an information charging the commission of an ordinance violation is filed under subsection 3 of section 479.438, a summons shall be issued unless the court finds that there are:

- (1) Sufficient facts stated to show probable cause that an ordinance violation has been committed; and
- (2) Reasonable grounds for the court to believe that the defendant will not appear upon the summons, or a showing has been made to the court that the accused poses a danger to a crime victim, the community, or any other person.

If the court so finds, a warrant for the arrest of the defendant may be issued.

479.444. A summons may be served by:

- (1) The clerk mailing it to defendant's last known address by first class mail; or
- (2) An officer in the manner provided by Supreme Court Rule 54.13 or Supreme Court Rule 54.14.

If the defendant fails to appear in response to a summons and upon a finding of probable cause that an ordinance violation has been committed, the court may issue an arrest warrant.

479.446. 1. The warrant of arrest shall be in writing and issued in the name of the prosecuting county or municipality. It may be directed to any peace officer in the state.

2. The warrant shall:

- (1) Contain the name of the person to be arrested or, if not known, any name or description by which the defendant can be identified with reasonable certainty;
- (2) Describe the ordinance violation charged in the information;
- (3) State the date when issued and the jurisdiction where issued;
- (4) Command that the defendant named or described therein be arrested and brought forthwith before the court designated in the warrant;
- (5) Specify the conditions of release; and
- (6) Be signed by a judge or by a clerk of the court when directed by the judge for a specific warrant.

3. All warrants ordered for an ordinance violation may be directed to any peace officer in the state.

4. The warrant shall be executed by the arrest of the defendant.

5. A warrant may be executed anywhere in the state by any peace officer. The peace officer need not possess the warrant at the time of the arrest, but upon request the officer shall show the warrant to the defendant as soon as possible. If the peace officer does not possess the warrant at the time of the arrest, the officer shall inform the defendant of the ordinance violation charged and the fact that a warrant has been issued.

479.448. 1. A person arrested under a warrant for an ordinance violation who does not satisfy conditions for release shall be brought as soon as practicable before a judge of the court from which the warrant was issued. The warrant, with proper return thereon, shall be filed with the court.

2. Upon the defendant's initial appearance, the judge shall inform the defendant of:

- (1) The ordinance violation charged;
- (2) The right to retain counsel;
- (3) The right to request the appointment of counsel if:
 - (a) The defendant is indigent and unable to employ counsel; and
 - (b) There is a possibility of a jail sentence; and
- (4) The right to remain silent.

479.450. Arraignment shall be conducted in open court and shall consist of reading the information to the defendant or stating the substance of the charge and calling on the defendant to plead thereto. The defendant shall be afforded a reasonable time to examine the charge before the defendant is called upon to plead.

479.452. 1. In a prosecution for an ordinance violation, the defendant shall have the right to appear and defend in person and by counsel.

2. If any person charged with an ordinance violation, whose conviction would possibly result in confinement, shall be without counsel upon a first appearance before a judge, it shall be the duty of the judge to advise the defendant of the right to counsel and of the willingness of the judge to appoint counsel to represent the defendant if the defendant is unable to employ counsel. Upon a showing of indigency, it shall be the duty of the judge to appoint counsel to represent the defendant.

3. If, after being informed of the right to counsel, the defendant requests to proceed without the benefit of counsel and the judge finds that the defendant has knowingly, voluntarily and intelligently waived the defendant's right to have counsel, the judge shall have no duty to appoint counsel. If at any stage of the proceedings it appears to the judge before whom the matter is then pending that because of the gravity of the ordinance violation charged and other circumstances affecting the defendant the failure to appoint counsel may

result in injustice to the defendant, the judge shall then appoint counsel. Appointed counsel shall be allowed a reasonable time in which to prepare the defense.

479.454. 1. Pleadings shall be the information and plea thereto.

2. (1) Any defense or objection that is capable of determination without trial of the general issue may be raised before trial by motion.

(2) Defenses and objections based on defects in the institution of the prosecution or in the information other than that it fails to show jurisdiction in the court or to charge an ordinance violation may be raised only by motion before trial. The motion shall include all such defenses and objections then available to the defendant. Failure to present any such defense or objection as herein provided constitutes a waiver thereof, but the court for cause shown may grant relief from the waiver.

(3) The motion shall be made before the plea is entered, but the judge may permit it to be made within a reasonable time thereafter.

(4) The motion shall be heard and determined before trial on application of the prosecutor or the defendant, unless the court orders that the hearing and determination be deferred until the trial.

(5) Lack of jurisdiction or the failure of the information to charge an ordinance violation shall be noticed by the court at any time during the pendency of the proceeding.

479.456. Requests that evidence be suppressed shall be raised by motion before trial; however, the court in the exercise of discretion may entertain a motion to suppress evidence at any time during trial.

479.458. 1. This section governs the procedure for disqualification of a judge in all ordinance violation cases, except those heard de novo or those in which there is a timely exercise of a right to a jury trial.

2. If the judge is related to any defendant or has an interest in or has been counsel in the case, the judge shall recuse.

3. A change of judge shall be ordered upon the filing of a written application therefor by any party. The applicant need not allege or prove any reason for such change. The application need not be verified and may be signed by any party or an attorney for any party. The application shall be filed not later than ten days after the initial plea is entered. If the designation of the trial judge occurs less than ten days before trial, the application may be filed any time prior to trial. If the designation of the trial judge occurs more than ten days after the initial plea is entered, the application shall be filed within ten days of the designation of the trial judge or prior to the commencement of any proceeding on the record, whichever is earlier. No party shall be allowed more than one change of judge under this subsection. However, no party shall be precluded from requesting any change of judge for cause at any time.

4. When a timely application for a change of judge is filed or a judge recuses, the judge shall:

(1) Comply with any circuit court rule that provides for the assignment of a judge; or

(2) Notify the presiding judge of the circuit who shall designate a judge to hear the case or request the court to transfer a judge to hear the case.

5. If an associate circuit judge or a circuit judge is designated to try the case, the designated judge shall determine the location of the trial at a place within the county.

479.460. Discovery shall be permitted solely in the judge's discretion as justice requires.

479.462. The prosecutor and the defendant shall be entitled to process for witnesses as follows:

(1) A subpoena shall be issued by the clerk under the seal of the court. It shall state the name of the court and the title of the proceedings and shall command each person to whom it is directed to attend and give testimony at the time and place specified therein. The clerk shall issue a subpoena, signed and sealed but otherwise in blank to a party requesting it, who shall fill in the blanks before it is served;

(2) A subpoena duces tecum may also command the person to whom it is directed to produce the books, papers, documents, or other objects designated therein;

(3) The court may quash or modify a subpoena if compliance would be unreasonable or oppressive. The court may direct that books, papers, documents, or objects designated in a subpoena duces tecum be produced before the court at a time prior to the trial or prior to the time when they are offered in evidence. Upon their production the court may permit the books, papers, documents, or objects, or portions thereof to be inspected by the parties or their attorneys;

(4) A subpoena may be served by any peace officer or by any other person who is not a party and who is not less than eighteen years of age. A subpoena may be served any place within the state. Fees and mileage need not be tendered to the witness upon service of a subpoena. The service of a subpoena shall be by reading the same or delivering a copy thereof to the person to be summoned. If the witness shall refuse to hear such subpoena read or to receive a copy thereof, the offer of the officer or other person to read the same or to deliver a copy thereof and such refusal shall be sufficient service of such subpoena;

(5) (a) Every officer to whom a subpoena is delivered for service shall make return thereof in writing as to the time, place, and manner of service of the subpoena, and shall sign the return.

(b) If a person other than an officer makes service of the subpoena, he or she shall make affidavit as to the time, place, and manner of service;

(6) Any person who does not obey a subpoena without good cause shall be subject to contempt of court proceedings;

(7) (a) Whenever a witness in a proceeding has been once subpoenaed or required to give bail to appear before the court, the witness shall attend from time to time until the case is disposed or the witness is finally discharged by the judge. The witness shall be liable to attachment and bail may be forfeited for failure to appear if the witness has received notice of the time and place to appear.

(b) If the trial is continued, the judge shall orally notify such witnesses present as either party requests to attend on the new date set for hearing to give testimony. The oral notice shall be valid as a summons. The names of the witnesses so notified shall be entered on the docket.

(c) It shall be the sole responsibility of the respective parties or their attorneys to notify any witnesses not orally notified by the judge of the new date set for hearing, and court process shall be provided for such purpose when requested.

479.464. The prosecution and defense in each case shall have the right to a speedy trial. Continuances may be granted for good cause shown.

479.466. No defendant shall either be tried or permitted to enter a plea of guilty unless the defendant is personally present or the judge, defendant, and prosecutor consent to such trial or plea in the defendant's absence. The defendant's presence in the courtroom shall not be required in the event of a reduction of sentence.

479.468. 1. A defendant may plead not guilty or guilty. If a defendant refuses to plead or if a corporation fails to appear, the court shall enter a plea of not guilty.

2. Except as provided in section 479.466, before accepting a plea of guilty, the judge shall address the defendant personally in open court. The judge shall inform the defendant of the following:

(1) The nature of the charge to which the plea is offered, the mandatory minimum penalty provided by law, if any, and the maximum possible penalty provided by law; and

(2) The defendant's right to be represented by an attorney and that the judge will appoint an attorney for the defendant if the defendant is indigent and if it appears to the judge that there would possibly be a jail sentence upon conviction; and

(3) That if the defendant pleads guilty there will not be a trial of any kind, so that by pleading guilty the defendant waives the right to a trial; and

(4) The defendant's right to plead not guilty or to persist in that plea if it has already been made.

The judge shall further inform the defendant of any right to a jury trial, the right to present witnesses on behalf of the defendant, that the defendant has the right to confront and cross-examine witnesses against the defendant, that the defendant has the right to testify and that nobody can compel the defendant to testify. The judge shall determine whether the defendant understands, upon oral or written information provided, the matters presented.

3. Except as provided in section 479.466, the judge shall not accept a plea of guilty unless the judge finds that said plea is knowingly, voluntarily, and intelligently made and not the result of force or threats or promises.

4. (1) If the defendant would possibly receive a jail sentence upon conviction, the judge shall determine, before accepting the defendant's plea of guilty or not guilty, that the defendant has made a knowledgeable, voluntary, and intelligent waiver of the right to assistance of counsel.

(2) Prior to making the finding, the judge shall review with the defendant a written waiver of counsel.

(3) If the judge finds the waiver is knowingly, voluntarily, and intelligently made, the waiver shall be signed by the defendant, witnessed by the judge or the clerk at the judge's direction, and appropriately recorded.

5. (1) The judge shall not participate in any plea agreement discussions, but after a plea agreement has been reached the judge may discuss the agreement with the attorneys including any alternative that would be acceptable.

(2) The prosecutor and the attorney for the defendant or the defendant acting pro se may engage in discussions with a view toward reaching an agreement that, upon the entering of a plea of guilty to a charged ordinance violation or to a lesser or related ordinance violation, the prosecutor will do any of the following:

(a) Dismiss other charges; or

(b) Make a recommendation, or agree not to oppose the defendant's request for a particular sentence with the understanding that such recommendation or request shall not be binding on the judge; or

(c) Agree that a specific sentence is the appropriate disposition of the case; or

(d) Make a recommendation for, or agree on, another appropriate disposition of the case.

(3) If the parties have reached a plea agreement, the judge shall require the disclosure of the agreement in open court or, on a showing of good cause, in camera at the time the plea is offered. If the agreement is under paragraph (b) of subdivision (2) of this subsection, the judge shall advise the defendant that the plea cannot be withdrawn if the judge does not adopt the recommendation or request. Thereupon the judge may accept or reject the agreement or may defer a decision as to the acceptance or rejection until there has been an opportunity to consider the presentence report.

(4) If the judge accepts the plea agreement, the judge shall inform the defendant that the judge will embody in the judgment and sentence the disposition provided for in the plea agreement.

(5) If the judge rejects the plea agreement, the judge shall inform the parties of this fact, advise the defendant personally in open court or, on a showing of good cause, in camera that the judge is not bound by the plea agreement, afford the defendant the opportunity to then withdraw the plea if it is based on an agreement under paragraph (a), (c), or (d) of subdivision (2) of this subsection, and advise the defendant that if the defendant persists in the guilty plea, the disposition of the case may be less favorable to the defendant than that contemplated by the plea agreement.

(6) Except as otherwise provided in this subsection, evidence of a plea of guilty, later withdrawn, or of offer to plead guilty to the ordinance violation charged or of any other ordinance violation, or of statements made in connection with, and relevant to, any of the foregoing pleas or offers, is not admissible in any civil or criminal proceeding against the person who made the plea or offer. However, evidence of a statement made in connection with, and relevant to a plea of guilty, later withdrawn, or an offer to plead guilty to the ordinance violation charged or any other ordinance violation, is admissible in a criminal proceeding for perjury or false statement if the statement was made by the defendant under oath and in the presence of counsel.

6. The judge shall not enter a judgment upon a plea of guilty without first determining that there is a factual basis for the plea.

479.470. 1. If two or more defendants are charged in an information, all defendants shall be tried together unless the court orders a defendant to be tried separately. A defendant shall be ordered to be tried separately only if the defendant files a written motion requesting a separate trial and the court finds a probability of prejudice exists.

2. If a defendant is charged with more than one ordinance violation in the same information, the violations shall be tried jointly unless the court orders a violation to be tried separately. A violation shall be ordered to be tried separately only if:

(1) A party files a written motion requesting a separate trial of the offense;

(2) A party makes a particularized showing of substantial prejudice if the violation is not tried separately; and

(3) The court finds the existence of a bias or discrimination against the party that requires a separate trial of the violation.

479.472. 1. All trials of ordinance violations shall be held in open court in an orderly manner according to law.

2. If practical, traffic cases shall be heard and tried separately from other types of cases. Where a particular session of court has been designated a traffic case session, only traffic cases shall be tried except for good cause shown.

3. The judge shall determine all issues of fact in ordinance violation cases unless a jury trial is authorized by law and requested by the defendant.

4. A request for a jury trial shall be made by motion filed at least ten days prior to the scheduled trial date. If the designation of the trial date occurs less than ten days before trial, the application may be filed any time prior to trial. The judge shall promptly rule on a motion for jury trial. If the motion is sustained, the case shall be certified to the presiding judge for assignment for trial by jury unless otherwise provided by statute.

5. All jury trials shall proceed in the manner provided for the trial of a misdemeanor by the rules of criminal procedure.

6. If the defendant files a written motion so requesting and attaches thereto a waiver of the right to a jury trial, the case may be remanded to the municipal division for trial.

479.474. The order of trial in nonjury ordinance violation cases shall be as follows:

(1) The prosecutor may make an opening statement. The defendant may make an opening statement or reserve it;

(2) The prosecutor shall offer evidence;

(3) The defendant may move for judgment of acquittal;

- (4) The defendant may make an opening statement, if reserved;
- (5) Evidence may be offered on behalf of the defendant;
- (6) The parties, respectively, may offer evidence in rebuttal;
- (7) The defendant may move for judgment of acquittal;
- (8) The court may fix the length of time for arguments and shall announce it to counsel. The prosecutor shall make the opening argument, the attorney for the defendant shall make an argument, and the prosecutor for the state shall conclude the argument. Each party may waive the right to argument;
- (9) The judge pronounces judgment.

479.476. 1. If the defendant shall not avail himself or herself of the right to testify or of the testimony of the wife or husband on the trial in the case, it shall not be construed to affect the innocence or the guilt of the defendant nor shall the same raise any presumption of guilt, nor be referred to by any party or attorney in the case, nor be considered by the court or jury before whom the trial takes place.

2. If the defendant does not testify and the defendant so requests, but not otherwise, the court shall instruct the jury in writing as follows:

"Under the law, a defendant has the right not to testify. No presumption of guilt may be raised and no inference of any kind may be drawn from the fact that defendant did not testify."

479.478. 1. (1) When a probation or parole officer is available to the judge and upon the direction of the judge, the officer shall make a presentence investigation and report to the judge before the imposition of sentence or the granting of probation. The report shall be submitted to the court only after the defendant has pleaded guilty or has been found guilty.

(2) The report of the presentence investigation shall contain such information as the judge shall request. Before making any authorized disposition, the judge, upon request of the defendant or the attorney for the defendant, shall allow the defendant and the attorney for the defendant access to the complete pre-sentence investigation report and recommendations.

2. Sentence shall be imposed without unreasonable delay. A defendant shall be personally present when sentence and judgment are pronounced unless the judge, the prosecutor, and the defendant consent to the absence of the defendant.

3. After imposing sentence, the judge shall advise the defendant of any right to trial de novo and the right of a defendant who is unable to pay the cost the right to proceed as an indigent.

4. A judgment of conviction shall set forth the plea, the verdict or findings, and the adjudication and sentence. If the defendant is found not guilty or for any other reason is entitled to be discharged, judgment shall be entered accordingly.

5. If authorized by law, the judge may suspend the imposition of sentence or execution of sentence and place the defendant on probation or parole for a term not to exceed two years.

6. The court in which any judgment, whether of imprisonment or fine, was rendered may grant, by an order entered of record and signed by the judge, a stay of execution upon such judgment or portion thereof for a specified period or periods of time, not to exceed six months. The judge may require the defendant to enter into a bond conditioned upon surrender of the defendant in execution upon such judgment on a day to be specified in such order.

7. When pronouncing sentence, the judge shall state whether the sentence shall run consecutively or concurrently with sentences on one or more ordinance violations for which the defendant is being sentenced or for which the defendant has been previously sentenced. If the judge fails to do so at the time of pronouncing the sentences, the respective sentences shall run concurrently.

479.480. 1. When a fine is assessed for violation of an ordinance, it shall be within the discretion of the judge assessing the fine to provide for the payment of the fine on an installment basis under such terms and conditions as the judge may deem appropriate.

2. If it appears to the judge imposing judgment assessing a fine that the defendant does not have at that time the present means to satisfy the fine, the judge assessing the fine may order a stay of execution on the judgment and grant the defendant a specified period of time within which to satisfy the same.

3. If a defendant defaults in the payment of the fine, the judge may order the defendant to show cause why the defendant should not be held in contempt of court.

4. Upon default in the payment of a fine or any installment thereof, the fine may be collected by any means authorized by law, including means for the enforcement of money judgments.

479.482. When a defendant is sentenced to imprisonment, the clerk shall deliver to the corrections official a certified copy of the judgment and sentence, specifying credit for time served, and the corrections official shall confine the defendant in a detention facility or deliver the defendant as specified in the order.

479.484. 1. Within ten days after the entry of judgment and prior to the filing of application for trial de novo, the court may of its own initiative or on motion of a defendant set aside judgment upon any of the following grounds:

- (1) That the facts stated in the information filed and upon which the cause was tried do not state an ordinance violation;
- (2) That the court was without jurisdiction of the ordinance violation charged;
- (3) To correct manifest injustice.

The court shall record the grounds upon which the order was entered.

2. A motion to withdraw a plea of guilty may be made only before sentence is imposed or when imposition of sentence is suspended, but to correct manifest injustice, the court after sentence may set aside the judgment of conviction and permit the defendant to withdraw the defendant's plea.

3. Clerical mistakes in the record and errors in the record arising from oversight or omission may be corrected by the court any time on the motion of any party and after such notice, if any, as the court orders.

479.486. 1. After commitment of a defendant to serve a sentence of imprisonment, the judge may commute the term of the sentence to the time then served.

2. A judge may revoke probation or parole upon compliance with section 559.036, but not otherwise; except that, notice of the hearing may be mailed in the same manner as a summons. The defendant may be conditionally released pending final hearing.

479.488. 1. An application for trial de novo shall be filed as provided by law. No judge may order an extension of time for filing or perfecting an application for trial de novo.

2. An application for trial de novo shall not be granted after the defendant satisfies any part of the penalty and costs of the judgment.

3. The filing of an application for trial de novo or review shall suspend the execution of the judgment of the municipal division. If the applicant for trial de novo withdraws the application, or if before commencement of trial, the court enters a finding that the applicant has abandoned the trial de novo, the case shall be remanded to the municipal division for execution of judgment.

4. When an application for trial de novo is filed, the clerk shall transmit the duly certified record to the clerk of the division designated to hear ordinance violations de novo. The failure of the clerk to transmit the record shall not affect the defendant's trial de novo.

5. All trials de novo shall proceed in the manner provided for the trial of a misdemeanor by the rules of criminal procedure.

479.490. 1. A criminal contempt may be punished summarily if the judge certifies that the judge saw or heard the conduct constituting the contempt and that it was committed in the judge's presence. The judgment of contempt and the order of commitment shall recite the facts and shall be signed by the judge and entered of record.

2. All other instances of contempt shall be prosecuted on notice. If the contempt charged involves disrespect to or criticism of a judge, that judge is disqualified from presiding at the trial or hearing except with the defendant's consent. Upon a finding of guilt, the judge shall recite in the judgment of contempt and in the order of commitment the essential facts constituting the criminal contempt and fixing the punishment."; and

Such exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics if the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider-based rural health clinics if the main location of the hospital sponsor is greater than fifty miles from the clinic. - (4) The requirements for review of services provided under collaborative practice arrangements, including delegating authority to prescribe controlled substances.

Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. The state board of registration for the healing arts shall promulgate rules applicable to assistant physicians that shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

5. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice arrangement, including collaborative practice arrangements delegating the authority to prescribe controlled substances, and also report to the board the name of each assistant physician with whom the physician has entered into such arrangement. The board may make such information available to the public. The board shall track the reported information and may routinely conduct random reviews of such arrangements to ensure that arrangements are carried out for compliance under this chapter.

6. A collaborating physician shall not enter into a collaborative practice arrangement with more than three full-time equivalent assistant physicians. Such limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

7. The collaborating physician shall determine and document the completion of at least a one-month period of time during which the assistant physician shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. Such limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

9. No contract or other agreement shall require a physician to act as a collaborating physician for an assistant physician against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular assistant physician. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any assistant physician, but such requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by a hospital's medical staff.

10. No contract or other agreement shall require any assistant physician to serve as a collaborating assistant physician for any collaborating physician against the assistant physician's will. An assistant physician shall have the right to refuse to collaborate, without penalty, with a particular physician.
