

HB 179 -- VETERAN DESIGNATION ON DRIVER'S LICENSES

Currently, a person may receive a veteran designation on his or her driver's license or identification card only upon presentation of a United States Department of Defense discharge document, otherwise known as a DD Form 214, that shows a discharge status of "honorable" or "general under honorable conditions" that establishes the person's service in the Armed Forces of the United States. This bill allows a person to present a United States Uniformed Services Identification Card, otherwise known as a DD Form 2, that includes a discharge status of "retired" or "reserve retired" to also establish the person's service in the Armed Forces of the United States in order to receive a veteran designation.
