

HB 452 -- AUTOMATED TRAFFIC ENFORCEMENT SYSTEMS

SPONSOR: English

This bill requires any jurisdiction utilizing an automated traffic enforcement system to install a sign at any intersection where a system is being used indicating the presence of the system. An "automated traffic enforcement system" means a camera, optical device, electronic system, or other surveillance system designed to record and produce photographic images, video, or other digital data of a motor vehicle, a motor vehicle's operator, or both, violating a traffic control signal, speed restriction, or other traffic law, ordinance, or regulation.
