

House Concurrent Resolution No. 94

98TH GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVE HUMMEL.

6194H.01I

D. ADAM CRUMBLISS, Chief Clerk

1 **WHEREAS**, the National Geospatial-Intelligence Agency West Campus Headquarters,
2 now located in the southern area of St. Louis, is currently considering a new site in the St. Louis
3 region to build a new facility; and
4

5 **WHEREAS**, the state of Missouri has shown its resolve to build a new facility in
6 Missouri by authorizing an additional twelve million dollars per year to the tax increment
7 financing cap to be used solely for projects for the retention of the National Geospatial-
8 Intelligence Agency in Missouri; and
9

10 **WHEREAS**, the new National Geospatial-Intelligence Agency facility would result in
11 major benefits to the visual character of the site and other nonmajor benefits such as health and
12 safety improvement, construction spending, induced employment, cleanup of existing hazardous
13 contamination, and land use improvements; and
14

15 **WHEREAS**, the short-term and long-term economic potential of this project will leave
16 a positive impact on the city and the state for years and generations to come; and
17

18 **WHEREAS**, the North St. Louis building site is the preferred location for the next
19 National Geospatial-Intelligence Agency West facility as the state seeks to rebuild North St.
20 Louis through jobs, safety, and more economic development opportunities; and
21

22 **WHEREAS**, both the St. Louis County Executive and the Mayor of St. Louis agree the
23 North St. Louis site is ideal; and
24

25 **NOW THEREFORE BE IT RESOLVED** that the members of the House of
26 Representatives of the Ninety-eighth General Assembly, Second Regular Session, the Senate
27 concurring therein, hereby urge the National Geospatial-Intelligence Agency to remain in
28 Missouri and construct a new facility at the proposed St. Louis building site; and
29

30 **BE IT FURTHER RESOLVED** that the Chief Clerk of the Missouri House of
31 Representatives be instructed to prepare a properly inscribed copy of this resolution for the
32 Director of the National Geospatial-Intelligence Agency, Robert Cardillo.
