

JOURNAL OF THE HOUSE

Second Regular Session, 98th GENERAL ASSEMBLY

TWENTY-FOURTH DAY, WEDNESDAY, FEBRUARY 17, 2016

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

And the Lord went before them by day in a pillar of cloud to lead them along the way, and by night in a pillar of fire to give them light. (Exodus 13:21)

O Powerful God, Our Creator, in generation after generation we have sought You and have found that Your faithfulness never fails, Your love never falters, and Your strength never fades. Our predecessors in this Chamber walked by the guidance of Your spirit in victory and rested in Your mercy in defeat, so to us, their successors, be a pillar of cloud by day and a pillar of fire by night to give us light upon our way, strength to walk along it, and peace in our hearts as You did in ancient times. We struggle at times to understand Your will so give us wisdom as You gave Solomon.

Remove the veil from every heart and unite us as we walk together toward the promised land of heaven where we shall dwell together in peace and joy forever and ever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

Further amend said bill, page, and section, Line 13, by inserting after all of said line the following:

"3. Health care providers treating patients in this state through the use of telemedicine or telehealth shall be fully licensed to practice in this state and shall be subject to regulation by their respective professional boards.

4. Nothing in subsection 3 of this section shall apply to:

- (1) Informal consultation performed by a health care provider licensed in another state, outside of the context of a contractual relationship, and on an irregular or infrequent basis without the expectation or exchange of direct or indirect compensation;**
- (2) Furnishing of health care services by a health care provider licensed and located in another state in case of an emergency or disaster, provided that no charge is made for the medical assistance; or**
- (3) Episodic consultation by a health care provider licensed and located in another state who provides such consultation services on request to a physician in this state.**

5. Nothing in this section shall be construed to alter the scope of practice of any health care provider or to authorize the delivery of health care services in a setting or in a manner not otherwise authorized by the laws of this state.

6. No originating site for services or activities provided under this section shall be required to maintain immediate availability of on-site clinical staff during the telehealth services, except as necessary to meet the standard of care for the treatment of the patient's medical condition if such condition is being treated by an eligible health care provider who is not at the originating site, has not previously seen the patient in person in a clinical setting, and is not providing coverage for a health care provider who has an established relationship with the patient.

7. Nothing in this section shall be construed to alter any collaborative practice requirement as provided in chapters 334 and 335.

191.1146. 1. Physicians licensed under chapter 334 who use telemedicine shall ensure that a properly established physician-patient relationship exists with the person who receives the telemedicine services. The physician-patient relationship may be established by:

- (1) An in-person encounter through a medical interview and physical examination;**

(2) Consultation with another physician, or that physician's delegate, who has an established relationship with the patient and an agreement with the physician to participate in the patient's care; or

(3) A telemedicine encounter, if the standard of care does not require an in-person encounter, and in accordance with evidence-based standards of practice and telemedicine practice guidelines that address the clinical and technological aspects of telemedicine.

2. In order to establish a physician-patient relationship through telemedicine:

(1) The technology utilized shall be sufficient to establish an informed diagnosis as though the medical interview and physical examination has been performed in person; and

(2) Prior to providing treatment, including issuing prescriptions, a physician who uses telemedicine shall interview the patient, collect or review relevant medical history, and perform an examination sufficient for the diagnosis and treatment of the patient. A questionnaire completed by the patient, whether through the internet or telephone, does not constitute an acceptable medical interview and examination for the provision of treatment by telehealth."; and

House Committee Amendment No. 1

AMEND House Bill No. 1966, Page 10, Section 144.030, Line 307, by deleting all of said line and inserting in lieu thereof the following:

"(a) **"Direct costs"**, costs incurred by a governmental authority solely because of an internet service provider's use of the public right-of-way. The term shall not include costs that the governmental authority would have incurred if the internet service provider did not make such use of the public right-of-way. Direct costs shall be determined in a manner consistent with generally accepted accounting principles;

(b) **"Internet"**, computer and telecommunications facilities, including equipment"; and

Further amend said bill, page, section, Line 312, by deleting the letter, **"(b)"** and inserting in lieu thereof the letter, **"(c)"**; and

Further amend said bill, page, and section, Lines 317-338, by deleting all of said lines and inserting in lieu thereof the following:

"purposes of this subdivision, "internet access" also includes: the purchase, use, or sale of communications services, including telecommunications services as defined in section 144.010, to the extent the communications services are purchased, used, or sold to provide the services described in this subdivision or to otherwise enable users to access content, information, or other services offered over the internet; services that are incidental to the provision of a service described in this subdivision, when furnished to users as part of such service, including a home page, electronic mail, and instant messaging, including voice-capable and video-capable electronic mail and instant messaging, video clips, and personal electronic storage capacity; a home page, electronic mail and instant messaging, including voice-capable and video-capable electronic mail and instant messaging, video clips, and personal electronic storage capacity that are provided independently or that are not packaged with internet access. As used in this subdivision, "internet access" shall not include voice, audio, and video programming or other products and services, except services described in this paragraph or this subdivision, that use internet protocol or any successor protocol and for which there is a charge, regardless of whether the charge is separately stated or aggregated with the charge for services described in this paragraph or this subdivision;

(d) **"Tax"**, any charge imposed by the state or a political subdivision of the state for the purpose of generating revenues for governmental purposes and that is not a fee imposed for a specific privilege, service, or benefit conferred, except as described as otherwise under this subdivision, or any obligation imposed on a seller to collect and to remit to the state or a political subdivision of the state any gross retail tax, sales tax, or use tax imposed on a buyer by such a governmental entity. The term "tax" shall not include any franchise fee or similar fee imposed or authorized under sections 67.1830 or 67.2689; sections 622 or 653 of the Communications Act of 1934, 47 U.S.C. Section 542 and 47 U.S.C. Section 573; or any other fee related to obligations of telecommunications carriers under the Communications Act of 1934, 47 U.S.C. Section 151 et seq., except to the extent that:

a. The fee is not imposed for the purpose of recovering direct costs incurred by the franchising or other governmental authority from providing the specific privilege, service, or benefit conferred to the payer of the fee; or

b. The fee is imposed for the use of a public right-of-way based on a percentage of the service revenue, and the fee exceeds the incremental direct costs incurred by the governmental authority associated with the provision of that right-of-way to the provider of internet access service.

Nothing in this subdivision shall be interpreted as an exemption from taxes due on goods or services that were subject to tax on January 1, 2016."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
