

JOURNAL OF THE HOUSE

Second Regular Session, 98th GENERAL ASSEMBLY

FIFTY-SEVENTH DAY, THURSDAY, APRIL 21, 2016

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

If My people humble themselves, and pray, and seek My face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sin and heal their land. (II Chronicles 7:14)

Almighty Creator, at this sacred moment of morning prayer we pause in silence before You, seeking the wise guidance of Your worthy spirit, as we face the decisions that surround us and think of the votes we must cast today.

In these critical days of this session's conclusion, help us to see the way and give us the courage to walk in it, that we may promote the values which have made our State great and possess the virtues which have kept her strong and true.

During this election time when the spirit of change is in the air, when untruths seem at times triumphant and goodness so weak, may we be sure of You and know that behind the shadows stands Your presence, which never fails or abandons us.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-sixth day was approved as printed.

The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron-tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

6. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

7. It shall be unlawful for a person to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be guilty of a class B misdemeanor for the first offense and a class A misdemeanor for second and subsequent offenses.

8. Credit instruments executed on or after August 28, [2014] **2016**, are valid contracts creating debt that is enforceable by legal process. A licensee may accept credit instruments from a qualified person in exchange for currency, chips, tokens, or electronic tokens that can be wagered on gambling games at the licensee's excursion gambling boat. For the purposes of this subsection, "qualified person" means a person who has completed a credit application provided by the licensee and who is determined by the licensee, after performing a credit check and applying usual standards to establish creditworthiness, to qualify for a line of credit [of at least ten thousand dollars] **and in an amount to be determined by the licensee under the restrictions in subsection 9 of this section based on such person's demand deposit account or accounts, including any checking account and savings account.** Once the licensee makes the determination that a person is a qualified person, additional credit checks are not required. Approval to accept a credit instrument from a qualified person shall be made by the holder of an occupational license. [A licensee may accept multiple credit instruments from the same person to consolidate or redeem a previous credit instrument.] **If a new credit instrument is issued to consolidate or replace an existing credit instrument or instruments, the new credit instrument shall use the oldest date of the credit instrument or instruments being replaced.** A lost or destroyed credit instrument shall remain valid and enforceable if the party seeking enforcement can prove its existence and terms. Any person who violates this subsection is subject

only to the penalties provided in section 313.812. The commission shall have no authority to determine the validity or enforceability of a credit instrument or the enforceability of the debt that the credit instrument represents. Failure to comply with any regulation promulgated by the commission shall not impact the validity or enforceability of the credit instrument or the debt that the credit instrument represents.

9.
