

HB 1988 -- THREE-WHEELED VEHICLES

SPONSOR: White

This bill adds a three-wheeled vehicle in which the driver and any passenger ride in a completely enclosed area that is equipped with airbag protection and seatbelts to the definition of "motor vehicle" as that term is used in Chapter 301 regarding registration and licensing of motor vehicles, in certain sections in Chapter 304 regarding traffic regulations, and in certain sections in Chapter 307 regarding vehicle equipment regulations.
