

HB 2427 -- REDEVELOPMENT PLAN AND TRANSPORTATION DEVELOPMENT
APPROVALS

SPONSOR: Brattin

This bill provides that a redevelopment plan shall be approved by a majority vote of the county commission of each county in which the redevelopment project is to be located before such a plan is adopted by another municipality within the affected county or counties.

The bill also provides that a transportation development district project shall be approved by a majority vote of the county commission of each county in which the project is to be located before the district may implement the project in the affected county or counties.
