

HB 2572 -- ETHICS

SPONSOR: Mitten

This bill requires legislative lobbyists and those designated as legislative liaisons to complete ethics training involving Chapter 213, RSMo topics such as sexual harassment regulations and other rules of the General Assembly taught by the Missouri Ethics Commission within 90 days of beginning service or appointment. The Commission may grant a 90-day extension for good cause. The Commission will govern the content of the training by rule and must offer it four times per year. The Commission will keep records of who has completed the training and publish the list on-line.

This bill will be effective January 1, 2017.
