Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Sections 99.805, 99.820, 99.843, and 99.845, RSMo, are repealed and four
2 new sections enacted in lieu thereof, to be known as sections 99.805, 99.820, 99.843, and 99.845,
3 to read as follows:

99.805. As used in sections 99.800 to 99.865, unless the context clearly requires
2 otherwise, the following terms shall mean:

3 (1) "Blighted area", an area which, by reason of the predominance of defective or
4 inadequate street layout, insanitary or unsafe conditions, deterioration of site improvements,
5 improper subdivision or obsolete platting, or the existence of conditions which endanger life or
6 property by fire and other causes, or any combination of such factors, retards the provision of
7 housing accommodations or constitutes an economic or social liability or a menace to the public
8 health, safety, morals, or welfare in its present condition and use;

9 (2) "Collecting officer", the officer of the municipality responsible for receiving and
10 processing payments in lieu of taxes or economic activity taxes from taxpayers or the department
11 of revenue;

12 (3) "Conservation area", any improved area within the boundaries of a redevelopment
13 area located within the territorial limits of a municipality in which fifty percent or more of the
14 structures in the area have an age of thirty-five years or more. Such an area is not yet a blighted
15 area but is detrimental to the public health, safety, morals, or welfare and may become a blighted
16 area because of any one or more of the following factors: dilapidation; obsolescence;

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

17 deterioration; illegal use of individual structures; presence of structures below minimum code
18 standards; abandonment; excessive vacancies; overcrowding of structures and community
19 facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land
20 coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of
21 community planning. A conservation area shall meet at least three of the factors provided in this
22 subdivision for projects approved on or after December 23, 1997;

23 (4) "Economic activity taxes", the total additional revenue from taxes which are imposed
24 by a municipality and other taxing districts, and which are generated by economic activities
25 within a redevelopment area over the amount of such taxes generated by economic activities
26 within such redevelopment area in the calendar year prior to the adoption of the ordinance
27 designating such a redevelopment area, while tax increment financing remains in effect, but
28 excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by
29 transient guests of hotels and motels, licenses, fees or special assessments. For redevelopment
30 projects or redevelopment plans approved after December 23, 1997, if a retail establishment
31 relocates within one year from one facility to another facility within the same county and the
32 governing body of the municipality finds that the relocation is a direct beneficiary of tax
33 increment financing, then for purposes of this definition, the economic activity taxes generated
34 by the retail establishment shall equal the total additional revenues from economic activity taxes
35 which are imposed by a municipality or other taxing district over the amount of economic
36 activity taxes generated by the retail establishment in the calendar year prior to its relocation to
37 the redevelopment area;

38 (5) "Economic development area", any area or portion of an area located within the
39 territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and
40 (3) of this section, and in which the governing body of the municipality finds that redevelopment
41 will not be solely used for development of commercial businesses which unfairly compete in the
42 local economy and is in the public interest because it will:

43 (a) Discourage commerce, industry or manufacturing from moving their operations to
44 another state; or

45 (b) Result in increased employment in the municipality; or

46 (c) Result in preservation or enhancement of the tax base of the municipality;

47 (6) "Gambling establishment", an excursion gambling boat as defined in section 313.800
48 and any related business facility including any real property improvements which are directly and
49 solely related to such business facility, whose sole purpose is to provide goods or services to an

51 conduct gambling games on an excursion gambling boat or licensed to operate an excursion
52 gambling boat as provided in sections 313.800 to 313.850. This subdivision shall be applicable
53 only to a redevelopment area designated by ordinance adopted after December 23, 1997;

54 (7) "Greenfield area", any vacant, unimproved, or agricultural property that is located
55 wholly outside the incorporated limits of a city, town, or village, or that is substantially
56 surrounded by contiguous properties with agricultural zoning classifications or uses unless said
57 property was annexed into the incorporated limits of a city, town, or village ten years prior to the
58 adoption of the ordinance approving the redevelopment plan for such greenfield area;

59 (8) "Municipality", a city, village, or incorporated town or any county of this state. For

70 selected for a redevelopment project, which revenues according to the redevelopment project or
71 plan are to be used for a private use, which taxing districts would have received had a
72 municipality not adopted tax increment allocation financing, and which would result from levies
73 made after the time of the adoption of tax increment allocation financing during the time the
74 current equalized value of real property in the area selected for the redevelopment project
75 exceeds the total initial equalized value of real property in such area until the designation is
76 terminated pursuant to subsection 2 of section 99.850;

139 were the original appointments. Members appointed by the county executive or presiding
140 commissioner prior to August 28, 2008, shall continue their service on the commission

141 established in subsection 3 of this section without further appointment unless the county
142 executive or presiding commissioner appoints a new member or members.

153 notwithstanding any provision of law to the contrary, no approval by the county's governing body
154 shall be required;

156 tax increment financing districts in a manner in which the chief elected officials of such cities,
157 towns, or villages agree;

159 county in a manner in which the school boards agree; and

164 subsection 2 of this section, except as necessary to complete a public hearing for which notice
165 under section 99.830 has been provided prior to August 28, 2008, and to vote or make
166 recommendations relating to redevelopment plans, redevelopment projects, or designation of
167 redevelopment areas, or amendments thereto that were the subject of such public hearing;

168 (2) Members appointed to the commission created under this subsection, except those
169 six members appointed by either the county executive or presiding commissioner, shall serve on
170 the commission for a term to coincide with the length of time a redevelopment project,
171 redevelopment plan, or designation of a redevelopment area is considered for approval by the
172 commission. The six members appointed by either the county executive or the presiding
173 commissioner shall serve on all such commissions until replaced. The city, town, or village that
174 creates a commission under this subsection shall send notice thereof by certified mail to the
175 county executive or presiding commissioner, to the school districts whose boundaries include
176 any portion of the proposed redevelopment area, and to the other taxing districts whose
177 boundaries include any portion of the proposed redevelopment area. The city, town, or village

180 administrative functions of the commission. The school districts receiving notice from the city,
181 town, or village shall be solely responsible for notifying the other school districts within the
182 county of the formation of the commission. If the county, school board, or other taxing district
183 fails to appoint members to the commission within thirty days after the city, town, or village
184 sends the written notice, as provided herein, that it has convened such a commission or within
185 thirty days of the expiration of any such member's term, the remaining duly appointed members
186 of the commission may exercise the full powers of the commission.

188 body of the municipality, may exercise the powers enumerated in sections 99.800 to 99.865,
189 except final approval of plans, projects and designation of redevelopment areas. The
190 commission shall hold public hearings and provide notice pursuant to sections 99.825 and
191 99.830.

192 (2) Any commission created under subsection 2 of this section shall vote on all proposed
193 redevelopment plans, redevelopment projects and designations of redevelopment areas, and
194 amendments thereto, within thirty days following completion of the hearing on any such plan,
195 project or designation and shall make recommendations to the governing body within ninety days
196 of the hearing referred to in section 99.825 concerning the adoption of or amendment to
197 redevelopment plans and redevelopment projects and the designation of redevelopment areas.
198 The requirements of subsection 2 of this section and this subsection shall not apply to
199 redevelopment projects upon which the required hearings have been duly held prior to August
200 31, 1991.

205 referred to in section 99.825. The public hearing shall be held no later than seventy-five days
206 from the commission's receipt of such redevelopment plan and request for public hearing. The
207 commission shall vote and make recommendations to the governing body of the city, town, or
208 village requesting the public hearing on all proposed redevelopment plans, redevelopment
209 projects, and designations of redevelopment areas, and amendments thereto within thirty days
210 following the completion of the public hearing. A recommendation of approval shall only be
211 deemed to occur if a majority of the commissioners voting on such plan, project, designation,
212 or amendment thereto vote for approval. A tied vote shall be considered a recommendation in
213 opposition. If the commission fails to vote **a recommendation for approval** within thirty days
214 following the completion of the public hearing referred to in section 99.825 concerning the

215 proposed redevelopment plan, redevelopment project, or designation of redevelopment area, or
216 amendments thereto, such plan, project, designation, or amendment thereto shall be deemed
217 rejected by the commission.

218 **5. Beginning August 28, 2017:**

219 **(1) All redevelopment plans, before final approval of the project, shall obtain an**
220 **opinion from the department of economic development as to whether the redevelopment**
221 **plan is financially feasible without economic activity taxes and payments in lieu of taxes;**

222 **(2) The department shall assume that the redevelopment plan is financially feasible**
223 **without economic activity taxes and payments in lieu of taxes, and the burden shall be on**
224 **the proponents of the redevelopment plan to show otherwise;**

225 **(3) No redevelopment plan that the department of economic development**
226 **determines is feasible without economic activity taxes and payments in lieu of taxes shall**
227 **be implemented;**

228 **(4) The department of economic development may promulgate rules to implement**
229 **the provisions of this subsection. Any rule or portion of a rule, as that term is defined in**
230 **section 536.010, that is created under the authority delegated in this section shall become**
231 **effective only if it complies with and is subject to all of the provisions of chapter 536 and,**
232 **if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any**
233 **of the powers vested with the general assembly pursuant to chapter 536 to review, to delay**
234 **the effective date, or to disapprove and annul a rule are subsequently held**
235 **unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted**
236 **after August 28, 2017, shall be invalid and void.**

237 **6.** It shall be the policy of the state that each redevelopment plan or project of a
238 municipality be carried out with full transparency to the public. The records of the tax increment
239 financing commission including, but not limited to, commission votes and actions, meeting
240 minutes, summaries of witness testimony, data, and reports submitted to the commission shall
241 be retained by the governing body of the municipality that created the commission and shall be
242 made available to the public in accordance with chapter 610.

99.843. Notwithstanding the provisions of sections 99.800 to 99.865 to the contrary, no
2 new tax increment financing project shall be authorized in any greenfield area, as such term is
3 defined in section 99.805~~]; that is located within a city not within a county or any county subject~~
4 ~~to the authority of the East-West Gateway Council of Governments. Municipalities not subject~~
5 ~~to the authority of the East-West Gateway Council of Governments may authorize tax increment~~
6 ~~finance projects in greenfield areas].~~

99.845. 1. A municipality, either at the time a redevelopment project is approved or, in
2 the event a municipality has undertaken acts establishing a redevelopment plan and

3 redevelopment project and has designated a redevelopment area after the passage and approval
4 of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with
5 the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by
6 passing an ordinance providing that after the total equalized assessed valuation of the taxable real
7 property in a redevelopment project exceeds the certified total initial equalized assessed
8 valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and
9 payments in lieu of taxes, if any, arising from the levies upon taxable real property in such
10 redevelopment project by taxing districts and tax rates determined in the manner provided in
11 subsection 2 of section 99.855 each year after the effective date of the ordinance until
12 redevelopment costs have been paid shall be divided as follows:

13 (1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract,
14 or parcel of real property which is attributable to the initial equalized assessed value of each such
15 taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment
16 project shall be allocated to and, when collected, shall be paid by the county collector to the
17 respective affected taxing districts in the manner required by law in the absence of the adoption
18 of tax increment allocation financing;

19 (2) (a) Payments in lieu of taxes attributable to the increase in the current equalized
20 assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected
21 for the redevelopment project and any applicable penalty and interest over and above the initial
22 equalized assessed value of each such unit of property in the area selected for the redevelopment
23 project shall be allocated to and, when collected, shall be paid to the municipal treasurer who
24 shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation
25 Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred
26 in the payment thereof. Beginning August 28, 2014, if the voters in a taxing district vote to
27 approve an increase in such taxing district's levy rate for ad valorem tax on real property, any
28 additional revenues generated within an existing redevelopment project area that are directly
29 attributable to the newly voter-approved incremental increase in such taxing district's levy rate
30 shall not be considered payments in lieu of taxes subject to deposit into a special allocation fund
31 without the consent of such taxing district. Revenues will be considered directly attributable to
32 the newly voter-approved incremental increase to the extent that they are generated from the
33 difference between the taxing district's actual levy rate currently imposed and the maximum
34 voter-approved levy rate at the time that the redevelopment project was adopted. Payments in
35 lieu of taxes which are due and owing shall constitute a lien against the real estate of the
36 redevelopment project from which they are derived and shall be collected in the same manner
37 as the real property tax, including the assessment of penalties and interest where applicable. The
38 municipality may, in the ordinance, pledge the funds in the special allocation fund for the
39 payment of such costs and obligations and provide for the collection of payments in lieu of taxes,

40 the lien of which may be foreclosed in the same manner as a special assessment lien as provided
41 in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract,
42 or parcel of property in the area selected for the redevelopment project attributable to any
43 increase above the total initial equalized assessed value of such properties shall be used in
44 calculating the general state school aid formula provided for in section 163.031 until such time
45 as all redevelopment costs have been paid as provided for in this section and section 99.850[-]
46 ;

47 (b) Notwithstanding any provisions of this section to the contrary, for purposes of
48 determining the limitation on indebtedness of local government pursuant to Article VI, Section
49 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area
50 selected for redevelopment attributable to the increase above the total initial equalized assessed
51 valuation shall be included in the value of taxable tangible property as shown on the last
52 completed assessment for state or county purposes[-] ;

53 (c) The county assessor shall include the current assessed value of all property within
54 the taxing district in the aggregate valuation of assessed property entered upon the assessor's
55 book and verified pursuant to section 137.245, and such value shall be utilized for the purpose
56 of the debt limitation on local government pursuant to Article VI, Section 26(b) of the Missouri
57 Constitution;

58 (3) For purposes of this section, "levies upon taxable real property in such redevelopment
59 project by taxing districts" shall not include the blind pension fund tax levied under the authority
60 of Article III, Section 38(b) of the Missouri Constitution, or the merchants' and manufacturers'
61 inventory replacement tax levied under the authority of subsection 2 of Section 6 of Article X
62 of the Missouri Constitution, except in redevelopment project areas in which tax increment
63 financing has been adopted by ordinance pursuant to a plan approved by vote of the governing
64 body of the municipality taken after August 13, 1982, and before January 1, 1998;

65 **(4) The board or body that oversees a special taxing district, as that term is defined**
66 **under section 99.805, may elect to have the property or sales taxes levied by such district**
67 **excluded from a tax increment allocation financing project or plan by passing a resolution**
68 **by two-thirds majority prior to the time the project or plan is adopted or approved by**
69 **ordinance. At least ten days prior to the vote on the resolution, the board shall post notice**
70 **of and hold a public hearing. If the resolution passes, the board shall notify the director**
71 **of revenue and county collector. If the resolution passes, subdivisions (1) and (2) of this**
72 **subsection shall not apply to any tax levied by the special taxing district, and all revenue**
73 **from such tax shall be allocated to the district and shall not be allocated to redevelopment**
74 **costs and obligations; and**

75 **(5) A school board of a school district may elect to have the portion of property tax**
76 **revenue allocated to the school district by a county or municipality excluded from a tax**
77 **increment allocation financing project or plan by passing a resolution by two-thirds**
78 **majority prior to the time the project or plan is adopted or approved by ordinance. At**
79 **least ten days prior to the vote on the resolution, the board shall post notice of and hold a**
80 **public hearing. If the resolution passes, the board shall notify the director of revenue and**
81 **county collector. If the resolution passes, subdivision (2) of this subsection shall not apply**
82 **to the percentage of property tax revenue equal to the average percentage of property tax**
83 **revenue allocated to the school district over the preceding five years, and such percentage**
84 **of revenue attributable to the increase in the current equalized assessed valuation of each**
85 **taxable lot, block, tract, or parcel of real property within the redevelopment project area**
86 **shall be allocated to the school district and shall not be allocated to redevelopment costs**
87 **and obligations.**

88 2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection
89 1 of this section, for redevelopment plans and projects adopted or redevelopment projects
90 approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total
91 additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing
92 districts, which are generated by economic activities within the area of the redevelopment project
93 over the amount of such taxes generated by economic activities within the area of the
94 redevelopment project in the calendar year prior to the adoption of the redevelopment project by
95 ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales
96 or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant
97 to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and
98 any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section
99 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local
100 political subdivision collecting officer to the treasurer or other designated financial officer of the
101 municipality, who shall deposit such funds in a separate segregated account within the special
102 allocation fund. Any provision of an agreement, contract or covenant entered into prior to July
103 12, 1990, between a municipality and any other political subdivision which provides for an
104 appropriation of other municipal revenues to the special allocation fund shall be and remain
105 enforceable.

106 3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection
107 1 of this section, for redevelopment plans and projects adopted or redevelopment projects
108 approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from
109 taxes, penalties and interest which are imposed by the municipality or other taxing districts, and
110 which are generated by economic activities within the area of the redevelopment project over the
111 amount of such taxes generated by economic activities within the area of the redevelopment

112 project in the calendar year prior to the adoption of the redevelopment project by ordinance,
113 while tax increment financing remains in effect, but excluding personal property taxes, taxes
114 imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels,
115 taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation
116 pursuant to section 94.660, taxes imposed on sales pursuant to subsection 2 of section 67.1712
117 for the purpose of operating and maintaining a metropolitan park and recreation district, licenses,
118 fees or special assessments other than payments in lieu of taxes and penalties and interest
119 thereon, any sales tax imposed by a county with a charter form of government and with more
120 than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose
121 of sports stadium improvement or levied by such county under section 238.410 for the purpose
122 of the county transit authority operating transportation facilities, or for redevelopment plans and
123 projects adopted or redevelopment projects approved by ordinance after August 28, 2013, taxes
124 imposed on sales under and pursuant to section 67.700 or 650.399 for the purpose of emergency
125 communication systems, shall be allocated to, and paid by the local political subdivision
126 collecting officer to the treasurer or other designated financial officer of the municipality, who
127 shall deposit such funds in a separate segregated account within the special allocation fund.
128 Beginning August 28, 2014, if the voters in a taxing district vote to approve an increase in such
129 taxing district's sales tax or use tax, other than the renewal of an expiring sales or use tax, any
130 additional revenues generated within an existing redevelopment project area that are directly
131 attributable to the newly voter-approved incremental increase in such taxing district's levy rate
132 shall not be considered economic activity taxes subject to deposit into a special allocation fund
133 without the consent of such taxing district.

134 4. Beginning January 1, 1998, for redevelopment plans and projects adopted or
135 redevelopment projects approved by ordinance and which have complied with subsections 4 to
136 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes
137 described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues,
138 as defined in subsection 8 of this section, estimated for the businesses within the project area and
139 identified by the municipality in the application required by subsection 10 of this section, over
140 and above the amount of such taxes reported by businesses within the project area as identified
141 by the municipality in their application prior to the approval of the redevelopment project by
142 ordinance, while tax increment financing remains in effect, may be available for appropriation
143 by the general assembly as provided in subsection 10 of this section to the department of
144 economic development supplemental tax increment financing fund, from the general revenue
145 fund, for distribution to the treasurer or other designated financial officer of the municipality
146 with approved plans or projects.

147 5. The treasurer or other designated financial officer of the municipality with approved
148 plans or projects shall deposit such funds in a separate segregated account within the special
149 allocation fund established ~~[pursuant to section]~~ **under sections 99.805 to 99.865.**

150 6. No transfer from the general revenue fund to the Missouri supplemental tax increment
151 financing fund shall be made unless an appropriation is made from the general revenue fund for
152 that purpose. No municipality shall commit any state revenues prior to an appropriation being
153 made for that project. For all redevelopment plans or projects adopted or approved after
154 December 23, 1997, appropriations from the new state revenues shall not be distributed from the
155 Missouri supplemental tax increment financing fund into the special allocation fund unless the
156 municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes
157 and fifty percent of economic activity taxes generated by the project shall be used for eligible
158 redevelopment project costs while tax increment financing remains in effect. This account shall
159 be separate from the account into which payments in lieu of taxes are deposited, and separate
160 from the account into which economic activity taxes are deposited.

161 7. In order for the redevelopment plan or project to be eligible to receive the revenue
162 described in subsection 4 of this section, the municipality shall comply with the requirements of
163 subsection 10 of this section prior to the time the project or plan is adopted or approved by
164 ordinance. The director of the department of economic development and the commissioner of
165 the office of administration may waive the requirement that the municipality's application be
166 submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or
167 project's approval by ordinance.

171 taxes deposited to the school district trust fund in accordance with section 144.701, sales and use

173 law. In no event shall the incremental increase include any amounts attributable to retail sales
174 unless the municipality or authority has proven to the Missouri development finance board and
175 the department of economic development and such entities have made a finding that the sales
176 tax increment attributable to retail sales is from new sources which did not exist in the state
177 during the baseline year. The incremental increase in the general revenue portion of state sales
178 tax revenues for an existing or relocated facility shall be the amount that current state sales tax
179 revenue exceeds the state sales tax revenue in the base year as stated in the redevelopment plan

336 department of economic development. The department shall annually distribute from the
337 Missouri supplemental tax increment financing fund the amount of the new state revenues as
338 appropriated as provided in the provisions of subsection 4 of this section if and only if the
339 conditions of subsection 10 of this section are met. The fund shall also consist of any gifts,
340 contributions, grants or bequests received from federal, private or other sources. Moneys in the
341 Missouri supplemental tax increment financing fund shall be disbursed per project pursuant to
342 state appropriations.

343 13. Redevelopment project costs may include, at the prerogative of the state, the portion
344 of salaries and expenses of the department of economic development and the department of
345 revenue reasonably allocable to each redevelopment project approved for disbursements from
346 the Missouri supplemental tax increment financing fund for the ongoing administrative functions
347 associated with such redevelopment project. Such amounts shall be recovered from new state
348 revenues deposited into the Missouri supplemental tax increment financing fund created under
349 this section.

350 14. For redevelopment plans or projects approved by ordinance that result in net new
351 jobs from the relocation of a national headquarters from another state to the area of the
352 redevelopment project, the economic activity taxes and new state tax revenues shall not be based
353 on a calculation of the incremental increase in taxes as compared to the base year or prior
354 calendar year for such redevelopment project, rather the incremental increase shall be the amount
355 of total taxes generated from the net new jobs brought in by the national headquarters from
356 another state. In no event shall this subsection be construed to allow a redevelopment project
357 to receive an appropriation in excess of up to fifty percent of the new state revenues.

358 15. Notwithstanding any other provision of the law to the contrary, the adoption of any
359 tax increment financing authorized under sections 99.800 to 99.865 shall not supersede, alter,
360 or reduce in any way a property tax levied under section 205.971.
