For distribution to a city with more than one thousand seven hundred but fewer than one thousand nine hundred inhabitants and located in a county with more than thirty-five thousand but fewer than forty thousand inhabitants and with a county seat with more than five thousand but fewer than eight thousand inhabitants, for the planning, design, and construction of a road spur

Senate Recommendation:

Did not recommend

Section 4.490 – Old Highway 63 Improvements in Caldwell & Livingston Counties – NDI (new language)

House Recommendation:

For the repair, resurfacing, and other improvements to Northeast Old Highway 36 in Caldwell County and Livingston County

Senate Recommendation:

Did not recommend

Section 4.490 – Environmental Assessment in Buchanan County – NDI (new language)

House Recommendation:

For distribution to a metropolitan planning organization serving a county with more than eighty thousand but fewer than one hundred thousand inhabitants and with a county seat with more than seventy thousand but fewer than eighty thousand inhabitants, for an environmental assessment for a bridge

Senate Recommendation:

Did not recommend

Section 4.490 – Route 185 Improvements in Washington County – NDI (new language)

House Recommendation:

For the planning, design, and construction of safety improvements at the intersection of Route 185 and Strange Drive in Washington County

Senate Recommendation:

Did not recommend

Section 4.490 – Road Repair in Sugar Creek – NDI (new language)

House Recommendation:

For distribution to a city with more than three thousand but fewer than three thousand four hundred inhabitants and partially located in a county with more than seven hundred thousand but fewer than eight hundred thousand inhabitants, for repair to a road providing access to a city-owned landfill that, if not repaired, would impede access to first responders in the event of an emergency

Senate Recommendation:

Did not recommend

Section 4.490 – Interstate 470 & View High Drive in Lee's Summit – NDI (new language)

House Recommendation:

For the planning, design, and construction of a diverging diamond at the intersection of I-470 and View High Drive in Lee's Summit

Senate Recommendation:

Did not recommend

Section 4.495 – Low Volume Routes – NDI

House Recommendation (Same as FY 2025 TAFP):

For the maintenance and repair of low-volume routes

Senate Recommendation:

Did not recommend

Section 4.570 – Mobility Management Pilot Program – NDI

House Recommendation (Same as FY 2025 TAFP):

For a non-profit organization founded in 1982 - and located in a county with more than one hundred thousand but fewer than one hundred twenty thousand inhabitants and with a county seat with more than four thousand but fewer than six thousand inhabitants – that serves seniors ages 60 and over for the development and implementation of an integrated transit planning system and services for seniors, veterans, and the disabled in a county with more than one hundred thousand but fewer than one hundred twenty thousand inhabitants and with a county seat with more than four thousand but fewer than six thousand inhabitants, a county with more than two hundred thirty thousand but fewer than two hundred sixty thousand inhabitants, and a city with more than forty thousand but fewer than fifty thousand that serves as the county seat in a county with more than seventy thousand and fewer than eighty thousand inhabitants, based on the recommendations of Missouri Statewide Transit Assessment that can serve as a foundational model for a statewide planning system that analyzes and optimizes service delivery

Senate Recommendation:

Did not recommend

Section 4.590 – Railroad Grade Crossing in Phelps County – NDI (new language)

House Recommendation:

For distribution to a county with more than forty thousand but fewer than fifty thousand inhabitants and with a county seat with more than eighteen thousand but fewer than twenty-one thousand inhabitants for the planning, design, and construction of gates and signals at a railroad crossing with a road

Senate Recommendation:

Did not recommend

Section 4.600 – Roadwork to Branson Airport – NDI (new language)

House Recommendation:

For distribution to a county with more than fifty thousand but fewer than sixty thousand inhabitants and with a county seat with more than one thousand but fewer than four thousand inhabitants for road improvements providing access to an airport **owned by said county**

Senate Recommendation:

For distribution to a county with more than fifty thousand but fewer than sixty thousand inhabitants and with a county seat with more than one thousand but fewer than four thousand inhabitants for road improvements providing access to an airport

Section 4.600 – St. Louis Lambert Airport Improvements – NDI (new language)

House Recommendation:

Did not recommend

Senate Recommendation:

For demolition, renovations, improvements, and construction at an airport located in a county with more than one million inhabitants

Section 4.600 – Perryville Airport Education Center – NDI (new language)

House Recommendation:

Did not recommend

Senate Recommendation:

For planning, designing, and construction of an education building at an airport located in any county with more than seventeen thousand six hundred but fewer than nineteen thousand inhabitants and with a county seat with more than eight thousand but fewer than ten thousand inhabitants

Section 4.600 – Farmington Airport Improvements – NDI (new language)

House Recommendation:

Did not recommend

Senate Recommendation:

For planning, designing, renovations, improvements, and construction at an airport located in at an airport located in any city with more than eighteen thousand but fewer than twenty thousand inhabitants and that is the county seat of a county with more than sixty thousand but fewer than seventy thousand inhabitants

Section 4.600 – Advanced Weather System for Monett Airport – NDI (new language)

House Recommendation:

For an advanced weather system for an airport in a county with more than thirty thousand but fewer than thirty-five thousand inhabitants and with a county seat with more than two thousand but fewer than three thousand eight hundred inhabitants and owned by a city with more than nine thousand but fewer than ten thousand inhabitants and located in more than one county

Senate Recommendation:

Did not recommend

Section 4.621 – Improvements at New Madrid Port – NDI (new language)

House Recommendation:

For grants to a port authority located in a county with more than fifteen thousand seven hundred but fewer than seventeen thousand six hundred inhabitants and with a county seat with more than two thousand but fewer than three thousand inhabitants

Senate Recommendation:

Did not recommend

Section 4.621 – Improvements at Mississippi Port – NDI (new language)

House Recommendation:

For ferryboat operations and/or capital improvements at a port in a county with more than twelve thousand five hundred but fewer than fourteen thousand inhabitants and with a county seat with more than five thousand but fewer than six thousand inhabitants

Senate Recommendation:

Did not recommend

Section 4.621 – Improvement at Marion County Port – NDI (new language)

House Recommendation:

For grants to a port authority located in a county with more than twenty-five thousand but fewer than thirty thousand inhabitants and with a county seat with more than two thousand five hundred but fewer than six thousand inhabitants

Senate Recommendation:

Did not recommend

HB 5 – Office of Administration

Section 5.015 – Division of Accounting

House Recommendation (Same as FY 2025 TAFP):

For the implementation of a new enterprise resource planning system

Senate Recommendation:

Did not recommend

Section 5.025 – Statewide Customer Service

House Recommendation (Same as FY 2025 TAFP):

Expense and Equipment

Senate Recommendation:

Did not recommend

Section 5.025 – Data Lake – NDI (new language)

House Recommendation:

Did not recommend

Senate Recommendation:

For implementation of a secure, cloud-based data warehouse solution which will allow for programmatic and citizen data integration and sharing across the consolidated and non-consolidated agencies, per a memorandum of understanding between the Missouri House of Representatives, the Missouri Senate, the Office of Administration, and the Judiciary

Section 5.045 – SAM II Replacement

House Recommendation (Same as FY 2025 TAFP):

For replacement of the statewide accounting and budgeting systems, including consulting and procurement, per a memorandum of understanding between the Missouri House of Representatives, the Missouri Senate, the Office of Administration, and the Judiciary

Senate Recommendation:

Did not recommend

Section 5.046 – Citizen Engagement Platform – NDI (new language)

House Recommendation:

Did not recommend

Senate Recommendation:

For modernization of asset management and portfolio management implemented through a statewide solution that is native to the statewide citizen engagement platform

Section 5.050 – ERP Cost Allocation Transfer

House Recommendation (Same as FY 2025 TAFP):

Funds are to be transferred out of the State Treasury, such amounts as are necessary for the allocation of costs to other funds in support of the implementation of a new enterprise resource planning system

Senate Recommendation:

Did not recommend

Section 5.165 – Office of Child Advocate

House Recommendation (Same as FY 2025 TAFP):

For funding the Office of Child Advocate

Senate Recommendation:

Did not recommend

Section 5.170 – Childcare Exchange

House Recommendation:

For a child care cost-sharing program for families with household incomes not to exceed the amount provided in section 166.700, RSMO., provided that families who otherwise have access to subsidized **child care** through the state shall be ineligible, **provided that** the program shall prioritize **serving eligible families with the lowest household incomes, areas of the state designated as child care deserts, and supporting access to infant and toddler child care, and further provided that** the state subsidy under this program shall be no greater than 40% of the child care subsidy payment under the Office of Childhood child care subsidy program, and further provided that in order to be eligible for subsidy under this section the employer or community **must contribute at least 30% of the cost of child care, and further provided that at** that at least 95% of program funds shall be used to directly subsidize child care

Senate Recommendation:

For a child care cost-sharing program for families with household incomes not to exceed the amount provided by Section 166.700, RSMo, provided that families who otherwise have access to subsidized **childcare** through the state shall be ineligible. **The** program shall prioritize **low income families, child care deserts, and infant and toddler child care. The maximum state contribution shall be forty percent (40%) of the state subsidy program provider rates. Eligibility for the program shall require a minimum contribution from the employer or community of thirty percent (30%), except when the child care slot is for an infant or toddler when such minimum shall be twenty percent (20%).** At least ninety-five (95%) of program funds shall be used to directly subsidize child care.

Section 5.220 – State Fair Bond Debt Service

House Recommendation:

For debt service and all related expenses associated with the Missouri State Fair project bonds issued through the Missouri Department Finance Board, **provided one-hundred percent (100%) flexibility is allowed between the General Revenue Fund and other funds in this section, and further provided that the General Revenue Fund shall be the debited fund of last resort for all payments**

Senate Recommendation:

For debt service and all related expenses associated with the Missouri State Fair project bonds issued through the Missouri Department Finance Board

PART 2 – Section 5.2005

House Recommendation (Same as FY 2025 TAFP):

In reference to all sections in Part 1 of this act:

A contract entered into by a state agency or department for the licensing of software applications designed to run on generally available desktop or server hardware may not limit the ability of the agency or department to install or run the software on the hardware of the agency or departments choosing

Senate Recommendation:

Did not recommend

PART 2 – Section 5.2010 – (new language)

House Recommendation:

Did not recommend

Senate Recommendation:

The department shall prioritize existing enterprise agreements when considering procurement or additional functionality for any information technology for citizen engagement or supporting state workers and programs. Prior to obligating the state to any ongoing IT expense, including subscription or maintenance costs, departments shall evaluate the state's existing enterprise agreements, including enterprise-wide licensing and other IT assets. Prior to purchasing a new subscription for any functionality described in this section, departments shall first consider the state enterprise agreements in existence at the time of procurement. If such an existing enterprise agreement is appropriate for the functionality, it shall be given preference in the procurement. Additionally, departments shall seek to adopt functionality on any platform with an enterprise-wide agreement with the state prior to incurring costs for additional platforms or programs. All IT procurements processed through the Office of Administration shall include a statement outlining compliance with this section.

PART 3 – Section 5.3005 – (new language)

House Recommendation:

In reference to section 5.220:

All revenue to the state derived incident to operations of facilities financed through Missouri State Fair project bonds shall be deposited into the State Fair Building Revolving Fund

Senate Recommendation:

Did not recommend

HB 6 – Department of Agriculture

Section 6.020 – Farmers’ Markets & Food Deserts in Urban Areas – NDI

House Recommendation:

Did not recommend

Senate Recommendation (Same as FY 2025 TAFP):

For supporting farmers’ markets and other economic development initiatives that work to reduce food insecurity in areas which have been designated an urbanized area by the United States Census Bureau
