

Title: Programmer I / IT professional

Salary: (\$60,000 - \$70,000)

Benefits: State benefits, including health care, retirement, sick leave and vacation

Location: Oversight Division, Room 132 Capitol Building, Jefferson City

Closing date: September 30, 2019

Qualifications

Requires at least two years of experience designing and writing VB.Net, C#, SQL and/or ASP.Net applications.

Job Duties

The Joint Committee on Legislative Research - Oversight Division is accepting applications for the position of Programmer I. The applicant should be willing to make a long-term commitment and possess the desired skills to be considered. This is not an entry level position. Individuals will be trained to assume the responsibility for the design, programming, and maintenance of existing and future applications.

The starting salary will be commensurate with applicable experience and education.
