## **State Representative Ben Baker Named Committee Chairman for 103rd General Assembly**

**JEFFERSON CITY, Mo.** – State Representative Ben Baker is proud to announce his newly appointed House committee assignment this legislative session, as designated by House Speaker Jonathan Patterson. Rep. Baker will serve as Chairman of a key committee, Government Efficiency, for the Missouri House of Representatives' 103rd General Assembly.

"I am honored to serve the people of Missouri as Chairman of the Government Efficiency committee." Baker, R-Neosho, said. "I look forward to working with the members of this committee as we work to create policies to help Missourians save their hard-earned dollars while removing unnecessary regulations."

The committee on Government Efficiency may consider and report upon bills and matters referred to it relating to the efficiency of state government and its programs.

"The work done in committees includes some of the most critical moments of the legislative process." Speaker Patterson, R-Lees Summit, said. "In committees, every Missourian has the opportunity to come and testify for, or against, legislation. House Committees are the first step in refining legislation to help make life safer, better, and more affordable for Missouri families, and we know Rep. Baker will work to do just that."

Representative Ben Baker, a Republican, represents Newton County (District 160) in the Missouri House of Representatives. He was first elected in November of 2018.
