## **State Representative Bob Bromley Named Committee Chairman for 103rd General Assembly**

**JEFFERSON CITY, Mo.** – State Representative Bob Bromley is proud to announce his newly appointed House committee assignment this legislative session, as designated by House Speaker Jonathan Patterson. Rep. Bromley will serve as Chairman of a key committee, Utilities, for the Missouri House of Representatives' 103rd General Assembly.

"I am honored to serve the people of Missouri as Chairman of the Utilities committee," Bromley, R-Carl Junction, said. "I look forward to working with the members of this committee as we work to create policies to help Missourians save their hard-earned dollars while removing unnecessary regulations."

The committee on Utilities may consider and report upon bills and matters referred to it relating to the development, use, and regulation of utilities, communications, and technology and the development, use, and conservation of energy and other energy-related concerns, environmental impact, pollution, and public health and safety as it relates to the issue of energy.

"The work done in committees includes some of the most critical moments of the legislative process," Speaker Patterson, R-Lees Summit, said. "In committees, every Missourian has the opportunity to come and testify for, or against, legislation. House Committees are the first step in refining legislation to help make life safer, better, and more affordable for Missouri families, and we know Rep. Bromley will work to do just that."

Representative Bob Bromley, a Republican, represents Jasper County (District 162) in the Missouri House of Representatives. He was first elected in November of 2018.
