## **State Representative Holly Jones Named Committee Chairman for 103rd General Assembly**

**JEFFERSON CITY, Mo.** – State Representative Holly Jones is proud to announce her newly appointed House committee assignment this legislative session, as designated by House Speaker Jonathan Patterson. Rep. Jones will serve as Chairman of a key committee, Children and Families, for the Missouri House of Representatives' 103rd General Assembly.

"I am honored to serve the people of Missouri as Chairman of the Children and Families committee." Jones, R-Eureka, said. "I look forward to working with the members of this committee as we work to create policies to help Missourians save their hard-earned dollars while removing unnecessary regulations."

The committee on Children and Families may consider and report upon bills and matters referred to it relating to the Department of Social Services, the Department of Health and Senior Services, and other matters relating to the fostering and promotion of children, families, and persons with disabilities in this state.

"The work done in committees includes some of the most critical moments of the legislative process." Speaker Patterson, R-Lees Summit, said. "In committees, every Missourian has the opportunity to come and testify for, or against, legislation. House Committees are the first step in refining legislation to help make life safer, better, and more affordable for Missouri families, and we know Rep. Jones will work to do just that."

Representative Holly Jones, a Republican, represents part of St. Louis County (District 88) in the Missouri House of Representatives. She was first elected in November of 2022.
