State Representative Jeff Farnan Named Committee Chairman for 103rd General Assembly

JEFFERSON CITY, Mo. – State Representative Jeff Farnan is proud to announce his newly appointed House committee assignment this legislative session, as designated by House Speaker Jonathan Patterson. Rep. Farnan will serve as Chairman of a key committee, Conservation and Natural Resources, for the Missouri House of Representatives' 103rd General Assembly.

"I am honored to serve the people of Missouri as Chairman of the Conservation and Natural Resources committee." Farnan, R-Stanberry, said. "I look forward to working with the members of this committee as we work to create policies to help Missourians save their hard-earned dollars while removing unnecessary regulations."

The committee on Conservation and Natural Resources may consider and report upon bills and matters referred to it relating to the functions and operations of the Department of Conservation and the Department of Natural Resources and all powers thereto conferred upon by the Missouri constitution and statutes.

"The work done in committees includes some of the most critical moments of the legislative process." Speaker Patterson, R-Lees Summit, said. "In committees, every Missourian has the opportunity to come and testify for, or against, legislation. House Committees are the first step in refining legislation to help make life safer, better, and more affordable for Missouri families, and we know Rep. Farnan will work to do just that."

Representative Jeff Farnan, a Republican, represents Atchison, Gentry, Holt, and Nodaway Counties (District 1) in the Missouri House of Representatives. He was first elected in November of 2022.
