JEFFERSON CITY, Mo. – State Representative Louis Riggs (R-Hannibal) has been appointed to the National Conference of State Legislatures Mississippi River Basin Legislative Working Group by Speaker of the House Jon Patterson.

“I am honored to be named to this working group by Speaker Patterson,” said Riggs. “The Mississippi River Basin is the lifeblood of our nation for commodities and other river traffic. The modernization of our locks and dams as well as expansion of ports and floodplain management are all major concerns for those of us who live along the Mississippi. I look forward to getting to work on these and many other important issues.”
