JEFFERSON CITY, Mo. – State Representative Louis Riggs (R-Hannibal) has been appointed to the Council of State Governments Economic Development and Transportation Committee by Speaker of the House Jon Patterson.

“I am honored to be named to this multi-state committee by Speaker Patterson,” said Riggs. “My nationally recognized work since 2016 on broadband internet and my background as a member and former Vice Chair of the House Economic Development Committee and a current member of the House Transportation Committee have equipped me to contribute to this committee. I look forward to learning about best practices on these vital issues from other states.”
