## **State Rep. John Martin Recognized as Business Champion**

*Missouri Chamber of Commerce and Industry's 2025 List*

**JEFFERSON CITY, MO** – State Representative John Martin proudly announces his selection for the Missouri Chamber of Commerce and Industry's prestigious 2025 Business Champions list.

This recognition honors lawmakers who have demonstrated a strong commitment to advancing pro-business policies during the 2025 legislative session that grow and strengthen Missouri's economy, support employers, and make the state a more competitive place to do business.

To qualify, legislators must achieve a score of 70% or higher based on an analysis of the Chamber's formula that evaluates critical votes and participation at educational events.

"I am deeply honored to be named a 2025 Business Champion by the Missouri Chamber of Commerce and Industry," said Martin, R-Columbia. "As a small business owner myself, I understand the challenges employers face, and I am committed to fighting for policies that reduce burdens on businesses, create jobs, and foster economic growth across the great state of Missouri. This recognition reinforces my dedication to making Missouri the best place to live, work, and raise a family."
