62 section constitutes both a violation of a state law and a violation of a county or municipal

64 offense arising out of the same occurrence could be construed to be a violation of subdivisions  
65 (8), (9) and (10) of subsection 1 of this section, no person shall be tried or convicted for more  
66 than one offense pursuant to subdivisions (8), (9) and (10) of subsection 1 of this section for  
67 offenses arising out of the same occurrence.

68 5. The director of revenue shall put into effect a system for staying the assessment of  
69 points against an operator. The system shall provide that the satisfactory completion of a  
70 driver-improvement program or, in the case of violations committed while operating a  
71 motorcycle, a motorcycle-rider training course approved by the director of the department of  
72 public safety, by an operator, when so ordered and verified by any court having jurisdiction over  
73 any law of this state or county or municipal ordinance, regulating motor vehicles, other than a  
74 violation committed in a commercial motor vehicle as defined in section 302.700, shall be  
75 accepted by the director in lieu of the assessment of points for a violation pursuant to subdivision  
76 (1), (2), or (4) of subsection 1 of this section or pursuant to subsection 3 of this section. For the  
77 purposes of this subsection, the driver-improvement program shall meet or exceed the standards  
78 of the National Safety Council's eight-hour "Defensive Driving Course" or, in the case of a  
79 violation which occurred during the operation of a motorcycle, the program shall meet the  
80 standards established by the director of the department of public safety pursuant to sections

81 302.133 to 302.138. The completion of a driver-improvement program or a motorcycle-rider  
82 training course shall not be accepted in lieu of points more than one time in any thirty-six-month

84 in lieu of the assessment of points. Every court having jurisdiction pursuant to the provisions  
85 of this subsection shall, within fifteen days after completion of the driver-improvement program

302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309,  
2 the director of revenue shall return the license to the operator immediately upon the termination  
3 of the period of suspension and upon compliance with the requirements of chapter 303, RSMo.

4 2. Any operator whose license is revoked pursuant to these sections, upon the  
5 termination of the period of revocation, shall apply for a new license in the manner prescribed  
6 by law.

7 3. (1) All circuit courts or the director of revenue shall have jurisdiction to hear  
8 applications and make eligibility determinations granting limited driving privileges. Any  
9 application may be made in writing to the director of revenue and the person's reasons for  
10 requesting the limited driving privilege shall be made therein.

11 (2) When any court of record having jurisdiction or the director of revenue finds that an  
12 operator is required to operate a motor vehicle in connection with any of the following:

- 13 (a) A business, occupation, or employment;  
14 (b) Seeking medical treatment for such operator;  
15 (c) Attending school or other institution of higher education;  
16 (d) Attending alcohol or drug treatment programs; or  
17 (e) Any other circumstance the court or director finds would create an undue hardship  
18 on the operator; the court or director may grant such limited driving privilege as the  
19 circumstances of the case justify if the court or director finds undue hardship would result to the  
20 individual, and while so operating a motor vehicle within the restrictions and limitations of the  
21 limited driving privilege the driver shall not be guilty of operating a motor vehicle without a  
22 valid license.

23 (3) An operator may make application to the proper court in the county in which such  
24 operator resides or in the county in which is located the operator's principal place of business or  
25 employment. Any application for a limited driving privilege made to a circuit court shall name  
26 the director as a party defendant and shall be served upon the director prior to the grant of any  
27 limited privilege, and shall be accompanied by a copy of the applicant's driving record as  
28 certified by the director. Any applicant for a limited driving privilege shall have on file with the

29 department of revenue proof of financial responsibility as required by chapter 303, RSMo. Any  
30 application by a person who transports persons or property as classified in section 302.015 may  
31 be accompanied by proof of financial responsibility as required by chapter 303, RSMo, but if  
32 proof of financial responsibility does not accompany the application, or if the applicant does not  
33 have on file with the department of revenue proof of financial responsibility, the court or the  
34 director has discretion to grant the limited driving privilege to the person solely for the purpose  
35 of operating a vehicle whose owner has complied with chapter 303, RSMo, for that vehicle, and  
36 the limited driving privilege must state such restriction. When operating such vehicle under such  
37 restriction the person shall carry proof that the owner has complied with chapter 303, RSMo, for  
38 that vehicle.

39 (4) The court order or the director's grant of the limited driving privilege shall indicate  
40 the termination date of the privilege, which shall be not later than the end of the period of  
41 suspension or revocation. A copy of any court order shall be sent by the clerk of the court to the  
42 director, and a copy shall be given to the driver which shall be carried by the driver whenever  
43 such driver operates a motor vehicle. The director of revenue upon granting a limited driving  
44 privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall  
45 carry a copy of the limited driving privilege while operating a motor vehicle. A conviction  
46 which results in the assessment of points pursuant to section 302.302, other than a violation of  
47 a municipal stop sign ordinance where no accident is involved, against a driver who is operating  
48 a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points  
49 are assessed to the person's driving record. If the date of arrest is prior to the issuance of the  
50 limited driving privilege, the privilege shall not be terminated. The director shall notify by  
51 ordinary mail the driver whose privilege is so terminated.

52 (5) Except as provided in subdivision (6) of this subsection, no person is eligible to  
53 receive a limited driving privilege who at the time of application for a limited driving privilege  
54 has previously been granted such a privilege within the immediately preceding five years, or  
55 whose license has been suspended or revoked for the following reasons:

56 (a) A conviction of violating the provisions of section 577.010 or 577.012, RSMo, or any  
57 similar provision of any federal or state law, or a municipal or county law where the judge in  
58 such case was an attorney and the defendant was represented by or waived the right to an  
59 attorney in writing, until the person has completed the first thirty days of a suspension or  
60 revocation imposed pursuant to this chapter;

61 (b) A conviction of any felony in the commission of which a motor vehicle was used;

62 (c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5),  
63 (6), (7), (8), (9), (10) [or], (11) **or** (12) of section 302.060;

64 (d) Because of operating a motor vehicle under the influence of narcotic drugs, a

65 controlled substance as defined in chapter 195, RSMo, or having left the scene of an accident as  
66 provided in section 577.060, RSMo;

67 (e) Due to a revocation for the first time for failure to submit to a chemical test pursuant  
68 to section 577.041, RSMo, or due to a refusal to submit to a chemical test in any other state, if  
69 such person has not completed the first ninety days of such revocation;

70 (f) Violation more than once of the provisions of section 577.041, RSMo, or a similar  
71 implied consent law of any other state;

72 (g) Disqualification of a commercial driver's license pursuant to sections 302.700 to  
73 302.780, however, nothing in this subsection shall prevent a person holding a commercial  
74 driver's license who is suspended or revoked as a result of an action occurring while not driving  
75 a commercial motor vehicle or driving for pay, but while driving in an individual capacity as an  
76 operator of a personal vehicle from applying for a limited driving privilege to operate a  
77 commercial vehicle, if otherwise eligible for such limited privilege; or

78 (h) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not  
79 completed the first thirty days of such suspension, provided the person is not otherwise ineligible  
80 for a limited driving privilege; or due to a revocation pursuant to subsection 2 of section 302.525  
81 if such person has not completed such revocation.

82 (6) (a) Provided that pursuant to the provisions of this section, the applicant is not  
83 otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the  
84 manner prescribed in this subsection, allow a person who has had such person's license to operate  
85 a motor vehicle revoked where that person cannot obtain a new license for a period of ten years,  
86 as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege  
87 pursuant to this subsection if such person has served at least three years of such disqualification  
88 or revocation. Such person shall present evidence satisfactory to the court or the director that  
89 such person has not been convicted of any offense related to alcohol, controlled substances or  
90 drugs during the preceding three years and that the person's habits and conduct show that the  
91 person no longer poses a threat to the public safety of this state.

92 (b) Provided that pursuant to the provisions of this section, the applicant is not otherwise  
93 ineligible for a limited driving privilege or convicted of involuntary manslaughter while  
94 operating a motor vehicle in an intoxicated condition, a circuit court or the director may, in the  
95 manner prescribed in this subsection, allow a person who has had such person's license to operate  
96 a motor vehicle revoked where that person cannot obtain a new license for a period of five years  
97 because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of  
98 section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person  
99 has served at least two years of such disqualification or revocation. Such person shall present  
100 evidence satisfactory to the court or the director that such person has not been convicted of any

101 offense related to alcohol, controlled substances or drugs during the preceding two years and that  
102 the person's habits and conduct show that the person no longer poses a threat to the public safety  
103 of this state. Any person who is denied a license permanently in this state because of an  
104 alcohol-related conviction subsequent to a restoration of such person's driving privileges  
105 pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege  
106 pursuant to the provisions of this subdivision.

107 4. Any person who has received notice of denial of a request of limited driving privilege  
108 by the director of revenue may make a request for a review of the director's determination in the  
109 circuit court of the county in which the person resides or the county in which is located the  
110 person's principal place of business or employment within thirty days of the date of mailing of  
111 the notice of denial. Such review shall be based upon the records of the department of revenue  
112 and other competent evidence and shall be limited to a review of whether the applicant was  
113 statutorily entitled to the limited driving privilege.

114 5. The director of revenue shall promulgate rules and regulations necessary to carry out  
115 the provisions of this section.

302.505. 1. The department shall suspend or revoke the license of any person upon its  
2 determination that the person was arrested upon probable cause to believe such person was  
3 driving a motor vehicle while the alcohol concentration in the person's blood, breath, or urine  
4 was [ten-hundredths] **eight-hundredths** of one percent or more by weight, based on the  
5 definition of alcohol concentration in section 302.500, or where such person was less than  
6 twenty-one years of age when stopped and was stopped upon probable cause to believe such  
7 person was driving while intoxicated in violation of section 577.010, RSMo, or driving with  
8 excessive blood alcohol content in violation of section 577.012, RSMo, or upon probable cause  
9 to believe such person violated a state, county or municipal traffic offense and such person was  
10 driving with a blood alcohol content of two-hundredths of one percent or more by weight.

11 2. The department shall make a determination of these facts on the basis of the report of  
12 a law enforcement officer required in section 302.510, and this determination shall be final  
13 unless a hearing is requested and held. If a hearing is held, the department shall review the  
14 matter and make a final determination on the basis of evidence received at the hearing.

15 3. The determination of these facts by the department is independent of the determination  
16 of the same or similar facts in the adjudication of any criminal charges arising out of the same  
17 occurrence. The disposition of those criminal charges shall not affect any suspension or  
18 revocation under this section.

302.510. 1. Except as provided in subsection 3 of this section, a law enforcement officer  
2 who arrests any person for a violation of any state statute related to driving while intoxicated or  
3 for a violation of a county or municipal ordinance prohibiting driving while intoxicated or a

4 county or municipal alcohol related traffic offense, and in which the alcohol concentration in the  
5 person's blood, breath, or urine was [ten-hundredths] **eight-hundredths** of one percent or more  
6 by weight or two-hundredths of one percent or more by weight for anyone less than twenty-one  
7 years of age, shall forward to the department a verified report of all information relevant to the  
8 enforcement action, including information which adequately identifies the arrested person, a  
9 statement of the officer's grounds for belief that the person violated any state statute related to  
10 driving while intoxicated or was less than twenty-one years of age and was driving with  
11 two-hundredths of one percent or more by weight of alcohol in the person's blood, or a county  
12 or municipal ordinance prohibiting driving while intoxicated or a county or municipal alcohol  
13 related traffic offense, a report of the results of any chemical tests which were conducted, and  
14 a copy of the citation and complaint filed with the court.

15         2. The report required by this section shall be made on forms supplied by the department  
16 or in a manner specified by regulations of the department.

17         3. A county or municipal ordinance prohibiting driving while intoxicated or a county or  
18 municipal alcohol related traffic offense may not be the basis for suspension or revocation of a  
19 driver's license pursuant to sections 302.500 to 302.540, unless the arresting law enforcement  
20 officer, other than an elected peace officer or official, has been certified by the director of the  
21 department of public safety pursuant to the provisions of sections 590.100 to 590.180, RSMo.

302.520. 1. Whenever the chemical test results are available to the law enforcement  
2 officer while the arrested person is still in custody, and where the results show an alcohol  
3 concentration of [ten-hundredths] **eight-hundredths** of one percent or more by weight of alcohol  
4 in such person's blood or where such person is less than twenty-one years of age and the results  
5 show that there is two-hundredths of one percent or more of alcohol in the person's blood, the  
6 officer, acting on behalf of the department, shall serve the notice of suspension or revocation  
7 personally on the arrested person.

8         2. When the law enforcement officer serves the notice of suspension or revocation, the  
9 officer shall take possession of any driver's license issued by this state which is held by the  
10 person. When the officer takes possession of a valid driver's license issued by this state, the  
11 officer, acting on behalf of the department, shall issue a temporary permit which is valid for  
12 fifteen days after its date of issuance and shall also give the person arrested a notice which shall  
13 inform the person of all rights and responsibilities pursuant to sections 302.500 to 302.540. The  
14 notice shall be in such form so that the arrested person may sign the original as evidence of  
15 receipt thereof. The notice shall also contain a detachable form permitting the arrested person  
16 to request a hearing. Signing the hearing request form and mailing such request to the  
17 department shall constitute a formal application for a hearing.

18         3. A copy of the completed notice of suspension or revocation form, a copy of any

19 completed temporary permit form, a copy of the notice of rights and responsibilities given to the  
20 arrested person, including any request for hearing, and any driver's license taken into possession  
21 pursuant to this section shall be forwarded to the department by the officer along with the report  
22 required in section 302.510.

23 4. The department shall provide forms for notice of suspension or revocation, for notice  
24 of rights and responsibilities, for request for a hearing and for temporary permits to law  
25 enforcement agencies.

302.541. 1. In addition to other fees required by law, any person who has had a license  
2 to operate a motor vehicle suspended or revoked following a determination, pursuant to section  
3 302.505, or section 577.010, 577.012, 577.041 or 577.510, RSMo, or any county or municipal  
4 ordinance, where the judge in such case was an attorney and the defendant was represented by  
5 or waived the right to an attorney, that such person was driving while intoxicated or with a blood  
6 alcohol content of [ten-hundredths] **eight-hundredths** of one percent or more by weight or,  
7 where such person was at the time of the arrest less than twenty-one years of age and was driving  
8 with a blood alcohol content of two-hundredths of one percent or more by weight, shall pay an  
9 additional fee of twenty-five dollars prior to the reinstatement or reissuance of the license.

10 2. Any person less than twenty-one years of age whose driving privilege has been  
11 suspended or revoked solely for a first determination pursuant to sections 302.500 to 302.540  
12 that such person was driving a motor vehicle with two-hundredths of one percent or more blood  
13 alcohol content is exempt from filing proof of financial responsibility with the department of  
14 revenue in accordance with chapter 303, RSMo, as a prerequisite for reinstatement of driving  
15 privileges or obtaining a restricted driving privilege as provided by section 302.525.

306.112. 1. A person commits the crime of operating a vessel with excessive blood  
2 alcohol content if [he] **such person** operates a vessel on the Mississippi River, Missouri River  
3 or the lakes of this state with [ten-hundredths] **eight-hundredths** of one percent or more by  
4 weight of alcohol in [his] **said person's** blood.

5 2. As used in this section, percent by weight of alcohol in the blood shall be based upon  
6 grams of alcohol per one hundred milliliters of blood and may be shown by chemical analysis  
7 of the person's blood, breath, or saliva.

8 3. Any person convicted of operating a vessel with excessive blood alcohol content is  
9 guilty of a class B misdemeanor upon conviction for the first violation, guilty of a class A  
10 misdemeanor upon conviction for the second violation, and guilty of a class D felony for  
11 conviction for the third and subsequent violations.

306.117. 1. Upon the trial of any person for violation of any of the provisions of section  
2 306.111 or 306.112 the amount of alcohol or drugs in the person's blood at the time of the act  
3 alleged as shown by any chemical analysis of the person's blood, breath, or saliva is admissible

4 in evidence and the provisions of subdivision (5) of section 491.060, RSMo, shall not prevent  
5 the admissibility or introduction of such evidence if otherwise admissible. Evidence of alcohol  
6 in a person's blood shall be given the following effect:

7 (1) If there was five-hundredths of one percent or less by weight of alcohol in [his] **the**  
8 **person's** blood, it shall be presumed that the person was not intoxicated at the time the specimen  
9 was obtained;

10 (2) If there was in excess of five-hundredths of one percent but less than  
11 [ten-hundredths] **eight-hundredths** of one percent by weight of alcohol in [his] **the person's**  
12 blood, the fact shall not give rise to any presumption that the person was or was not intoxicated,  
13 but the fact may be considered with other competent evidence in determining whether the person  
14 was intoxicated;

15 (3) If there was [ten-hundredths] **eight-hundredths** of one percent or more by weight  
16 of alcohol in the person's blood, this shall be prima facie evidence that the person was  
17 intoxicated at the time the specimen was taken.

18 2. Percent by weight of alcohol in the blood shall be based upon grams of alcohol per  
19 one hundred milliliters of blood.

20 3. A chemical analysis of a person's breath, blood, or saliva, in order to give rise to the  
21 presumption or to have the effect provided for in subsection 1 of this section, shall have been  
22 performed as provided in sections 306.111 to 306.119 and in accordance with methods and  
23 standards approved by the department of health.

24 4. The provisions of this section shall not be construed as limiting the introduction of  
25 any other competent evidence bearing upon the question whether the person was intoxicated or  
26 under the influence of a controlled substance, or drug, or a combination of either or both with  
27 or without alcohol.

577.012. 1. A person commits the crime of "driving with excessive blood alcohol  
2 content" if such person operates a motor vehicle in this state with [ten-hundredths] **eight-**  
3 **hundredths** of one percent or more by weight of alcohol in such person's blood.

4 2. As used in this section, percent by weight of alcohol in the blood shall be based upon  
5 grams of alcohol per one hundred milliliters of blood or two hundred ten liters of breath and may  
6 be shown by chemical analysis of the person's blood, breath, saliva or urine. For the purposes  
7 of determining the alcoholic content of a person's blood under this section, the test shall be  
8 conducted in accordance with the provisions of sections 577.020 to 577.041.

9 3. For the first offense, driving with excessive blood alcohol content is a class [C] **B**  
10 misdemeanor.

577.037. 1. Upon the trial of any person for violation of any of the provisions of section  
2 565.024, RSMo, or section 565.060, RSMo, or section 577.010 or 577.012, or upon the trial of

3 any criminal action or violations of county or municipal ordinances or in any license suspension  
4 or revocation proceeding pursuant to the provisions of chapter 302, RSMo, arising out of acts  
5 alleged to have been committed by any person while driving a motor vehicle while in an  
6 intoxicated condition, the amount of alcohol in the person's blood at the time of the act alleged  
7 as shown by any chemical analysis of the person's blood, breath, saliva or urine is admissible in  
8 evidence and the provisions of subdivision (5) of section 491.060, RSMo, shall not prevent the  
9 admissibility or introduction of such evidence if otherwise admissible. If there was  
10 [ten-hundredths] **eight-hundredths** of one percent or more by weight of alcohol in the person's  
11 blood, this shall be prima facie evidence that the person was intoxicated at the time the specimen  
12 was taken.

13 2. Percent by weight of alcohol in the blood shall be based upon grams of alcohol per  
14 one hundred milliliters of blood or grams of alcohol per two hundred ten liters of breath.

15 3. The foregoing provisions of this section shall not be construed as limiting the  
16 introduction of any other competent evidence bearing upon the question whether the person was  
17 intoxicated.

18 4. A chemical analysis of a person's breath, blood, saliva or urine, in order to give rise  
19 to the presumption or to have the effect provided for in subsection 1 of this section, shall have  
20 been performed as provided in sections 577.020 to 577.041 and in accordance with methods and  
21 standards approved by the state department of health.

22 5. Any charge alleging a violation of section 577.010 or 577.012 or any county or  
23 municipal ordinance prohibiting driving while intoxicated or driving under the influence of  
24 alcohol shall be dismissed with prejudice if a chemical analysis of the defendant's breath, blood,  
25 saliva, or urine performed in accordance with sections 577.020 to 577.041 and rules promulgated  
26 thereunder by the state department of health demonstrate that there was less than  
27 [ten-hundredths] **eight-hundredths** of one percent of alcohol in the defendant's blood unless one  
28 or more of the following considerations cause the court to find a dismissal unwarranted:

29 (1) There is evidence that the chemical analysis is unreliable as evidence of the  
30 defendant's intoxication at the time of the alleged violation due to the lapse of time between the  
31 alleged violation and the obtaining of the specimen;

32 (2) There is evidence that the defendant was under the influence of a controlled  
33 substance, or drug, or a combination of either or both with or without alcohol; or

34 (3) There is substantial evidence of intoxication from physical observations of witnesses  
35 or admissions of the defendant.
