

JOURNAL OF THE HOUSE

First Regular Session, 91st GENERAL ASSEMBLY

FORTY-SIXTH DAY, TUESDAY, MARCH 27, 2001

Speaker Kreider in the Chair.

Prayer by Father David Buescher.

Like scenery on the stage of life, God, You are the background to all we do. May we sense frequently Your invisible but powerful presence. Today will hold in its wake discussion, perhaps disagreement, interactions, strong feelings, thought, research, judgment, decision.

Help these representatives set aside personal reputation or gain, and focus on the greater good of us all. Channel their healthy ambition towards their constituents, and towards our whole state and our society. In You, through You, and with You, may our efforts begin, and find their way back to the lap of Your caring concern for us all. Amen.

The Pledge of Allegiance to the flag was recited.

"302.173. 1. Any applicant for a license, who does not possess a valid license issued pursuant to the laws of this state **or any other state** shall be examined as herein provided. Any person who has failed to renew such person's license on or before the date of its expiration or within six months thereafter must take the complete examination. Any active member of the armed forces, their adult dependents or any active member of the peace corps may apply for a renewal license without examination of any kind, unless otherwise required by sections 302.700 to 302.780, provided the renewal application shows that the previous license had not been suspended or revoked. Any person honorably discharged from the armed forces of the United States who held a valid license prior to being inducted may apply for a renewal license within sixty days after such person's honorable discharge without submitting to any examination of such person's ability to safely operate a motor vehicle over the highways of this state unless otherwise required by sections 302.700 to 302.780, other than the vision test provided in section 302.175, unless the facts set out in the renewal application or record of convictions on the expiring license, or the records of the director show that there is good cause to authorize the director to require the applicant to submit to the complete examination. No applicant for a renewal license shall be required to submit to any examination of his or her ability to safely operate a motor vehicle over the highways of this state unless otherwise required by sections 302.700 to 302.780 or regulations promulgated thereunder, other than a test of the applicant's ability to understand highway signs regulating, warning or directing traffic and the vision test provided in section 302.175, unless the facts set out in the renewal application or record of convictions on the expiring license, or the records of the director show that there is good cause to authorize the director to require the applicant to submit to the complete examination. The examination shall be made available in each county. Reasonable notice of the time and place of the examination shall be given the applicant by the person or officer designated to conduct it. The complete examination shall include a test of the applicant's natural or corrected vision as prescribed in section 302.175, the applicant's ability to understand highway signs regulating, warning or directing traffic, the applicant's practical knowledge of the traffic laws of this state, and an actual demonstration of ability to exercise due care in the operation of a motor vehicle of the classification for which the license is sought. When an applicant for a license has a valid license from a state which has requirements for issuance of a license comparable to the Missouri requirements, the director may waive the requirement of actual demonstration of ability to exercise due care in the operation of a motor vehicle. If the director has reasonable grounds to believe that an applicant is suffering from some known physical or mental ailment which ordinarily would interfere with the applicant's fitness to operate a motor vehicle safely upon the highways, the director may require that the examination include a physical or mental examination by a licensed physician of the applicant's choice, at the applicant's expense, to determine the fact. The director shall prescribe regulations to ensure uniformity in the examinations and in the grading thereof and shall prescribe and furnish all forms to the members of the highway patrol and to other persons authorized to conduct examinations as may be necessary to enable the officer or person to properly conduct the examination. The records of the examination shall be forwarded to the director who shall not issue any license hereunder if in the director's opinion the applicant is not qualified to operate a motor vehicle safely upon the highways of this state.

2. The director of revenue shall delegate the power to conduct the examinations required for a license or permit to any member of the highway patrol or any person employed by the highway patrol. The powers delegated to any examiner may be revoked at any time by the director of revenue upon notice.

3. Notwithstanding the requirements of subsections 1 and 2 of this section, the successful completion of a

motorcycle rider training course approved pursuant to sections 302.133 to 302.138 shall constitute an actual demonstration of the person's ability to exercise due care in the operation of a motorcycle or motortricycle, and no further driving test shall be required to obtain a motorcycle or motortricycle license or endorsement."; and

Further amend said title, enacting clause and intersectional references accordingly.

House Amendment No. 2

AMEND House Committee Substitute for House Bill No. 457, Page 11, Section 166.324, Line 4, by inserting after all of said line the following:

"313.805. The commission shall have full jurisdiction over and shall supervise all gambling operations governed by sections 313.800 to 313.850. The commission shall have the following powers and shall promulgate rules and regulations to implement sections 313.800 to 313.850:

- (1) To investigate applicants and determine the priority and eligibility of applicants for a license and to select among competing applicants for a license the applicant which best serves the interests of the citizens of Missouri;
- (2) To license the operators of excursion gambling boats and operators of gambling games within such boats,

to identify occupations within the excursion gambling boat operations which require licensing, and adopt standards for licensing the occupations including establishing fees for the occupational licenses and to license suppliers;

(3) To adopt standards under which all excursion gambling boat operations shall be held and standards for the facilities within which the gambling operations are to be held. Notwithstanding the provisions of chapter 311, RSMo, to the contrary, the commission may authorize the operation of gambling games on an excursion gambling boat which is also licensed to sell or serve alcoholic beverages, wine, or beer. The commission shall regulate the wagering structure for gambling excursions [including providing a maximum loss of five hundred dollars per individual player per gambling excursion];

(4) To enter the premises of excursion gambling boats, facilities, or other places of business of a licensee within this state to determine compliance with sections 313.800 to 313.850;

(5) To investigate alleged violations of sections 313.800 to 313.850 or the commission rules, orders, or final decisions;

(6) To assess any appropriate administrative penalty against a licensee, including, but not limited to, suspension, revocation, and penalties of an amount as determined by the commission up to three times the highest daily amount of gross receipts derived from wagering on the gambling games, whether unauthorized or authorized, conducted during the previous twelve months as well as confiscation and forfeiture of all gambling game equipment used in the conduct of unauthorized gambling games. Forfeitures pursuant to this section shall be enforced as provided in sections 513.600 to 513.645, RSMo;

(7) To require a licensee, an employee of a licensee or holder of an occupational license to remove a person violating a provision of sections 313.800 to 313.850 or the commission rules, orders, or final orders, or other person deemed to be undesirable from the excursion gambling boat or adjacent facilities;

(8) To require the removal from the premises of a licensee, an employee of a licensee, or a holder of an occupational license for a violation of sections 313.800 to 313.850 or a commission rule or engaging in a fraudulent practice;

(9) To require all licensees to file all financial reports required by rules and regulations of the commission;

(10) To issue subpoenas for the attendance of witnesses and subpoenas duces tecum for the production of books, records, and other pertinent documents, and to administer oaths and affirmations to the witnesses, when, in the judgment of the commission, it is necessary to enforce sections 313.800 to 313.850 or the commission rules;

(11) To keep accurate and complete records of its proceedings and to certify the records as may be appropriate;

(12) To ensure that the gambling games are conducted fairly. No gambling device shall be set to pay out less than eighty percent of all wagers;

(13) To require all licensees of gambling game operations to use a cashless wagering system whereby all players' money is converted to physical or electronic tokens, electronic cards, or chips which only can be used for wagering on the excursion gambling boat;

(14) To require excursion gambling boat licensees to develop a system, approved by the commission, that allows patrons the option to prohibit the excursion gambling boat licensee from using identifying information for marketing purposes. The provisions of this subdivision shall apply only to patrons giving identifying information for the first time. Such system shall be submitted to the commission by October 1, 2000, and approved by the commission by January 1, 2001. The excursion gambling boat licensee shall use identifying information obtained from patrons who have elected to have marketing blocked under the provisions of this section only for the purposes of enforcing the requirements contained in sections 313.800 to 313.850. This section shall not prohibit the commission from accessing identifying information for the purposes of enforcing section 313.004 and sections 313.800 to 313.850;

(15) To determine which of the authorized gambling games will be permitted on any licensed excursion gambling boat;

(16) Excursion gambling boats shall cruise, unless the commission finds that the best interest of Missouri and the safety of the public indicate the need for continuous docking of the excursion gambling boat in any city or county authorized pursuant to subsection 10 of section 313.812. The commission shall base its decision to allow continuously docked excursion gambling boats on any of the following criteria: the docking location or the excursion cruise could cause danger to the boat's passengers, violate federal law or the law of another state, or cause disruption of interstate commerce or possible interference with railway or barge transportation. In addition, the commission shall consider economic feasibility or impact that would benefit land-based development and permanent job creation. The commission shall not discriminate among applicants for continuous-docking excursion gambling that are similarly situated with respect to the criteria set forth in this section;

(17) The commission shall render a finding concerning the possibility of continuous docking, as described in

subdivision (15) of this section, within thirty days after a hearing on any request from an applicant or licensee. Such hearing may be held prior to any final action on licensing to assist an applicant and any city or county in the finalizing of their economic development plan;

(18) To require any applicant for a license or renewal of a license to operate an excursion gambling boat to provide an affirmative action plan which has as its goal the use of best efforts to achieve maximum employment of African-Americans and other minorities and maximum participation in the procurement of contractual purchases of goods and services. This provision shall be administered in accordance with all federal and state employment laws, including Title VII of the Civil Rights Act of 1964, as amended by the Civil Rights Act of 1991. At license renewal, the licensee will report on the effectiveness of the plan. Further amend Page 2 of said amendment, Section 313.805, Line 11, by deleting the closing bracket and adding immediately after the word "**excursion**" the following:

"for all excursions prior to January 1, 2002, provided that no limitation on loss shall be in effect on or after January 1, 2001, and provided that any increased state excursion gambling boat proceeds deposited in the gaming proceeds for education fund shall be transferred pursuant to section 160.534, RSMo"; and

Further amend said amendment, Page 6, Section 313.805, Line 13, by adding after all of said line the following:

"313.820. 1. An excursion boat licensee shall pay to the commission an admission fee of [two] **three** dollars for each person embarking on an excursion gambling boat with a ticket of admission. One dollar **and fifty cents** of such fee shall be deposited to the credit of the gaming commission fund as authorized pursuant to section 313.835, and one dollar **and fifty cents** of such fee shall not be considered state funds and shall be paid to the home dock city or county. Subject to appropriation, one cent of such fee deposited to the credit of the gaming commission fund may be deposited to the credit of the compulsive gamblers fund created pursuant to the provisions of section 313.842. Nothing in this section shall preclude any licensee from charging any amount deemed necessary for a ticket of admission to any person embarking on an excursion gambling boat. If tickets are issued which are good for more than one excursion, the admission fee shall be paid to the commission for each person using the ticket on each excursion that the ticket is used. If free passes or complimentary admission tickets are issued, the excursion boat licensee shall pay to the commission the same fee upon these passes or complimentary tickets as if they were sold at the regular and usual admission rate; however, the excursion boat licensee may issue fee-free passes to actual and necessary officials and employees of the licensee or other persons actually working on the excursion gambling boat. The issuance of fee-free passes is subject to the rules of the commission, and a list of all persons to whom the fee-free passes are issued shall be filed with the commission.

2. All licensees are subject to all income taxes, sales taxes, earnings taxes, use taxes, property taxes or any other tax or fee now or hereafter lawfully levied by any political subdivision; however, no other license tax, permit tax,

occupation tax, excursion fee, or taxes or fees shall be imposed, levied or assessed exclusively upon licensees by a political subdivision. All state taxes not connected directly to gambling games shall be collected by the department of revenue. Notwithstanding the provisions of section 32.057, RSMo, to the contrary, the department of revenue may furnish and the commission may receive tax information to determine if applicants or licensees are complying with the tax laws of this state; however, any tax information acquired by the commission shall not become public record and shall be used exclusively for commission business.

313.835. 1. All revenue received by the commission from license fees, penalties, administrative fees, reimbursement by any excursion gambling boat operators for services provided by the commission and admission fees authorized pursuant to the provisions of sections 313.800 to 313.850, except that portion of the admission fee, not to exceed one cent, that may be appropriated to the compulsive gamblers fund as provided in section 313.820, shall be deposited in the state treasury to the credit of the "Gaming Commission Fund" which is hereby created for the sole purpose of funding the administrative costs of the commission, subject to appropriation. Moneys deposited into this fund shall not be considered proceeds of gambling operations. Moneys deposited into the gaming commission fund shall be considered state funds pursuant to article IV, section 15 of the Missouri Constitution. All interest received on the gaming commission fund shall be credited to the gaming commission fund. In each fiscal year, total revenues to the gaming commission fund for the preceding fiscal year shall be compared to total expenditures and transfers from the gaming commission fund for the preceding fiscal year. The remaining net proceeds in the gaming commission fund shall be distributed in the following manner:

(1) The first five hundred thousand dollars shall be appropriated on a per capita basis to cities and counties that match the state portion and have demonstrated a need for funding community neighborhood organization programs for the homeless and to deter gang-related violence and crimes;

(2) The remaining net proceeds in the gaming commission fund for fiscal year 1998 and prior years shall be transferred to the "Veterans' Commission Capital Improvement Trust Fund", as hereby created in the state treasury. (b) The construction, maintenance, renovation, equipment needs and operation of veterans' cemeteries in this state;

(c) Fund transfers to Missouri veterans' homes fund established pursuant to the provisions of section 42.121, RSMo, as necessary to maintain solvency of the fund; and

(d) Fund transfers to any municipality with a population greater than four hundred thousand and located in part of a county with a population greater than six hundred thousand in this state which has established a fund for the sole purpose of the restoration, renovation and maintenance of a memorial or museum or both dedicated to World War I. Appropriations from the veterans' commission capital improvement trust fund to such memorial fund shall be provided only as a one-time match for other funds devoted to the project and shall not exceed five million dollars. Additional appropriations not to exceed ten million dollars total may be made from the veterans' commission capital improvement trust fund as a match to other funds for the new construction or renovation of other facilities dedicated as veterans' memorials in the state. All appropriations for renovation, new construction, reconstruction, and maintenance of veterans' memorials shall be made only for applications received by the Missouri veterans' commission prior to July 1, 2004.

Any interest which accrues to the fund shall remain in the fund and shall be used in the same manner as moneys which are transferred to the fund pursuant to this section. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the veterans' commission capital improvement trust fund at the end of any biennium shall not be transferred to the credit of the general revenue fund;

(3) The remaining net proceeds in the gaming commission fund for fiscal year 1999 and each fiscal year thereafter shall be distributed as follows:

(a) Three million dollars shall be transferred to the veterans' commission capital improvement trust fund;

(b) Three million dollars shall be transferred to the Missouri national guard trust fund created in section 41.214, RSMo;

All interest received on the fund shall be credited to the fund. Notwithstanding the provisions of section 33.080, RSMo, moneys in the fund at the end of any biennium shall not be transferred to the credit of the general revenue fund. Any moneys deposited in such fund shall be used to support programs that prepare children prior to the age in which they are eligible to enroll in kindergarten, pursuant to section 160.053, RSMo, to enter school ready to learn. All moneys deposited in the early childhood development, education and care fund shall be annually appropriated for voluntary, early childhood development, education and care programs serving children in every region of the state not yet enrolled in kindergarten;

(e) No less than sixty percent of moneys deposited in the early childhood development, education and care fund shall be appropriated as provided in this paragraph to the department of elementary and secondary education and to the department of social services to provide early childhood development, education and care programs through competitive grants to, or contracts with, governmental or private agencies. c. In awarding grants and contracts pursuant to this paragraph, the departments may give preference to programs which:

The study shall consist of an evaluation of children eligible for moneys pursuant to this paragraph, including an evaluation of the early childhood development, education and care of those children participating in such program and those not participating in the program over a four-year period. At the conclusion of the study, the department of elementary and secondary education and the department of social services shall, within ninety days of conclusion of the study, submit a report to the general assembly and the governor, with an analysis of the study required pursuant to this subparagraph, all data collected, findings, and other information relevant to early childhood development, education and care;

At a minimum, the certificate shall be of a value per child which is commensurate with the per child payment under item (ii) of subparagraph a. of paragraph (e) of this subdivision pertaining to the grants

or contracts. On February first of each year the department shall certify the total amount of child development, education and care certificates applied for and the unused balance of the funds shall be released to be used for supplementing the competitive grants and contracts program authorized pursuant to paragraph (e) of this subdivision;

(g) No less than ten percent of moneys deposited in the early childhood development, education and care fund shall be appropriated to the department of social services to increase reimbursements to child-care facilities for low-income children that are accredited by a recognized, early childhood accrediting organization;

(k) Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is promulgated under the authority delegated in paragraph (j) of this subdivision shall become effective only if the agency has fully complied with all of the requirements of chapter 536, RSMo, including but not limited to, section 536.028, RSMo, if applicable, after August 28, 1998. All rulemaking authority delegated prior to August 28, 1998, is of no force and effect and repealed as of August 28, 1998, however, nothing in this section shall be interpreted to repeal or affect the validity of any rule adopted or promulgated prior to August 28, 1998. (h) No less than ten percent of the funds deposited in the early childhood development, education and care fund shall be appropriated to the department of social services to provide assistance to eligible parents whose family income does not exceed one hundred eighty-five percent of the federal poverty level who wish to care for their children under three years of age in the home, to enable such parent to take advantage of early childhood development, education and care programs for such parent's child or children. At a minimum, the certificate shall be of a value per child which is commensurate with the per child payment under item (ii) of subparagraph a. of paragraph (e) of this subdivision pertaining to the grants or contracts. The department of social services shall provide assistance to these parents in the effective use of early childhood development, education and care tools and methods;

(i) In setting the value of parental certificates under paragraph (f) of this subdivision and payments under paragraph (h) of this subdivision, the department of social services may increase the value based on the following:

(k) Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is promulgated under the authority delegated in paragraph (j) of this subdivision shall become effective only if the agency has fully complied with all of the requirements of chapter 536, RSMo, including but not limited to, section 536.028, RSMo, if applicable, after August 28, 1998. All rulemaking authority delegated prior to August 28, 1998, is of no force and effect and repealed as of August 28, 1998, however, nothing in this section shall be interpreted to repeal or affect the validity of any rule adopted or promulgated prior to August 28, 1998. If the provisions of section 536.028, RSMo, apply, the provisions of this section are nonseverable and if any of the powers vested with the general assembly pursuant to section 536.028, RSMo, to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule are held unconstitutional or invalid, the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void, except that nothing in this act shall affect the validity of any rule adopted and promulgated prior to August 28, 1998;

(l) When the remaining net proceeds, as such term is used pursuant to paragraph (d) of this subdivision, in the gaming commission fund annually exceeds twenty-seven million dollars, one and one-half million dollars of such proceeds shall be transferred annually, subject to appropriation, to the Missouri college guarantee fund, established pursuant to the provisions of section 173.248, RSMo;

2. Upon request by the veterans' commission, the general assembly may appropriate moneys from the veterans' commission capital improvements trust fund to the Missouri national guard trust fund to support the activities described in section 41.958, RSMo."; and

COMMITTEE REPORT

Committee on Education-Elementary and Secondary, Chairman Franklin reporting:

Mr. Speaker: Your Committee on Education-Elementary and Secondary, to which was referred **HCR 10**, begs leave to report it has examined the same and recommends that it **Do Pass**.

House Concurrent Resolution No. 10

WHEREAS, the original passage of the federal Individuals with Disabilities Education Act (IDEA) in 1975 established a program of free appropriate public education to better enable students with disabilities to achieve their greatest potential; and

WHEREAS, IDEA also represented an advance in civil rights for disabled children through equal protection; and

WHEREAS, Missouri has demonstrated a strong commitment to serving our children with disabilities through provision of special education and related services to over 127,000 students (14.18 percent of public school enrollment); and

WHEREAS, the original intent of the 94th Congress was to fund IDEA at 40% of its cost, but funding has never exceeded 13%; and

WHEREAS, federal law requires school districts to meet federal standards, but Congress has not provided the promised funding necessary to achieve those standards; and

WHEREAS, Missouri and several other states have legal prohibitions on passing unfunded mandates to the local level and therefore must either make up the shortfall or ask local districts to do so and thereby risk litigation; and

WHEREAS, local districts must then cover the mandated expenses of special education and reduce funding for teachers, textbooks and supplies, building maintenance and repair, as well as meet the counterproductive reporting burden which severely reduces teacher availability;

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-first General Assembly, First Regular Session, the Senate concurring therein, hereby urge that before the 107th Congress considers any other education initiatives, that IDEA receive prompt and full funding, and the reporting requirements of IDEA be significantly reduced; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the President of the United States Senate, the Speaker of the United States House of Representatives and every member of the Missouri Congressional delegation.
