

# JOURNAL OF THE HOUSE

First Regular Session, 91st GENERAL ASSEMBLY

FIFTY-FIRST DAY, WEDNESDAY, APRIL 4, 2001

Speaker Kreider in the Chair.

Prayer by Reverend Rudy Beard.

Gracious God: When we are perplexed, but must do something, help us not only to ask “Will it work?”, but also to ask “Is it right?”. Bless these men and women of the House, and those who support them. Protect them from asking the wrong questions as they govern our state. Keep them supportive of life and sensitive to the most needy among us.

May they know that You are near and if they will listen they will find Your gracious guidance. Help us to wait upon You; and to You be glory and honor. Amen.

The Pledge of Allegiance to the flag was recited.

### MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SS SJR 9**, entitled:

Submitting to the qualified voters of Missouri, an amendment repealing sections 31, 32(a) and 32(b) of article VI of the Constitution of Missouri relating to the city of St. Louis, and adopting four new sections in lieu thereof relating to the same subject.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 23**, entitled:

SENATE CONCURRENT RESOLUTION NO. 23

WHEREAS, the current crisis in the domestic steel industry which began in 1997 has led fourteen steel companies to file for bankruptcy, and now led to the bankruptcy of GS Industries and the announced closure of GST Steel in Kansas City which will cause job losses at GST and for vendors around the state resulting in hardship in those communities across the state of Missouri; and

WHEREAS, this crisis has been generated by surges in United States imports of steel, both from countries whose currencies have depreciated and from steel producing countries that are no longer able to export steel to the countries in economic crisis; and

WHEREAS, foreign government trade restrictions and private restraints of trade distort international trade and investment patterns and result in burdens on United States commerce, including absorption of a disproportionate share of diverted steel trade, which ultimately have a detrimental effect on this state's economy; and

WHEREAS, there is a well-recognized need for improvements in the enforcement of United States trade laws to provide an effective response to these situations:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-First General Assembly, First Regular Session, the House of Representatives concurring therein, hereby requests the President of the United States to commence immediate action to determine the entry into the customs territory of the United States of all steel products that are the product of or manufactured in Australia, China, South Africa, Ukraine, Kazakhstan, Indonesia, India, Japan, Russia, South Korea, Mexico or Brazil to determine whether the governments of those countries are abiding by the spirit and letter of international trade agreements with respect to imports of steel products into the United States, and take all actions necessary to enforce applicable trade agreements and laws of the United States pertaining to steel imports; and

BE IT FURTHER RESOLVED that the Missouri General Assembly requests the President of the United States to immediately impose a one-year ban on imports of all steel products of or are manufactured in Australia, China, South Africa, Ukraine, Kazakhstan, Indonesia, India, Japan, Russia, South Korea, Mexico or Brazil if the President finds that the governments of those countries are not abiding by the spirit and letter of international trade agreements with respect to imports of steel products into the United States; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President of the United States and the members of the Missouri Congressional delegation.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 27**, entitled:

SENATE CONCURRENT RESOLUTION NO. 27

WHEREAS, it is in the best interest of the State of Missouri, as an employer, to recruit and retain a high performance workforce; and

WHEREAS, the State of Missouri has established a benefits policy that encourages employees to continue in state employment with a career goal of 30 years of state service; and

WHEREAS, the State of Missouri has adopted specific benefit incentives associated with achieving this objective, which include:

- a) Creating a comprehensive benefits package that is externally competitive with the marketplace, and that is

internally equitable;

- b) Implementing a benefits package that provides employees with options for meeting their individual and family needs, and yet assures that basic levels of health care coverage will be maintained;
- c) Ensuring equitable employer contributions for health care coverage for all state employees, retirees and dependents that assures high quality care in a cost-effective manner; and
- d) Allowing career state employees to maintain a reasonable standard of living at retirement; and

WHEREAS, achieving benefit equity and adequacy in the retiree health care area necessitates a subsidy which is dependent upon the length of state service rendered by former employees; and

WHEREAS, such state subsidy for retiree medical coverage would ensure that quality health care services are available to both the highest and lowest paid former employees:

NOW THEREFORE BE IT RESOLVED by the Missouri Senate, the House of Representatives concurring therein, that the State of Missouri hereby wishes to reward employees who make a career of state service through equitable retiree health care subsidies; and

BE IT FURTHER RESOLVED that, within the constraints of the available appropriations, the state contribution for medical coverage for retirees should be based upon a formula that has a direct relationship between the amount of the state subsidy and each retiree's length of service with the state, provided that any subsidy for retiree dependent coverage should be based upon a similar formula, but should not exceed the average state subsidy provided for dependents of active employees; and

BE IT FURTHER RESOLVED that former state employees who retired prior to the effective date of this policy may receive a state subsidy, depending on Medicare eligibility and available appropriations, of no less than the dollar amount subsidy resulting from the amount appropriated to the plan for calendar year 2001; and

BE IT FURTHER RESOLVED that it is recommended that the health care coverage for state retirees be based upon a service-based subsidy rate formula subject to available appropriations and is consistent with the goals that are established in the state's retirement plans.
