

JOURNAL OF THE HOUSE

First Regular Session, 91st GENERAL ASSEMBLY

FIFTY-EIGHTH DAY, WEDNESDAY, APRIL 18, 2001

Speaker Kreider in the Chair.

Prayer by Reverend Rudy Beard.

Gracious God: the sky is a rich blue. The grass is a deep green. The Spring air is fresh. These halls are alive with Missouri's children. Thank you. Bless the men and women of the House on this new day.

Help them to make good decisions. Protect them from narrow self-interest. Keep before them the absolutes of life, honesty, justice and obedience to what You require. To You be glory and honor. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Tina Bittner, Carolina Herrera, Clementine Seguin, Ulrike Geisemeyer, Macarena Martinez, Marc Kuster, Marco Dominici, Barbara Castellanos, Alex Bieg, Lisa Corsale, Laura Illinger, Jon McKenna, Ryan Armstrong, Jerrian Johnson, Wayne Sisk, Nash Stephens, Cassandra Wright, Derek Thomas Schloemann, Kathryn L. "547.035. 1. **A person in the custody of the department of corrections claiming that forensic DNA testing will demonstrate the person's innocence of the crime for which the person is in custody may file a post-conviction motion in the sentencing court seeking such testing. The procedure to be followed for such motions is governed by the rules of civil procedure insofar as applicable.**

2. **The motion must allege facts under oath demonstrating that:**
 - (1) **There is evidence upon which DNA testing can be conducted; and**
 - (2) **The evidence was secured in relation to the crime; and**
 - (3) **The evidence was not previously tested by the movant because:**
 - (a) **The technology for the testing was not reasonably available to the movant at the time of the trial;**
 - (b) **Neither the movant nor his or her trial counsel was aware of the existence of the evidence at the time of trial; or**
 - (c) **The evidence was otherwise unavailable to both the movant and movant's trial counsel at the time of trial; and**

5. Upon the issuance of the order to show cause, the clerk shall notify the court reporter to prepare and file the transcript of the trial or the movant's guilty plea and sentencing hearing if the transcript has not been prepared or filed.

6. If the court finds that the motion and the files and records of the case conclusively show that the movant is not entitled to relief, a hearing shall not be held. If a hearing is ordered, counsel shall be appointed to represent the movant if the movant is indigent. The hearing shall be on the record. Movant need not be present at the hearing. The court may order that testimony of the movant shall be received by deposition. The movant shall have the burden of proving the allegations of the motion by a preponderance of the evidence.

7. The court shall order appropriate testing if the court finds:

- (1) A reasonable probability exists that the movant would not have been convicted if exculpatory results had been obtained through the requested DNA testing; and
- (2) That movant is entitled to relief.

Such testing shall be conducted by a facility mutually agreed upon by the movant and by the state and approved by the court. If the parties are unable to agree, the court shall designate the testing facility. The court shall impose reasonable conditions on the testing to protect the state's interests in the integrity of the evidence and the testing process.

Representative Gratz offered House Amendment No. 2.

House Amendment No. 2

AMEND House Substitute for House Committee Substitute for House Bill Nos. 280, 69, 497 & 689, Page 73, Section 321.247, by inserting after all of said section the following:

“321.300. 1. The boundaries of any district organized pursuant to the provisions of this chapter may be changed in the manner prescribed in this section; but any change of boundaries of the district shall not impair or affect its organization or its rights in or to property, or any of its rights or privileges whatsoever; nor shall it affect or impair or discharge any contract, obligation, lien or charge for or upon which it might be liable or chargeable had any change of boundaries not been made.

2. The boundaries may be changed as follows:

(1) Twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed may file with the board a petition in writing praying that such real property be included within the district; provided that in the case of a municipality having less than twenty percent of its total population in one fire protection district, the entire remaining portion may be included in another district so that none of the city is outside of a fire protection district at the time. The petition shall describe the property to be included in the district and shall describe the property owned by the petitioners and shall be deemed to give assent of the petitioners to the inclusion in the district of the property described in the petition; and such petition shall be in substantially the form set forth in section 321.495 dealing with referendums and verified in like manner; provided, however, that in the event that there are more than twenty-five property owners or taxpaying electors signing the petition, it shall be deemed sufficient description of their property in the petition as required in this section to list the addresses of such property; or

(2) All of the owners of any territory or tract of land near or adjacent to a fire protection district who own all of the real estate in such territory or tract of land may file a petition with the board praying that such real property be included in the district. The petition shall describe the property owned by the petitioners and shall be deemed to give assent of the petitioners to the inclusion in the district of the property described in the petition;

(3) Notwithstanding any provision of law to the contrary, in any fire protection district which is partly or wholly located in a noncharter county of the first classification with a population of less than one hundred thousand which adjoins any county of the first classification with a charter form of government with a population of nine hundred thousand or more inhabitants, if such fire protection district serves any portion of a city which is located in both such counties, the boundaries of the district may be expanded so as to include the entire city within the fire protection district, but the boundaries of the district shall not be expanded beyond the city limits of such city, as the boundaries of such city existed on January 1, 1993. Such change in the boundaries of the district shall be accomplished only if twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed file with the board a petition in writing praying that such real property be included within the district. The petition shall describe the property to be included in the district and shall describe the property owned by the petitioners and shall be deemed to give assent of the petitioners to the inclusion in the district of the property described in the petition; and such petition shall be in substantially the form set forth in section 321.495 dealing with referendums and verified in like manner.

3. The secretary of the board shall cause notice of the filing of any petition filed pursuant to this section to be given and published in the county in which the property is located, which notice shall recite the filing of such petition, the number of petitioners, a general description of the boundaries of the area proposed to be included and the prayer of the petitioners; giving notice to all persons interested to appear at the office of the board at the time named in the notice and show cause in writing, if any they have, why the petition should not be granted. The board shall at the time and place mentioned, or at such time or times to which the hearing may be adjourned, proceed to hear the petition and all objections thereto presented in writing by any person showing cause why the petition should not be granted. The failure of any person interested to show cause in writing why such petition shall not be granted shall be deemed as an assent on his part to the inclusion of such lands in the district as prayed for in the petition.

4. If the board deems it for the best interest of the district, it shall grant the petition, but if the board determines that some portion of the property mentioned in the petition cannot as a practical matter be served by the district, or if it deems it for the best interest of the district that some portion of the property in the petition not be included in the district, then the board shall grant the petition in part only. If the petition is granted, the board shall make an order to that effect and file the same with the circuit clerk; and upon the order of the court having jurisdiction over the district, the property shall be included in the district. If the petition contains the signatures of all the owners of the property

pursuant to the provisions of subdivision (2) of subsection 2 of this section, the property shall be included in the district upon the order of the court. If the petition contains the signatures of twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed pursuant to subdivision (1) or subdivision (3) of subsection 2 of this section, the property shall be included in the district subject to the election provided in section 321.301. The circuit court having jurisdiction over the district shall proceed to make any such order including such additional property within the district as is provided in the order of the board, unless the court shall find that such order of the board was not authorized by law or that such order of the board was not supported by competent and substantial evidence.

5. Any city annexing an area protected by an existing fire district shall reimburse such district for any outstanding obligations and equipment which was attributable to or was used for providing fire protection service in such area annexed.

[5.] 6. Any person aggrieved by any decision of the board made pursuant to the provisions of this section may appeal that decision to the circuit court of the county in which the property is located within thirty days of the decision by the board.

[6.] 7. No fire protection district, or employee thereof, in which territory is annexed pursuant to this section shall be required to comply with any prescribed firefighter training program or regimen which would not otherwise apply to the district or its employees, but for the requirements applicable to the annexed territory."; and

Further amend said title, enacting clause and intersectional references accordingly.

On motion of Representative Gratz, **House Amendment No. 2** was adopted.

Representative Froelker offered **House Amendment No. 3**.

"190.050. 1. After the ambulance district has been declared organized, the declaring county commission, except in counties of the second class having more than one hundred five thousand inhabitants located adjacent to a county of the first class having a charter form of government which has a population of over nine hundred thousand inhabitants, shall divide the district into six election districts as equal in population as possible, and shall by lot number the districts from one to six inclusive. The county commission shall cause an election to be held in the ambulance district within ninety days after the order establishing the ambulance district to elect ambulance district directors. Each voter shall vote for one director from the ambulance election district in which the voter resides. The directors elected from districts one and four shall serve for a term of one year, the directors elected from districts two and five shall serve for a term of two years, and the directors from districts three and six shall serve for a term of three years; thereafter, the terms of all directors shall be three years. All directors shall serve the term to which they were elected or appointed, and until their successors are elected and qualified, except in cases of resignation or disqualification. The county commission shall reapportion the ambulance districts within sixty days after the population of the county is reported to the governor for each decennial census of the United States. Notwithstanding any other provision of law, if the number of candidates for the office of director is no greater than the number of directors to be elected, no election shall be held, and the candidates shall assume the responsibilities of their offices at the same time and in the same manner as if they have been elected.

2. In all counties of the second class having more than one hundred five thousand inhabitants located adjacent to a county of the first class having a charter form of government which has a population of over nine hundred thousand inhabitants, the voters shall vote for six directors elected at large from within the district for a term of three years. Those directors holding office in any district in such a county on August 13, 1976, shall continue to hold office until the expiration of their terms, and their successors shall be elected from the district at large for a term of three years. In any district formed in such counties after August 13, 1976, the governing body of the county shall cause an election to be held in that district within ninety days after the order establishing the ambulance district to elect ambulance district directors. Each voter shall vote for six directors. The two candidates receiving the highest number of votes at such

election shall be elected for a term of three years, the two candidates receiving the third and fourth highest number of votes shall be elected for a term of two years, the two candidates receiving the fifth and sixth highest number of votes shall be elected for a term of one year; thereafter, the term of all directors shall be three years.

3. A candidate for director of the ambulance district shall, at the time of filing, be a citizen of the United States, a qualified voter of the election district as provided in subsection 1 of this section, a resident of the [state for one year] **district for two years** next preceding the election, and shall be at least [twenty-one] **twenty-four** years of age. In an established district which is located within the jurisdiction of more than one election authority, the candidate shall file his **or her** declaration of candidacy with the secretary of the board. In all other districts, a candidate shall file [his] **a** declaration of candidacy with the county clerk of the county in which he **or she** resides. A candidate shall file a statement under oath that he **or she** possesses the required qualifications. No candidate's name shall be printed on any official ballot unless the candidate has filed a written declaration of candidacy pursuant to subsection 5 of section 115.127, RSMo. If the time between the county commission's call for a special election and the date of the election is not sufficient to allow compliance with subsection 5 of section 115.127, RSMo, the county commission shall, at the time it calls the special election, set the closing date for filing declarations of candidacy."; and

Further amend said bill, Page 10, Section 190.054, Line 3, by inserting after all of said line the following:

"190.072. 1. Any two or more contiguous ambulance districts may, by a majority vote of the governing body of each district or by a petition signed by at least seventy-five percent of the owners of real property in the affected area, provide for territory located in one district to be annexed and served by a contiguous district. Notice of the proposed annexation shall be filed with the circuit court in the county in which the affected area is located, or in the circuit court of the county in which the greater physical portion of the affected area is located in the event that such area is located in more than one county. The court shall set a date for a hearing on the proposed annexation and shall cause notice to be published in the same manner as section 190.020.

2. If the court, after the hearing, finds that the proposed annexation would not be in the public interest, it shall order that the annexation not be allowed. If the court finds the proposed annexation to be in the public interest, it shall approve the annexation and the territory shall be detached from one or more districts and annexed to the other district or districts. The court shall not approve any boundary changes pursuant to this section until all districts involved in such change have provided for, and agreed upon, a plan of compensation for, or assumption of, the outstanding debt attributable to the affected area to be annexed.

3. After the annexation is approved, each district shall amend its decree of incorporation to reflect the change in its boundaries as a result of the annexation, and the governing body of the county shall, prior to any subsequent election for ambulance district board members, redivide any election districts established pursuant to section 190.050. A certified copy of the amended decree showing the boundary change and the new subdistricts shall be filed in the office of the recorder of deeds, in the office of the county clerk in each county having territory in the district and in the office of the secretary of state.

4. The costs incurred in the enlargement or extension of the district shall be taxed to the district being enlarged or extended, unless otherwise provided by the districts in an agreement approved by the circuit court; provided that, no costs shall be taxed to the directors of the district."; and

Further amend said bill, Page 68, Section 320.098, Line 20, by inserting after all of said line the following:

[(5)] (7) "Renewable fuel production facility", a facility producing an energy source which is derived from a

renewable, domestically grown, organic compound capable of powering machinery, including an engine or power plant, and any by-product derived from such energy source;

(8) "Small capital project", an eligible new generation cooperative with capital costs of no more than one million dollars.

3. Beginning tax year [1999] **2001**, and subsequent tax years, any member who invests cash funds in an eligible new generation cooperative **and who owns land in Missouri which produces a commodity in an amount to cover his or her obligation to deliver such commodity to the eligible new generation cooperative in which the member is investing, or who, beginning July 1, 2001, is domiciled in the state of Missouri** may receive a credit against the tax otherwise due pursuant to chapter 143, RSMo, other than taxes withheld pursuant to sections 143.191 to 143.265, RSMo, or chapter 148, RSMo, chapter 147, RSMo, in an amount equal to the lesser of fifty percent of such member's investment or fifteen thousand dollars.

4. A member shall submit to the authority an application for the tax credit authorized by this section on a form provided by the authority. If the member meets all criteria prescribed by this section and is approved by the authority, the authority shall issue a tax credit certificate in the appropriate amount. Tax credits issued pursuant to this section shall initially be claimed for the taxable year in which the member contributes capital to an eligible new generation cooperative. Any amount of credit that exceeds the tax due for a member's taxable year may be carried back to any of the member's three prior taxable years and carried forward to any of the member's five subsequent taxable years. Tax credits issued pursuant to this section may be assigned, transferred or sold. Whenever a certificate of tax credit is assigned, transferred, sold or otherwise conveyed, a notarized endorsement shall be filed with the authority specifying the name and address of the new owner of the tax credit or the value of the credit.

5. [At least] Ten percent of the tax credits authorized pursuant to this section **initially** shall be offered in any fiscal year to **small capital** projects [with capital costs of no more than one million dollars]. If [the amount of tax credits allowed pursuant to this section exceeds the amount needed for such smaller projects, the remaining] **any portion of the ten percent of tax credits offered to small capital costs projects is unused in any calendar year, then the unused portion of tax credits may be offered [for projects with capital costs in excess of one million dollars] to employee qualified capital projects and large capital projects. If the authority receives more applications for tax credits for small capital projects than tax credits are authorized therefor, then the authority, by rule, shall determine the method of distribution of tax credits authorized for small capital projects.**

6. [If members of a project would be eligible for tax credits in excess of one million five hundred thousand dollars, tax credits authorized pursuant to this section shall be prorated between the members on a percent of investment basis, not to exceed the maximum allowed per member.] **Ninety percent of the tax credits authorized pursuant to this section initially shall be offered in any fiscal year to employee qualified capital projects and large capital projects. If any portion of the ninety percent of tax credits offered to employee qualified capital projects and large capital costs projects is unused in any fiscal year, then the unused portion of tax credits may be offered to small capital projects. The maximum tax credit allowed per employee qualified capital project is three million dollars and the maximum tax credit allowed per large capital project is one million five hundred thousand dollars. If authority approves the maximum tax credit allowed for any employee qualified capital project or any large capital project, then the authority, by rule, shall determine the method of distribution of such maximum tax credit. In addition, if the authority receives more tax credit applications for employee qualified capital projects and large capital projects than the amount of tax credits authorized therefor, then the authority, by rule, shall determine the method of distribution of tax credits authorized for employee qualified capital projects and large capital projects.**

Section B. Because immediate action is necessary to promote investment in agricultural cooperatives, section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and section A of this act shall be in full force and effect upon its passage and approval."; and

Further amend said title, enacting clause and intersectional references accordingly.
