

# JOURNAL OF THE HOUSE

First Regular Session, 91st GENERAL ASSEMBLY

---

SEVENTY-THIRD DAY, MONDAY, MAY 14, 2001

Speaker Pro Tem Abel in the Chair.

Prayer by Father David Buescher.

The crunch is upon us, O God. As this final week of our session begins, Lord, flex not only our political muscles, but also our spiritual strength. We accept the challenges these five days will bring.

Let this august body roll up their spiritual sleeves, remember the values and goals we stand for, and dig in. Inspire each of these representatives with an array of Your virtues. Let Your Spirit stand under all that is accomplished this week. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Brandon Hoberecht, Josh Whitaker and Samantha Lyons.

The Journal of the seventy-second day was approved as corrected.

The forms shall include the lobbyist's name and business address, the name and address of all persons such lobbyist employs for lobbying purposes, the name and address of each lobbyist principal by whom such lobbyist is employed or in whose interest such lobbyist appears or works. The commission shall maintain files on all lobbyists' filings, which shall be open to the public. Each lobbyist shall file an updating statement under oath within one week of any addition, deletion, or change in the lobbyist's employment or representation. The filing fee shall be deposited to the general revenue fund of the state. The lobbyist principal or a lobbyist employing another person for lobbying purposes may notify the commission that a judicial, executive or legislative lobbyist is no longer authorized to lobby for the principal or the lobbyist and should be removed from the commission's files.

2. Each person shall, before giving testimony before any committee of the general assembly, give to the secretary of such committee such person's name and address and the identity of any lobbyist or organization, if any, on whose behalf such person appears. A person who is not a lobbyist as defined in section 105.470 shall not be required to give such person's address if the committee determines that the giving of such address would endanger the person's physical health.

3. (1) During any period of time in which a lobbyist continues to act as an executive lobbyist, judicial lobbyist or a legislative lobbyist, the lobbyist shall file with the commission on standardized forms prescribed by the commission monthly reports which shall be due at the close of business on the tenth day of the following month;

(2) Each report filed pursuant to this subsection shall include a statement, verified by a written declaration that it is made under the penalties of perjury, setting forth the following:

(b) An itemized listing of the name of the recipient and the nature and amount of each expenditure by the lobbyist or his or her lobbyist principal, including a service or anything of value, for all expenditures made during any reporting period, paid or provided to or for a public official, such official's staff, employees, spouse or dependent children;

(c) The total of all expenditures made by a lobbyist or lobbyist principal for occasions and the identity of the group invited, the date and description of the occasion and the amount of the expenditure for each occasion when any of the following are invited in writing:

b. All members of the house of representatives;

c. All members of a joint committee of the general assembly or a standing committee of either the house of representatives or senate; or

(e) A statement detailing any direct business relationship or association or partnership the lobbyist has with any public official.

The reports required by this subdivision shall cover the time periods since the filing of the last report or since the lobbyist's employment or representation began, whichever is most recent.

4. No expenditure reported pursuant to this section shall include any amount expended by a lobbyist or lobbyist principal on himself or herself. **No expenditure reported pursuant to this section shall include any payment, gift, compensation, fee expenditure or anything of value which is bestowed upon or given to any public official or a staff member, employee, spouse or dependent child of a public official when it is compensation for employment or given as an employment benefit and when such employment is in addition to their employment as a public official.** All expenditures disclosed pursuant to this section shall be valued on the report at the actual amount of the payment made, or the charge, expense, cost, or obligation, debt or bill incurred by the lobbyist or the person the lobbyist represents. Whenever a lobbyist principal employs more than one lobbyist, expenditures of the lobbyist principal shall not be reported by each lobbyist, but shall be reported by one of such lobbyists.

5. Any lobbyist principal shall provide in a timely fashion whatever information is reasonably requested by the lobbyist principal's lobbyist for use in filing the reports required by this section.

6. All information required to be filed pursuant to the provisions of this section with the commission shall be kept available by the executive director of the commission at all times open to the public for inspection and copying for a reasonable fee for a period of five years from the date when such information was filed.

10. Any public official or other person whose name appears in any lobbyist report filed pursuant to this section who contests the accuracy of the portion of the report applicable to such person may petition the commission for an audit of such report and shall state in writing in such petition the specific disagreement with the contents of such report. The commission shall investigate such allegations in the manner described in section 105.959. If the commission determines that the contents of such report are incorrect, incomplete or erroneous, it shall enter an order requiring filing of an amended or corrected report.

11. The commission shall provide a report listing the total spent by a lobbyist for the month and year to any member or member-elect of the general assembly, judge or judicial officer, or any other person holding an elective office of state government on or before the twentieth day of each month. For the purpose of providing accurate information to the public, the commission shall not publish information in either written or electronic form for ten working days after providing the report pursuant to this subsection. The commission shall not release any portion of the lobbyist report if the accuracy of the report has been questioned pursuant to subsection 10 of this section unless it is conspicuously marked "Under Review".

12. Each lobbyist or lobbyist principal by whom the lobbyist was employed, or in whose behalf the lobbyist acted, shall provide a general description of the proposed legislation or action by the executive branch or judicial branch which the lobbyist or lobbyist principal supported or opposed. This information shall be supplied to the commission on March fifteenth and May thirtieth of each year.

105.475. [1. The provisions of sections 105.470 to 105.473 shall not apply to any public official or a staff member, employee, spouse or dependent child of a public official when employed by a lobbyist principal and who is acting on behalf of the lobbyist principal in their employment, except if such person's employment is as a lobbyist for the lobbyist principal.

2.] The provisions of sections 105.470 to 105.473 shall not apply to any member of a union who is acting in either an employment capacity or contractual capacity in association with the union, except if such person's employment or contractual capacity is as a lobbyist for the union.

105.477. 1. The commission shall supply a computer program which shall be used for filing by modem or by a common magnetic media chosen by the commission. The computer program shall be able to run on DOS, Windows or Macintosh based personal computers [or run on any other common personal computer operating environment which may become available in the future].

2. The commission shall have the appropriate software and hardware in place by January 1, 1998, for acceptance of reports electronically. The commission shall make this information available via an Internet Web site connection by no later than January 1, 1999.

3. All lobbyists shall file expenditure reports required by the commission electronically either through modem or common magnetic media. In addition, lobbyists shall file a signed form prescribed by the commission which verifies the information filed electronically within five working days; except that, [if] **when** a means becomes available which will allow a verifiable electronic signature, the commission may accept this in lieu of a [written statement] **signed form**.

4. All records that are in electronic format, not otherwise closed by law, shall be available in electronic format to the public. The commission shall maintain and provide for public inspection, a listing of all reports, with a complete description for each field contained on the report, that has been used to extract information from their database files. The commission shall develop a report or reports which contain every field in each database.

5. Annually, the commission shall provide[, without cost, a system-wide dump of] **to the general assembly at no cost a complete copy of** information contained in the commission's electronic **reporting** database files [to the general assembly]. The information [is to] **shall** be copied onto a medium specified by the general assembly. Such information shall not contain records otherwise closed by law. It is the intent of the general assembly to provide open access to the commission's records. The commission shall make every reasonable effort to comply with requests for information and shall take a liberal interpretation when considering such requests. Priority shall be given to public requests for reports identifying lobbyist or lobbyist principal expenditures per individual legislator.

105.961. 1. Upon receipt of a complaint as described by section 105.957, the commission shall assign the complaint to a special investigator, who may be a commission employee, who shall investigate and determine the merits

of the complaint. Within ten days of such assignment, the special investigator shall review such complaint and disclose, in writing, to the commission any conflict of interest which the special investigator has or might have with respect to the investigation and subject thereof. Within one hundred twenty days of receipt of the complaint from the commission, the special investigator shall submit the special investigator's report to the commission. The commission, after review of such report, shall determine:

- (1) That there is reasonable grounds for belief that a violation has occurred; or
- (2) That there are no reasonable grounds for belief that a violation exists and the complaint should be dismissed;

or

(3) That additional time is necessary to complete the investigation, and the status and progress of the investigation to date. The commission, in its discretion, may allow the investigation to proceed for additional successive periods of one hundred twenty days each, pending reports regarding the status and progress of the investigation at the end of each such period.

2. When the commission concludes, based on the report from the special investigator, or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any criminal law has occurred, and if the commission believes that criminal prosecution would be appropriate upon a vote of **at least** four members of the commission, the commission shall refer the report to the Missouri office of prosecution services, prosecutors coordinators training council established in section 56.760, RSMo, which shall submit a panel of five attorneys for recommendation to the court having criminal jurisdiction, for appointment of an attorney to serve as a special prosecutor; except that, the attorney general of Missouri or any assistant attorney general shall not act as such special prosecutor. The court shall then appoint from such panel a special prosecutor pursuant to section 56.110, RSMo, who shall have all the powers provided by section 56.130, RSMo. The court shall allow a reasonable and necessary attorney's fee for the services of the special prosecutor. Such fee shall be assessed as costs if a case is filed, or ordered by the court if no case is filed, and paid together with all other costs in the proceeding by the state, in accordance with rules and regulations promulgated by the state courts administrator, subject to funds appropriated to the office of administration for such purposes. If the commission does not have sufficient funds to pay a special prosecutor, the commission shall refer the case to the prosecutor or prosecutors having criminal jurisdiction. If the prosecutor having criminal jurisdiction is not able to prosecute the case due to a conflict of interest, the court may appoint a special prosecutor, paid from county funds, upon appropriation by the county or the attorney general to investigate and, if appropriate, prosecute the case. The special prosecutor or prosecutor shall commence an action based on the report by the filing of an information or seeking an indictment within sixty days of the date of such prosecutor's appointment, or shall file a written statement with the commission explaining why criminal charges should not be sought. If the special prosecutor or prosecutor fails to take either action required by this subsection, upon request of the commission, a new special prosecutor, who may be the attorney general, shall be appointed. The report may also be referred to the appropriate disciplinary authority over the person who is the subject of the report.

3. When the commission concludes, based on the report from the special investigator or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any law has occurred which is not a violation of criminal law or that criminal prosecution is not appropriate, the commission [shall] **may** conduct a hearing which shall be a closed meeting and not open to the public. The hearing shall be conducted pursuant to the procedures provided by sections 536.063 to 536.090, RSMo, and shall be considered to be a contested case for purposes of such sections. The commission shall determine, in its discretion, whether or not that there is probable cause that a violation has occurred. If the commission determines, by a vote of at least four members of the commission, that probable cause exists that a violation has occurred, the commission may refer its findings and conclusions to the appropriate disciplinary authority over the person who is the subject of the report, as described in subsection 7 of this section. **If the commission determines by a vote of at least four members that a hearing is not appropriate, the commission may, by a vote of at least four members, seek an agreement with the party or parties determined to have violated the provisions of subsection 1 of section 105.957, and the commission may collect a fee for such violation in an amount not greater than one thousand dollars.** After the commission determines by a vote of at least four members of the commission that probable cause exists that a violation has occurred, and the commission has referred the findings and conclusions to the appropriate disciplinary authority over the person subject of the report, the subject of the report may appeal the determination of the commission to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed not later than the fourteenth day after the subject of the commission's action receives actual notice of the commission's action.

4. If the appropriate disciplinary authority receiving a report from the commission pursuant to subsection 3 of

this section fails to follow, within sixty days of the receipt of the report, the recommendations contained in the report, or if the commission determines, by a vote of at least four members of the commission that some action other than referral for criminal prosecution or for action by the appropriate disciplinary authority would be appropriate, the commission shall take any one or more of the following actions:

- (1) Notify the person to cease and desist violation of any provision of law which the report concludes was violated and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section;
- (2) Notify the person of the requirement to file, amend or correct any report, statement, or other document or information required by sections 105.473, 105.483 to 105.492, or chapter 130, RSMo, and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section; and
- (3) File the report with the executive director to be maintained as a public document; or
- (4) Issue a letter of concern or letter of reprimand to the person, which would be maintained as a public document; or
- (5) Issue a letter that no further action shall be taken, which would be maintained as a public document; or
- (6) Through reconciliation agreements or civil action, the power to seek fees for violations in an amount not greater than one thousand dollars or double the amount involved in the violation.

5. Upon vote of at least four members, the commission may initiate formal judicial proceedings seeking to obtain any of the following orders:

- (1) Cease and desist violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, or sections 105.955 to 105.963;
- (2) Pay any civil penalties required by sections 105.450 to 105.496 or chapter 130, RSMo;
- (3) File any reports, statements, or other documents or information required by sections 105.450 to 105.496, or chapter 130, RSMo; or
- (4) Pay restitution for any unjust enrichment the violator obtained as a result of any violation of any criminal statute as described in subsection 6 of this section.

The Missouri ethics commission shall give actual notice to the subject of the complaint of the proposed action as set out in this section. The subject of the complaint may appeal the action of the Missouri ethics commission, other than a referral for criminal prosecution, to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed no later than fourteen days after the subject of the commission's actions receives actual notice of the commission's actions.

6. In the proceeding in circuit court, the commission may seek restitution against any person who has obtained unjust enrichment as a result of violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, and may recover on behalf of the state or political subdivision with which the alleged violator is associated, damages in the amount of any unjust enrichment obtained and costs and attorney's fees as ordered by the court.

7. The appropriate disciplinary authority to whom a report shall be sent pursuant to subsection 2 or 3 of this section shall include, but not be limited to, the following:

- (1) In the case of a member of the general assembly, the ethics committee of the house of which the subject of the report is a member;
- (2) In the case of a person holding an elective office or an appointive office of the state, if the alleged violation is an impeachable offense, the report shall be referred to the ethics committee of the house of representatives;
- (3) In the case of a person holding an elective office of a political subdivision, the report shall be referred to the governing body of the political subdivision;
- (4) In the case of any officer or employee of the state or of a political subdivision, the report shall be referred to the person who has immediate supervisory authority over the employment by the state or by the political subdivision of the subject of the report;
- (5) In the case of a judge of a court of law, the report shall be referred to the commission on retirement, removal and discipline, or if the inquiry involves an employee of the judiciary to the applicable presiding judge;
- (6) In the case of a person holding an appointive office of the state, if the alleged violation is not an impeachable offense, the report shall be referred to the governor;
- (7) In the case of a statewide elected official, the report shall be referred to the attorney general;
- (8) In a case involving the attorney general, the report shall be referred to the prosecuting attorney of Cole County.

8. The special investigator having a complaint referred to the special investigator by the commission shall have the following powers:

(1) To request and shall be given access to information in the possession of any person or agency which the special investigator deems necessary for the discharge of the special investigator's responsibilities;

(2) To examine the records and documents of any person or agency, unless such examination would violate state or federal law providing for confidentiality;

(3) To administer oaths and affirmations;

(4) Upon refusal by any person to comply with a request for information relevant to an investigation, an investigator may issue a subpoena for any person to appear and give testimony, or for a subpoena duces tecum to produce documentary or other evidence which the investigator deems relevant to a matter under the investigator's inquiry. The subpoenas and subpoenas duces tecum may be enforced by applying to a judge of the circuit court of Cole County or any county where the person or entity that has been subpoenaed resides or may be found, for an order to show cause why the subpoena or subpoena duces tecum should not be enforced. The order and a copy of the application therefor shall be served in the same manner as a summons in a civil action, and if, after hearing, the court determines that the subpoena or subpoena duces tecum should be sustained and enforced, the court shall enforce the subpoena or subpoena duces tecum in the same manner as if it had been issued by the court in a civil action; and

(5) To request from the commission such investigative, clerical or other staff assistance or advancement of other expenses which are necessary and convenient for the proper completion of an investigation. Within the limits of appropriations to the commission, the commission may provide such assistance, whether by contract to obtain such assistance or from staff employed by the commission, or may advance such expenses.

9. (1) Any retired judge may request in writing to have the judge's name removed from the list of special investigators subject to appointment by the commission or may request to disqualify himself or herself from any investigation. Such request shall include the reasons for seeking removal;

(2) By vote of **at least** four members of the commission, the commission may disqualify a judge from a particular investigation or may permanently remove the name of any retired judge from the list of special investigators subject to appointment by the commission.

10. Any person who is the subject of any investigation pursuant to this section shall be entitled to be represented by counsel at any proceeding before the special investigator or the commission.

11. The provisions of sections 105.957, 105.959 and 105.961 are in addition to other provisions of law under which any remedy or right of appeal or objection is provided for any person, or any procedure provided for inquiry or investigation concerning any matter. The provisions of this section shall not be construed to limit or affect any other remedy or right of appeal or objection.

12. No person shall be required to make or file a complaint to the commission as a prerequisite for exhausting the person's administrative remedies before pursuing any civil cause of action allowed by law.

13. If, in the opinion of the commission, the complaining party was motivated by malice or reason contrary to the spirit of any law on which such complaint was based, in filing the complaint without just cause, this finding shall be reported to appropriate law enforcement authorities. Any person who knowingly files a complaint without just cause, or with malice, is guilty of a class A misdemeanor.

14. A respondent party who prevails in a formal judicial action brought by the commission shall be awarded those reasonable fees and expenses incurred by that party in the formal judicial action, unless the court finds that the position of the commission was substantially justified or that special circumstances make such an award unjust.

15. The special investigator and members and staff of the commission shall maintain confidentiality with respect to all matters concerning a complaint until and if a report is filed with the commission, with the exception of communications with any person which are necessary to the investigation. The report filed with the commission resulting from a complaint acted upon under the provisions of this section shall not contain the name of the complainant or other person providing information to the investigator, if so requested in writing by the complainant or such other person. Any person who violates the confidentiality requirements imposed by this section or subsection 17 of section 105.955 required to be confidential is guilty of a class A misdemeanor and shall be subject to removal from or termination of employment by the commission.

16. Any judge of the court of appeals or circuit court who ceases to hold such office by reason of the judge's retirement and who serves as a special investigator pursuant to this section shall receive annual compensation, salary or retirement for such services at the rates of compensation provided for senior judges by subsections 1, 2 and 4 of section 476.682, RSMo. Such retired judges shall by the tenth day of each month following any month in which the judge provided services pursuant to this section certify to the commission and to the state courts administrator the amount of time engaged in such services by hour or fraction thereof, the dates thereof, and the expenses incurred and allowable pursuant to this section. The commission shall then issue a warrant to the state treasurer for the payment of

the salary and expenses to the extent, and within limitations, provided for in this section. The state treasurer upon receipt of such warrant shall pay the same out of any appropriations made for this purpose on the last day of the month during which the warrant was received by the state treasurer.”; and

130.016. 1. No candidate for statewide elected office, general assembly, judicial office other than municipal judge, or municipal office in a city with a population of more than one hundred thousand shall be required to comply with the requirements to file a statement of organization or disclosure reports of contributions and expenditures for any election in which neither the aggregate of contributions received nor the aggregate of expenditures made on behalf of such candidate exceeds five hundred dollars and no single contributor, other than the candidate, has contributed more than two hundred [fifty] **seventy-five** dollars of the aggregate contributions received, provided that:

(1) The candidate files a sworn exemption statement with the appropriate officer that the candidate does not intend to either receive contributions or make expenditures in the aggregate of more than five hundred dollars or receive contributions from any single contributor, other than himself or herself, that aggregate more than two hundred [fifty] **seventy-five** dollars and that the total of all contributions received or expenditures made by the candidate and all committees or any other person with his knowledge and consent in support of his candidacy will not exceed five hundred dollars and that the aggregate of contributions received from any single contributor will not exceed two hundred [fifty] **seventy-five** dollars. Such exemption statement shall be filed no later than the date set forth in section 130.046 on which a disclosure report would otherwise be required if the candidate does not file the exemption statement. The exemption statement shall be filed on a form furnished to each appropriate officer by the executive director of the Missouri ethics commission. Each appropriate officer shall make the exemption statement available to candidates and shall direct each candidate's attention to the exemption statement and explain its purpose to the candidate; and

(2) The sworn exemption statement includes a statement that the candidate understands that records of contributions and expenditures must be maintained from the time the candidate first receives contributions or makes expenditures and that an exemption from filing a statement of organization or disclosure reports does not exempt the candidate from other provisions of this chapter. Each candidate described in subsection 1 of this section, who files a statement of exemption, shall file a statement of limited activity for each reporting period, described in section 130.046.

2. Any candidate who has filed an exemption statement as provided in subsection 1 of this section shall not accept any contribution or make any expenditure in support of the person's candidacy, either directly or indirectly or by or through any committee or any other person acting with the candidate's knowledge and consent, which would cause such contributions or expenditures to exceed the limits specified in subdivision (1) of subsection 1 of this section unless the candidate later rejects the exemption pursuant to the provisions of subsection 3 of this section. Any contribution received in excess of such limits shall be returned to the donor or transmitted to the state treasurer to escheat to the state.

3. If, after filing the exemption statement provided for in this section, the candidate subsequently determines the candidate wishes to exceed any of the limits in subdivision (1) of subsection 1 of this section, the candidate shall file a notice of rejection of the exemption with the appropriate officer; however, such rejection shall not be filed later than thirty days before election. A notice of rejection of exemption shall be accompanied by a statement of organization as required by section 130.021 and any other statements and reports which would have been required if the candidate had not filed an exemption statement.

4. A primary election and the immediately succeeding general election are separate elections, and restrictions on contributions and expenditures set forth in subsection 2 of this section shall apply to each election; however, if a successful primary candidate has correctly filed an exemption statement prior to the primary election and has not filed a notice of rejection prior to the date on which the first disclosure report applicable to the succeeding general election is required to be filed, the candidate shall not be required to file an exemption statement for that general election if the limitations set forth in subsection 1 of this section apply to the succeeding general election.

5. A candidate who has an existing candidate committee formed for a prior election for which all statements and reports required by this chapter have been properly filed shall be eligible to file the exemption statement as provided in subsection 1 of this section and shall not be required to file the disclosure reports pertaining to the election for which the candidate is eligible to file the exemption statement if the candidate and the treasurer or deputy treasurer of such existing candidate committee continue to comply with the requirements, limitations and restrictions set forth in subsections 1, 2, 3 and 4 of this section. The exemption permitted by this subsection does not exempt a candidate or the treasurer of the candidate's existing candidate committee from complying with the requirements of subsections 6 and 7 of section 130.046 applicable to a prior election.

6. No nonpartisan candidate for supreme court, circuit court, or associate circuit court, or candidate for political party office, or for county office or municipal office in a city of one hundred thousand or less, or for any special purpose district office shall be required to file an exemption statement pursuant to this section in order to be exempted from

forming a committee and filing disclosure reports required of committees pursuant to this chapter if the aggregate of contributions received or expenditures made by the candidate and any other person with the candidate's knowledge and consent in support of the person's candidacy does not exceed one thousand dollars and the aggregate of contributions from any single contributor does not exceed two hundred [fifty] **seventy-five** dollars. No candidate for any office listed in this subsection shall be excused from complying with the provisions of any section of this chapter, other than the filing of an exemption statement under the conditions specified in this subsection.

7. If any candidate for an office listed in subsection 6 of this section exceeds the limits specified in subsection 6 of this section, the candidate shall form a committee no later than thirty days prior to the election for which the contributions were received or expended which shall comply with all provisions of this chapter for committees.

130.021. 1. Every committee shall have a treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state. A committee may also have a deputy treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state, to serve in the capacity of committee treasurer in the event the committee treasurer is unable for any reason to perform the treasurer's duties.

2. Every candidate for offices listed in subsection 1 of section 130.016 who has not filed a statement of exemption pursuant to that subsection and every candidate for offices listed in subsection 6 of section 130.016 who is not excluded from filing a statement of organization and disclosure reports pursuant to subsection 6 shall form a candidate committee and appoint a treasurer. Thereafter, all contributions on hand and all further contributions received by such candidate and any of the candidate's own funds to be used in support of the person's candidacy shall be deposited in a candidate committee depository account established pursuant to the provisions of subsection 4 of this section, and all expenditures shall be made through the candidate, treasurer or deputy treasurer of the person's candidate committee. Nothing in this chapter shall prevent a candidate from appointing himself or herself as a committee of one and serving as the person's own treasurer, maintaining the candidate's own records and filing all the reports and statements required to be filed by the treasurer of a candidate committee.

3. A candidate who has more than one candidate committee supporting the person's candidacy shall designate one of those candidate committees as the committee responsible for consolidating the aggregate contributions to all such committees under the candidate's control and direction as required by section 130.041.

4. (1) Every committee shall have a single official fund depository within this state which shall be a federally or state-chartered bank, a federally or state-chartered savings and loan association, or a federally or state-chartered credit union in which the committee shall open and thereafter maintain at least one official depository account in its own name. An "official depository account" shall be a checking account or some type of negotiable draft or negotiable order of withdrawal account, and the official fund depository shall, regarding an official depository account, be a type of financial institution which provides a record of deposits, canceled checks or other canceled instruments of withdrawal evidencing each transaction by maintaining copies within this state of such instruments and other transactions. All contributions which the committee receives in money, checks and other negotiable instruments shall be deposited in a committee's official depository account. Contributions shall not be accepted and expenditures shall not be made by a committee except by or through an official depository account and the committee treasurer, deputy treasurer or candidate. Contributions received by a committee shall not be commingled with any funds of an agent of the committee, a candidate or any other person, except that contributions from a candidate of the candidate's own funds to the person's candidate committee shall be deposited to an official depository account of the person's candidate committee. No expenditure shall be made by a committee when the office of committee treasurer is vacant except that when the office of a candidate committee treasurer is vacant, the candidate shall be the treasurer until the candidate appoints a new treasurer.

(2) A committee treasurer, deputy treasurer or candidate may withdraw funds from a committee's official depository account and deposit such funds in one or more savings accounts in the committee's name in any bank, savings and loan association or credit union within this state, and may also withdraw funds from an official depository account for investment in the committee's name in any certificate of deposit, bond or security. Proceeds from interest or dividends from a savings account or other investment or proceeds from withdrawals from a savings account or from the sale of an investment shall not be expended or reinvested, except in the case of renewals of certificates of deposit, without first redepositing such proceeds in an official depository account. Investments, other than savings accounts, held outside the committee's official depository account at any time during a reporting period shall be disclosed by description, amount, any identifying numbers and the name and address of any institution or person in which or through which it is held in an attachment to disclosure reports the committee is required to file. Proceeds from an investment such as interest or dividends or proceeds from its sale, shall be reported by date and amount. In the case of the sale of an investment, the names and addresses of the persons involved in the transaction shall also be stated. Funds held in

savings accounts and investments, including interest earned, shall be included in the report of money on hand as required by section 130.041.

5. The treasurer or deputy treasurer acting on behalf of any person or organization or group of persons which is a committee by virtue of the definitions of "committee" in section 130.011 and any candidate who is not excluded from forming a committee in accordance with the provisions of section 130.016 shall file a statement of organization with the appropriate officer within twenty days after the person or organization becomes a committee but no later than [the date for filing the first report required pursuant to the provisions of section 130.046] **thirty days prior to the election for which the committee accepts contributions or makes expenditures.** The statement of organization shall contain the following information:

(1) The name, mailing address and telephone number, if any, of the committee filing the statement of organization. If the committee is deemed to be affiliated with a connected organization as provided in subdivision (11) of section 130.011, the name of the connected organization, or a legally registered fictitious name which reasonably identifies the connected organization, shall appear in the name of the committee. (10) The ballot measure concerned, if any, and whether the committee is in favor of or opposed to such measure.

6. A committee may omit the information required in subdivisions (9) and (10) of subsection 5 of this section if, on the date on which it is required to file a statement of organization, the committee has not yet determined the particular candidates or particular ballot measures it will support or oppose. Any contribution received over the allowable contribution limits described in section 130.032 shall be returned to the contributor by the committee within five business days of the declaration of candidacy or position on a candidate or a particular ballot measure of the committee.

7. A committee which has filed a statement of organization and has not terminated shall not be required to file another statement of organization, except that when there is a change in any of the information previously reported as required by subdivisions (1) to (8) of subsection 5 of this section an amended statement of organization shall be filed within twenty days after the change occurs, but no later than the date of the filing of the next report required to be filed by that committee by section 130.046.

The report shall disclose the full name, mailing address, telephone numbers and domicile of the contributing committee and the date and amount of the contribution. The report shall be filed within forty-eight hours of the receipt of such contribution if the contribution is received after the last reporting date before the election.

130.031. 1. No contribution of cash in an amount of more than one hundred dollars shall be made by or accepted from any single contributor for any election by a continuing committee, a campaign committee, a political party committee, an exploratory committee or a candidate committee.

The commission shall maintain files on all lobbyists' filings, which shall be open to the public. Each lobbyist shall file an updating statement under oath within one week of any addition, deletion, or change in the lobbyist's employment or representation. The filing fee shall be deposited to the general revenue fund of the state. The lobbyist principal or a lobbyist employing another person for lobbying purposes may notify the commission that a judicial, executive or legislative lobbyist is no longer authorized to lobby for the principal or the lobbyist and should be removed from the commission's files.

2. Each person shall, before giving testimony before any committee of the general assembly, give to the secretary of such committee such person's name and address and the identity of any lobbyist or organization, if any, on whose behalf such person appears. A person who is not a lobbyist as defined in section 105.470 shall not be required to give such person's address if the committee determines that the giving of such address would endanger the person's physical health.

3. (1) During any period of time in which a lobbyist continues to act as an executive lobbyist, judicial lobbyist or a legislative lobbyist, the lobbyist shall file with the commission on standardized forms prescribed by the commission monthly reports which shall be due at the close of business on the tenth day of the following month;

(2) Each report filed pursuant to this subsection shall include a statement, verified by a written declaration that it is made under the penalties of perjury, setting forth the following:

Whenever a lobbyist principal employs more than one lobbyist, expenditures of the lobbyist principal shall not be reported by each lobbyist, but shall be reported by one of such lobbyists.

5. Any lobbyist principal shall provide in a timely fashion whatever information is reasonably requested by the lobbyist principal's lobbyist for use in filing the reports required by this section.

6. 10. Any public official or other person whose name appears in any lobbyist report filed pursuant to this section who contests the accuracy of the portion of the report applicable to such person may petition the commission for an audit of such report and shall state in writing in such petition the specific disagreement with the contents of such report. The commission shall investigate such allegations in the manner described in section 105.959. If the commission determines that the contents of such report are incorrect, incomplete or erroneous, it shall enter an order requiring filing of an amended or corrected report.

11. The commission shall provide a report listing the total spent by a lobbyist for the month and year to any member or member-elect of the general assembly, judge or judicial officer, or any other person holding an elective office of state government on or before the twentieth day of each month. For the purpose of providing accurate information to the public, the commission shall not publish information in either written or electronic form for ten working days after providing the report pursuant to this subsection. The commission shall not release any portion of the lobbyist report if the accuracy of the report has been questioned pursuant to subsection 10 of this section unless it is conspicuously marked "Under Review".

12. Each lobbyist or lobbyist principal by whom the lobbyist was employed, or in whose behalf the lobbyist acted, shall provide a general description of the proposed legislation or action by the executive branch or judicial branch which the lobbyist or lobbyist principal supported or opposed. 2.] The provisions of sections 105.470 to 105.473 shall not apply to any member of a union who is acting in either an employment capacity or contractual capacity in association with the union, except if such person's employment or contractual capacity is as a lobbyist for the union.

105.477. 1. The commission shall supply a computer program which shall be used for filing by modem or by a common magnetic media chosen by the commission. The computer program shall be able to run on DOS, Windows or Macintosh based personal computers [or run on any other common personal computer operating environment which may become available in the future].

2. The commission shall have the appropriate software and hardware in place by January 1, 1998, for acceptance of reports electronically. The commission shall make this information available via an Internet Web site connection by no later than January 1, 1999.

3. All lobbyists shall file expenditure reports required by the commission electronically either through modem or common magnetic media. In addition, lobbyists shall file a signed form prescribed by the commission which verifies the information filed electronically within five working days; except that, [if] **when** a means becomes available which will allow a verifiable electronic signature, the commission may accept this in lieu of a [written statement] **signed form**.

4. All records that are in electronic format, not otherwise closed by law, shall be available in electronic format to the public. The commission shall maintain and provide for public inspection, a listing of all reports, with a complete description for each field contained on the report, that has been used to extract information from their database files. The commission shall develop a report or reports which contain every field in each database.

5. Annually, the commission shall provide[, without cost, a system-wide dump of] **to the general assembly at no cost a complete copy of** information contained in the commission's electronic **reporting** database files [to the general assembly]. The information [is to] **shall** be copied onto a medium specified by the general assembly. Such information shall not contain records otherwise closed by law. It is the intent of the general assembly to provide open access to the commission's records. The commission shall make every reasonable effort to comply with requests for information and shall take a liberal interpretation when considering such requests. Priority shall be given to public requests for reports identifying lobbyist or lobbyist principal expenditures per individual legislator.

105.961. 1. Upon receipt of a complaint as described by section 105.957, the commission shall assign the complaint to a special investigator, who may be a commission employee, who shall investigate and determine the merits of the complaint. Within ten days of such assignment, the special investigator shall review such complaint and disclose, in writing, to the commission any conflict of interest which the special investigator has or might have with respect to the investigation and subject thereof. Within one hundred twenty days of receipt of the complaint from the commission, the special investigator shall submit the special investigator's report to the commission. The commission, after review of such report, shall determine:

- (1) That there is reasonable grounds for belief that a violation has occurred; or
- (2) That there are no reasonable grounds for belief that a violation exists and the complaint should be dismissed;

or

(3) That additional time is necessary to complete the investigation, and the status and progress of the investigation to date. The commission, in its discretion, may allow the investigation to proceed for additional successive periods of one hundred twenty days each, pending reports regarding the status and progress of the investigation at the end of each such period.

2. When the commission concludes, based on the report from the special investigator, or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any criminal law has occurred, and if the commission believes that criminal prosecution would be appropriate upon a vote of **at least** four members of the commission, the commission shall refer the report to the Missouri office of prosecution services, prosecutors coordinators training council established in section 56.760, RSMo, which shall submit a panel of five attorneys for recommendation to the court having criminal jurisdiction, for appointment of an attorney to serve as a special prosecutor; except that, the attorney general of Missouri or any assistant attorney general shall not act as such special prosecutor. The court shall then appoint from such panel a special prosecutor pursuant to section 56.110, RSMo, who shall have all the powers provided by section 56.130, RSMo. The court shall allow a reasonable and necessary attorney's fee for the services of the special prosecutor. Such fee shall be assessed as costs if a case is filed, or ordered

by the court if no case is filed, and paid together with all other costs in the proceeding by the state, in accordance with rules and regulations promulgated by the state courts administrator, subject to funds appropriated to the office of administration for such purposes. If the commission does not have sufficient funds to pay a special prosecutor, the commission shall refer the case to the prosecutor or prosecutors having criminal jurisdiction. If the prosecutor having criminal jurisdiction is not able to prosecute the case due to a conflict of interest, the court may appoint a special prosecutor, paid from county funds, upon appropriation by the county or the attorney general to investigate and, if appropriate, prosecute the case. The special prosecutor or prosecutor shall commence an action based on the report by the filing of an information or seeking an indictment within sixty days of the date of such prosecutor's appointment, or shall file a written statement with the commission explaining why criminal charges should not be sought. If the special prosecutor or prosecutor fails to take either action required by this subsection, upon request of the commission, a new special prosecutor, who may be the attorney general, shall be appointed. The report may also be referred to the appropriate disciplinary authority over the person who is the subject of the report.

3. When the commission concludes, based on the report from the special investigator or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any law has occurred which is not a violation of criminal law or that criminal prosecution is not appropriate, the commission [shall] **may** conduct a hearing which shall be a closed meeting and not open to the public. The hearing shall be conducted pursuant to the procedures provided by sections 536.063 to 536.090, RSMo, and shall be considered to be a contested case for purposes of such sections. The commission shall determine, in its discretion, whether or not that there is probable cause that a violation has occurred. If the commission determines, by a vote of at least four members of the commission, that probable cause exists that a violation has occurred, the commission may refer its findings and conclusions to the appropriate disciplinary authority over the person who is the subject of the report, as described in subsection 7 of this section. **If the commission determines by a vote of at least four members that a hearing is not appropriate, the commission may, by a vote of at least four members, seek an agreement with the party or parties determined to have violated the provisions of subsection 1 of section 105.957, and the commission may collect a fee for such violation in an amount not greater than one thousand dollars.** After the commission determines by a vote of at least four members of the commission that probable cause exists that a violation has occurred, and the commission has referred the findings and conclusions to the appropriate disciplinary authority over the person subject of the report, the subject of the report may appeal the determination of the commission to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed not later than the fourteenth day after the subject of the commission's action receives actual notice of the commission's action.

4. If the appropriate disciplinary authority receiving a report from the commission pursuant to subsection 3 of this section fails to follow, within sixty days of the receipt of the report, the recommendations contained in the report, or if the commission determines, by a vote of at least four members of the commission that some action other than referral for criminal prosecution or for action by the appropriate disciplinary authority would be appropriate, the commission shall take any one or more of the following actions:

- (1) Notify the person to cease and desist violation of any provision of law which the report concludes was violated and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section;
- (2) Notify the person of the requirement to file, amend or correct any report, statement, or other document or information required by sections 105.473, 105.483 to 105.492, or chapter 130, RSMo, and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section; and
- (3) File the report with the executive director to be maintained as a public document; or
- (4) Issue a letter of concern or letter of reprimand to the person, which would be maintained as a public document; or
- (5) Issue a letter that no further action shall be taken, which would be maintained as a public document; or
- (6) Through reconciliation agreements or civil action, the power to seek fees for violations in an amount not greater than one thousand dollars or double the amount involved in the violation.

5. Upon vote of at least four members, the commission may initiate formal judicial proceedings seeking to obtain any of the following orders:

- (1) Cease and desist violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, or sections 105.955 to 105.963;
- (2) Pay any civil penalties required by sections 105.450 to 105.496 or chapter 130, RSMo;
- (3) File any reports, statements, or other documents or information required by sections 105.450 to 105.496, or chapter 130, RSMo; or

(4) Pay restitution for any unjust enrichment the violator obtained as a result of any violation of any criminal statute as described in subsection 6 of this section.

The Missouri ethics commission shall give actual notice to the subject of the complaint of the proposed action as set out in this section. The subject of the complaint may appeal the action of the Missouri ethics commission, other than a referral for criminal prosecution, to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed no later than fourteen days after the subject of the commission's actions receives actual notice of the commission's actions.

6. In the proceeding in circuit court, the commission may seek restitution against any person who has obtained unjust enrichment as a result of violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, and may recover on behalf of the state or political subdivision with which the alleged violator is associated, damages in the amount of any unjust enrichment obtained and costs and attorney's fees as ordered by the court.

7. The appropriate disciplinary authority to whom a report shall be sent pursuant to subsection 2 or 3 of this section shall include, but not be limited to, the following:

(1) In the case of a member of the general assembly, the ethics committee of the house of which the subject of the report is a member;

(2) In the case of a person holding an elective office or an appointive office of the state, if the alleged violation is an impeachable offense, the report shall be referred to the ethics committee of the house of representatives;

(3) In the case of a person holding an elective office of a political subdivision, the report shall be referred to the governing body of the political subdivision;

(4) In the case of any officer or employee of the state or of a political subdivision, the report shall be referred to the person who has immediate supervisory authority over the employment by the state or by the political subdivision of the subject of the report;

(5) In the case of a judge of a court of law, the report shall be referred to the commission on retirement, removal and discipline, or if the inquiry involves an employee of the judiciary to the applicable presiding judge;

(6) In the case of a person holding an appointive office of the state, if the alleged violation is not an impeachable offense, the report shall be referred to the governor;

(7) In the case of a statewide elected official, the report shall be referred to the attorney general;

(8) In a case involving the attorney general, the report shall be referred to the prosecuting attorney of Cole County.

8. The special investigator having a complaint referred to the special investigator by the commission shall have the following powers:

(1) To request and shall be given access to information in the possession of any person or agency which the special investigator deems necessary for the discharge of the special investigator's responsibilities;

(2) To examine the records and documents of any person or agency, unless such examination would violate state or federal law providing for confidentiality;

(3) To administer oaths and affirmations;

(4) Upon refusal by any person to comply with a request for information relevant to an investigation, an investigator may issue a subpoena for any person to appear and give testimony, or for a subpoena duces tecum to produce documentary or other evidence which the investigator deems relevant to a matter under the investigator's inquiry. The subpoenas and subpoenas duces tecum may be enforced by applying to a judge of the circuit court of Cole County or any county where the person or entity that has been subpoenaed resides or may be found, for an order to show cause why the subpoena or subpoena duces tecum should not be enforced. The order and a copy of the application therefor shall be served in the same manner as a summons in a civil action, and if, after hearing, the court determines that the subpoena or subpoena duces tecum should be sustained and enforced, the court shall enforce the subpoena or subpoena duces tecum in the same manner as if it had been issued by the court in a civil action; and

(5) To request from the commission such investigative, clerical or other staff assistance or advancement of other expenses which are necessary and convenient for the proper completion of an investigation. Within the limits of appropriations to the commission, the commission may provide such assistance, whether by contract to obtain such assistance or from staff employed by the commission, or may advance such expenses.

9. (1) Any retired judge may request in writing to have the judge's name removed from the list of special investigators subject to appointment by the commission or may request to disqualify himself or herself from any investigation. Such request shall include the reasons for seeking removal;

(2) By vote of **at least** four members of the commission, the commission may disqualify a judge from a particular

investigation or may permanently remove the name of any retired judge from the list of special investigators subject to appointment by the commission.

10. Any person who is the subject of any investigation pursuant to this section shall be entitled to be represented by counsel at any proceeding before the special investigator or the commission.

11. The provisions of sections 105.957, 105.959 and 105.961 are in addition to other provisions of law under which any remedy or right of appeal or objection is provided for any person, or any procedure provided for inquiry or investigation concerning any matter. The provisions of this section shall not be construed to limit or affect any other remedy or right of appeal or objection.

12. No person shall be required to make or file a complaint to the commission as a prerequisite for exhausting the person's administrative remedies before pursuing any civil cause of action allowed by law.

13. If, in the opinion of the commission, the complaining party was motivated by malice or reason contrary to the spirit of any law on which such complaint was based, in filing the complaint without just cause, this finding shall be reported to appropriate law enforcement authorities. Any person who knowingly files a complaint without just cause, or with malice, is guilty of a class A misdemeanor.

14. A respondent party who prevails in a formal judicial action brought by the commission shall be awarded those reasonable fees and expenses incurred by that party in the formal judicial action, unless the court finds that the position of the commission was substantially justified or that special circumstances make such an award unjust.

15. The special investigator and members and staff of the commission shall maintain confidentiality with respect to all matters concerning a complaint until and if a report is filed with the commission, with the exception of communications with any person which are necessary to the investigation. The report filed with the commission resulting from a complaint acted upon under the provisions of this section shall not contain the name of the complainant or other person providing information to the investigator, if so requested in writing by the complainant or such other person. Any person who violates the confidentiality requirements imposed by this section or subsection 17 of section 105.955 required to be confidential is guilty of a class A misdemeanor and shall be subject to removal from or termination of employment by the commission.

16. Any judge of the court of appeals or circuit court who ceases to hold such office by reason of the judge's retirement and who serves as a special investigator pursuant to this section shall receive annual compensation, salary or retirement for such services at the rates of compensation provided for senior judges by subsections 1, 2 and 4 of section 476.682, RSMo. Such retired judges shall by the tenth day of each month following any month in which the judge provided services pursuant to this section certify to the commission and to the state courts administrator the amount of time engaged in such services by hour or fraction thereof, the dates thereof, and the expenses incurred and allowable pursuant to this section. The commission shall then issue a warrant to the state treasurer for the payment of the salary and expenses to the extent, and within limitations, provided for in this section. The state treasurer upon receipt of such warrant shall pay the same out of any appropriations made for this purpose on the last day of the month during which the warrant was received by the state treasurer.”; and

No candidate for statewide elected office, general assembly, judicial office other than municipal judge, or municipal office in a city with a population of more than one hundred thousand shall be required to comply with the requirements to file a statement of organization or disclosure reports of contributions and expenditures for any election in which neither the aggregate of contributions received nor the aggregate of expenditures made on behalf of such candidate exceeds five hundred dollars and no single contributor, other than the candidate, has contributed more than two hundred [fifty] **seventy-five** dollars of the aggregate contributions received, provided that:

(1) The candidate files a sworn exemption statement with the appropriate officer that the candidate does not intend to either receive contributions or make expenditures in the aggregate of more than five hundred dollars or receive contributions from any single contributor, other than himself or herself, that aggregate more than two hundred [fifty] **seventy-five** dollars and that the total of all contributions received or expenditures made by the candidate and all committees or any other person with his knowledge and consent in support of his candidacy will not exceed five hundred dollars and that the aggregate of contributions received from any single contributor will not exceed two hundred [fifty] **seventy-five** dollars. Such exemption statement shall be filed no later than the date set forth in section 130.046 on which a disclosure report would otherwise be required if the candidate does not file the exemption statement. The exemption statement shall be filed on a form furnished to each appropriate officer by the executive director of the Missouri ethics commission. Each appropriate officer shall make the exemption statement available to candidates and shall direct each candidate's attention to the exemption statement and explain its purpose to the candidate; and

(2) The sworn exemption statement includes a statement that the candidate understands that records of

contributions and expenditures must be maintained from the time the candidate first receives contributions or makes expenditures and that an exemption from filing a statement of organization or disclosure reports does not exempt the candidate from other provisions of this chapter. Each candidate described in subsection 1 of this section, who files a statement of exemption, shall file a statement of limited activity for each reporting period, described in section 130.046.

2. Any candidate who has filed an exemption statement as provided in subsection 1 of this section shall not accept any contribution or make any expenditure in support of the person's candidacy, either directly or indirectly or by or through any committee or any other person acting with the candidate's knowledge and consent, which would cause such contributions or expenditures to exceed the limits specified in subdivision (1) of subsection 1 of this section unless the candidate later rejects the exemption pursuant to the provisions of subsection 3 of this section. Any contribution received in excess of such limits shall be returned to the donor or transmitted to the state treasurer to escheat to the state.

3. If, after filing the exemption statement provided for in this section, the candidate subsequently determines the candidate wishes to exceed any of the limits in subdivision (1) of subsection 1 of this section, the candidate shall file a notice of rejection of the exemption with the appropriate officer; however, such rejection shall not be filed later than thirty days before election. A notice of rejection of exemption shall be accompanied by a statement of organization as required by section 130.021 and any other statements and reports which would have been required if the candidate had not filed an exemption statement.

4. A primary election and the immediately succeeding general election are separate elections, and restrictions on contributions and expenditures set forth in subsection 2 of this section shall apply to each election; however, if a successful primary candidate has correctly filed an exemption statement prior to the primary election and has not filed a notice of rejection prior to the date on which the first disclosure report applicable to the succeeding general election is required to be filed, the candidate shall not be required to file an exemption statement for that general election if the limitations set forth in subsection 1 of this section apply to the succeeding general election.

5. A candidate who has an existing candidate committee formed for a prior election for which all statements and reports required by this chapter have been properly filed shall be eligible to file the exemption statement as provided in subsection 1 of this section and shall not be required to file the disclosure reports pertaining to the election for which the candidate is eligible to file the exemption statement if the candidate and the treasurer or deputy treasurer of such existing candidate committee continue to comply with the requirements, limitations and restrictions set forth in subsections 1, 2, 3 and 4 of this section. The exemption permitted by this subsection does not exempt a candidate or the treasurer of the candidate's existing candidate committee from complying with the requirements of subsections 6 and 7 of section 130.046 applicable to a prior election.

6. No nonpartisan candidate for supreme court, circuit court, or associate circuit court, or candidate for political party office, or for county office or municipal office in a city of one hundred thousand or less, or for any special purpose district office shall be required to file an exemption statement pursuant to this section in order to be exempted from forming a committee and filing disclosure reports required of committees pursuant to this chapter if the aggregate of contributions received or expenditures made by the candidate and any other person with the candidate's knowledge and consent in support of the person's candidacy does not exceed one thousand dollars and the aggregate of contributions from any single contributor does not exceed two hundred [fifty] **seventy-five** dollars. No candidate for any office listed in this subsection shall be excused from complying with the provisions of any section of this chapter, other than the filing of an exemption statement under the conditions specified in this subsection.

7. If any candidate for an office listed in subsection 6 of this section exceeds the limits specified in subsection 6 of this section, the candidate shall form a committee no later than thirty days prior to the election for which the contributions were received or expended which shall comply with all provisions of this chapter for committees.

130.021. 1. Every committee shall have a treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state. A committee may also have a deputy treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state, to serve in the capacity of committee treasurer in the event the committee treasurer is unable for any reason to perform the treasurer's duties.

2. Every candidate for offices listed in subsection 1 of section 130.016 who has not filed a statement of exemption pursuant to that subsection and every candidate for offices listed in subsection 6 of section 130.016 who is not excluded from filing a statement of organization and disclosure reports pursuant to subsection 6 shall form a candidate committee and appoint a treasurer. Thereafter, all contributions on hand and all further contributions received by such candidate and any of the candidate's own funds to be used in support of the person's candidacy shall be deposited in a candidate committee depository account established pursuant to the provisions of subsection 4 of this section, and all expenditures shall be made through the candidate, treasurer or deputy treasurer of the person's candidate committee. Nothing in this chapter shall prevent a candidate from appointing himself or herself as a committee of one

and serving as the person's own treasurer, maintaining the candidate's own records and filing all the reports and statements required to be filed by the treasurer of a candidate committee.

3. A candidate who has more than one candidate committee supporting the person's candidacy shall designate one of those candidate committees as the committee responsible for consolidating the aggregate contributions to all such committees under the candidate's control and direction as required by section 130.041.

4. (1) Every committee shall have a single official fund depository within this state which shall be a federally or state-chartered bank, a federally or state-chartered savings and loan association, or a federally or state-chartered credit union in which the committee shall open and thereafter maintain at least one official depository account in its own name. An "official depository account" shall be a checking account or some type of negotiable draft or negotiable order of withdrawal account, and the official fund depository shall, regarding an official depository account, be a type of financial institution which provides a record of deposits, canceled checks or other canceled instruments of withdrawal evidencing each transaction by maintaining copies within this state of such instruments and other transactions. All contributions which the committee receives in money, checks and other negotiable instruments shall be deposited in a committee's official depository account. Contributions shall not be accepted and expenditures shall not be made by a committee except by or through an official depository account and the committee treasurer, deputy treasurer or candidate. Contributions received by a committee shall not be commingled with any funds of an agent of the committee, a candidate or any other person, except that contributions from a candidate of the candidate's own funds to the person's candidate committee shall be deposited to an official depository account of the person's candidate committee. No expenditure shall be made by a committee when the office of committee treasurer is vacant except that when the office of a candidate committee treasurer is vacant, the candidate shall be the treasurer until the candidate appoints a new treasurer.

(2) A committee treasurer, deputy treasurer or candidate may withdraw funds from a committee's official depository account and deposit such funds in one or more savings accounts in the committee's name in any bank, savings and loan association or credit union within this state, and may also withdraw funds from an official depository account for investment in the committee's name in any certificate of deposit, bond or security. Proceeds from interest or dividends from a savings account or other investment or proceeds from withdrawals from a savings account or from the sale of an investment shall not be expended or reinvested, except in the case of renewals of certificates of deposit, without first redepositing such proceeds in an official depository account. Investments, other than savings accounts, held outside the committee's official depository account at any time during a reporting period shall be disclosed by description, amount, any identifying numbers and the name and address of any institution or person in which or through which it is held in an attachment to disclosure reports the committee is required to file. Proceeds from an investment such as interest or dividends or proceeds from its sale, shall be reported by date and amount. In the case of the sale of an investment, the names and addresses of the persons involved in the transaction shall also be stated. Funds held in savings accounts and investments, including interest earned, shall be included in the report of money on hand as required by section 130.041.

5. The treasurer or deputy treasurer acting on behalf of any person or organization or group of persons which is a committee by virtue of the definitions of "committee" in section 130.011 and any candidate who is not excluded from forming a committee in accordance with the provisions of section 130.016 shall file a statement of organization with the appropriate officer within twenty days after the person or organization becomes a committee but no later than [the date for filing the first report required pursuant to the provisions of section 130.046] **thirty days prior to the election for which the committee accepts contributions or makes expenditures**. The statement of organization shall contain the following information:

(1) The name, mailing address and telephone number, if any, of the committee filing the statement of organization. If the committee is deemed to be affiliated with a connected organization as provided in subdivision (11) of section 130.011, the name of the connected organization, or a legally registered fictitious name which reasonably identifies the connected organization, shall appear in the name of the committee. (10) The ballot measure concerned, if any, and whether the committee is in favor of or opposed to such measure.

6. A committee may omit the information required in subdivisions (9) and (10) of subsection 5 of this section if, on the date on which it is required to file a statement of organization, the committee has not yet determined the particular candidates or particular ballot measures it will support or oppose. Any contribution received over the allowable contribution limits described in section 130.032 shall be returned to the contributor by the committee within five business days of the declaration of candidacy or position on a candidate or a particular ballot measure of the committee.

7. A committee which has filed a statement of organization and has not terminated shall not be required to file another statement of organization, except that when there is a change in any of the information previously reported as required by subdivisions (1) to (8) of subsection 5 of this section an amended statement of organization shall be filed within twenty days after the change occurs, but no later than the date of the filing of the next report required to be filed by that committee by section 130.046.

The report shall disclose the full name, mailing address, telephone numbers and domicile of the contributing committee and the date and amount of the contribution. The report shall be filed within forty-eight hours of the receipt of such contribution if the contribution is received after the last reporting date before the election.

130.031. 1. No contribution of cash in an amount of more than one hundred dollars shall be made by or accepted from any single contributor for any election by a continuing committee, a campaign committee, a political party committee, an exploratory committee or a candidate committee.

any report or statement filed pursuant to the requirements of this chapter shall sign a statement that the person will not utilize the reports or statements or any information thereon for any commercial use, except for public news reporting, whatsoever and will not transfer the information obtained to any other persons for such purposes. It shall be the responsibility of each appropriate officer to instruct any person making a request to inspect, copy or receive a copy of any report or statement or any portion of a report or statement filed pursuant to this chapter that the utilization of any information obtained from such reports for any commercial purpose is a violation of this chapter.

**130.062. For purposes of this subsection the term "late contribution or loan" means a contribution or loan received after the closing date of the last disclosure report required to be filed before an election but received prior to the date of the election itself. The disclosure report of a late contribution may be made by any written means of communication, setting forth the name and address of the contributor or lender and the amount of the contribution or loan and need not contain the signatures and certification required for a full disclosure report described in section 130.041. A late contribution or loan shall be included in subsequent disclosure reports without regard to any special reports filed pursuant to this section.**

130.081. 1. Any person who [purposely] **knowingly** violates the provisions of this chapter is guilty of a class A misdemeanor.

2. Any person who fails to file any report or statement required by this chapter within the time periods specified in sections 130.011 to [130.051] **130.049** is guilty of an infraction.

3. Notwithstanding any other provision of law which bars prosecutions for any offenses other than a felony unless commenced within one year after the commission of the offense, any offense under the provisions of this chapter may be prosecuted if the indictment be found or prosecution be instituted within three years after the commission of the alleged offense.

4. Any prohibition to the contrary notwithstanding, no person shall be deprived of the rights, guarantees, protections or privileges accorded by sections 130.011 to 130.026, 130.031 to 130.068, 130.072, and 130.081 by any person, corporation, entity or political subdivision.”; and

*House Amendment No. 2*

PART I

AMEND House Substitute for House Committee Substitute for Senate Bill No. 72, Section A, Page 1, Line 13, by inserting all the following immediately after said line:

“105.473. 1. Each lobbyist shall, not later than five days after beginning any activities as a lobbyist, file standardized registration forms, verified by a written declaration that it is made under the penalties of perjury, along with a filing fee of ten dollars, with the commission. The forms shall include the lobbyist's name and business address, the name and address of all persons such lobbyist employs for lobbying purposes, the name and address of each lobbyist principal by whom such lobbyist is employed or in whose interest such lobbyist appears or works. The commission shall

maintain files on all lobbyists' filings, which shall be open to the public. Each lobbyist shall file an updating statement under oath within one week of any addition, deletion, or change in the lobbyist's employment or representation. The filing fee shall be deposited to the general revenue fund of the state. The lobbyist principal or a lobbyist employing another person for lobbying purposes may notify the commission that a judicial, executive or legislative lobbyist is no longer authorized to lobby for the principal or the lobbyist and should be removed from the commission's files.

2. Each person shall, before giving testimony before any committee of the general assembly, give to the secretary of such committee such person's name and address and the identity of any lobbyist or organization, if any, on whose behalf such person appears. A person who is not a lobbyist as defined in section 105.470 shall not be required to give such person's address if the committee determines that the giving of such address would endanger the person's physical health.

3. (1) During any period of time in which a lobbyist continues to act as an executive lobbyist, judicial lobbyist or a legislative lobbyist, the lobbyist shall file with the commission on standardized forms prescribed by the commission monthly reports which shall be due at the close of business on the tenth day of the following month;

(2) Each report filed pursuant to this subsection shall include a statement, verified by a written declaration that it is made under the penalties of perjury, setting forth the following:

(a) The total of all expenditures by the lobbyist or his or her lobbyist principals made on behalf of all public officials, their staffs and employees, and their spouses and dependent children, which expenditures shall be separated into at least the following categories by the executive branch, judicial branch and legislative branch of government: [printing and publication expenses; media and other advertising expenses;] travel; entertainment; [honoraria;] meals, food and beverages; and gifts;

(b) An itemized listing of the name of the recipient and the nature and amount of each expenditure by the lobbyist or his or her lobbyist principal, including a service or anything of value, for all expenditures made during any reporting period, paid or provided to or for a public official, such official's staff, employees, spouse or dependent children;

(c) The total of all expenditures made by a lobbyist or lobbyist principal for occasions and the identity of the group invited, the date and description of the occasion and the amount of the expenditure for each occasion when any of the following are invited in writing:

- a. All members of the senate;
- b. All members of the house of representatives;
- c. All members of a joint committee of the general assembly or a standing committee of either the house of representatives or senate; or
- d. All members of a caucus of the general assembly if the caucus consists of at least ten members, a list of the members of the caucus has been previously filed with the ethics committee of the house or the senate, and such list has been approved by either of such ethics committees;

(d) Any expenditure made on behalf of a public official, or the public official's staff, employees, spouse or dependent children, if such expenditure is solicited by such public official, the public official's staff, employees, or spouse or dependent children, from the lobbyist or his or her lobbyist principals and the name of such person or persons, except any expenditures made to any not for profit corporation, charitable, fraternal or civic organization or other association formed to provide for good in the order of benevolence;

(e) A statement detailing any direct business relationship or association or partnership the lobbyist has with any public official.

The reports required by this subdivision shall cover the time periods since the filing of the last report or since the lobbyist's employment or representation began, whichever is most recent.

4. No expenditure reported pursuant to this section shall include any amount expended by a lobbyist or lobbyist principal on himself or herself. **No expenditure reported pursuant to this section shall include any payment, gift, compensation, fee expenditure or anything of value which is bestowed upon or given to any public official or a staff member, employee, spouse or dependent child of a public official when it is compensation for employment or given as an employment benefit and when such employment is in addition to their employment as a public official.** All expenditures disclosed pursuant to this section shall be valued on the report at the actual amount of the payment made, or the charge, expense, cost, or obligation, debt or bill incurred by the lobbyist or the person the lobbyist represents. Whenever a lobbyist principal employs more than one lobbyist, expenditures of the lobbyist principal shall not be reported by each lobbyist, but shall be reported by one of such lobbyists.

5. Any lobbyist principal shall provide in a timely fashion whatever information is reasonably requested by the lobbyist principal's lobbyist for use in filing the reports required by this section.

6. All information required to be filed pursuant to the provisions of this section with the commission shall be kept available by the executive director of the commission at all times open to the public for inspection and copying for a reasonable fee for a period of five years from the date when such information was filed.

7. No person shall knowingly employ any person who is required to register as a registered lobbyist but is not registered pursuant to this section. Any person who knowingly violates this subsection shall be subject to a civil penalty in an amount of not more than ten thousand dollars for each violation. Such civil penalties shall be collected by action filed by the commission.

8. No lobbyist shall knowingly omit, conceal, or falsify in any manner information required pursuant to this section.

9. The prosecuting attorney of Cole County shall be reimbursed only out of funds specifically appropriated by the general assembly for investigations and prosecutions for violations of this section.

10. Any public official or other person whose name appears in any lobbyist report filed pursuant to this section who contests the accuracy of the portion of the report applicable to such person may petition the commission for an audit of such report and shall state in writing in such petition the specific disagreement with the contents of such report. The commission shall investigate such allegations in the manner described in section 105.959. If the commission determines that the contents of such report are incorrect, incomplete or erroneous, it shall enter an order requiring filing of an amended or corrected report.

11. The commission shall provide a report listing the total spent by a lobbyist for the month and year to any member or member-elect of the general assembly, judge or judicial officer, or any other person holding an elective office of state government on or before the twentieth day of each month. For the purpose of providing accurate information to the public, the commission shall not publish information in either written or electronic form for ten working days after providing the report pursuant to this subsection. The commission shall not release any portion of the lobbyist report if the accuracy of the report has been questioned pursuant to subsection 10 of this section unless it is conspicuously marked "Under Review".

12. Each lobbyist or lobbyist principal by whom the lobbyist was employed, or in whose behalf the lobbyist acted, shall provide a general description of the proposed legislation or action by the executive branch or judicial branch which the lobbyist or lobbyist principal supported or opposed. This information shall be supplied to the commission on March fifteenth and May thirtieth of each year.

105.475. [1. The provisions of sections 105.470 to 105.473 shall not apply to any public official or a staff member, employee, spouse or dependent child of a public official when employed by a lobbyist principal and who is acting on behalf of the lobbyist principal in their employment, except if such person's employment is as a lobbyist for the lobbyist principal.

2.] The provisions of sections 105.470 to 105.473 shall not apply to any member of a union who is acting in either an employment capacity or contractual capacity in association with the union, except if such person's employment or contractual capacity is as a lobbyist for the union.

105.477. 1. The commission shall supply a computer program which shall be used for filing by modem or by a common magnetic media chosen by the commission. The computer program shall be able to run on DOS, Windows or Macintosh based personal computers [or run on any other common personal computer operating environment which may become available in the future].

2. The commission shall have the appropriate software and hardware in place by January 1, 1998, for acceptance of reports electronically. The commission shall make this information available via an Internet Web site connection by no later than January 1, 1999.

3. All lobbyists shall file expenditure reports required by the commission electronically either through modem or common magnetic media. In addition, lobbyists shall file a signed form prescribed by the commission which verifies the information filed electronically within five working days; except that, [if] **when** a means becomes available which will allow a verifiable electronic signature, the commission may accept this in lieu of a [written statement] **signed form**.

4. All records that are in electronic format, not otherwise closed by law, shall be available in electronic format to the public. The commission shall maintain and provide for public inspection, a listing of all reports, with a complete description for each field contained on the report, that has been used to extract information from their database files. The commission shall develop a report or reports which contain every field in each database.

5. Annually, the commission shall provide[, without cost, a system-wide dump of] **to the general assembly at no cost a complete copy of** information contained in the commission's electronic **reporting** database files [to the general assembly]. The information [is to] **shall** be copied onto a medium specified by the general assembly. Such information shall not contain records otherwise closed by law. It is the intent of the general assembly to provide open

access to the commission's records. The commission shall make every reasonable effort to comply with requests for information and shall take a liberal interpretation when considering such requests. Priority shall be given to public requests for reports identifying lobbyist or lobbyist principal expenditures per individual legislator.

105.961. 1. Upon receipt of a complaint as described by section 105.957, the commission shall assign the complaint to a special investigator, who may be a commission employee, who shall investigate and determine the merits of the complaint. Within ten days of such assignment, the special investigator shall review such complaint and disclose, in writing, to the commission any conflict of interest which the special investigator has or might have with respect to the investigation and subject thereof. Within one hundred twenty days of receipt of the complaint from the commission, the special investigator shall submit the special investigator's report to the commission. The commission, after review of such report, shall determine:

- (1) That there is reasonable grounds for belief that a violation has occurred; or
- (2) That there are no reasonable grounds for belief that a violation exists and the complaint should be dismissed;

or

(3) That additional time is necessary to complete the investigation, and the status and progress of the investigation to date. The commission, in its discretion, may allow the investigation to proceed for additional successive periods of one hundred twenty days each, pending reports regarding the status and progress of the investigation at the end of each such period.

2. When the commission concludes, based on the report from the special investigator, or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any criminal law has occurred, and if the commission believes that criminal prosecution would be appropriate upon a vote of **at least** four members of the commission, the commission shall refer the report to the Missouri office of prosecution services, prosecutors coordinators training council established in section 56.760, RSMo, which shall submit a panel of five attorneys for recommendation to the court having criminal jurisdiction, for appointment of an attorney to serve as a special prosecutor; except that, the attorney general of Missouri or any assistant attorney general shall not act as such special prosecutor. The court shall then appoint from such panel a special prosecutor pursuant to section 56.110, RSMo, who shall have all the powers provided by section 56.130, RSMo. The court shall allow a reasonable and necessary attorney's fee for the services of the special prosecutor. Such fee shall be assessed as costs if a case is filed, or ordered by the court if no case is filed, and paid together with all other costs in the proceeding by the state, in accordance with rules and regulations promulgated by the state courts administrator, subject to funds appropriated to the office of administration for such purposes. If the commission does not have sufficient funds to pay a special prosecutor, the commission shall refer the case to the prosecutor or prosecutors having criminal jurisdiction. If the prosecutor having criminal jurisdiction is not able to prosecute the case due to a conflict of interest, the court may appoint a special prosecutor, paid from county funds, upon appropriation by the county or the attorney general to investigate and, if appropriate, prosecute the case. The special prosecutor or prosecutor shall commence an action based on the report by the filing of an information or seeking an indictment within sixty days of the date of such prosecutor's appointment, or shall file a written statement with the commission explaining why criminal charges should not be sought. If the special prosecutor or prosecutor fails to take either action required by this subsection, upon request of the commission, a new special prosecutor, who may be the attorney general, shall be appointed. The report may also be referred to the appropriate disciplinary authority over the person who is the subject of the report.

3. When the commission concludes, based on the report from the special investigator or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any law has occurred which is not a violation of criminal law or that criminal prosecution is not appropriate, the commission [shall] **may** conduct a hearing which shall be a closed meeting and not open to the public. The hearing shall be conducted pursuant to the procedures provided by sections 536.063 to 536.090, RSMo, and shall be considered to be a contested case for purposes of such sections. The commission shall determine, in its discretion, whether or not that there is probable cause that a violation has occurred. If the commission determines, by a vote of at least four members of the commission, that probable cause exists that a violation has occurred, the commission may refer its findings and conclusions to the appropriate disciplinary authority over the person who is the subject of the report, as described in subsection 7 of this section. **If the commission determines by a vote of at least four members that a hearing is not appropriate, the commission may, by a vote of at least four members, seek an agreement with the party or parties determined to have violated the provisions of subsection 1 of section 105.957, and the commission may collect a fee for such violation in an amount not greater than one thousand dollars.** After the commission determines by a vote of at least four members of the commission that probable cause exists that a violation has occurred, and the commission has referred the findings and conclusions to the appropriate disciplinary authority over the person

subject of the report, the subject of the report may appeal the determination of the commission to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed not later than the fourteenth day after the subject of the commission's action receives actual notice of the commission's action.

4. If the appropriate disciplinary authority receiving a report from the commission pursuant to subsection 3 of this section fails to follow, within sixty days of the receipt of the report, the recommendations contained in the report, or if the commission determines, by a vote of at least four members of the commission that some action other than referral for criminal prosecution or for action by the appropriate disciplinary authority would be appropriate, the commission shall take any one or more of the following actions:

(1) Notify the person to cease and desist violation of any provision of law which the report concludes was violated and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section;

(2) Notify the person of the requirement to file, amend or correct any report, statement, or other document or information required by sections 105.473, 105.483 to 105.492, or chapter 130, RSMo, and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section; and

(3) File the report with the executive director to be maintained as a public document; or

(4) Issue a letter of concern or letter of reprimand to the person, which would be maintained as a public document; or

(5) Issue a letter that no further action shall be taken, which would be maintained as a public document; or

(6) Through reconciliation agreements or civil action, the power to seek fees for violations in an amount not greater than one thousand dollars or double the amount involved in the violation.

5. Upon vote of at least four members, the commission may initiate formal judicial proceedings seeking to obtain any of the following orders:

(1) Cease and desist violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, or sections 105.955 to 105.963;

(2) Pay any civil penalties required by sections 105.450 to 105.496 or chapter 130, RSMo;

(3) File any reports, statements, or other documents or information required by sections 105.450 to 105.496, or chapter 130, RSMo; or

(4) Pay restitution for any unjust enrichment the violator obtained as a result of any violation of any criminal statute as described in subsection 6 of this section.

The Missouri ethics commission shall give actual notice to the subject of the complaint of the proposed action as set out in this section. The subject of the complaint may appeal the action of the Missouri ethics commission, other than a referral for criminal prosecution, to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed no later than fourteen days after the subject of the commission's actions receives actual notice of the commission's actions.

6. In the proceeding in circuit court, the commission may seek restitution against any person who has obtained unjust enrichment as a result of violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, and may recover on behalf of the state or political subdivision with which the alleged violator is associated, damages in the amount of any unjust enrichment obtained and costs and attorney's fees as ordered by the court.

7. The appropriate disciplinary authority to whom a report shall be sent pursuant to subsection 2 or 3 of this section shall include, but not be limited to, the following:

(1) In the case of a member of the general assembly, the ethics committee of the house of which the subject of the report is a member;

(2) In the case of a person holding an elective office or an appointive office of the state, if the alleged violation is an impeachable offense, the report shall be referred to the ethics committee of the house of representatives;

(3) In the case of a person holding an elective office of a political subdivision, the report shall be referred to the governing body of the political subdivision;

(4) In the case of any officer or employee of the state or of a political subdivision, the report shall be referred to the person who has immediate supervisory authority over the employment by the state or by the political subdivision of the subject of the report;

(5) In the case of a judge of a court of law, the report shall be referred to the commission on retirement, removal and discipline, or if the inquiry involves an employee of the judiciary to the applicable presiding judge;

(6) In the case of a person holding an appointive office of the state, if the alleged violation is not an impeachable offense, the report shall be referred to the governor;

(7) In the case of a statewide elected official, the report shall be referred to the attorney general;

(8) In a case involving the attorney general, the report shall be referred to the prosecuting attorney of Cole County.

8. The special investigator having a complaint referred to the special investigator by the commission shall have the following powers:

(1) To request and shall be given access to information in the possession of any person or agency which the special investigator deems necessary for the discharge of the special investigator's responsibilities;

(2) To examine the records and documents of any person or agency, unless such examination would violate state or federal law providing for confidentiality;

(3) To administer oaths and affirmations;

(4) Upon refusal by any person to comply with a request for information relevant to an investigation, an investigator may issue a subpoena for any person to appear and give testimony, or for a subpoena duces tecum to produce documentary or other evidence which the investigator deems relevant to a matter under the investigator's inquiry. The subpoenas and subpoenas duces tecum may be enforced by applying to a judge of the circuit court of Cole County or any county where the person or entity that has been subpoenaed resides or may be found, for an order to show cause why the subpoena or subpoena duces tecum should not be enforced. The order and a copy of the application therefor shall be served in the same manner as a summons in a civil action, and if, after hearing, the court determines that the subpoena or subpoena duces tecum should be sustained and enforced, the court shall enforce the subpoena or subpoena duces tecum in the same manner as if it had been issued by the court in a civil action; and

(5) To request from the commission such investigative, clerical or other staff assistance or advancement of other expenses which are necessary and convenient for the proper completion of an investigation. Within the limits of appropriations to the commission, the commission may provide such assistance, whether by contract to obtain such assistance or from staff employed by the commission, or may advance such expenses.

9. (1) Any retired judge may request in writing to have the judge's name removed from the list of special investigators subject to appointment by the commission or may request to disqualify himself or herself from any investigation. Such request shall include the reasons for seeking removal;

(2) By vote of **at least** four members of the commission, the commission may disqualify a judge from a particular investigation or may permanently remove the name of any retired judge from the list of special investigators subject to appointment by the commission.

10. Any person who is the subject of any investigation pursuant to this section shall be entitled to be represented by counsel at any proceeding before the special investigator or the commission.

11. The provisions of sections 105.957, 105.959 and 105.961 are in addition to other provisions of law under which any remedy or right of appeal or objection is provided for any person, or any procedure provided for inquiry or investigation concerning any matter. The provisions of this section shall not be construed to limit or affect any other remedy or right of appeal or objection.

12. No person shall be required to make or file a complaint to the commission as a prerequisite for exhausting the person's administrative remedies before pursuing any civil cause of action allowed by law.

13. If, in the opinion of the commission, the complaining party was motivated by malice or reason contrary to the spirit of any law on which such complaint was based, in filing the complaint without just cause, this finding shall be reported to appropriate law enforcement authorities. Any person who knowingly files a complaint without just cause, or with malice, is guilty of a class A misdemeanor.

14. A respondent party who prevails in a formal judicial action brought by the commission shall be awarded those reasonable fees and expenses incurred by that party in the formal judicial action, unless the court finds that the position of the commission was substantially justified or that special circumstances make such an award unjust.

15. The special investigator and members and staff of the commission shall maintain confidentiality with respect to all matters concerning a complaint until and if a report is filed with the commission, with the exception of communications with any person which are necessary to the investigation. The report filed with the commission resulting from a complaint acted upon under the provisions of this section shall not contain the name of the complainant or other person providing information to the investigator, if so requested in writing by the complainant or such other person. Any person who violates the confidentiality requirements imposed by this section or subsection 17 of section 105.955 required to be confidential is guilty of a class A misdemeanor and shall be subject to removal from or termination of employment by the commission.

16. Any judge of the court of appeals or circuit court who ceases to hold such office by reason of the judge's retirement and who serves as a special investigator pursuant to this section shall receive annual compensation, salary

or retirement for such services at the rates of compensation provided for senior judges by subsections 1, 2 and 4 of section 476.682, RSMo. Such retired judges shall by the tenth day of each month following any month in which the judge provided services pursuant to this section certify to the commission and to the state courts administrator the amount of time engaged in such services by hour or fraction thereof, the dates thereof, and the expenses incurred and allowable pursuant to this section. The commission shall then issue a warrant to the state treasurer for the payment of the salary and expenses to the extent, and within limitations, provided for in this section. The state treasurer upon receipt of such warrant shall pay the same out of any appropriations made for this purpose on the last day of the month during which the warrant was received by the state treasurer.”; and,

Further amend said house substitute, Section 109.241, Page 6, Line 1, by inserting all the following immediately after said line:

No candidate for statewide elected office, general assembly, judicial office other than municipal judge, or municipal office in a city with a population of more than one hundred thousand shall be required to comply with the requirements to file a statement of organization or disclosure reports of contributions and expenditures for any election in which neither the aggregate of contributions received nor the aggregate of expenditures made on behalf of such candidate exceeds five hundred dollars and no single contributor, other than the candidate, has contributed more than two hundred [fifty] **seventy-five** dollars of the aggregate contributions received, provided that:

(1) The candidate files a sworn exemption statement with the appropriate officer that the candidate does not intend to either receive contributions or make expenditures in the aggregate of more than five hundred dollars or receive contributions from any single contributor, other than himself or herself, that aggregate more than two hundred [fifty] **seventy-five** dollars and that the total of all contributions received or expenditures made by the candidate and all committees or any other person with his knowledge and consent in support of his candidacy will not exceed five hundred dollars and that the aggregate of contributions received from any single contributor will not exceed two hundred [fifty] **seventy-five** dollars. Such exemption statement shall be filed no later than the date set forth in section 130.046 on which a disclosure report would otherwise be required if the candidate does not file the exemption statement. The exemption statement shall be filed on a form furnished to each appropriate officer by the executive director of the Missouri ethics commission. Each appropriate officer shall make the exemption statement available to candidates and shall direct each candidate's attention to the exemption statement and explain its purpose to the candidate; and

(2) The sworn exemption statement includes a statement that the candidate understands that records of contributions and expenditures must be maintained from the time the candidate first receives contributions or makes expenditures and that an exemption from filing a statement of organization or disclosure reports does not exempt the candidate from other provisions of this chapter. Each candidate described in subsection 1 of this section, who files a statement of exemption, shall file a statement of limited activity for each reporting period, described in section 130.046.

2. Any candidate who has filed an exemption statement as provided in subsection 1 of this section shall not accept any contribution or make any expenditure in support of the person's candidacy, either directly or indirectly or by or through any committee or any other person acting with the candidate's knowledge and consent, which would cause such contributions or expenditures to exceed the limits specified in subdivision (1) of subsection 1 of this section unless the candidate later rejects the exemption pursuant to the provisions of subsection 3 of this section. Any contribution received in excess of such limits shall be returned to the donor or transmitted to the state treasurer to escheat to the state.

3. If, after filing the exemption statement provided for in this section, the candidate subsequently determines the candidate wishes to exceed any of the limits in subdivision (1) of subsection 1 of this section, the candidate shall file a notice of rejection of the exemption with the appropriate officer; however, such rejection shall not be filed later than thirty days before election. A notice of rejection of exemption shall be accompanied by a statement of organization as required by section 130.021 and any other statements and reports which would have been required if the candidate had not filed an exemption statement.

4. A primary election and the immediately succeeding general election are separate elections, and restrictions on contributions and expenditures set forth in subsection 2 of this section shall apply to each election; however, if a successful primary candidate has correctly filed an exemption statement prior to the primary election and has not filed a notice of rejection prior to the date on which the first disclosure report applicable to the succeeding general election is required to be filed, the candidate shall not be required to file an exemption statement for that general election if the limitations set forth in subsection 1 of this section apply to the succeeding general election.

5. A candidate who has an existing candidate committee formed for a prior election for which all statements and reports required by this chapter have been properly filed shall be eligible to file the exemption statement as provided in subsection 1 of this section and shall not be required to file the disclosure reports pertaining to the election for which the candidate is eligible to file the exemption statement if the candidate and the treasurer or deputy treasurer of such existing candidate committee continue to comply with the requirements, limitations and restrictions set forth in

subsections 1, 2, 3 and 4 of this section. The exemption permitted by this subsection does not exempt a candidate or the treasurer of the candidate's existing candidate committee from complying with the requirements of subsections 6 and 7 of section 130.046 applicable to a prior election.

6. No nonpartisan candidate for supreme court, circuit court, or associate circuit court, or candidate for political party office, or for county office or municipal office in a city of one hundred thousand or less, or for any special purpose district office shall be required to file an exemption statement pursuant to this section in order to be exempted from forming a committee and filing disclosure reports required of committees pursuant to this chapter if the aggregate of contributions received or expenditures made by the candidate and any other person with the candidate's knowledge and consent in support of the person's candidacy does not exceed one thousand dollars and the aggregate of contributions from any single contributor does not exceed two hundred [fifty] **seventy-five** dollars. No candidate for any office listed in this subsection shall be excused from complying with the provisions of any section of this chapter, other than the filing of an exemption statement under the conditions specified in this subsection.

7. If any candidate for an office listed in subsection 6 of this section exceeds the limits specified in subsection 6 of this section, the candidate shall form a committee no later than thirty days prior to the election for which the contributions were received or expended which shall comply with all provisions of this chapter for committees.

A committee may also have a deputy treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state, to serve in the capacity of committee treasurer in the event the committee treasurer is unable for any reason to perform the treasurer's duties.

2. Every candidate for offices listed in subsection 1 of section 130.016 who has not filed a statement of exemption pursuant to that subsection and every candidate for offices listed in subsection 6 of section 130.016 who is not excluded from filing a statement of organization and disclosure reports pursuant to subsection 6 shall form a candidate committee and appoint a treasurer. Thereafter, all contributions on hand and all further contributions received by such candidate and any of the candidate's own funds to be used in support of the person's candidacy shall be deposited in a candidate committee depository account established pursuant to the provisions of subsection 4 of this section, and all expenditures shall be made through the candidate, treasurer or deputy treasurer of the person's candidate committee. Nothing in this chapter shall prevent a candidate from appointing himself or herself as a committee of one and serving as the person's own treasurer, maintaining the candidate's own records and filing all the reports and statements required to be filed by the treasurer of a candidate committee.

3. A candidate who has more than one candidate committee supporting the person's candidacy shall designate one of those candidate committees as the committee responsible for consolidating the aggregate contributions to all such committees under the candidate's control and direction as required by section 130.041.

4. (1) Every committee shall have a single official fund depository within this state which shall be a federally or state-chartered bank, a federally or state-chartered savings and loan association, or a federally or state-chartered credit union in which the committee shall open and thereafter maintain at least one official depository account in its own name. An "official depository account" shall be a checking account or some type of negotiable draft or negotiable order of withdrawal account, and the official fund depository shall, regarding an official depository account, be a type of financial institution which provides a record of deposits, canceled checks or other canceled instruments of withdrawal evidencing each transaction by maintaining copies within this state of such instruments and other transactions. All contributions which the committee receives in money, checks and other negotiable instruments shall be deposited in a committee's official depository account. Contributions shall not be accepted and expenditures shall not be made by a committee except by or through an official depository account and the committee treasurer, deputy treasurer or candidate. Contributions received by a committee shall not be commingled with any funds of an agent of the committee, a candidate or any other person, except that contributions from a candidate of the candidate's own funds to the person's candidate committee shall be deposited to an official depository account of the person's candidate committee. No expenditure shall be made by a committee when the office of committee treasurer is vacant except that when the office of a candidate committee treasurer is vacant, the candidate shall be the treasurer until the candidate appoints a new treasurer.

(2) A committee treasurer, deputy treasurer or candidate may withdraw funds from a committee's official depository account and deposit such funds in one or more savings accounts in the committee's name in any bank, savings and loan association or credit union within this state, and may also withdraw funds from an official depository account for investment in the committee's name in any certificate of deposit, bond or security. Proceeds from interest or dividends from a savings account or other investment or proceeds from withdrawals from a savings account or from the sale of an investment shall not be expended or reinvested, except in the case of renewals of certificates of deposit,

without first redepositing such proceeds in an official depository account. Investments, other than savings accounts, held outside the committee's official depository account at any time during a reporting period shall be disclosed by description, amount, any identifying numbers and the name and address of any institution or person in which or through which it is held in an attachment to disclosure reports the committee is required to file. Proceeds from an investment such as interest or dividends or proceeds from its sale, shall be reported by date and amount. In the case of the sale of an investment, the names and addresses of the persons involved in the transaction shall also be stated. Funds held in savings accounts and investments, including interest earned, shall be included in the report of money on hand as required by section 130.041.

5. The treasurer or deputy treasurer acting on behalf of any person or organization or group of persons which is a committee by virtue of the definitions of "committee" in section 130.011 and any candidate who is not excluded from forming a committee in accordance with the provisions of section 130.016 shall file a statement of organization with the appropriate officer within twenty days after the person or organization becomes a committee but no later than [the date for filing the first report required pursuant to the provisions of section 130.046] **thirty days prior to the election for which the committee accepts contributions or makes expenditures.** The statement of organization shall contain the following information:

Any contribution received over the allowable contribution limits described in section 130.032 shall be returned to the contributor by the committee within five business days of the declaration of candidacy or position on a candidate or a particular ballot measure of the committee.

7. A committee which has filed a statement of organization and has not terminated shall not be required to file another statement of organization, except that when there is a change in any of the information previously reported as required by subdivisions (1) to (8) of subsection 5 of this section an amended statement of organization shall be filed within twenty days after the change occurs, but no later than the date of the filing of the next report required to be filed by that committee by section 130.046.

2. The health facilities review committee shall utilize demographic data from the office of social and economic data analysis, or its successor organization, at the University of Missouri as their source of information in considering applications for new institutional long-term care facilities.

197.390. 1. The provisions of section 197.388 shall not apply to a residential care facility I, residential care facility II, intermediate care facility or skilled nursing facility only where the department of health has first determined that there presently exists a need for additional beds of that classification because the average occupancy of all licensed and available residential care facility I, residential care facility II, intermediate care facility and skilled nursing facility beds exceeds ninety percent for at least four consecutive calendar quarters, in a particular county, and within a fifteen-mile radius of the proposed facility, and the facility otherwise appears to qualify for a review certification. The department's certification that there is no need for additional beds shall serve as the final determination and decision of the committee. In determining ninety percent occupancy, residential care facility I and II shall be one separate classification and intermediate care and skilled nursing facilities are another separate classification.

2. The Missouri health facilities review committee may, for any facility certified to it by the department, consider the predominant ethnic or religious composition of the residents to be served by that facility in considering whether to grant a review certification.

3. There shall be no expenditure minimum for facilities, beds, or services referred to in subdivisions (1), (2) and (3) of section 197.388. The provisions of this subsection shall expire January 1, 2003.

4. As used in this section, the term "licensed and available" means beds which are actually in place and for which a license has been issued.

5. The provisions of section 197.388 shall not apply to any facility where at least ninety-five percent of the patients require diets meeting the dietary standards defined by section 196.165, RSMo.

6. The committee shall review all letters of intent and applications for long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e) under its criteria and standards for long-term care beds.

7. Sections 197.370 to 197.398 shall not be construed to apply to litigation pending in state court on or before April 1, 1996, in which the Missouri health facilities review committee is a defendant in an action concerning the application of sections 197.300 to 197.366 to long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e).

8. Notwithstanding any other provision of this chapter to the contrary:

(1) A facility licensed pursuant to chapter 198, RSMo, may increase its licensed bed capacity by:

(a) Submitting a letter of intent to expand to the division of aging and the health facilities review committee;

(b) Certification from the division of aging that the facility:

a. Has no patient care class I deficiencies within the last eighteen months; and

b. Has maintained a ninety-percent average occupancy rate for the previous six quarters;

(c) Has made an effort to purchase beds for eighteen months following the date the letter of intent to expand is submitted pursuant to paragraph (a) of this subdivision. For purposes of this paragraph, an "effort to purchase" means a copy certified by the offeror as an offer to purchase beds from another licensed facility in the same licensure category; and

(d) If an agreement is reached by the selling and purchasing entities, the health facilities review committee shall issue a review certification for the expansion of the purchaser facility upon surrender of the seller's license; or

(e) If no agreement is reached by the selling and purchasing entities, the health facilities review committee shall permit an expansion for:

a. A facility with more than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or thirty beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-three percent or greater over the previous six quarters;

b. A facility with fewer than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or ten beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-two percent or greater over the previous six quarters;

c. A facility adding beds pursuant to subparagraphs a. or b. of this paragraph shall not expand by more than fifty percent of its then licensed bed capacity in the qualifying licensure category;

(2) Any beds sold shall, for five years from the date of relicensure by the purchaser, remain unlicensed

and unused for any long-term care service in the selling facility, whether they do or do not require a license;

(3) The beds purchased shall, for two years from the date of purchase, remain in the bed inventory attributed to the selling facility and be considered by the department of social services as licensed and available for purposes of this section;

(4) Any residential care facility licensed pursuant to chapter 198, RSMo, may relocate any portion of such facility's current licensed beds to any other facility to be licensed within the same licensure category if both facilities are under the same licensure ownership or control, and are located within six miles of each other;

(5) A facility licensed pursuant to chapter 198, RSMo, may transfer or sell individual long-term care licensed beds to facilities qualifying pursuant to paragraphs (a) and (b) of subdivision (1) of this subsection. Any facility which transfers or sells licensed beds shall not expand its licensed bed capacity in that licensure category for a period of five years from the date the licensure is relinquished.

9. Any existing licensed and operating health care facility offering long-term care services may replace one-half of its licensed beds at the same site or a site not more than thirty miles from its current location if, for at least the most recent four consecutive calendar quarters, the facility operates only fifty percent of its then licensed capacity with every resident residing in a private room. In such case:

(1) The facility shall report to the division of aging vacant beds as unavailable for occupancy for at least the most recent four consecutive calendar quarters;

(2) The replacement beds shall be built to private room specifications and only used for single occupancy; and

(3) The existing facility and proposed facility shall have the same owner or owners, regardless of corporate or business structure, and such owner or owners shall stipulate in writing that the existing facility beds to be replaced will not later be used to provide long-term care services. If the facility is being operated under a lease, both the lessee and the owner of the existing facility shall stipulate the same in writing.

10. Nothing in this section shall prohibit a health care facility licensed pursuant to chapter 198, RSMo, from being replaced in its entirety within fifteen miles of its existing site so long as the existing facility and proposed or replacement facility have the same owner or owners regardless of corporate or business structure and the health care facility being replaced remains unlicensed and unused for any long-term care services whether they do or do not require a license from the date of licensure of the replacement facility.

197.394. 1. Any person who is paid to support or oppose any project before the committee shall register with the staff of the committee for every project in which such person has an interest. The registration shall also include the names and addresses of any person, firm, corporation or association that the person registering represents in relation to the named project. Any person violating the provisions of this subsection shall be subject to the penalties specified in section 105.478, RSMo.

2. Any person regulated by chapter 197 or 198, RSMo, and any officer, attorney, agent and employee thereof, shall not offer to any committee member or to any member of the committee staff, any office, appointment or position, or any present, gift, entertainment or gratuity of any kind while such application is pending before the committee. Any person guilty of knowingly violating the provisions of this section shall be punished as follows: For the first offense, such person is guilty of a class B misdemeanor; and for the second and subsequent offenses, such person is guilty of a class D felony.

197.396. For the purposes of reimbursement under section 208.152, RSMo, project costs for new institutional health services in excess of ten percent of the initial project estimate shall not be eligible for reimbursement for the first three years that a facility receives payment for services provided under section 208.152, RSMo. The initial estimate shall be that amount for which the original review certification was obtained. Reimbursement for these excess costs after the first three years shall not be made until a review certification has been granted for the excess project costs. The provisions of this section shall apply only to facilities which file an application for a review certification or make application for cost-overrun review of their original application or waiver.

197.397. The health facilities review committee shall submit an annual report to the governor and members of the general assembly on all projects that have come before the committee and have been approved, are in process or have been disapproved.

197.398. The committee shall have the power to promulgate reasonable rules, regulations, criteria and standards in conformity with this section and chapter 536, RSMo, to meet the objectives of sections 197.370 to 197.398 including the power to establish criteria and standards to review new types of equipment or service. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the

authority delegated in sections 197.370 to 197.398 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, sections 536.028, RSMo. All rulemaking authority delegated prior to August 28, 2001, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 2001, if it fully complied with all applicable provisions of the law. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void."; and

Further amend said bill, Page 26, Section 610.027, Line 15 of said page, by inserting after all of said line the following:

This exemption shall authorize no more than twenty additional skilled nursing beds at each of two facilities which do not have any skilled nursing beds as of January 1, 1999.]

[197.315. 1. Any person who proposes to develop or offer a new institutional health service within the state must obtain a certificate of need from the committee prior to the time such services are offered.

2. Only those new institutional health services which are found by the committee to be needed shall be granted a certificate of need. Only those new institutional health services which are granted certificates of need shall be offered or developed within the state. No expenditures for new institutional health services in excess of the applicable expenditure minimum shall be made by any person unless a certificate of need has been granted.

3. After October 1, 1980, no state agency charged by statute to license or certify health care facilities shall issue a license to or certify any such facility, or distinct part of such facility, that is developed without obtaining a certificate of need.

4. If any person proposes to develop any new institutional health care service without a certificate of need as required by sections 197.300 to 197.366, the committee shall notify the attorney general, and he shall apply for an injunction or other appropriate legal action in any court of this state against that person.

5. After October 1, 1980, no agency of state government may appropriate or grant funds to or make payment of any funds to any person or health care facility which has not first obtained every certificate of need required pursuant to sections 197.300 to 197.366.

6. A certificate of need shall be issued only for the premises and persons named in the application and is not transferable except by consent of the committee.

7. Project cost increases, due to changes in the project application as approved or due to project change orders, exceeding the initial estimate by more than ten percent shall not be incurred without consent of the committee.

8. Periodic reports to the committee shall be required of any applicant who has been granted a certificate of need until the project has been completed. The committee may order the forfeiture of the certificate of need upon failure of the applicant to file any such report.

9. A certificate of need shall be subject to forfeiture for failure to incur a capital expenditure on any approved project within six months after the date of the order. The applicant may request an extension from the committee of not more than six additional months based upon substantial expenditure made.

10. Each application for a certificate of need must be accompanied by an application fee. The time of filing commences with the receipt of the application and the application fee. The application fee is one thousand dollars, or one-tenth of one percent of the total cost of the proposed project, whichever is greater. All application fees shall be deposited in the state treasury. Because of the loss of federal funds, the general assembly will appropriate funds to the Missouri health facilities review committee.

11. In determining whether a certificate of need should be granted, no consideration shall be given to the facilities or equipment of any other health care facility located more than a fifteen-mile radius from the applying facility.

12. When a nursing facility shifts from a skilled to an intermediate level of nursing care, it may return to the higher level of care if it meets the licensure requirements, without obtaining a certificate of need.

14. A certificate of need shall not be required for the transfer of ownership of an existing and operational health facility in its entirety.

15. A certificate of need may be granted to a facility for an expansion, an addition of services, a new institutional service, or for a new hospital facility which provides for something less than that which was sought in the application.

16. The provisions of this section shall not apply to facilities operated by the state, and appropriation of funds to such facilities by the general assembly shall be deemed in compliance with this section, and such facilities shall be deemed to have received an appropriate certificate of need without payment of any fee or charge.

17. Notwithstanding other provisions of this section, a certificate of need may be issued after July 1, 1983, for an intermediate care facility operated exclusively for the mentally retarded.

18. To assure the safe, appropriate, and cost-effective transfer of new medical technology throughout the state, a certificate of need shall not be required for the purchase and operation of research equipment that is to be used in a clinical trial that has received written approval from a duly constituted institutional review board of an accredited school of medicine or osteopathy located in Missouri to establish its safety and efficacy and does not increase the bed complement of the institution in which the equipment is to be located. After the clinical trial has been completed, a certificate of need must be obtained for continued use in such facility.]

[197.316. 1. The provisions of subsection 10 of section 197.315 and sections 197.317 and 197.318 shall not apply to facilities which are licensed pursuant to the provisions of chapter 198, RSMo, which are designed and operated exclusively for the care and treatment of persons with acquired human immunodeficiency syndrome, AIDS.

2. If a facility is granted a certificate of need and is found to be exempt from the provisions of subsection 10 of section 197.315 and sections 197.317 and 197.318 pursuant to the provisions of subsection 1 of this section, then only AIDS patients shall be residents of such facility and no others.

3. Any facility that violates the provisions of subsection 2 of this section shall be liable for a fine of one hundred dollars per resident per day for each such violation.

4. The attorney general shall, upon request of the department of health, bring an action in a circuit court of competent jurisdiction for violation of this section.]

[197.317. 1. After July 1, 1983, no certificate of need shall be issued for the following:

(1) Additional residential care facility I, residential care facility II, intermediate care facility or skilled nursing facility beds above the number then licensed by this state;

(2) Beds in a licensed hospital to be reallocated on a temporary or permanent basis to nursing care or beds in a long-term care hospital meeting the requirements described in 42 CFR, Section 412.23(e), excepting those which are not subject to a certificate of need pursuant to paragraphs (e) and (g) of subdivision (10) of section 197.305; nor

(3) The reallocation of intermediate care facility or skilled nursing facility beds of existing licensed beds by transfer or sale of licensed beds between a hospital licensed pursuant to this chapter or a nursing care facility licensed pursuant to chapter 198, RSMo; except for beds in counties in which there is no existing nursing care facility. No certificate of need shall be issued for the reallocation of existing residential care facility I or II, or intermediate care facilities operated exclusively for the mentally retarded to intermediate care or skilled nursing facilities or beds. However, after January 1, 2003, nothing in this section shall prohibit the Missouri health facilities review committee from issuing a certificate of need for additional beds in existing health care facilities or for new beds in new health care facilities or for the reallocation of licensed beds, provided that no construction shall begin prior to January 1, 2004. The provisions of subsections 16 and 17 of section 197.315 shall apply to the provisions of this section.

2. The health facilities review committee shall utilize demographic data from the office of social and economic data analysis, or its successor organization, at the University of Missouri as their source of information in considering applications for new institutional long-term care facilities.]

[197.318. 1. The provisions of section 197.317 shall not apply to a residential care facility I, residential care facility II, intermediate care facility or skilled nursing facility only where the department of social services has first determined that there presently exists a need for additional beds of that classification because the average occupancy of all licensed and available residential care facility I, residential care facility II, intermediate care facility and skilled nursing facility beds exceeds ninety percent for at least four consecutive calendar quarters, in a particular county, and within a fifteen-mile radius of the proposed facility, and the facility otherwise appears to qualify for a certificate of need. The department's certification that there is no need for additional beds shall serve as the final determination and decision of the committee. In determining ninety percent occupancy, residential care facility I and II shall be one separate classification and intermediate care and skilled nursing facilities are another separate classification.

2. The Missouri health facilities review committee may, for any facility certified to it by the department, consider

the predominant ethnic or religious composition of the residents to be served by that facility in considering whether to grant a certificate of need.

3. There shall be no expenditure minimum for facilities, beds, or services referred to in subdivisions (1), (2) and (3) of section 197.317. The provisions of this subsection shall expire January 1, 2003.

4. As used in this section, the term "licensed and available" means beds which are actually in place and for which a license has been issued.

5. The provisions of section 197.317 shall not apply to any facility where at least ninety-five percent of the patients require diets meeting the dietary standards defined by section 196.165, RSMo.

6. The committee shall review all letters of intent and applications for long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e) under its criteria and standards for long-term care beds.

7. Sections 197.300 to 197.366 shall not be construed to apply to litigation pending in state court on or before April 1, 1996, in which the Missouri health facilities review committee is a defendant in an action concerning the application of sections 197.300 to 197.366 to long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e).

8. Notwithstanding any other provision of this chapter to the contrary:

(1) A facility licensed pursuant to chapter 198, RSMo, may increase its licensed bed capacity by:

(a) Submitting a letter of intent to expand to the division of aging and the health facilities review committee;

(b) Certification from the division of aging that the facility:

a. Has no patient care class I deficiencies within the last eighteen months; and

b. Has maintained a ninety-percent average occupancy rate for the previous six quarters;

(c) Has made an effort to purchase beds for eighteen months following the date the letter of intent to expand is submitted pursuant to paragraph (a) of this subdivision. For purposes of this paragraph, an "effort to purchase" means a copy certified by the offeror as an offer to purchase beds from another licensed facility in the same licensure category; and

(d) If an agreement is reached by the selling and purchasing entities, the health facilities review committee shall issue a certificate of need for the expansion of the purchaser facility upon surrender of the seller's license; or

(e) If no agreement is reached by the selling and purchasing entities, the health facilities review committee shall permit an expansion for:

a. A facility with more than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or thirty beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-three percent or greater over the previous six quarters;

b. A facility with fewer than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or ten beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-two percent or greater over the previous six quarters;

c. A facility adding beds pursuant to subparagraphs a. or b. of this paragraph shall not expand by more than fifty percent of its then licensed bed capacity in the qualifying licensure category;

(2) Any beds sold shall, for five years from the date of relicensure by the purchaser, remain unlicensed and unused for any long-term care service in the selling facility, whether they do or do not require a license;

(3) The beds purchased shall, for two years from the date of purchase, remain in the bed inventory attributed to the selling facility and be considered by the department of social services as licensed and available for purposes of this section;

(4) Any residential care facility licensed pursuant to chapter 198, RSMo, may relocate any portion of such facility's current licensed beds to any other facility to be licensed within the same licensure category if both facilities are under the same licensure ownership or control, and are located within six miles of each other;

(5) A facility licensed pursuant to chapter 198, RSMo, may transfer or sell individual long-term care licensed beds to facilities qualifying pursuant to paragraphs (a) and (b) of subdivision (1) of this subsection. Any facility which transfers or sells licensed beds shall not expand its licensed bed capacity in that licensure category for a period of five years from the date the licensure is relinquished.

9. Any existing licensed and operating health care facility offering long-term care services may replace one-half of its licensed beds at the same site or a site not more than thirty miles from its current location if, for at least the most recent four consecutive calendar quarters, the facility operates only fifty percent of its then licensed capacity with every resident residing in a private room. In such case:

(1) The facility shall report to the division of aging vacant beds as unavailable for occupancy for at least the most recent four consecutive calendar quarters;

- (2) The replacement beds shall be built to private room specifications and only used for single occupancy; and

2. Any person who violates the provisions of subsection 1 of this section shall be liable to the state for civil penalties of one hundred dollars for every day of such violation. Each nonMedicaid patient placed in a Medicaid bed shall constitute a separate violation.

3. The attorney general shall, upon the request of the department, bring an action in a circuit court of competent jurisdiction to recover the civil penalty. The department may bring such an action itself. The civil action may be brought in the circuit court of Cole County or, at the option of the director, in another county which has venue of an action against the person under other provisions of law.]

(7) Provide for the availability, based on demonstrated need, of both medical and osteopathic facilities and services to protect the freedom of patient choice; and

(8) Establish by regulation procedures to review, or grant a waiver from review, nonsubstantive projects.

The term "filed" or "filing" as used in this section shall mean delivery to the staff of the health facilities review committee the document or documents the applicant believes constitute an application.

2. Failure by the committee to issue a written decision on an application for a certificate of need within the time required by this section shall constitute approval of and final administrative action on the application, and is subject to appeal pursuant to section 197.335 only on the question of approval by operation of law.]

[197.335. Within thirty days of the decision of the committee, the applicant may file an appeal to be heard de novo by the administrative hearing commissioner, the circuit court of Cole County or the circuit court in the county within which such health care service or facility is proposed to be developed.]

[197.340. Any health facility providing a health service must notify the committee of any discontinuance of any previously provided health care service, a decrease in the number of licensed beds by ten percent or more, or the change in licensure category for any such facility.]

[197.345. Any health facility with a project for facilities or services for which a binding construction or purchase contract has been executed prior to October 1, 1980, or health care facility which has commenced operations prior to October 1, 1980, shall be deemed to have received a certificate of need, except that such certificate of need shall be subject to forfeiture under the provisions of subsections 8 and 9 of section 197.315.]

[197.355. The legislature may not appropriate any money for capital expenditures for health care facilities until a certificate of need has been issued for such expenditures.]

[197.357. For the purposes of reimbursement under section 208.152, RSMo, project costs for new institutional health services in excess of ten percent of the initial project estimate whether or not approval was obtained under subsection 7 of section 197.315 shall not be eligible for reimbursement for the first three years that a facility receives payment for services provided under section 208.152, RSMo. The initial estimate shall be that amount for which the original certificate of need was obtained or, in the case of facilities for which a binding construction or purchase contract was executed prior to October 1, 1980, the amount of that contract. Reimbursement for these excess costs after the first three years shall not be made until a certificate of need has been granted for the excess project costs. The provisions of this section shall apply only to facilities which file an application for a certificate of need or make application for cost-overrun review of their original application or waiver after August 13, 1982.]

[197.366. The provisions of subdivision (8) of section 197.305 to the contrary notwithstanding, after December 31, 2001, the term "health care facilities" in sections 197.300 to 197.366 shall mean:

197.372. The health facilities review committee for projects described in sections 197.370 to 197.384 shall:

(1) Review and approve or disapprove all applications for a review certification made pursuant to sections 197.370 to 197.384. The committee shall issue reasonable rules governing the submission, review and disposition of applications;

(2) Notify the applicant within fifteen days of the date of filing of an application as to the completeness of such application as defined by rule;

(3) Provide written notification to affected persons located within this state at the beginning of a review. The notification may be given through publication of the review schedule in all newspapers of general circulation in the area to be served;

(4) Hold public hearings on all applications when a request in writing is filed by any affected person within thirty days from the date of publication of the notification of review;

(5) Within one hundred days of the filing of any application, issue in writing its findings of fact, conclusions of law, and its approval or denial of the review certification; provided, that the committee may grant an extension of not more than thirty days on its own initiative or upon the written request of any affected person;

(9) Provide for the availability, based on demonstration of need, of both medical and osteopathic facilities and services to protect the freedom of patient choice;

(10) Failure by the committee to issue a written decision on an application for review certification within the time required by this section shall constitute approval of and the final administrative action on the application and shall be subject to appeal pursuant to section 197.376 only on the question of approval by operation of law; and

(11) Establish by regulation a brief reporting format, sworn and notarized, for nonsubstantive and nonreviewable projects.

197.374. 1. Any person who proposes to develop or offer a new institutional acute care service or a first-time service shall submit a letter of intent to the committee at least thirty days prior to the filing of the application.

2. An application fee shall accompany each application for a review certification. The time of filing commences with the receipt of the application and the fee. The fee shall be one thousand dollars or one-tenth of one percent of the total project, whichever is greater. All application fees shall be deposited in the state treasury. The general assembly will appropriate funds to the Missouri health facilities review committee.

197.376. Within thirty days of the decision of the committee, the applicant may file an appeal pursuant to chapter 621, RSMo. Any subsequent appeal venue shall be the circuit court in the county within which such acute care service or facility is proposed to be developed.

197.378. 1. For the purpose of submitting an application for review certification, any person who proposes to develop or offer a new institutional acute care service costing in excess of one million dollars shall obtain a review certification from the committee prior to the time such services are offered.

2. Any person who proposes a first-time service shall obtain a review certification from the committee prior to the time such services are offered.

3. Any person who proposes to add new, not previously licensed, beds to an existing hospital shall obtain a review certification. This shall not preclude the addition or transfer of beds without review certification as defined in paragraphs (c) and (d) of subdivision (6) of section 197.370.

4. Any person who proposes to renovate or replace a project in a current location whose cost is over ten million dollars must obtain a review certification.

5. Only those new institution acute care services or first-time services that are found by the committee to meet the health needs of the community served shall be granted a review certification. A review certification may be granted if an applicant can demonstrate that need exists for a competitive alternative to existing facilities

in highly concentrated metropolitan markets.

6. A review certification shall be issued only for the premises and persons named in the application and is not transferable except by the consent of the committee.

7. Project cost increases, exceeding the initial estimate by more than ten percent shall not be incurred without consent of the committee.

8. Periodic reports to the committee shall be required of any applicant who has been granted a review certification until the project has been completed. The committee may order the forfeiture of the review certification upon failure of the applicant to file any such report.

9. A review certification shall be subject to forfeiture for failure to incur expenditures equal to twenty percent of the total approved cost of any project within twelve months after the date of the order. The applicant may request an extension from the committee to avoid forfeiture.

10. No state agency charged by statute to license or certify acute care facilities shall issue a license to or certify any such facility, or distinct part of such facility, that is developed and is required to have a review certification, without first obtaining a review certification.

11. No state agency may appropriate or grant funds to or make payment of any funds to any person or acute care facility that has not first obtained every review certification required pursuant to sections 197.370 to 197.384.

12. In no event shall a review certification be denied because the applicant refuses to provide abortion services or information.

13. A review certification shall not be required for the transfer of ownership of an existing and operational acute care facility in its entirety.

14. A review certification may be granted for something less than that which was sought in the original application.

15. To assure the safe, appropriate, and cost-effective transfer of new medical technology throughout the state, a review certification shall not be required for the purchase and operation of research equipment that is to be used in a clinical trial that has received written approval from a duly constituted institutional review board of an accredited school of medicine or osteopathy located in Missouri to establish its safety and efficiency and does not increase the bed complement of the institution in which the equipment is to be located. After the clinical trial has been completed, a review certification must be obtained for continued use in such facility.

197.380. Review certification is not required for:

(1) Facilities operated by the state and appropriation of funds to such facilities by the general assembly shall be in compliance, and such facilities shall be deemed to have received an appropriate review certification without any fee or charge;

(2) Nonreviewable projects pursuant to subdivision (7) of section 197.370 or nonsubstantive projects pursuant to subdivision (8) of section 197.370.

197.382. For the purposes of reimbursement pursuant to section 208.152, RSMo, project costs for new institutional acute care services in excess of ten percent of the initial project estimate regardless of whether approval was obtained pursuant to subsection 7 of section 197.378 shall not be eligible for reimbursement for the first three years that a facility receives payment for services provided pursuant to section 208.152, RSMo. The initial estimate shall be that amount for which the original review certificate was obtained. Reimbursement for these excess costs after the first three years shall not be made until a review certification has been granted for the excess project costs. The provisions of this section shall apply only to facilities which file an application for a review certification or make application for cost-overrun review of their original application or waiver.

197.384. The committee shall have the power to promulgate reasonable rules, regulations, criteria and standards in conformity with this section and chapter 536, RSMo, to meet the objectives of sections 197.300 to 197.384 including the power to establish criteria and standards to review new types of equipment or service. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in sections 197.300 to 197.384 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. All rulemaking authority delegated prior to August 28, 2001, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 2001, if it fully complied with all applicable provisions of the law. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of

rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.  
**197.385. The provisions of sections 197.370 to 197.384 shall expire on December 31, 2003.**"; and

Further amend said title, enacting clause and intersectional references accordingly.

*House Amendment No. 8*

AMEND House Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 236, Page 1, Section 191.211, Line 19, by inserting before said line the following:

“135.095. For all tax years beginning on or after January 1, 1999, but before January 1, 2005, a [resident individual] **claimant** who has attained sixty-five years of age on or before the last day of the tax year shall be allowed, for the purpose of offsetting the cost of legend drugs, a maximum credit against the tax otherwise due pursuant to chapter 143, RSMo, not including sections 143.191 to 143.265, RSMo, of two hundred dollars. **For the purpose of this section, a “claimant” is defined as a person or persons claiming a credit under sections 135.005. If two claimants are eligible to file a joint federal income tax return and reside at the same address at any time during the taxable year, then the credit may only be allowed if claimed on a combined Missouri income tax return or a combined claim return reporting their combined incomes and property taxes. A claimant shall not be allowed a credit unless the claimant or spouse has attained the age of sixty-five on or before the last day of the calendar year and the claimant or spouse was a resident of Missouri for the entire year during which the credit is claimed. A claimant must apply for his or her own credit.** [An individual] A claimant shall be entitled to the maximum credit allowed by this section if the [individual] **claimant** has [a Missouri adjusted gross income] **an income as defined in section 135.010** of fifteen thousand dollars or less; provided that, no [individual who receives full reimbursement for the cost of legend drugs from Medicare or Medicaid, or] **claimant who meets the income criteria for Medicaid eligibility, or has coverage for pharmaceutical benefits through a health benefit plan as defined in section 376.1350, RSMo, including a Medicare supplement or Medicare + Choice plan, or through a self-funded employee benefit plan shall qualify for the credit allowed pursuant to this section unless a claimant’s pharmaceutical expenses exceed the claimant’s coverage, in which case, a claimant may qualify for a credit for the additional expenses, up to two hundred dollars. No claimant** who is a resident of a local, state or federally funded facility shall qualify for the credit allowed pursuant to this section. If [an individual’s Missouri adjusted gross income] **a claimant’s income as defined in section 135.010** is greater than fifteen thousand dollars, such [individual] **claimant** shall be entitled to a credit equal to the greater of zero or the maximum credit allowed by this section reduced by two dollars for every hundred dollars such [individual’s] **claimant’s** income exceeds fifteen thousand dollars. The credit shall be claimed as prescribed by the director of the department of revenue. Such credit shall be considered an overpayment of tax and shall be refundable even if the amount of the credit exceeds [an individual’s] **a claimant’s** tax liability. **A credit may not be claimed pursuant to this section for any tax year ending after December 31, 2001, or any tax year during which the Missouri pharmaceutical assistance program is in full operation, whichever is later.**

**208.550. 1. As used in this section, the following terms mean:**

- (1) "Department", the department of social services;

- (3) "Medicaid", the program for medical assistance established pursuant to Title XIX of the federal Social Security Act and administered by the department;
- (4) "Missouri resident", an individual who establishes residence for a period of twelve months in a settled or permanent home or domicile within the state of Missouri with the intention of remaining in this state. An individual is a resident of this state until the individual establishes a permanent residence outside this state;
- (5) "Prescription drug", a prescription drug as defined in 13 CSR 70-20. The current limitations or restrictions placed on certain pharmaceuticals by the department shall remain and the department may define additional restrictions by rule;
- (6) "Program", the pharmaceutical investment program for seniors (PIPS) established pursuant to this section.

**2. The department of social services shall establish a "Pharmaceutical Investment Program for Seniors" to help defray the costs of prescription drugs for elderly Missouri residents. The following Missouri residents shall be eligible to participate in the program:**

- (1) Any person sixty-five years of age or older, with a household income at or below fifteen thousand dollars who is not currently ineligible pursuant to subsection 3 of this section. Such person shall demonstrate that his or her estimated annual prescription drug costs will exceed the total deductible for twelve months outlined in subsections 5 and 6 of this section;
- (2) For a married couple in which at least one spouse is sixty-five years of age or older, with an annual household income at or below twenty-five thousand dollars:
  - (a) If only one spouse is sixty-five years of age or older, such spouse shall be eligible if his or her household income is at or below fifteen thousand dollars, he or she is not ineligible pursuant to subsection 3 of this section, and his or her estimated annual prescription drug costs will exceed the total deductible for twelve

months outlined in subsections 5 and 6 of this section;

(b) If both spouses are sixty-five years of age or older, both spouses shall be eligible if their estimated annual prescription drug costs will exceed the total deductible for twelve months outlined in subsections 5 and 6 of this section. One or both spouses may be currently ineligible pursuant to subsection 3 of this section;

(3) Any person sixty-five years of age or older who does not qualify pursuant to subdivision (1) of this subsection and who is not currently ineligible pursuant to subsection 3 of this section, if such person's estimated annual pharmaceutical costs will exceed ten percent of such person's household income. Such person shall be eligible to participate in the program and receive benefits not to exceed six thousand dollars per year after such person has expended ten percent of his or her household income; or

(4) A married couple in which at least one spouse is sixty-five years of age or older who does not qualify pursuant to subdivision (2) of this subsection and who are not currently ineligible pursuant to subsection 3 of this section, if such couple's estimated annual pharmaceutical costs will exceed ten percent of such couple's family household income. Such couple shall be eligible to participate in the program and receive benefits not to exceed twelve thousand dollars per year after such couple has expended ten percent of their family household income on their annual pharmaceutical costs.

3. Any person who is receiving Medicaid benefits shall not be eligible to participate in the program, except those Medicaid recipients whose Medicaid coverage does not include pharmacy benefits. The pharmaceutical investment program for seniors is a payer of last resort. If a senior has coverage for pharmaceutical benefits through a health benefit plan, as defined in section 376.1350, RSMo, including a Medicare supplement or Medicare+Choice plan, or through a self-funded employee benefit plan, the pharmaceutical investment program for seniors shall pay only for eligible costs not provided by such coverage and only after the senior has met the deductible required by subsections 5 and 6 of this section.

4. Applicants for the program shall submit an annual application to the department, or the department's designee, that attests to the age, residence, annual household income and estimated annual prescription drug costs for an individual or couple, if married. The department shall prescribe by rule the form of the application for enrollment in the program.

5. Upon notification of eligibility, an enrollee may access the program by meeting the cost-sharing obligation through a monthly deductible calculated and based on one of the following:

(1) If the enrollee's household income is at or below twelve thousand dollars for an individual or twenty thousand dollars for a couple, the monthly deductible is one-twelfth of eight hundred dollars for an individual or one-twelfth of sixteen hundred dollars for a couple; or

(2) If the enrollee's household income is between twelve thousand one dollars and fifteen thousand dollars for an individual or twenty thousand one dollars and twenty-five thousand dollars for a couple, the monthly deductible is one-twelfth of one thousand two hundred dollars for an individual or one-twelfth of twenty-four hundred dollars for a couple.

6. For any month in which the enrollee does not meet the deductible, the difference between the monthly deductible and the actual expenditure on prescription drugs shall be added to the next month's deductible.

7. Nothing in this section shall be construed as requiring an applicant to accept Medicaid benefits in lieu of participation in this program.

8. For prescription drugs, enrollees shall pay a five dollar co-payment for a generic prescription drug or a brand name prescription drug when a recognized generic drug is not available or is more expensive and a fifteen dollar co-payment for a brand name prescription drug when a recognized generic prescription drug is available. The department may implement higher co-payments. Such co-payment may be modified annually by the general assembly through the appropriation process. Such co-payment shall be used to reduce the state's cost for the program. In addition, each enrollee shall pay an annual twenty-five dollar co-payment to offset the administrative costs of the program. Nothing in this subsection shall be construed as permitting therapeutic substitutions.

9. In providing program benefits, the department may enter into a contract with a private individual, corporation or agency to manage the program.

10. The department shall collaborate with the division of aging in the department of health and utilize area agencies on aging, senior citizens centers and other senior focused entities to provide outreach, enrollment referral assistance and education services to potentially eligible seniors for the pharmaceutical investment program for seniors.

11. The department shall submit quarterly reports to the governor, the senate appropriations committee,

and the house of representatives budget committee, the speaker of the house of representatives and the president pro tem of the senate, that include:

(1) Quantified data as to the number of program applicants and enrollees subsequently found eligible for Medicaid;

(2) An estimate of whether the current rate of expenditures will exceed the existing appropriation for the program in the current fiscal year; and

(3) Recommendations for changes to the deductibles and co-payments for enrollees in the program.

12. The program established in this section is not an entitlement. Benefits shall be limited to the level supported by the moneys explicitly appropriated pursuant to this section. If in any fiscal year the department projects that the total cost of the program will exceed the amount currently appropriated for the program, the department shall implement cost control measures to reduce the projected cost. Such cost control measures may include, but are not limited to, increasing the co-payments outlined in subsection 8 of this section or increasing the deductible requirements outlined in subsection 5 of this section. The department may request a supplemental appropriation to meet the projected costs, but must implement cost containment measures to reduce the projected cost to the current appropriated amount. The pharmaceutical investment program for seniors is a payer of last resort. If the federal government establishes a pharmaceutical assistance program that covers program eligible seniors under Medicare or another program, the pharmaceutical insurance program for seniors shall cover only eligible costs not covered by the federal program.

13. The department may promulgate rules to implement the provisions of this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536, RSMo.

14. Any person who knowingly makes any false statements, falsifies or permits to be falsified any records, or engages in conduct in an attempt to defraud the program is guilty of a misdemeanor and shall forfeit all rights to which he or she may be entitled hereunder.

Section B. Section 208.550 of section A of this act shall become effective July 1, 2002.”; and

Further amend said title, enacting clause and intersectional references accordingly.

**"354.603. 1. A health carrier shall maintain a network that is sufficient in number and types of [providers] health care professionals to assure that all services to enrollees shall be accessible without unreasonable delay. In the case of emergency services, enrollees shall have access twenty-four hours per day, seven days per week. The health**

carrier's medical director shall be responsible for the sufficiency and supervision of the health carrier's network. Sufficiency shall be determined by the director in accordance with the requirements of this section and by reference to any reasonable criteria, including but not limited to, provider-enrollee ratios by specialty, primary care provider-enrollee ratios, geographic accessibility, reasonable distance accessibility criteria for pharmacy and other services, waiting times for appointments with participating [providers] **health care professionals**, hours of operation, and the volume of technological and specialty services available to serve the needs of enrollees requiring technologically advanced or specialty care.

(1) In any case where the health carrier has an insufficient number or type of participating [providers] **health care professionals** to provide a covered benefit, the health carrier shall ensure that the enrollee obtains the covered benefit at no greater cost than if the benefit was obtained from a participating [provider] **health care professional**, or shall make other arrangements acceptable to the director.

(2) The health carrier shall establish and maintain adequate arrangements to ensure reasonable proximity of participating [providers] **health care professional**, including local pharmacists, to the business or personal residence of enrollees. In determining whether a health carrier has complied with this provision, the director shall give due consideration to the relative availability of health care [providers] **professionals** in the service area under, especially rural areas, consideration.

(3) A health carrier shall monitor, on an ongoing basis, the ability, clinical capacity[, financial capability] and legal authority of its [providers] **health care professionals** to furnish all contracted benefits to enrollees. **The provisions of this subdivision shall not be construed to require any health care professional to submit copies of such health care professional's income tax returns to a health carrier. A health carrier may require a health care professional to obtain audited financial statements if such health care professional received ten percent or more of the total medical expenditures made by the health carrier.**

(4) A health carrier shall make its entire network available to all enrollees unless a contract holder has agreed in writing to a different or reduced network.

2. [Beginning July 1, 1998,] A health carrier shall file with the director, in a manner and form defined by rule of the department of insurance, an access plan meeting the requirements of sections 354.600 to 354.636 for each of the managed care plans that the **health** carrier offers in this state. The health carrier may request the director to deem sections of the access plan as proprietary or competitive information that shall not be made public. For the purposes of this section, information is proprietary or competitive if revealing the information will cause the health carrier's competitors to obtain valuable business information. The health carrier shall provide such plans, absent any information deemed by the director to be proprietary, to any interested party upon request. The **health** carrier shall prepare an access plan prior to offering a new managed care plan, and shall update an existing access plan whenever it makes any change as defined by the director to an existing managed care plan. The director shall approve or disapprove the access plan, or any subsequent alterations to the access plan, within sixty days of filing. The access plan shall describe or contain at a minimum the following:

- (1) The health carrier's network;
- (2) The health carrier's procedures for making referrals within and outside its network;
- (3) The health carrier's process for monitoring and assuring on an ongoing basis the sufficiency of the network to meet the health care needs of enrollees of the managed care plan;
- (4) The health carrier's methods for assessing the health care needs of enrollees and their satisfaction with services;
- (5) The health carrier's method of informing enrollees of the plan's services and features, including but not limited to, the plan's grievance procedures, its process for choosing and changing [providers] **health care professionals**, and its procedures for providing and approving emergency and specialty care;
- (6) The health carrier's system for ensuring the coordination and continuity of care for enrollees referred to specialty physicians, for enrollees using ancillary services, including social services and other community resources, and for ensuring appropriate discharge planning;
- (7) The health carrier's process for enabling enrollees to change primary care professionals;
- (8) The health carrier's proposed plan for providing continuity of care in the event of contract termination between the health carrier and any of its participating [providers] **health care professionals**, in the event of a reduction in service area or in the event of the health carrier's insolvency or other inability to continue operations. The description shall explain how enrollees shall be notified of the contract termination, reduction in service area or the health carrier's insolvency or other modification or cessation of operations, and transferred to other [providers] **health care professionals** in a timely manner; and

(9) Any other information required by the director to determine compliance with the provisions of sections 354.600 to 354.636.

354.606. 1. A health carrier shall establish a mechanism by which the participating provider shall be notified on an ongoing basis of the specific covered health services for which the provider shall be responsible, including any limitations or conditions on services.

2. Every contract between a health carrier and a participating provider shall set forth a hold harmless provision specifying protection for enrollees. This requirement shall be met by including a provision substantially similar to the following:

"Provider agrees that in no event, including but not limited to nonpayment by the health carrier or intermediary, insolvency of the health carrier or intermediary, or breach of this agreement, shall the provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from, or have any recourse against an enrollee or a person, other than the health carrier or intermediary, acting on behalf of the enrollee for services provided pursuant to this agreement. This agreement shall not prohibit the provider from collecting coinsurance, deductibles or co-payments, as specifically provided in the evidence of coverage, or fees for uncovered services delivered on a fee-for-service basis to enrollees. This agreement shall not prohibit a provider, except for a health care professional who is employed full time on the staff of a health carrier and has agreed to provide service exclusively to that health carrier's enrollees and no others, and an enrollee from agreeing to continue services solely at the expense of the enrollee, as long as the provider has clearly informed the enrollee that the health carrier may not cover or continue to cover a specific service or services. Except as provided herein, this agreement does not prohibit the provider from pursuing any available legal remedy; including, but not limited to, collecting from any insurance carrier providing coverage to a covered person."

3. Every contract between a health carrier and a participating provider shall set forth that in the event of a health carrier's or intermediary's insolvency or other cessation of operations, covered services to enrollees shall continue through the period for which a premium has been paid to the health carrier on behalf of the enrollee or until the enrollee's discharge from an inpatient facility, whichever time is greater.

4. The contract provisions satisfying the requirements of subsections 2 and 3 of this section shall:

- (1) Be construed in favor of the enrollee;
- (2) Survive the termination of the contract regardless of the reason for termination, including the insolvency of the health carrier; and
- (3) Supersede any oral or written contrary agreement between a provider and an enrollee or the representative of an enrollee if the contrary agreement is inconsistent with the hold harmless and continuation of covered services provisions required by subsections 2 and 3 of this section.

5. In no event shall a participating provider collect or attempt to collect from an enrollee any money owed to the provider by the health carrier nor shall a participating provider collect or attempt to collect from an enrollee any money in excess of the coinsurance, co-payments or deductibles. Failure of a health carrier to make timely payment of an amount owed to a provider in accordance with the provider's contract shall constitute an unfair claims settlement practice subject to sections 375.1000 to 375.1018, RSMo.

6. (1) A health carrier shall develop selection standards for participating primary care professionals and each participating health care professional specialty. Such standards shall be in writing and used in determining the selection of health care professionals by the health carrier, its intermediaries and any provider networks with which it contracts. Selection criteria shall not be established in a manner that will:

(a) Allow a health carrier to avoid a high-risk population by excluding a provider because such provider is located in a geographic area that contains a population presenting a risk of higher than average claims, losses or health services utilization; or

(b) Exclude a provider because such provider treats or specializes in treating a population presenting a risk of higher than average claims, losses or health services utilization.

(2) Paragraphs (a) and (b) of subdivision (1) of this subsection shall not be construed to prohibit a health carrier from declining to select a provider who fails to meet the other legitimate selection criteria of the health carrier developed in compliance with sections 354.600 to 354.636.

(3) The provisions of sections 354.600 to 354.636 shall not require a health carrier, its intermediaries or the provider networks with which it contracts, to employ specific providers or types of providers, or to contract with or retain more providers or types of providers than are necessary to maintain an adequate network.

7. A health carrier shall file its selection standards for participating providers with the director. A health carrier shall also file any subsequent changes to its selection standards with the director. The selection standards shall be made available to licensed health care providers.

8. A health carrier shall notify a participating provider of the provider's responsibilities with respect to the health carrier's applicable administrative policies and programs, including but not limited to payment terms, utilization review, quality assessment and improvement programs, credentialing, grievance procedures, data reporting requirements, confidentiality requirements and any applicable federal or state programs.

**9. No contract between a health carrier and a provider for the delivery of health care service, entered into or renewed after August 28, 2001, shall require the mandatory use of a hospitalist. For purposes of this subsection, "hospitalist" means a physician who becomes a physician of record at a hospital for a patient of a participating provider and who may return the care of the patient to that participating provider at the end of hospitalization.**

[9.] **10.** A health carrier shall not offer an inducement under the managed care plan to a provider to provide less than medically necessary services to an enrollee.

[10.] **11.** A health carrier shall not prohibit a participating provider from advocating in good faith on behalf of enrollees within the utilization review or grievance processes established by the health carrier or a person contracting with the health carrier.

[11.] **12.** A health carrier shall require a provider to make health records available to appropriate state and federal authorities involved in assessing the quality of care but shall not disclose individual identities, or investigating the grievances or complaints of enrollees, and to comply with the applicable state and federal laws related to the confidentiality of medical or health records.

[12.] **13.** The rights and responsibilities of a provider under a contract between a health carrier and a participating provider shall not be assigned or delegated by the provider without the prior written consent of the health carrier.

[13.] **14.** A health carrier shall be responsible for ensuring that a participating provider furnishes covered benefits to all enrollees without regard to the enrollee's enrollment in the plan as a private purchaser of the plan or as a participant in a publicly financed program of health care service.

[14.] **15.** A health carrier shall notify the participating providers of their obligations, if any, to collect applicable coinsurance, co-payments or deductibles from enrollees pursuant to the evidence of coverage, or of the providers' obligations, if any, to notify enrollees of their personal financial obligations for noncovered services.

[15.] **16.** A health carrier shall not penalize a provider because the provider, in good faith, reports to state or federal authorities any act or practice by the health carrier that may jeopardize patient health or welfare.

[16.] **17.** A health carrier shall establish a mechanism by which a participating provider may determine in a timely manner whether a person is covered by the carrier.

[17.] **18.** A health carrier shall not discriminate between health care professionals when selecting such professionals for enrollment in the network or when referring enrollees for health care services to be provided by such health care professional who is acting within the scope of his professional license.

[18.] **19.** A health carrier shall establish procedures for resolution of administrative, payment or other disputes between providers and the health carrier.

[19.] **20.** A contract between a health carrier and a provider shall not contain definitions or other provisions that conflict with the definitions or provisions contained in the managed care plan or sections 354.600 to 354.636.

376.383. 1. To the extent consistent with the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. 1001, et seq., this section shall apply to any health [insurer] **carrier** as defined in section [376.806, any nonprofit health service plan and any health maintenance organization] **376.1350.**

2. Within [forty-five] **thirty** days after receipt of a claim **by a health carrier or a third party claims administrator contracted with said health carrier to receive or process the claim** for reimbursement [from a person entitled to reimbursement] **for a health care service provided in this state as defined in section 376.1350,** a health [insurer, nonprofit health service plan or health maintenance organization] **carrier** shall pay the claim in accordance with this section or send a notice of receipt and status of the claim that states:

(1) That the [insurer, nonprofit health service plan or health maintenance organization] **health carrier** refuses to reimburse all or part of the claim and the reason for the refusal; or

(2) That **a request for** additional information is necessary to determine if all or part of the claim will be reimbursed and what specific additional information is necessary[.] **to process the claim for payment. The health carrier must acknowledge receipt to the health care professional or entity that submitted the claim of all the requested additional information. Payment or denial of the claim shall constitute acknowledgment. Acknowledgment may be through electronic means.**

**3. Within forty-five days after receipt of a claim by a health carrier or a third party claims administrator**

contracted with said health carrier to receive or process the claim for reimbursement for a health care service provided in this state as defined in section 376.1350, a health carrier shall pay the claim in accordance with this section or send a notice of receipt and status of the claim that states:

- (1) That the health carrier refuses to reimburse all or part of the claim and the reason for refusal; or
- (2) That a final request for additional information is necessary to determine if all or part of the claim will be reimbursed and what specific additional information is necessary to process the claim for payment. The health carrier must acknowledge receipt to the health care professional or entity that submitted the claim of the requested additional information within five working days.

[3.] 4. If [an insurer, nonprofit health service plan or health maintenance organization] a health carrier fails to comply with subsection 2 or 3 of this section, the [insurer, nonprofit health service plan or health maintenance organization] health carrier shall pay interest on the amount of the claim that remains unpaid forty-five days after the claim is [filed] received by the health carrier or a third party claims administrator contracted with said health carrier to receive or process the claim at the monthly rate of one percent. The interest paid pursuant to this subsection shall be included in any late reimbursement without the necessity for the person that filed the original claim to make an additional claim for that interest. A carrier may combine interest payments and make payment once the aggregated amount reaches five dollars.

5. All claims shall be deemed complete claims upon receipt until such time as it is determined that additional information is required in order to pay the claim. If additional information is requested pursuant to subsection 2 or 3 of this section, the claim shall again be deemed complete upon receipt of all additional information requested. For the purpose of calculating the number of days pursuant to this section, the counting of days shall begin on the day the claim is received by the health carrier or a third party claims administrator contracted with said health carrier to receive or process the claim. The counting of days shall be suspended the day following the day the health carrier sends a request for additional information pursuant to this section and the counting of days shall resume once all additional information requested is received by the health carrier or a third party claims administrator contracted with said health carrier to receive or process the claim. All requests for additional information may be made electronically.

[4.] 6. Within [ten] sixty days after the day on which [all additional information is received] a claim is received by [an insurer, nonprofit health service plan or health maintenance organization] a health carrier or a third party claims administrator contracted with said health carrier to receive or process the claim, [it] said health carrier shall pay the claim in accordance with this section or send a written notice that:

5. A provider who is paid interest under this section shall pay the proportionate amount of said interest to the enrollee or insured to the extent and for the time period that the enrollee or insured had paid for the services and for which reimbursement was due to the insured or enrollee.

6.] 7. The failure of the health carrier to receive all requested information pursuant to subsection 2 or 3 of this section by the one hundred twentieth day after the initial receipt of the original claim, including any suspended days accrued pursuant to subsection 5 of this section, may be a proper ground for denying all or part of the claim.

8. If a health carrier fails to pay or deny a claim pursuant to the requirements of this section, the health carrier shall pay a penalty in the amount of ten dollars per day for each day each unpaid claim, interest or penalty remains unpaid. The penalty imposed by this subsection shall not exceed triple the amount of the unpaid claim. The penalty shall cease to accrue after thirty days, unless prior to such date, but after the penalty period commences, the provider sends notice by certified mail, return receipt requested, of the unpaid claim. Said notice shall identify the claim in question.

9. The interest and penalties prescribed by this section shall not apply to any claim which is the subject of an action filed in a court of competent jurisdiction or is appealed pursuant to sections 376.1350 to 376.1390, RSMo, or similar federal laws or regulations, or if a claim is under active investigation for fraud, as such term is defined in 42 CFR 447.45(b).

10. In any civil action filed pursuant to this section, the court may order the payment of reasonable attorney's fees and court costs. If such action is dismissed on the grounds that it was frivolous, malicious or failed to state a claim upon which relief may be granted, the court shall order reasonable attorney's fees and

court costs to the defendant.

A health carrier shall maintain a network that is sufficient in number and types of [providers] **health care professionals** to assure that all services to enrollees shall be accessible without unreasonable delay. In the case of emergency services, enrollees shall have access twenty-four hours per day, seven days per week. The health carrier's medical director shall be responsible for the sufficiency and supervision of the health carrier's network. Sufficiency shall be determined by the director in accordance with the requirements of this section and by reference to any reasonable criteria, including but not limited to, provider-enrollee ratios by specialty, primary care provider-enrollee ratios, geographic accessibility, reasonable distance accessibility criteria for pharmacy and other services, waiting times for appointments with participating [providers] **health care professionals**, hours of operation, and the volume of technological and specialty services available to serve the needs of enrollees requiring technologically advanced or specialty care.

- (1) In any case where the health carrier has an insufficient number or type of participating [providers] **health**

**care professionals** to provide a covered benefit, the health carrier shall ensure that the enrollee obtains the covered benefit at no greater cost than if the benefit was obtained from a participating [provider] **health care professional**, or shall make other arrangements acceptable to the director.

(2) The health carrier shall establish and maintain adequate arrangements to ensure reasonable proximity of participating [providers] **health care professional**, including local pharmacists, to the business or personal residence of enrollees. In determining whether a health carrier has complied with this provision, the director shall give due consideration to the relative availability of health care [providers] **professionals** in the service area under, especially rural areas, consideration.

(3) A health carrier shall monitor, on an ongoing basis, the ability, clinical capacity[, financial capability] and legal authority of its [providers] **health care professionals** to furnish all contracted benefits to enrollees. **The provisions of this subdivision shall not be construed to require any health care professional to submit copies of such health care professional's income tax returns to a health carrier. A health carrier may require a health care professional to obtain audited financial statements if such health care professional received ten percent or more of the total medical expenditures made by the health carrier.**

(4) A health carrier shall make its entire network available to all enrollees unless a contract holder has agreed in writing to a different or reduced network.

2. [Beginning July 1, 1998,] A health carrier shall file with the director, in a manner and form defined by rule of the department of insurance, an access plan meeting the requirements of sections 354.600 to 354.636 for each of the managed care plans that the **health** carrier offers in this state. The health carrier may request the director to deem sections of the access plan as proprietary or competitive information that shall not be made public. For the purposes of this section, information is proprietary or competitive if revealing the information will cause the health carrier's competitors to obtain valuable business information. The health carrier shall provide such plans, absent any information deemed by the director to be proprietary, to any interested party upon request. The **health** carrier shall prepare an access plan prior to offering a new managed care plan, and shall update an existing access plan whenever it makes any change as defined by the director to an existing managed care plan. The director shall approve or disapprove the access plan, or any subsequent alterations to the access plan, within sixty days of filing. The access plan shall describe or contain at a minimum the following:

- (1) The health carrier's network;
- (2) The health carrier's procedures for making referrals within and outside its network;
- (3) The health carrier's process for monitoring and assuring on an ongoing basis the sufficiency of the network to meet the health care needs of enrollees of the managed care plan;
- (4) The health carrier's methods for assessing the health care needs of enrollees and their satisfaction with services;
- (5) The health carrier's method of informing enrollees of the plan's services and features, including but not limited to, the plan's grievance procedures, its process for choosing and changing [providers] **health care professionals**, and its procedures for providing and approving emergency and specialty care;
- (6) The health carrier's system for ensuring the coordination and continuity of care for enrollees referred to specialty physicians, for enrollees using ancillary services, including social services and other community resources, and for ensuring appropriate discharge planning;
- (7) The health carrier's process for enabling enrollees to change primary care professionals;
- (8) The health carrier's proposed plan for providing continuity of care in the event of contract termination between the health carrier and any of its participating [providers] **health care professionals**, in the event of a reduction in service area or in the event of the health carrier's insolvency or other inability to continue operations. The description shall explain how enrollees shall be notified of the contract termination, reduction in service area or the health carrier's insolvency or other modification or cessation of operations, and transferred to other [providers] **health care professionals** in a timely manner; and
- (9) Any other information required by the director to determine compliance with the provisions of sections 354.600 to 354.636.

354.606. 1. A health carrier shall establish a mechanism by which the participating provider shall be notified on an ongoing basis of the specific covered health services for which the provider shall be responsible, including any limitations or conditions on services.

2. Every contract between a health carrier and a participating provider shall set forth a hold harmless provision specifying protection for enrollees. This requirement shall be met by including a provision substantially similar to the following:

"Provider agrees that in no event, including but not limited to nonpayment by the health carrier or intermediary, insolvency of the health carrier or intermediary, or breach of this agreement, shall the provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from, or have any recourse against an enrollee or a person, other than the health carrier or intermediary, acting on behalf of the enrollee for services provided pursuant to this agreement. This agreement shall not prohibit the provider from collecting coinsurance, deductibles or co-payments, as specifically provided in the evidence of coverage, or fees for uncovered services delivered on a fee-for-service basis to enrollees. This agreement shall not prohibit a provider, except for a health care professional who is employed full time on the staff of a health carrier and has agreed to provide service exclusively to that health carrier's enrollees and no others, and an enrollee from agreeing to continue services solely at the expense of the enrollee, as long as the provider has clearly informed the enrollee that the health carrier may not cover or continue to cover a specific service or services. Except as provided herein, this agreement does not prohibit the provider from pursuing any available legal remedy; including, but not limited to, collecting from any insurance carrier providing coverage to a covered person."

3. Every contract between a health carrier and a participating provider shall set forth that in the event of a health carrier's or intermediary's insolvency or other cessation of operations, covered services to enrollees shall continue through the period for which a premium has been paid to the health carrier on behalf of the enrollee or until the enrollee's discharge from an inpatient facility, whichever time is greater.

4. The contract provisions satisfying the requirements of subsections 2 and 3 of this section shall:

(1) Be construed in favor of the enrollee;

(2) Survive the termination of the contract regardless of the reason for termination, including the insolvency of the health carrier; and

(3) Supersede any oral or written contrary agreement between a provider and an enrollee or the representative of an enrollee if the contrary agreement is inconsistent with the hold harmless and continuation of covered services provisions required by subsections 2 and 3 of this section.

5. In no event shall a participating provider collect or attempt to collect from an enrollee any money owed to the provider by the health carrier nor shall a participating provider collect or attempt to collect from an enrollee any money in excess of the coinsurance, co-payments or deductibles. Failure of a health carrier to make timely payment of an amount owed to a provider in accordance with the provider's contract shall constitute an unfair claims settlement practice subject to sections 375.1000 to 375.1018, RSMo.

6. (1) A health carrier shall develop selection standards for participating primary care professionals and each participating health care professional specialty. Such standards shall be in writing and used in determining the selection of health care professionals by the health carrier, its intermediaries and any provider networks with which it contracts. Selection criteria shall not be established in a manner that will:

(a) Allow a health carrier to avoid a high-risk population by excluding a provider because such provider is located in a geographic area that contains a population presenting a risk of higher than average claims, losses or health services utilization; or

(b) Exclude a provider because such provider treats or specializes in treating a population presenting a risk of higher than average claims, losses or health services utilization.

(2) Paragraphs (a) and (b) of subdivision (1) of this subsection shall not be construed to prohibit a health carrier from declining to select a provider who fails to meet the other legitimate selection criteria of the health carrier developed in compliance with sections 354.600 to 354.636.

(3) The provisions of sections 354.600 to 354.636 shall not require a health carrier, its intermediaries or the provider networks with which it contracts, to employ specific providers or types of providers, or to contract with or retain more providers or types of providers than are necessary to maintain an adequate network.

7. A health carrier shall file its selection standards for participating providers with the director. A health carrier shall also file any subsequent changes to its selection standards with the director. The selection standards shall be made available to licensed health care providers.

8. A health carrier shall notify a participating provider of the provider's responsibilities with respect to the health carrier's applicable administrative policies and programs, including but not limited to payment terms, utilization review, quality assessment and improvement programs, credentialing, grievance procedures, data reporting requirements, confidentiality requirements and any applicable federal or state programs.

**9. No contract between a health carrier and a provider for the delivery of health care service, entered into or renewed after August 28, 2001, shall require the mandatory use of a hospitalist. For purposes of this subsection, "hospitalist" means a physician who becomes a physician of record at a hospital for a patient of a participating provider and who may return the care of the patient to that participating provider at the end of**

**hospitalization.**

[9.] **10.** A health carrier shall not offer an inducement under the managed care plan to a provider to provide less than medically necessary services to an enrollee.

[10.] **11.** A health carrier shall not prohibit a participating provider from advocating in good faith on behalf of enrollees within the utilization review or grievance processes established by the health carrier or a person contracting with the health carrier.

[11.] **12.** A health carrier shall require a provider to make health records available to appropriate state and federal authorities involved in assessing the quality of care but shall not disclose individual identities, or investigating the grievances or complaints of enrollees, and to comply with the applicable state and federal laws related to the confidentiality of medical or health records.

[12.] **13.** The rights and responsibilities of a provider under a contract between a health carrier and a participating provider shall not be assigned or delegated by the provider without the prior written consent of the health carrier.

[13.] **14.** A health carrier shall be responsible for ensuring that a participating provider furnishes covered benefits to all enrollees without regard to the enrollee's enrollment in the plan as a private purchaser of the plan or as a participant in a publicly financed program of health care service.

[14.] **15.** A health carrier shall notify the participating providers of their obligations, if any, to collect applicable coinsurance, co-payments or deductibles from enrollees pursuant to the evidence of coverage, or of the providers' obligations, if any, to notify enrollees of their personal financial obligations for noncovered services.

[15.] **16.** A health carrier shall not penalize a provider because the provider, in good faith, reports to state or federal authorities any act or practice by the health carrier that may jeopardize patient health or welfare.

[16.] **17.** A health carrier shall establish a mechanism by which a participating provider may determine in a timely manner whether a person is covered by the carrier.

[17.] **18.** A health carrier shall not discriminate between health care professionals when selecting such professionals for enrollment in the network or when referring enrollees for health care services to be provided by such health care professional who is acting within the scope of his professional license.

[18.] **19.** A health carrier shall establish procedures for resolution of administrative, payment or other disputes between providers and the health carrier.

[19.] **20.** A contract between a health carrier and a provider shall not contain definitions or other provisions that conflict with the definitions or provisions contained in the managed care plan or sections 354.600 to 354.636.

354.618. 1. A health carrier shall be required to offer as an additional health plan, an open referral health plan whenever it markets a gatekeeper group plan as an exclusive or full replacement health plan offering to a group contract holder:

(1) In the case of group health plans offered to employers of fifty or fewer employees, the decision to accept or reject the additional open referral plan offering shall be made by the group contract holder. For health plans marketed to employers of over fifty employees, the decision to accept or reject shall be made by the employee;

(2) Contracts currently in existence shall offer the additional open referral health plan at the next annual renewal after August 28, 1997; however, multiyear group contracts need not comply until the expiration of their current multiyear term unless the group contract holder elects to comply before that time;

(3) If an employer provides more than one health plan to its employees and at least one is an open referral plan, then all health benefit plans offered by such employer shall be exempt from the requirements of this section.

2. For the purposes of this [act] **section**, the following terms shall mean:

(1) "Open referral plan", a plan in which the enrollee is allowed to obtain treatment for covered benefits without a referral from a primary care physician from any person licensed to provide such treatment;

(2) "Gatekeeper group plan", a plan in which the enrollee is required to obtain a referral from a primary care professional in order to access specialty care.

3. Any health benefit plan provided pursuant to the Medicaid program shall be exempt from the requirements of this section.

4. [A health carrier shall have a procedure by which a female enrollee may seek the health care services of an obstetrician/gynecologist at least once a year without first obtaining prior approval from the enrollee's primary care provider if the benefits are covered under the enrollee's health benefit plan, and the obstetrician/gynecologist is a member of the health carrier's network.] **Each health carrier or health benefit plan that offers or issues health benefit plans providing obstetrical/gynecological benefits which are delivered, issued for delivery, continued or renewed in this state on or after January 1, 2002, shall provide enrollees with direct access to the services of a**

participating obstetrician, participating gynecologist or participating obstetrician/gynecologist of her choice within the provider network for covered services. The services covered by this subsection shall be limited to those services defined by the published recommendations of the accreditation council for graduate medical education for training an obstetrician, gynecologist or obstetrician/gynecologist, including but not limited to diagnosis, treatment and referral for such services. A health carrier shall not impose additional co-payments, coinsurance, or deductibles upon any enrollee who seeks or receives health care services pursuant to this subsection, unless similar additional co-payments, coinsurance, or deductibles are imposed for other types of health care services received within the provider network. Nothing in this subsection shall be construed to conflict with section 376.805, RSMo. In no event shall a health carrier be required to permit an enrollee to have health care services delivered by a nonparticipating obstetrician/gynecologist. An obstetrician/gynecologist who delivers health care services directly to an enrollee shall report such visit and health care services provided to the enrollee's primary care provider. [A health carrier may require an enrollee to obtain a referral from the primary care physician, if such enrollee requires more than one annual visit with an obstetrician/gynecologist.]

5. Except for good cause, a health carrier shall be prohibited either directly, or indirectly through intermediaries, from discriminating between eye care providers when selecting among providers of health services for enrollment in the network and when referring enrollees for health services provided within the scope of those professional licenses and when reimbursing amounts for covered services among persons duly licensed to provide such services. For the purposes of this section, an eye care provider may be either an optometrist licensed pursuant to chapter 336, RSMo, or a physician who specializes in [ophthalmologic] **ophthalmologic** medicine, licensed pursuant to chapter 334, RSMo.

6. Nothing contained in this section shall be construed as to require a health carrier to pay for health care services not provided for in the terms of a health benefit plan.

7. Any health carrier, which is sponsored by a federally qualified health center and is presently in existence and which has been in existence for less than three years shall be exempt from this section for a period not to exceed two years from August 28, 1997.

8. A health carrier shall not be required to offer the direct access rider for a group contract holder's health benefit plan if the health benefit plan is being provided pursuant to the terms of a collective bargaining agreement with a labor union, in accordance with federal law and the labor union has declined such option on behalf of its members.

9. Nothing in this [act] **section** shall be construed to preempt the employer's right to select the health care provider pursuant to section 287.140, RSMo, in a case where an employee incurs a work-related injury covered by the provisions of chapter 287, RSMo.

10. Nothing contained in this [act] **section** shall apply to certified managed care organizations while providing medical treatment to injured employees entitled to receive health benefits [under] **pursuant to the provisions of** chapter 287, RSMo, pursuant to contractual arrangements with employers, or their insurers, [under] **pursuant to** section 287.135, RSMo.

376.383. 1. To the extent consistent with the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. 1001, et seq., this section shall apply to any health [insurer] **carrier** as defined in section [376.806, any nonprofit health service plan and any health maintenance organization] **376.1350**.

2. Within [forty-five] **thirty** days after receipt of a claim **by a health carrier or a third party contracted with said health carrier to receive or process the claim** for reimbursement [from a person entitled to reimbursement] **for a health care service provided in this state as defined in section 376.1350**, a health [insurer, nonprofit health service plan or health maintenance organization] **carrier** shall pay the claim in accordance with this section or send a notice of receipt and status of the claim that states:

(1) That the [insurer, nonprofit health service plan or health maintenance organization] **health carrier** refuses to reimburse all or part of the claim and the reason for the refusal; or

(2) That **a request for** additional information is necessary to determine if all or part of the claim will be reimbursed and what specific additional information is necessary[.] **to process the entire claim for payment. The health carrier must acknowledge receipt to the health care professional or entity that submitted the claim of all the requested additional information or pay the claim. Acknowledgment may be through electronic means.**

3. Within forty-five days after receipt of a claim **by a health carrier or a third party contracted with said health carrier to receive or process the claim for reimbursement for a health care service provided in this state as defined in section 376.1350**, a health carrier shall pay the claim in accordance with this section or send a notice of receipt and status of the claim that states:

- (1) That the health carrier refuses to reimburse all or part of the claim and the reason for refusal; or
- (2) That a final request for additional information is necessary to determine if all or part of the claim will

**be reimbursed and what specific additional information is necessary to process the entire claim for payment. The health carrier must acknowledge receipt to the health care professional or entity that submitted the claim of the requested additional information within five working days.**

[3.] **4.** If [an insurer, nonprofit health service plan or health maintenance organization] a **health carrier** fails to comply with subsection 2 or 3 of this section, the [insurer, nonprofit health service plan or health maintenance organization] **health carrier** shall pay interest on the amount of the claim that remains unpaid forty-five days after the claim is [filed] **received by the health carrier or a third party contracted with said health carrier to receive or process the claim** at the monthly rate of one percent. The interest paid pursuant to this subsection shall be included in any late reimbursement without the necessity for the person that filed the original claim to make an additional claim for that interest. **A carrier may combine interest payments and make payment once the aggregated amount reaches five dollars.**

**5.** All claims shall be deemed complete claims upon receipt until such time as it is determined that additional information is required in order to pay the claim. If additional information is requested pursuant to subsection 2 or 3 of this section, the claim shall again be deemed complete upon receipt of all additional information requested. For the purpose of calculating the number of days pursuant to this section, the counting of days shall begin on the day the claim is received by the health carrier or a third party contracted with said health carrier to receive or process the claim. The counting of days shall be suspended the day following the day the health care professional receives a request for additional information pursuant to this section and the counting of days shall resume again once all the additional information requested is received by the health carrier or a third party contracted with said health carrier to receive or process the claim. All requests for additional information may be made electronically.

[4.] **6.** Within [ten] **sixty** days after the day on which [all additional information is received] a **claim is received** by [an insurer, nonprofit health service plan or health maintenance organization] a **health carrier or a third party contracted with said health carrier to receive or process the claim**, [it] **said health carrier** shall pay the claim in accordance with this section or send a written notice that:

- (1) States refusal to reimburse the claim or any part of the claim; and
- (2) Specifies each reason for denial.

[An insurer, nonprofit health service plan or health maintenance organization that fails to comply with this subsection shall pay interest on any amount of the claim that remains unpaid at the monthly rate of one percent.]

**7.** The failure of the health care professional to provide and the health carrier to receive all requested information pursuant to subsection 2 or 3 of this section by the one hundred twentieth day after the initial receipt of the original claim may be a proper ground for denying all or part of the claim.

**8.** A health carrier that fails to pay or deny a claim pursuant to the requirements of this section shall pay, in addition to interest, a penalty prescribed by this subsection. Beginning January 1, 2002, for a claim received by a health carrier or a third party contracted with said health carrier to receive or process the claim which is not paid or denied as required by this section, a penalty shall accrue in the amount of forty dollars per day for each day all or part of the claim, interest in excess of five dollars, or penalty remains unpaid. If such claim and interest are paid in their entirety prior to day sixty, then no penalty shall accrue.

**9.** The penalties prescribed by this section shall cease to accrue if, within thirty days after penalties begin to accrue, the health care professional fails to notify the health carrier that all or part of the claim, interest or penalty remains unpaid. Such notification shall reference the claim or claims in question.

[5. A provider who is paid interest under this section shall pay the proportionate amount of said interest to the enrollee or insured to the extent and for the time period that the enrollee or insured had paid for the services and for which reimbursement was due to the insured or enrollee.

6.] **10.** This section shall become effective [April 1, 1999] **January 1, 2002.**

**11.** Nothing in this section shall apply to workers' compensation claims filed pursuant to chapter 287, RSMo.

**376.384. 1.** For purposes of this section, "health care professional" means the same as such term is defined in section 376.1350 and "health carrier" means the same as such term is defined in section 376.1350. Any health carrier shall:

- (1) Permit health care professionals to file a claim for reimbursement for a health care service provided in this state as defined in section 376.1350 for a period of up to one hundred eighty days from the date of service;
- (2) Not request a refund or offset against a claim more than one hundred eighty days after a carrier has paid a claim except in cases of fraud or material misrepresentation by the health care professional;

(3) The health carrier shall, upon request, provide any contracted health care professional with a fee schedule with the carrier's reimbursement rates for no less than thirty procedure codes for the most commonly performed services for which the health care professional is contracted to provide;

(4) Issue within one working day a confirmation of receipt of an electronically filed claim by a health care professional or entity that submitted the claim, unless the claim is paid during such time.

2. On or after January 1, 2003, all claims submitted electronically for reimbursement for a health care service provided in this state shall be submitted in a uniform format utilizing standard medical code sets. The uniform format and the standard medical code sets shall be promulgated by the department of insurance through rules consistent with but no more stringent than the federal administrative simplification standards adopted pursuant to the Health Insurance Portability and Accountability Act of 1996. Any claim submitted in a nonelectronic format after January 1, 2002, shall not be subject to the provisions of subsection 8 of section 376.383; however, interest shall accrue on claims filed in a nonelectronic format that are not paid or denied in accordance with section 376.383. A health carrier shall provide electronic filing after January 1, 2002.

3. Nothing in this section shall apply to workers' compensation claims filed pursuant to chapter 287, RSMo.

376.406. 1. All [individual and group health insurance policies providing coverage on an expense incurred basis, individual and group service or indemnity type contracts issued by a nonprofit corporation, and all self-insured group health benefit plans, of any type or description,] **health benefit plans, as defined in section 376.1350**, which provide coverage for a family member of [the insured or subscriber] **an enrollee** shall, as to such family member's coverage, also provide that the health [insurance] benefits applicable for children shall be payable with respect to a newly born child of the [insured or subscriber] **enrollee** from the moment of birth.

2. The coverage for newly born children shall consist of coverage of injury or sickness including the necessary care and treatment of medically diagnosed congenital defects and birth abnormalities.

3. If payment of a specific premium or subscription fee is required to provide coverage for a child, the [policy or contract] **health benefit plan** may require that notification of birth of a newly born child and payment of the required premium or fees must be furnished to the [insurer or nonprofit service or indemnity corporation] **health carrier** within thirty-one days after the date of birth in order to have the coverage continue beyond such thirty-one day period. **If an application or other form of enrollment is required in order to continue coverage beyond the thirty-one-day period after the date of birth and the enrollee has notified the health carrier of the birth, either orally or in writing, the health carrier shall, upon notification, provide the enrollee with all forms and instructions necessary to enroll the newly born child and shall allow the enrollee an additional ten days from the date the forms and instructions are provided in which to enroll the newly born child.**

4. The requirements of this section shall apply to all [insurance policies and subscriber contracts] **health benefit plans** delivered or issued for delivery in this state [more than one hundred twenty days after August 13, 1974] **on or after August 28, 2001.**

5. For the purposes of this section, any review, renewal, extension, or continuation of any [plan, policy, or contract] **health benefit plan** or of any of the terms, premiums, or subscriptions of the [plan, policy, or contract] **health benefit plan** shall constitute a new delivery or issuance for delivery of the [plan, policy or contract] **health benefit plan.**

6. As used in this section, the terms "health benefit plan", "health carrier" and "enrollee" shall have the same meaning as defined in section 376.1350.

376.419. 1. As used in this section, the term "hold harmless clause" means a contractual arrangement whereby a health care provider assumes the sole liability inherent in the provision of health care services, thereby relieving an insurer from such liability; except that, nothing in this section shall be construed to apply to any clause in the contract prohibiting providers from balance billing the enrollee or his or her family for any amount in excess of the amount provided for in the contract between the provider and the carrier. For purposes of this section, "health care provider" or "provider" means a health care professional or facility.

2. Except to the extent preempted by the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. 1001, et seq., this section shall apply to any health carrier, as defined in section 376.1350.

3. Any contract between a health care provider and a health carrier entered into after the effective date of this section shall include a clause that states that each party shall be responsible for any and all claims, liabilities, damages or judgments which may arise as a result of its own negligence or intentional wrongdoing. Each party signatory to the contract shall hold harmless and indemnify the other party against any claims, liabilities, damages or judgments which may be asserted against, imposed upon or incurred by the other party as a result of the first party's negligence or intentional wrongdoing.

376.893. 1. Within sixty days of legal separation or the entry of a decree of dissolution of marriage or prior to the expiration of a thirty- six month federal Consolidated Omnibus Budget Reconciliation Act (COBRA) continuation period covering a legally separated or divorced spouse, if such spouse has elected and maintained such COBRA coverage, a legally separated or divorced spouse eligible for continued coverage [under] **pursuant to** section 376.892 who seeks such coverage shall give the plan administrator written notice of the legal separation or dissolution. The notice shall include the mailing address of the legally separated or divorced spouse.

2. Within thirty days of the death of a certificate holder whose surviving spouse is eligible for continued coverage [under] **pursuant to** section 376.892 or prior to the expiration of a thirty-six month federal Consolidated Omnibus Budget Reconciliation Act (COBRA) continuation period covering such surviving spouse, if such spouse has elected and maintained such COBRA coverage, the group policyholder shall give the plan administrator written notice of the death and of the mailing address of the surviving spouse.

3. Within fourteen days of receipt of notice [under] **pursuant to** subsection 1 or 2 of this section, the plan administrator shall notify the legally separated, divorced or surviving spouse that the policy may be continued. The notice shall be mailed to the mailing address provided to the plan administrator and shall include:

(1) A form for election to continue the coverage;

(2) A statement of the amount of periodic premiums to be charged for the continuation of coverage and of the method and place of payment; [and]

(3) Instructions for returning the election form by mail within sixty days after the date of mailing of the notice by the plan administrator; **and**

**(4) Notice that if insurance is continued the insurer is required to provide both parents of a covered child with coverage information upon request regardless of whether the parent is the primary policyholder pursuant to section 376.895.**

4. Failure of the legally separated, divorced or surviving spouse to exercise the election in accordance with subsection 3 of this section shall terminate the right to continuation of benefits.

5. If a plan administrator was properly notified pursuant to the provisions of subsection 1 or 2 of this section and fails to notify the legally separated, divorced or surviving spouse as required by subsection 3 of this section, such spouse's coverage shall continue in effect, and such spouse's obligation to make any premium payment for continuation coverage [under] **pursuant to** sections 376.891 to 376.894 shall be postponed for the period of time beginning on the date the spouse's coverage would otherwise terminate and ending thirty-one days after the date the plan administrator provides the required notice. Failure or delay by a plan administrator in providing the notice required by this section shall not reduce, eliminate or postpone the plan sponsor's obligation to pay premiums on behalf of such legally separated, divorced or surviving spouse to the plan administrator during such period.

6. The provisions of sections 376.891 to 376.894 apply only to employers with twenty or more employees and any policy, contract or plan with twenty or more certificate holders.

**376.895. Any health carrier, as defined in section 376.1350, providing coverage for a child with parents who are legally separated or divorced shall provide upon request coverage information regarding such child to both parents regardless of whether the inquiring parent is the primary policyholder.";** and

BE IT FURTHER RESOLVED that the members of the House of Representatives of the Ninetieth General Assembly, Second Regular Session, the Senate concurring therein, hereby commend the Women In Government organization for its leadership and enterprise in bringing to Missouri the appropriate urgency of need and meaningful steps that can be taken to attain the improved and equal access for women to quality health care, technologies and treatments, education of researchers about gender differences, and unimpeded access to women's health providers; and

*Senate Amendment No. 3*

AMEND Senate Substitute for House Committee Substitute for House Bill No. 738, Page 1, Section 139.050, Line 14, by inserting immediately before said line the following:

“135.230. 1. The exemption or credit established and allowed by section 135.220 and the credits allowed and established by subdivisions (1), (2), (3) and (4) of subsection 1 of section 135.225 shall be granted with respect to any new business facility located within an enterprise zone for a vested period not to exceed ten years following the date upon which the new business facility commences operation within the enterprise zone and such exemption shall be calculated, for each succeeding year of eligibility, in accordance with the formulas applied in the initial year in which the new business facility is certified as such, subject, however, to the limitation that all such credits allowed in sections 135.225 and 135.235 and the exemption allowed in section 135.220 shall be removed not later than fifteen years after the enterprise zone is designated as such. No credits shall be allowed pursuant to subdivision (1), (2), (3) or (4) of subsection 1 of section 135.225 or section 135.235 and no exemption shall be allowed pursuant to section 135.220 unless the number of new business facility employees engaged or maintained in employment at the new business facility for the taxable year for which the credit is claimed equals or exceeds two or the new business facility is a revenue-producing enterprise as defined in paragraph (d) of subdivision (6) of section 135.200. In order to qualify for either the exemption pursuant to section 135.220 or the credit pursuant to subdivision (4) of subsection 1 of section 135.225, or both, it shall be required that at least thirty percent of new business facility employees, as determined by subsection 4 of section 135.110, meet the criteria established in section 135.240 or are residents of an enterprise zone or some combination thereof, except taxpayers who establish a new business facility by operating a revenue-producing enterprise as defined in paragraph (d) of subdivision (6) of section 135.200 or any taxpayer that is an insurance company that established a new business facility satisfying the requirements of subdivision (8) of section 135.100 located within an enterprise zone after June 30, 1993, and before December 31, 1994, and that employs in excess of three hundred fifty new business facility employees at such facility each tax period for which the credits allowable pursuant to subdivisions (1) to (4) of subsection 1 of section 135.225 are claimed shall not be required to meet such requirement. A new business facility described as SIC 3751 shall be required to employ fifteen percent of such employees instead of the required thirty percent. For the purpose of satisfying the thirty-percent requirement, residents must have lived in the enterprise zone for a period of at least one full calendar month and must have been employed at the new business facility for at least one full calendar month, and persons qualifying because they meet the requirements of section 135.240 must have satisfied such requirement at the time they were employed by the new business facility and must have been employed at the new business facility for at least one full calendar month. The director may temporarily reduce or waive this

requirement for any business in an enterprise zone with ten or less full-time employees, and for businesses with eleven to twenty full-time employees this requirement may be temporarily reduced. No reduction or waiver may be granted for more than one tax period and shall not be renewable. The exemptions allowed in sections 135.215 and 135.220 and the credits allowed in sections 135.225 and 135.235 and the refund established and authorized in section 135.245 shall not be allowed to any "public utility", as such term is defined in section 386.020, RSMo. **For the purposes of achieving the fifteen percent employment requirement set forth in this subsection, a new business facility described as NAICS 336991 may count employees who were residents of the enterprise zone at the time they were employed by the new business facility and for at least ninety days thereafter, regardless of whether such employees continue to reside in the enterprise zone, so long as the employees remain employed by the new business facility and residents of the state of Missouri.**

2. Notwithstanding the provisions of subsection 1 of this section, motor carriers, barge lines or railroads engaged in transporting property for hire or any interexchange telecommunications company that establish a new business facility shall be eligible to qualify for the exemptions allowed in sections 135.215 and 135.220, and the credits allowed in sections 135.225 and 135.235 and the refund established and authorized in section 135.245, except that trucks, truck-trailers, truck semitrailers, rail or barge vehicles or other rolling stock for hire, track, switches, bridges, barges, tunnels, rail yards and spurs shall not constitute new business facility investment nor shall truck drivers or rail or barge vehicle operators constitute new business facility employees.

3. Notwithstanding any other provision of sections 135.200 to 135.256 to the contrary, motor carriers establishing a new business facility on or after January 1, 1993, but before January 1, 1995, may qualify for the tax credits available pursuant to sections 135.225 and 135.235 and the exemption provided in section 135.220, even if such new business facility has not satisfied the employee criteria, provided that such taxpayer employs an average of at least two hundred persons at such facility, exclusive of truck drivers and provided that such taxpayer maintains an average investment of at least ten million **dollars** at such facility, exclusive of rolling stock, during the tax period for which such credits and exemption are being claimed.

4. Any governing authority having jurisdiction of an area that has been designated an enterprise zone may petition the department to expand the boundaries of such existing enterprise zone. The director may approve such expansion if the director finds that:

(1) The area to be expanded meets the requirements prescribed in section 135.207 or 135.210, whichever is applicable;

(2) The area to be expanded is contiguous to the existing enterprise zone; **and**

(3) The number of expansions do not exceed three after August 28, 1994.

5. Notwithstanding the fifteen-year limitation as prescribed in subsection 1 of this section, any governing authority having jurisdiction of an area that has been designated as an enterprise zone by the director, except one designated pursuant to this subsection, may file a petition, as prescribed by the director, for redesignation of such area for an additional period not to exceed seven years following the fifteenth anniversary of the enterprise zone's initial designation date; provided:

(1) The petition is filed with the director within three years prior to the date the tax credits authorized in sections 135.225 and 135.235 and the exemption allowed in section 135.220 are required to be removed pursuant to subsection 1 of this section;

(2) The governing authority identifies and conforms the boundaries of the area to be designated a new enterprise zone to the political boundaries established by the latest decennial census, unless otherwise approved by the director;

(3) The area satisfies the requirements prescribed in subdivisions (3), (4) and (5) of section 135.205 according to the latest decennial census or other appropriate source as approved by the director;

(4) The governing authority satisfies the requirements prescribed in sections 135.210, 135.215 and 135.255;

(5) The director finds that the area is unlikely to support reasonable tax assessment or to experience reasonable economic growth without such designation; and

(6) The director's recommendation that the area be designated as an enterprise zone, is approved by the joint committee on economic development policy and planning, as otherwise required in subsection 3 of section 135.210.

6. Any taxpayer having established a new business facility in an enterprise zone except one designated pursuant to subsection 5 of this section, who did not earn the tax credits authorized in sections 135.225 and 135.235 and the exemption allowed in section 135.220 for the full ten-year period because of the fifteen-year limitation as prescribed in subsection 1 of this section, shall be granted such benefits for ten tax years, less the number of tax years the benefits were claimed or could have been claimed prior to the expiration of the original fifteen-year period, except that such tax benefits shall not be earned for more than seven tax periods during the ensuing seven-year period, provided the taxpayer

continues to operate the new business facility in an area that is designated an enterprise zone pursuant to subsection 5 of this section. Any taxpayer who establishes a new business facility subsequent to the commencement of the ensuing seven-year period, as authorized in subsection 5 of this section, may qualify for the tax credits authorized in sections 135.225 and 135.235, and the exemptions authorized in sections 135.215 and 135.220, pursuant to the same terms and conditions as prescribed in sections 135.100 to 135.256. The designation of any enterprise zone pursuant to subsection 5 of this section shall not be subject to the fifty enterprise zone limitation imposed in subsection 4 of section 135.210.”; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

Notwithstanding the fifteen-year limitation as prescribed in subsection 1 of this section, any governing authority having jurisdiction of an area that has been designated as an enterprise zone by the director, except one designated pursuant to this subsection, may file a petition, as prescribed by the director, for redesignation of such area for an additional period not to exceed seven years following the fifteenth anniversary of the enterprise zone's initial designation date; provided:

(1) The petition is filed with the director within three years prior to the date the tax credits authorized in sections 135.225 and 135.235 and the exemption allowed in section 135.220 are required to be removed pursuant to subsection 1 of this section;

(2) The governing authority identifies and conforms the boundaries of the area to be designated a new enterprise zone to the political boundaries established by the latest decennial census, unless otherwise approved by the director;

(3) The area satisfies the requirements prescribed in subdivisions (3), (4) and (5) of section 135.205 according to the latest decennial census or other appropriate source as approved by the director;

(4) The governing authority satisfies the requirements prescribed in sections 135.210, 135.215 and 135.255;

(5) The director finds that the area is unlikely to support reasonable tax assessment or to experience reasonable economic growth without such designation; and

(6) The director's recommendation that the area be designated as an enterprise zone, is approved by the joint committee on economic development policy and planning, as otherwise required in subsection 3 of section 135.210.

6. Any taxpayer having established a new business facility in an enterprise zone except one designated pursuant to subsection 5 of this section, who did not earn the tax credits authorized in sections 135.225 and 135.235 and the exemption allowed in section 135.220 for the full ten-year period because of the fifteen-year limitation as prescribed in subsection 1 of this section, shall be granted such benefits for ten tax years, less the number of tax years the benefits were claimed or could have been claimed prior to the expiration of the original fifteen-year period, except that such tax benefits shall not be earned for more than seven tax periods during the ensuing seven-year period, provided the taxpayer continues to operate the new business facility in an area that is designated an enterprise zone pursuant to subsection 5 of this section. Any taxpayer who establishes a new business facility subsequent to the commencement of the ensuing seven-year period, as authorized in subsection 5 of this section, may qualify for the tax credits authorized in sections

135.225 and 135.235, and the exemptions authorized in sections 135.215 and 135.220, pursuant to the same terms and conditions as prescribed in sections 135.100 to 135.256. The designation of any enterprise zone pursuant to subsection 5 of this section shall not be subject to the fifty enterprise zone limitation imposed in subsection 4 of section 135.210.”; and

Further amend the title and enacting clause accordingly.
