AN ACT

To amend chapter 194, RSMo, by adding thereto six new sections relating to the disposition of human fetuses act, with a penalty provision.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 194, RSMo, is amended by adding thereto six new sections, to be
2 known as sections 194.375, 194.378, 194.381, 194.384, 194.387, and 194.390, to read as
3 follows:

194.375. 1. Sections 194.375 to 194.390 shall be known and may be cited as the
2 **"Disposition of Human Fetuses Act".**

3 **2. As used in sections 194.375 to 194.390, the following terms mean:**

4 **(1) "Final disposition", the burial, cremation, or other disposition of the remains**
5 **of a human fetus;**

6 **(2) "Remains of a human fetus", the remains of a dead offspring of a human being**
7 **after an abortion or miscarriage, regardless of whether the remains have been obtained by**
8 **induced, spontaneous, or accidental means.**

194.378. The mother of a dead human fetus has the right to determine the final
2 **disposition of the remains of the fetus, regardless of the duration of the pregnancy. The**
3 **mother may choose any means of final disposition authorized by law or by the director of**
4 **the department of health and senior services.**

194.381. 1. The final disposition of the remains of a human fetus may be by
2 **cremation, interment by burial, incineration in an approved medical waste incinerator, or**
3 **other means authorized by the director of the department of health and senior services.**
4 **The disposition shall be in accordance with state law or administrative rules providing for**
5 **the disposition. If the remains are disposed of by incineration, the remains shall be**

6 incinerated separately from other medical waste.

7 2. No religious service or ceremony is required as part of the final disposition of the
8 remains of a human fetus.

194.384. Every hospital, outpatient clinic, and any other health care facility licensed
2 to operate in this state shall adopt written standards for the final disposition of the remains
3 of a human fetus as provided in sections 194.375 to 194.390 for protection of a mother's
4 right pursuant to section 194.378 and for notice as required in section 194.387.

194.387. 1. Within twenty-four hours after an abortion or miscarriage is induced
2 or occurs spontaneously or accidentally at a hospital, outpatient clinic, or any other health
3 care facility, the facility shall disclose to the mother of the aborted or miscarried fetus, both
4 orally and in writing, the mother's right to determine the final disposition of the remains
5 of the fetus. The facility shall also disclose the methods of final disposition that are
6 available. The facility's disclosure may include giving the mother a copy of the facility's
7 written standards adopted pursuant to section 194.384.

8 2. The facility shall make counseling concerning the death of the fetus available to
9 the mother. The facility may provide the counseling or refer the mother to another
10 provider of appropriate counseling services.

194.390. Any person who violates the provisions of sections 194.375 to 194.390 is
2 guilty of a class C misdemeanor.
