67.2000. Sections 67.2000 to 67.2060 shall be known and may be cited as the

19 significantly benefit the public by increasing state and local tax revenues through the
20 creation of new jobs, increased sales, increased property tax values, and taxes withheld
21 from employees by employers, and by enhancing regional tourism, and creating an
22 environment to stimulate additional private investment in the area where new development

16 character which the public body is otherwise empowered to undertake or furnish for the
17 same or other purposes;

18 (6) Incur the entire expense of any public improvements or other services made or

19 provided by such public body in exercising the powers granted in this section;

20 (7) Approve and adopt a sports center redevelopment plan and do any and all
21 things necessary or convenient to aid and cooperate in the planning or carrying out of a
22 sports center redevelopment plan;

23 (8) Lend, grant, or contribute funds or other property to an authority or other
24 public body;

25 (9) Employ any funds belonging to or within the control of such public body,
26 including funds derived from the sale or furnishing of property, service, or facilities to an
27 authority, in the purchase of the bonds or other obligations of an authority and, as the
28 holder of such bonds or other obligations, exercise the rights connected therewith;

29 (10) Lease or sublease property, including any sports facility redevelopment project
30 or portion thereof from others and pay rent or other consideration therefor; and

31 (11) Enter into agreements, which may extend over any period, notwithstanding
32 any provision or rule of law to the contrary, with an authority or other public body
33 respecting action to be taken pursuant to any of the powers granted in sections 67.2000 to
34 67.2060. If at any time title to, or possession of, any sports center redevelopment project
35 is held by any public body, other than the authority, authorized by law to engage in the
36 undertaking, carrying out, or administration of development projects, the provisions of
37 such agreements shall inure to the benefit of and may be enforced by such public body.

67.2024. 1. An authority shall not undertake or carry out a sports center
2 redevelopment plan or project unless the city has adopted the sports center redevelopment
3 plan by ordinance. A sports center redevelopment plan shall set forth in writing a general
4 description of the program to be undertaken to accomplish the objectives of such plan and
5 shall include, but need not be limited to, a legal description of the sports center
6 redevelopment area, the estimated project costs, the anticipated sources of funds to pay the
7 project costs, evidence of any commitments to finance the project costs, the anticipated type
8 and term of the sources of funds to pay the project costs, the anticipated type and terms
9 of the obligations to be issued, the most recent equalized assessed valuation of the property
10 within the sports center redevelopment area, an estimate as to the equalized assessed
11 valuation of such property after redevelopment, and the general land uses to apply in the
12 sports center redevelopment area.

13 2. No sports center redevelopment plan shall be adopted by a city without a finding
14 by the city that the sports center redevelopment area on the whole is a blighted area or a
15 conservation area.

67.2027. 1. Before the adoption of a sports center redevelopment plan the city shall
2 fix a time and place for a public hearing and notify each taxing district located wholly or

3 partially within the boundaries of the proposed sports center redevelopment area. At the
4 public hearing any interested person or affected taxing district may file with the city
5 written objections to, or comments on, and may be heard orally in respect to, any issues
6 embodied in the notice. The city shall hear and consider all protests, objections, comments,
7 and other evidence presented at the hearing. The hearing may be continued to another
8 date without further notice other than a motion to be entered upon the minutes fixing the
9 time and place of the subsequent hearing. Before the conclusion of the hearing, changes
10 may be made in the sports center redevelopment plan, provided that each affected taxing
11 district is given written notice of such changes at least seven days before the conclusion of
12 the hearing. After the public hearing but before the adoption of an ordinance approving
13 a sports center redevelopment plan, changes may be made to the sports center
14 redevelopment plan without a further hearing, if such changes do not enlarge the exterior
15 boundaries of the sports center redevelopment area, and do not substantially affect the
16 general land uses established in the sports center redevelopment plan, provided that notice
17 of such changes shall be given by mail to each affected taxing district and by publication
18 in a newspaper of general circulation in the area of the proposed redevelopment not less
19 than ten days before the adoption of the changes by ordinance. After the adoption of an
20 ordinance approving a sports center redevelopment plan, no change to the sports center
21 redevelopment plan shall be adopted or approved which alters the exterior boundaries of
22 the sports center redevelopment area, affects the general land uses established pursuant
23 to the sports center redevelopment plan without complying with the procedures provided
24 in this section pertaining to the initial approval of a sports center redevelopment plan or
25 project.

26 2. Notice of the public hearing required by this section shall be given by publication
27 and mailing. Notice by publication shall be given by publication at least twice, the first
28 publication to be not more than twenty days and the second publication to be not more
29 than ten days before the hearing, in a newspaper of general circulation in the area of the
30 proposed redevelopment. Notice by mailing shall be given by depositing such notice in the
31 United States mail by certified mail addressed to the person or persons in whose name the
32 general taxes for the last preceding year were paid on each lot, block, tract, or parcel of
33 land lying within the sports center redevelopment project area. Such notice shall be mailed
34 not less than ten days before the date set for the public hearing. In the event taxes for the
35 last preceding year were not paid, the notice shall also be sent to the persons last listed on
36 the tax rolls within the preceding three years as the owners of such property.

37 3. The notices issued pursuant to this section shall include the following:

38 (1) The time and place of the public hearing;

39 (2) The general boundaries of the proposed sports center redevelopment area by
40 street location, where possible;

41 (3) A statement that all interested persons shall be given an opportunity to be heard
42 at the public hearing;

43 (4) A description of the proposed sports center redevelopment plan, and a location
44 and time where the entire plan may be reviewed by any interested party;

45 (5) Such other matters as the municipality may deem appropriate.

46 4. Not less than twenty days before the date set for the public hearing, the city shall
47 give notice by mail as provided in subsection 2 of this section to all taxing districts from
48 which taxable property is included in the sports center redevelopment area, and in addition
49 to the other requirements pursuant to subsection 2 of this section, the notice shall include
50 an invitation to each taxing district to submit comments to the municipality concerning the
51 subject matter of the hearing before the date of the hearing.

52 5. A copy of any and all hearing notices required by this section shall be submitted
53 by the municipality to the director of the department of economic development of the state.
54 Such submission of the copy of the hearing notice shall comply with the prior notice
55 requirements pursuant to subsection 3 of this section.

56 6. Upon adoption and approval of a sports center redevelopment plan, the city shall
57 forward a copy of such plan, along with a certified copy of any approving ordinances, to
58 the speaker of the house of representatives and the president pro tempore of the senate.

67.2030. 1. Obligations may be issued by the authority or any other public body
2 to provide for project costs and other costs of implementing the sports center
3 redevelopment plan, including to refund obligations issued for such purposes. The
4 authority or other public body may pledge all or any part of any funds and revenues
5 available to the authority or such public body from any source, public or private, including
6 any funds in and to be deposited in the special allocation fund, to the payment of the sports
7 center redevelopment project costs and obligations. Any pledge of funds in the special
8 allocation fund may provide for distribution to the applicable other taxing districts of
9 moneys not required for payment of redevelopment costs or obligations and such excess
10 funds shall be deemed to be surplus funds.

11 2. Without limiting the provisions of subsection 1 of this section, the authority or
12 other public body may pledge any part or any combination of the revenues of any sports
13 center redevelopment project, or a mortgage on part or all of the sports center
14 redevelopment project owned by it, to secure its obligations or other redevelopment costs.

15 3. Such obligations may be issued in one or more series bearing interest at such rate
16 or rates as the issuer shall determine. Such obligations shall bear such date or dates,

17 mature at such time or times (not exceeding thirty-five years from their respective dates
18 when secured by the special allocation fund), be in such denominations, carry such
19 registration privileges, be executed in such manner, be payable in such medium of payment
20 at such place or places, be subject to redemption and contain such other covenants, terms,
21 and conditions as the ordinance or resolution of the issuer shall provide or authorize. Such
22 obligations may be sold at public or private sale at such price as shall be determined by the
23 issuer and shall state that such obligations are special obligations payable solely from the
24 funds specifically pledged therefor in accordance with sections 67.2000 to 67.2060.

25 4. The obligations shall contain a recital that they are issued pursuant to this
26 section, which recital shall be conclusive evidence of their validity and of the regularity of
27 their issuance.

28 5. No person executing any obligation shall be personally liable for such obligation
29 by reason of the issuance thereof. The obligations issued pursuant to this section shall not
30 be a general obligation of the authority, any municipality, the state of Missouri, or any
31 political subdivision thereof, or any other public body, nor in any event shall such
32 obligation be payable out of any funds or properties other than those specifically pledged
33 as security therefor. The obligations shall not constitute indebtedness within the meaning
34 of any constitutional, statutory, or charter debt limitation or restriction.

35 6. The authority or other public body shall have the power to exercise all or any
36 part or combination of the powers herein granted; to make such covenants, other than and
37 in addition to the covenants herein expressly authorized; and to do any and all such acts
38 and things as may be necessary or convenient or desirable in order to secure its obligations,
39 or, in the absolute discretion of said authority or other public body, as will tend to make
40 the obligations more marketable notwithstanding that such covenants, acts, or things may
41 not be enumerated herein.

67.2033. 1. Once a sports center redevelopment plan is approved or adopted by the
2 city and the authority in accordance with sections 67.2000 to 67.2060, thereafter, for a
3 period established by the city in the ordinance approving the sports center redevelopment
4 plan or project, not to exceed thirty-five years, economic activity taxes generated within
5 the sports center redevelopment area shall be allocated to and, when collected, paid by the
6 local political subdivision collecting officer to the treasurer or other designated financial
7 officer of the city or other public body who shall deposit such funds into the special
8 allocation fund of the city or other public body for the purposes enumerated in sections
9 67.2000 to 67.2060, including, but not limited to, the purpose of paying project costs and
10 obligations incurred in connection therewith.

11 2. Subject to annual appropriation, the city or any other public body may provide

12 a fixed annual appropriation beginning not earlier than July of the third calendar year
13 after adoption of the ordinance approving and adopting the sports center redevelopment
14 plan for purposes of providing debt service over not more than thirty years for a debt
15 financing in support of a sports center redevelopment plan, including project costs. On the
16 date of the issuance of the debt, the city's portion of revenues received from naming rights
17 for the stadium, as determined by the city, and subject to any limitations of the Internal
18 Revenue Code for tax-exempt financing, shall be deposited in the city naming rights fund.
19 Available amounts in the city naming rights fund shall be drawn upon by the municipality
20 in the event that the cumulative economic activity taxes from the sports center
21 redevelopment area, measured initially ten years following the issuance of the debt and at
22 five-year intervals thereafter and taking into account any prior payments to the
23 municipality, are less than the cumulative annual appropriations for the applicable period
24 made by the city for the debt service on the financing. Subject to the limitations of the
25 Internal Revenue Code for tax-exempt financing and to the reimbursement of the city for
26 any deficiency in the economic activity taxes, any excess amounts in the city naming rights
27 fund, as determined by the city, shall be used for the benefit of the stadium, in the time and
28 manner specified in and subject to the terms of the redevelopment contracts and related
29 agreements. In the event that the city naming rights fund shall be drawn upon for
30 reimbursement of the city for any deficiency in the economic activity taxes, then the
31 amount in the city naming rights fund shall be restored to the amount required by the city
32 to the extent of any additional revenues from naming rights, subject to the limitations of
33 the Internal Revenue Code for tax-exempt financing.

34 3. Subject to annual appropriation, the state, acting through the Missouri
35 development finance board or such other entity as the state shall deem appropriate, may
36 provide a fixed annual appropriation not to exceed seven million dollars per year
37 beginning not earlier than July of the third calendar year after adoption of the ordinance
38 by the city establishing a sports center redevelopment plan for purposes of providing debt
39 service over not more than thirty years for a debt financing that will provide a net sum not
40 to exceed one hundred million dollars in support of a sports center redevelopment plan,
41 including project costs. Such amount shall be net of all reserves, capitalized interest, and
42 costs of issuance for financing such net amount. On the date of the issuance of the debt,
43 the state's portion of revenues received from naming rights for the stadium, as determined
44 by the state and subject to the limitations of the Internal Revenue Code for tax-exempt
45 financing, shall be deposited in the state naming rights fund. Available amounts in the
46 state naming rights fund shall be drawn upon by the state in the event that the cumulative
47 new state revenues from the sports center redevelopment area, measured initially ten years

48 following the issuance of the debt and at five-year intervals thereafter and taking into
49 account any prior payments to the state, are less than the cumulative annual
50 appropriations for the applicable period made by the state for the debt service on the
51 financing. Subject to the limitations of the Internal Revenue Code for tax-exempt
52 financing and to the reimbursement of the state for any deficiency in the new state
53 revenues, any excess amounts in the state naming rights fund, as determined by the state,
54 shall be used for the benefit of the stadium, in the time and manner specified in and subject
55 to the terms of the redevelopment contracts and related agreements. In the event that the
56 state naming rights fund shall be drawn upon for reimbursement of the state for any
57 deficiency in the new state revenues, then the amount in the state naming rights fund shall
58 be restored to the amount required by the state to the extent of any additional revenues
59 from naming rights, subject to the limitations of the Internal Revenue Code for tax-exempt
60 financing.

61 4. At the time of issuance of any obligations payable from the state's annual
62 appropriation in accordance with subsection 3 of this section for the purpose of
63 constructing a stadium, and prior to release of any proceeds of such obligations, all
64 additional funds necessary to complete the construction of such stadium shall be deposited
65 into a construction fund by the city, the county and any lessee, redeveloper or sports
66 franchise leasing such stadium.

67.2036. 1. At least once a year, the authority shall file with the municipality, the
2 state, and any other participating public body a report of its activities for the preceding
3 year, and shall make recommendations with reference to such additional legislation or
4 other action as it deems necessary in order to carry out sections 67.2000 to 67.2060.

5 2. The authority shall periodically hold a public hearing regarding the sports center
6 redevelopment plan. The purpose of the hearing shall be to determine if the authority is
7 making satisfactory progress under the proposed time schedule for completion of such
8 plan. Notice of such public hearing shall be given in a newspaper of general circulation in
9 the sports center redevelopment area once each week for four weeks immediately before
10 the hearing.

67.2039. 1. When the costs of carrying out a sports center redevelopment plan have
2 been paid, including, but not limited to, all sports center redevelopment project costs and
3 all obligations financing such costs, all surplus funds then remaining in any special
4 allocation fund shall be paid by the treasurer or other designated financial officer of the
5 city or other public body to the applicable taxing districts.

6 2. Upon the payment of all such sports center redevelopment plan and project costs,
7 retirement of all such obligations, and the distribution of any excess moneys, the city or

8 other public body shall dissolve any special allocation fund for the sports center
9 redevelopment area and cease allocating any economic activity taxes to such fund.
10 Thereafter, the rates of the taxing districts shall be extended and taxes levied, collected,
11 and distributed in the manner applicable in the absence of the adoption of a sports center
12 redevelopment plan.

13 3. Nothing herein shall be construed as relieving property in the affected areas from
14 paying a uniform rate of taxes, as required by article X, section 3 of the Missouri
15 Constitution.

67.2042. Notwithstanding any other provision to the contrary, with respect to any
2 sports center redevelopment plan approved by any city not within a county, any county of
3 the first classification with a charter form of government and with more than one million
4 inhabitants may annually contribute tax revenues deposited in the county convention and
5 recreation trust fund, or any other general or special fund designated by the county, in
6 support of the sports center redevelopment plan.

67.2045. 1. The income of the authority and all properties at any time owned by
2 the authority shall be exempt from all taxation in the state. For the purposes of section
3 409.402, RSMo, all bonds and other obligations issued by the authority shall be deemed to
4 be securities issued by a public instrumentality of the state.

5 2. The authority is hereby declared to be performing a public function and bonds
6 and other obligations of the authority are declared to be issued for an essential public and
7 governmental purpose and, accordingly, interest thereon and income therefrom shall be
8 exempt from income taxation by the state.

9 3. The bonds and other obligations of the authority are securities in which all
10 public officers and bodies of the state and all municipalities and municipal subdivisions,
11 all insurance companies and associations and other persons carrying on an insurance
12 business, all banks, trust companies, savings associations, savings and loan associations and
13 investment companies, all administrators, guardians, executors, trustees, and other
14 fiduciaries, and all other persons whatsoever who are now or may hereafter be authorized
15 to invest in bonds or other obligations of the state, may properly and legally invest funds,
16 including capital, in their control or belonging to them.

67.2048. 1. Notwithstanding sections 8.250, 8.285 to 8.291, 8.675 to 8.687, RSMo,
2 and section 107.170, RSMo, the authority and any other public body may establish such
3 systems and procedures for the design, construction, and delivery of a sports center
4 redevelopment project as they shall deem necessary or convenient to carry out and
5 effectuate sections 67.2000 to 67.2060, including the use of the design-build method of
6 construction, the use of a construction manager authorized to provide a guaranteed

7 maximum price for the design and construction of the project, and the use of
8 qualifications-based selection of architects, consultants, contractors, or design-builders,
9 provided that:

10 (1) Competitive bids are obtained from subcontractors performing construction
11 work on the project;

12 (2) If a separate performance and payment bond is not required for the
13 construction manager, general contractor, or design-build entity, then all trade work to be
14 performed for the project shall be covered by performance and payment bonds; and

15 (3) Any detailed design criteria and final working drawings for the project shall be
16 prepared by a licensed architect or engineer.

17 2. For the purposes of this section, the following terms mean:

18 (1) "Design-build", a process of entering into and managing a contract between the
19 authority or any other public body or any developer or other participant in a sports center
20 redevelopment project and another party in which the other party agrees to both design
21 and build any structure, facility, or other item included in the project;

22 (2) "Qualifications-based selection", a process of entering into and managing a
23 contract between the authority or any other public body or any developer or other
24 participant in a sports center redevelopment project and another party in which the other
25 party is selected on the basis of the party's qualifications and experience in designing or
26 constructing facilities, structures, or other items similar to those the authority is authorized
27 to undertake.

67.2051. The authority shall be deemed to be a political subdivision or
2 instrumentality thereof exempt from taxation pursuant to subdivision (1) of subsection 1
3 of section 144.062, RSMo, and shall have the authority to issue exemption certificates
4 pursuant to such section.

67.2054. 1. This section shall be referred to as the "Taxpayer Protection
2 Provisions". For the purposes of this section, the following terms mean:

3 (1) "Lease", any lease, project agreement, or similar agreement pursuant to which
4 a team is leasing or using a stadium;

5 (2) "Mixed-use facilities", any housing, offices, museums, entertainment venues,
6 retail stores, restaurants, parking, and similar facilities included in a sports center
7 redevelopment plan;

8 (3) "Sponsor", the state and any city and county which have established an
9 authority; and

10 (4) "Team", a major league sports team which leases a stadium or is expected to
11 lease a stadium pursuant to a sports center redevelopment plan.

12 **2. The lease shall be for an initial term of at least thirty-five years, and shall include**
13 **at a minimum substantially the following provisions, which shall apply for the periods, and**

24 **development, construction, or refurbishment of neighborhood recreational facilities that**
25 **will primarily benefit or serve disadvantaged youth in the city and the county which have**
26 **established an authority;**

27 **(5) The team shall pay all operating and maintenance expenses of the stadium, and**
28 **shall pay the costs of necessary capital improvements to the stadium in accordance with**
29 **the terms of the lease;**

30 **(6) In the event of the sale of the team, the team or its owners shall pay to the**
31 **authority and the sponsors a portion of the sale price which is attributable to the lease and**
32 **the stadium, calculated in accordance with such formula or criteria as shall be determined**
33 **by the authority and the sponsors in their sole judgment and agreed to by the team and**
34 **provided in the redevelopment contract relating to the stadium; and**

35 **(7) The team shall make payments in lieu of taxes in each year to the city and other**
36 **taxing districts in which the stadium is located in an amount equal to the amounts of ad**
37 **valorem property taxes paid in the calendar year immediately preceding the calendar year**
38 **in which the ordinance was adopted by the city approving the sports center redevelopment**
39 **plan less the amounts of any ad valorem property taxes paid in each such year to the city**
40 **and other taxing districts with respect to the stadium, the lease, and the mixed-use**
41 **facilities.**

42 **3. The team shall guarantee the acquisition, construction, and equipping of the**
43 **stadium in accordance with the sports center redevelopment plan, and shall be responsible**
44 **for paying any cost overruns in connection therewith, subject to such commercially**
45 **reasonable force majeure provisions as may be agreed to by the authority and the sponsors.**

46 **4. The team shall provide to the state and the sponsors guarantees or other**
47 **assurances or undertakings satisfactory to them as to the commencement, acquisition,**

48 construction, or equipping of the mixed-use facilities, which shall include aggregate
49 penalties in an amount of one hundred million dollars which penalties shall be payable
50 over the anticipated term of any obligations and in the manner and on such terms and
51 within such times as are prescribed in the sports center redevelopment plan, for the failure
52 to accomplish such commencement acquisition, construction, or equipping of the mixed-use
53 facilities.

54 **5. The team and any developer of the stadium shall comply with all applicable**
55 **federal, state, and local laws and executive orders regarding contracting, hiring, and**
56 **employment, and shall set a goal for the acquisition, construction, and equipping of the**
57 **stadium of twenty-five percent for minority-owned business participation and five percent**
58 **for women-owned business participation.**

59 **6. The authority shall not issue any obligations payable from an appropriation by**
60 **the state or any sponsor in support of a stadium included in a sports center redevelopment**
61 **plan unless such stadium is owned in fee simple title by the authority.**

62 **7. The authority, as owner of the stadium, shall own the right to name the stadium,**
63 **subject to the right of the team to approve the name.**

64 **8. Any stadium constructed with the proceeds of obligations for which the state is**
65 **providing an annual appropriation pursuant to subsection 3 of section 67.2033 shall**
66 **contain a luxury suite which is available to the public through a lottery or other fan**
67 **selection process, as designated by the authority in the stadium lease, which ensures that**
68 **the public at large has access to such suite for all home games played at the stadium. No**
69 **rent, fees, or charges of any kind shall apply to the use of such suite.**

67.2057. Sections 67.2000 to 67.2060 shall be construed liberally to effectuate the
2 **purposes hereof. Insofar as sections 67.2000 to 67.2060 are inconsistent with the provisions**
3 **of any other law, sections 67.2000 to 67.2060 shall be controlling.**

67.2060. The powers conferred by sections 67.2000 to 67.2060 shall be in addition
2 **and supplemental to the powers conferred by any other law.**
