AN ACT

To repeal section 143.121, RSMo, and to enact in lieu thereof one new section relating to income taxation with an effective date.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 143.121, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 143.121, to read as follows:

143.121. 1. The Missouri adjusted gross income of a resident individual shall be [his] **the individual's** federal adjusted gross income subject to the modifications in this section.

2. There shall be added to [his] **the individual's** federal adjusted gross income:

(a) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit;

(b) Interest on certain governmental obligations excluded from federal gross income by Section 103 of the Internal Revenue Code. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (a) of subsection 3 of this section. The amount added [under] **pursuant to** this paragraph shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of Section 265 of the Internal Revenue Code. The reduction shall only be made if it is at least five hundred dollars.

3. There shall be subtracted from [his] **the individual's** federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

27 adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax
