

HB 645 -- Inactive Licenses for Psychologists

Co-Sponsors: Ruestman, Schaaf, Stevenson

This bill creates an inactive license status for licensed psychologists. Persons wishing to obtain an inactive license must make application with the State Committee of Psychologists, declaring their intention of not engaging in the professional practice of psychology in this state. Persons wishing to be taken off inactive status and obtain a regular license to practice psychology must make application with the committee, pay all reactivation fees, and submit proof of current competency as established by the committee.

The bill also exempts inactive license holders from all continuing education requirements.
