 324.203. 1. There is hereby [established] **created within the division of professional**
2 **registration, a committee to be known as** the "State Committee of Dietitians" [which shall
3 guide, advise and make recommendations to the division and fulfill other responsibilities
4 designated by sections 324.200 to 324.225. The committee shall approve the examination
5 required by section 324.210 and shall assist the division in carrying out the provisions of sections
6 324.200 to 324.225]. **The committee shall assist the division in administering and enforcing**
7 **the provisions of sections 324.200 to 324.225, adopt, publish, and enforce such rules and**
8 **regulations within the scope and purview of the provisions of sections 324.200 to 324.225**
9 **as may be considered to be necessary or proper for the effective administration and**
10 **interpretation of the provisions of sections 324.200 to 324.225, and for the conduct of its**
11 **business and management of its internal affairs.**

12 2. **The committee shall approve the examination required by section 324.210.**

13 3. The committee shall consist of six members including one public member, appointed
14 by the governor with the advice and consent of the senate. Each member of the committee shall
15 be a citizen of the United States and a resident of this state, and, except as provided in this
16 section and except for the first members appointed, shall be licensed as a dietitian by this state.
17 Beginning with the first appointments made after August 28, 1998, two members shall be
18 appointed for four years, two members shall be appointed for three years and two members shall
19 be appointed for two years. Thereafter, all members shall be appointed to serve four-year terms.
20 No person shall be eligible for reappointment who has served as a member of the committee for
21 a total of eight years. The membership of the committee shall reflect the differences in levels
22 of education and work experience with consideration being given to race, gender, and ethnic
23 origins. No more than three members shall be from the same political party. The membership
24 shall be representative of the various geographic regions of the state.

25 [3.] 4. A vacancy in the office of a member shall be filled by appointment by the
26 governor for the remainder of the unexpired term.

27 [4.] 5. Each member of the committee shall receive as compensation an amount set by
28 the division not to exceed fifty dollars, and shall be reimbursed for necessary and actual expenses
29 incurred in the performance of the member's official duties. The director, in collaboration with
30 the department of economic development, shall establish by rule, guidelines for payment. All
31 staff for the committee shall be provided by the division.

32 [5.] 6. The committee shall hold an annual meeting at which it shall elect from its

33 membership a chairperson and secretary. The committee may hold such additional meetings as
34 may be required in the performance of its duties, provided that notice of every meeting shall be
35 given to each member at least three days prior to the date of the meeting. A quorum of the
36 committee shall consist of a majority of its members.

37 [6.] 7. The governor may remove a committee member for misconduct, incompetency,
38 neglect of the member's official duties, or for cause.

39 [7.] 8. The public member shall be at the time of the person's appointment a citizen of
40 the United States; a resident of this state for a period of one year and a registered voter; a person
41 who is not and never was a member of any profession licensed or regulated by sections 324.200
42 to 324.225, or the spouse of such a person; and a person who does not have and never has had
43 a material financial interest in either the providing of the professional services regulated by
44 sections 324.200 to 324.225, or an activity or organization directly related to any profession
45 licensed or regulated by sections 324.200 to 324.225. The duties of the public member shall not
46 include the determination of the technical requirements to be met for licensure or whether any
47 person meets such technical requirements or of the technical competence or technical judgment
48 of a licensee or a candidate for licensure.

324.205. 1. [After July 1, 2000, no person may use the title licensed dietitian or L.D. in
2 this state unless the person is licensed pursuant to the provisions of sections 324.200 to 324.225.

3 2. Any person who violates the provisions of subsection 1 of this section is guilty of an
4 infraction.] **Any person who holds a license to practice dietetics in this state may use the title**
5 **"Dietitian" or the abbreviation "L.D.". No other person may use the title "Dietitian" or**
6 **the abbreviation "L.D.". No other person shall assume any title or use any title or use any**
7 **abbreviation or any other words, letters, signs, or devices to indicate that the person using**
8 **the same is a licensed dietitian.**

9 2. **No person shall practice or offer to practice dietetics in this state for**
10 **compensation or use any title, sign, abbreviation, card, or device to indicate that such**
11 **person is practicing dietetics unless he or she has been duly licensed pursuant to the**
12 **provisions of sections 324.200 to 324.225.**

13 3. **Any person who violates the provisions of subsection 1 of this section is guilty of**
14 **a class A misdemeanor.**

324.206. **As long as the person involved does not represent or hold himself or**
2 **herself out as a dietitian as defined by subdivision (2) of subsection 2 of section 324.200,**
3 **nothing in sections 324.200 to 324.225 is intended to limit, preclude, or otherwise interfere**
4 **with:**

5 (1) **Self-care by a person or gratuitous care by a friend or family member;**

6 (2) **Persons in the military services or working in federal facilities from performing**

7 any activities described in sections 324.200 to 324.225 during the course of their assigned
8 duties in the military service or a federal facility;

9 (3) A licensed healthcare provider performing any activities described in sections
10 324.200 to 324.225 that are within the scope of practice of the licensee;

11 (4) A person pursuing an approved educational program leading to a degree or
12 certificate in dietetics at an accredited or approved educational program as long as such
13 person does not provide dietetic services outside the educational program. Such person
14 shall be designated by a title that clearly indicates the person's status as a student;

15 (5) Individuals who do not hold themselves out as dietitians marketing or
16 distributing food products including dietary supplements as defined by the Food and Drug
17 Administration or engaging in the explanation and education of customers regarding the
18 use of such products;

19 (6) Any person furnishing general nutrition information as to the use of food, food
20 materials, or dietary supplements, nor prevent in any way the free dissemination of
21 literature; provided, however, no such individual may call himself or herself a dietitian
22 unless he or she is licensed under this chapter.

324.210. 1. An applicant for licensure as a dietitian shall be at least twenty-one years
2 of age.

3 2. Each applicant shall furnish evidence to the committee that:

4 (1) The applicant has completed a didactic program in dietetics which is approved or
5 accredited by the commission on [accreditation/approval for dietetic education] **accreditation**
6 **for dietetics education** and a minimum of a baccalaureate degree from an acceptable
7 educational institution accredited by a regional accrediting body or accredited by an accrediting
8 body which has been approved by the United States Department of Education. Applicants who
9 have obtained their education outside of the United States and its territories must have their
10 academic degrees validated as equivalent to the baccalaureate or master's degree conferred by
11 a regionally accredited college or university in the United States. Validation of a foreign degree
12 does not eliminate the need for a verification statement of completion of a didactic program in
13 dietetics;

14 (2) The applicant has completed a supervised practice requirement from an institution
15 that is certified by a nationally recognized professional organization as having a dietetics
16 specialty or who meets criteria for dietetics education established by the committee. The
17 committee may specify those professional organization certifications which are to be recognized
18 and may set standards for education training and experience required for those without such
19 specialty certification to become dietitians.

20 3. The applicant shall successfully pass an examination as determined by the committee.

21 The committee may waive the examination requirement and grant licensure to an applicant for
22 a license as a dietitian who presents satisfactory evidence to the committee of current registration
23 as a dietitian with the commission on dietetic registration.

24 4. Prior to July 1, 2000, a person may apply for licensure without examination and shall
25 be exempt from the academic requirements of this section if the committee is satisfied that the
26 applicant has a bachelor's degree in a program approved by the committee and has work
27 experience approved by the committee.

28 5. The committee may determine the type of documentation needed to verify that an
29 applicant meets the qualifications provided in subsection 3 of this section.

324.215. 1. The committee shall issue a license to each candidate who files an
2 application and pays the fee as required by the provisions of sections 324.200 to 324.225 and
3 who furnishes evidence satisfactory to the committee that the candidate has complied with the
4 provisions of section 324.210 or with the provisions of subsection 2 of this section.

5 2. The committee may issue a license to any dietitian who has a valid current license to
6 practice **dietetics or** medical nutrition therapy in any jurisdiction, provided that such person is
7 licensed in a jurisdiction whose requirements for licensure are substantially equal to, or greater
8 than, the requirements for licensure of dietitians in Missouri at the time the applicant applies for
9 licensure.

10 3. The committee may not allow any person to sit for the examination for licensure as
11 a dietitian in this state who has failed the examination as approved by the committee three times,
12 until the applicant submits evidence of satisfactory completion of additional course work or
13 experience and has been approved by the committee for reexamination.

**324.216. 1. A licensed dietitian may choose not to renew his or her license and
2 thereby allow such license to lapse, or may ask to be put on inactive status, provided such
3 person does not practice dietetics during such period that the license is lapsed or the
4 practitioner is on inactive status. If a person with a lapsed license desires to resume the
5 practice of dietetics, the person shall apply for licensure pursuant to the licensing
6 requirements in effect at the time the person applies to resume the practice of dietetics and
7 pay the required fee as established by the committee. If the person desires to maintain
8 such license on an inactive status and in order to avoid lapsing of such license, the person
9 shall pay the required fee as established by the committee for maintaining an inactive
10 license. An inactive license shall be renewed biennially. An inactive license may be
11 reactivated by the committee as provided by rule.**

12 **2. Any person who practices as a dietitian during the time his or her license is
13 inactive or lapsed shall be considered an illegal practitioner and shall be subject to the
14 penalties for violation of the dietitian practice act.**
